Dear Michelle Harwood

**The Australian Road Transport Industrial Organization - Tasmanian Branch's
Officer and related party disclosure statement (ORP Statement)**

Thank you for providing the ORP statement. The ORP statement includes information required to be provided to your members and lodged under subsection 293J of the Fair Work (Registered Organisations) Act 2009 (the RO Act).

Summary of your ORP Statement and Review Outcome

Financial year ending	30 June 2021
Matter number	ORP2021/178
Lodgement date	14 October 2021
Review	Primary Review
Result	FILED

Your primary review

Your ORP statement had a **primary review** which checked whether it was signed by an officer, lodged on time, included the required NIL statements and whether you met the requirements that the ROC raised with you last year.

**Your ORP statement satisfied the requirements of the primary review
and has been uploaded to the ROC website.**

The ROC's risk-based approach

This year your ORP statement was assessed against a primary review. A primary review does not check all legislative requirements.

Over a five year period the ORP statement of every organisation and branch will be subject to at least one advanced review. An advanced review is a more comprehensive review.

The ROC's [advanced review checklist](#) is published on our website.

Do you have questions?

Information and education materials are available on our [website](#). **Please note there is now an updated ORP Statement Template Form which is available on the Registered Organisations Commission website at: <https://www.roc.gov.au/running-a-registered-organisation/disclosure-obligations>.** These materials are regularly updated. We recommend you [subscribe to the ROC's subscription service](#).
