Result FILED

**Your primary review**

Your ORP statement had a **primary review** which checked whether it was signed by an officer, lodged on time, included the required NIL statements and whether you met the requirements that the ROC raised with you last year.

**Your ORP statement satisfied the requirements of the primary review  
and has been uploaded to the ROC website.**

## **The ROC's risk-based approach**

This year your ORP statement was assessed against a primary review. A primary review does not check all legislative requirements.

Over a five year period the ORP statement of every organisation and branch will be subject to at least one advanced review. An advanced review is a more comprehensive review.

The ROC's [advanced review checklist](#) is published on our website.

I declare that:

- the officers listed in this ORP statement are those whose relevant remuneration places them in the top five rankings of officers;
- where fewer officers are listed, this is because only those listed officers received relevant remuneration;
- the only officers in the top five rankings who received non-cash benefits are those for whom an amount is listed in the non-cash benefits column;
- the persons and entities listed under 'payments to related parties' are the only related parties or declared persons or bodies that are required to be disclosed under s.293G, where none are listed this is because there were no disclosable payments;

Signed (by the officer making the declaration):
