Dear Nick Panayiaris,

**The Pharmacy Guild of Australia-South Australia Branch  
Financial Report for the year ended 30 June 2021 – (FR2021/170)**

I acknowledge receipt of the financial report for the year ended 30 June 2021 for the Pharmacy Guild of Australia-South Australia Branch. The documents were lodged with the Registered Organisations Commission (**the ROC**) on 29 October 2021.

The financial report has now been filed. The financial report was filed based on a primary review. This involved confirming that the financial reporting timelines required under s.253, s.265, s.266 and s.268 of the *Fair Work (Registered Organisations) Act 2009 (RO Act)* have been satisfied, all documents required under s.268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and reporting guidelines have been complied with. A primary review does not examine all disclosure requirements.

You are not required to take any further action in respect of the report lodged. Please note that the financial report for the year ending 30 June 2022 may be subject to an advanced compliance review.

**Reporting Requirements**

The ROC website provides a number of factsheets in relation to the financial reporting process and associated timelines. The website also contains the s.253 reporting guidelines and a model set of financial statements.

The ROC recommends that reporting units use these model financial statements to assist in complying with the RO Act, the s.253 reporting guidelines and Australian Accounting Standards. Access to this information is available via [this link](#).

If you have any queries regarding this letter, please contact me on (03) 9603 0841 or by email at [Mihiri.jayawardane@roc.gov.au](mailto:Mihiri.jayawardane@roc.gov.au).

Yours sincerely,

**Mihiri Jayawardane**  
Registered Organisations Commission

**OPERATING REPORT**

**For the Year Ended 30 June 2021**

Your Branch Committee present their report on the Pharmacy Guild of Australia (SA Branch) for the financial year ended 30 June 2021.

The names of the Branch Committee in office at any time during or since the end of the year and the period for which the position was held are:

N. Panayiaris (Branch President/National Councillor)  
P. Simmons (Vice President - Finance)  
M Apolloni (Vice President)  
A. Doan  
T. Gross (resigned 26th February 2021/National Councillor)  
M. Ajdukovic (resigned 26th February 2021)  
R. Wynne  
A. Phillips (resigned 26th February 2021)  
F. Heidari (resigned 26th February 2021)  
G. Scarlett (Vice President /National Councillor)  
R. Kajani (appointed 26th February 2021)  
M. Gillespie (appointed 26th February 2021)  
I. Hashmi (appointed 26th February 2021)  
S. Abou-Abdallah (appointed 26th February 2021)

Committee members have been in office since the start of the financial year to the date of this report unless otherwise stated.

The deficit of the Branch for the financial year amounted to \$75,958 (2020: surplus \$104,991).

**Principal Activities**

i) The Pharmacy Guild of Australia SA Branch is an employer's organisation servicing the needs of proprietors of independent community pharmacies and representing their interests in industrial matters.

ii) The Pharmacy Guild of Australia SA Branch assists the National Council and the National Executive of The Pharmacy Guild of Australia ('the Guild') in carrying out the overall policy and objectives of the Guild.

iii) Included in the Annual Report are the various reports compiled by The Pharmacy Guild of Australia SA Branch's President, Director and Officers outlining the activities for the year. There were no significant changes in the nature of these activities during the year.

No significant changes in the Branch's financial affairs occurred during the financial year.

Officers or members who are superannuation fund trustee(s) or a director of a company that is a superannuation fund trustee where being a member or officer of a registered organisation is a criterion for them holding such position are detailed below:

Mr N Panayiaris - Director of the Guild Group Holdings Limited, the parent entity of Guild Superannuation Services Pty Limited which is the trustee for the Guild Retirement Fund, which includes GuildSuper, Guild Pension and Child Care Super Guild Trustee Services Pty Limited.

**Members Advice**

i) Under Section 174 of the Fair Work (Registered Organisation) Act 2009, a member may resign appointed membership by written notice addressed and delivered to the Branch Director in accordance with Rule 36 of the Guild's Constitution;

ii) The register of members of the organisation was maintained in accordance with the Fair Work (Registered Organisations) Act 2009; and

**THE PHARMACY GUILD OF AUSTRALIA (SA BRANCH)**  
**ABN 38 946 547 960**

**OPERATING REPORT (CONT)**  
**For the Year Ended 30 June 2021**

iii) Section 272 of the Fair Work (Registered Organisations) Act 2009 outlines members and the Branches rights to certain prescribed information.

The number of persons who were, at the end of the financial year to which the report relates, recorded in the register of members under Section 230 of the Fair Work (Registered Organisations) Act 2009 and who are taken to be members of the reporting unit under Section 244 of the Fair Work (Registered Organisations) Act 2009 was 268 members.

**Insurance of Officers**

During the financial year, The Pharmacy Guild of Australia SA Branch paid insurance to cover all officers of The Pharmacy Guild of Australia SA Branch. The officers of The Pharmacy Guild of Australia SA Branch covered by the insurance policy included all the Branch Committee and the Branch Director. Other officers insured are the management of The Pharmacy Guild of Australia SA Branch. The liabilities incurred included costs and expenses that may be incurred in defending civil or criminal proceedings that may be brought against the officers in their capacity as officers of The Pharmacy Guild of Australia SA Branch.

The number of persons who were, at the end of the financial year to which the report relates, employees of the Branch, where the number of employees included both full time employees and part time employees measured on a full time equivalent basis was 18.

Signed in accordance with a resolution of the Branch Committee dated 5<sup>th</sup> September 2021.

  
N Panayiaris  
Branch President

BRANCH COMMITTEE STATEMENT  
For the Year Ended 30 June 2021

On the 15<sup>th</sup> September 2021, the Branch Committee of The Pharmacy Guild of Australia (SA Branch) passed the following resolution in relation to the general purpose financial report (GPFR) for the year ended 30 June 2021:

The Branch Committee declares that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements and notes comply with any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 (the RO Act);
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the Guild will be able to pay its debts as and when they become due and payable; and
- (e) during the financial year to which the GPFR relates and since the end of that year:
  - i) meetings of the committee of management were held in accordance with the rules of the organisation including the rules of a branch concerned; and
  - ii) the financial affairs of the Guild have been managed in accordance with the rules of the organisation including the rules of a branch concerned; and
  - iii) the financial records of the Guild have been kept and maintained in accordance with the RO Act; and
  - iv) where the organisation consists of two or more reporting units, the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner with each of the other reporting units of the organisation; and
  - v) where information has been sought in any request by a member of the reporting unit or Commissioner duly made under section 272 of the RO Act has been provided to the member or Commissioner; and
  - vi) where any order for inspection of financial records has been made by the Fair Work Commission under section 273 of the RO Act, there has been compliance.

The declaration is made in accordance with a resolution of the Committee of Management

Signature of designated officer:

NOTES TO AND FORMING PART OF THE ACCOUNTS  
FOR THE YEAR ENDED 30 JUNE 2021

NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Preparation of the financial statements**

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period and the Fair Work (Registered Organisation) Act 2009 (RO Act). For the purpose of preparing the general purpose financial statements The Pharmacy Guild of Australia (SA Branch) ('the Branch') is a not for profit entity.

The financial statements, except for cash flow information, have been prepared using the accrual basis of accounting. The financial statements have been prepared on a historical cost basis, except for certain assets and liabilities measured at fair value, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

**Comparative amounts**

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

**Significant accounting judgements and estimates**

The Committee Members evaluate estimates and judgements incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Branch.

*Estimation of useful lives of assets*

The entity determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment and finite life intangible assets. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

*Employee benefits provision*

As discussed in note 1(b), the liability for employee benefits expected to be settled more than 12 months from the reporting date are recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

*Lease term*

The lease term is a significant component in the measurement of both the right-of-use asset and lease liability. Judgement is exercised in determining whether there is reasonable certainty that an option to extend the lease or purchase the underlying asset will be exercised, or an option to terminate the lease will not be exercised, when ascertaining the periods to be included in the lease term. In determining the lease term, all facts and circumstances that create an economical incentive to exercise an extension option, or not to exercise a termination option, are considered at the lease commencement date. Factors considered may include the importance of the asset to the entity's operations; comparison of terms and conditions to prevailing market rates; incurrence of significant penalties; existence of significant leasehold improvements; and the costs and disruption to replace the asset. The entity reassesses whether it is reasonably certain to exercise an extension option, or not exercise a termination option, if there is a significant event or significant change in circumstances.

*Incremental Borrowing Rate*

Where the interest rate implicit in a lease cannot be readily determined, an incremental borrowing rate is estimated to discount future lease payments to measure the present value of the lease liability at the lease commencement date. Such a rate is based on what the entity estimates it would have to pay a third party to borrow the funds necessary to obtain an asset of a similar value to the right-of-use asset, with similar terms, security and economic environment.

**New or amended Accounting Standards and Interpretations adopted**

No accounting standard has been adopted earlier than the application date stated in the standard.

NOTES TO AND FORMING PART OF THE ACCOUNTS  
FOR THE YEAR ENDED 30 JUNE 2021

NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

**Future Australian Accounting Standards**

New standards, amendments to standards or interpretations that were issued prior to the sign-off date and are applicable to future reporting periods that are expected to have a future financial impact on the branch include:

*AASB 2020-1 Amendments to Australian Accounting Standards – Classification of Liabilities as Current or Non-current*

This Standard amends AASB 101 Presentation of Financial Statements to clarify requirements for the presentation of liabilities in the statement of financial position as current or non-current. For example, the amendments clarify that a liability is classified as non-current if an entity has the right at the end of the reporting period to defer settlement of the liability for at least 12 months after the reporting period. This Standard applies to annual reporting periods beginning on or after 1 January 2023. Earlier application is permitted.

**(a) Revenue**

The Branch enters into various arrangements where it receives consideration from another party. These arrangements include consideration in the form of membership subscriptions, capitation fees, levies, grants, and donations.

The timing of recognition of these amounts as either revenue or income depends on the rights and obligations in those arrangements.

*Revenue from contracts with customers*

Where the Branch has a contract with a customer, the Branch recognises revenue when or as it transfers control of goods or services to the customer. The Branch accounts for an arrangement as a contract with a customer if the following criteria are met:

- the arrangement is enforceable; and
- the arrangement contains promises (that are also known as performance obligations) to transfer goods or services to the customer (or to other parties on behalf of the customer) that are sufficiently specific so that it can be determined when the performance obligation has been satisfied.

*Membership subscriptions*

For membership subscription arrangements that meet the criteria to be contracts with customers, revenue is recognised when the promised goods or services transfer to the customer as a member of the Branch.

If there is only one distinct membership service promised in the arrangement, the Branch recognises revenue as the membership service is provided, which is typically based on the passage of time over the subscription period to reflect the Branch's promise to stand ready to provide assistance and support to the member as required.

For member subscriptions paid annually in advance, the Branch has elected to apply the practical expedient to not adjust the transaction price for the effects of a significant financing component because the period from when the customer pays and the good or services will transfer to the customer will be one year or less.

When a member subsequently purchases additional goods or services from the Branch at their standalone selling price, the Branch accounts for those sales as a separate contract with a customer.

*Income of the Branch as a Not-for-Profit entity*

Consideration is received by the Branch to enable the entity to further its objectives. The Branch recognises each of these amounts of consideration as income when the consideration is received (which is when the Branch obtains control of the cash) because, based on the rights and obligations in each arrangement:

- the arrangements do not meet the criteria to be contracts with customers because either the arrangement is unenforceable or lacks sufficiently specific promises to transfer goods or services to the customer; and
- the Branch's recognition of the cash contribution does not give to any related liabilities.

*Gains from sale of assets*

An item of plant and equipment is derecognised upon disposal (which is at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit or loss when the asset is derecognised.

NOTES TO AND FORMING PART OF THE ACCOUNTS  
FOR THE YEAR ENDED 30 JUNE 2021

NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

(a) Revenue (Cont)

*Interest income*

Interest revenue is recognised on an accrual basis using the effective interest method.

(b) Employee Benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave, long service leave and termination benefits when it is probable that settlement will be required and they are capable of being measured reliably.

Liabilities for short-term employee benefits (as defined in AASB 119 Employee Benefits) and termination benefits which are expected to be settled within twelve months of the end of reporting period are measured at their nominal amounts. The nominal amount is calculated with regard to the rates expected to be paid on settlement of the liability.

Other long-term employee benefits which are expected to be settled beyond twelve months are measured as the present value of the estimated future cash outflows to be made by the reporting unit in respect of services provided by employees up to reporting date.

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

Provision is made for separation and redundancy benefit payments. The Branch recognises a provision for termination as part of a broader restructuring when it has developed a detailed formal plan for the terminations and has informed those employees affected that it will carry out the terminations. A provision for voluntary termination is recognised when the employee has accepted the offer of termination.

(c) Leases

The Branch assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

***The Branch as a lessee***

The Branch applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Branch recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

***Right-of-use assets***

A right-of-use asset is recognised at the commencement date of a lease. The right-of-use asset is measured at cost, which comprises the initial amount of the lease liability, adjusted for, as applicable, any lease payments made at or before the commencement date net of any lease incentives received, any initial direct costs incurred, and, except where included in the cost of inventories, an estimate of costs expected to be incurred for dismantling and removing the underlying asset, and restoring the site or asset.

Right-of-use assets are depreciated on a straight-line basis over the unexpired period of the lease or the estimated useful life of the asset, whichever is the shorter. Where the company expects to obtain ownership of the leased asset at the end of the lease term, the depreciation is over its estimated useful life. Right-of-use assets are subject to impairment or adjusted for any remeasurement of lease liabilities.

The Branch has elected not to recognise a right-of-use asset and corresponding lease liability for short-term leases with terms of 12 months or less and leases of low-value assets. Lease payments on these assets are expensed to profit or loss as incurred.

NOTES TO AND FORMING PART OF THE ACCOUNTS  
FOR THE YEAR ENDED 30 JUNE 2021

NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

(c) **Leases (Cont)**

**Lease liabilities**

At the commencement date of the lease, the Branch recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Branch and payments of penalties for terminating the lease, if the lease term reflects the Branch exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Branch uses the incremental borrowing rate if the implicit lease rate is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

(d) **Borrowing costs**

All borrowing costs are recognised in profit and loss in the period in which they are incurred.

(e) **Cash and Cash Equivalents**

Cash is recognised at its nominal amount. Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of the cash and subject to insignificant risk of changes in value and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the statement of financial position.

(f) **Financial Assets**

**Contract assets and receivables**

A contract asset is recognised when the Branch's right to consideration in exchange goods or services that has transferred to the customer when that right is conditioned on the Branch's future performance or some other condition.

A receivable is recognised if an amount of consideration that is unconditional is due from the customer (i.e., only the passage of time is required before payment of the consideration is due).

Contract assets and receivables are subject to impairment assessment. Refer to accounting policies on impairment of financial assets below.

**Initial recognition and measurement**

Financial assets are classified, at initial recognition, and subsequently measured at amortised cost, fair value through other comprehensive income (OCI), or fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Branch's business model for managing them. With the exception of trade receivables that do not contain a significant financing component, the Branch initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest' (SPPI) on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level.

The Branch's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

NOTES TO AND FORMING PART OF THE ACCOUNTS  
FOR THE YEAR ENDED 30 JUNE 2021

NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

(f) **Financial Assets (Cont)**

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Branch commits to purchase or sell the asset.

**Subsequent measurement**

For purposes of subsequent measurement, financial assets are classified into the following categories:

- (Other) financial assets at amortised cost
- (Other) financial assets at fair value through profit or loss

**Financial assets at amortised cost**

The Branch measures financial assets at amortised cost if both of the following conditions are met:

- The financial asset is held within a business model with the objective to hold financial assets in order to collect contractual cash flows and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

Financial assets at amortised cost are subsequently measured using the effective interest (EIR) method and are subject to impairment. Gains and losses are recognised in profit or loss when the asset is derecognised, modified or impaired.

The Branch's financial assets at amortised cost includes trade receivables and loans to related parties.

**Financial assets at fair value through profit or loss (including designated)**

Financial assets at fair value through profit or loss include financial assets held for trading, financial assets designated upon initial recognition at fair value through profit or loss, or financial assets mandatorily required to be measured at fair value. Financial assets are classified as held for trading if they are acquired for the purpose of selling or repurchasing in the near term. Derivatives, including separated embedded derivatives, are also classified as held for trading unless they are designated as effective hedging instruments. Financial assets with cash flows that are not solely payments of principal and interest are classified and measured at fair value through profit or loss, irrespective of the business model. Notwithstanding the criteria for debt instruments to be classified at amortised cost or at fair value through other comprehensive income, as described above, debt instruments may be designated at fair value through profit or loss on initial recognition if doing so eliminates, or significantly reduces, an accounting mismatch.

Financial assets at fair value through profit or loss are carried in the statement of financial position at fair value with net changes in fair value recognised in profit or loss.

**Derecognition**

A financial asset is derecognised when:

- The rights to receive cash flows from the asset have expired or
- The Branch has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:
  - a) the Branch has transferred substantially all the risks and rewards of the asset, or
  - b) the Branch has neither transferred nor retained substantially all the risks and rewards of the asset but has transferred control of the asset.

When the Branch has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if, and to what extent, it has retained the risks and rewards of ownership.

When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Branch continues to recognise the transferred asset to the extent of its continuing involvement together with associated liability.

NOTES TO AND FORMING PART OF THE ACCOUNTS  
FOR THE YEAR ENDED 30 JUNE 2021

NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

(f) Financial Assets (Cont)

**Offsetting**

Financial assets and financial liabilities are offset and the net amount is reported in the statement of financial position if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

**Impairment**

**Expected credit losses**

Receivables for goods and services, which have 30-day terms, are recognised at the nominal amounts due less any loss allowance due to expected credit losses at each reporting date. A provision matrix that is based on historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment has been established.

(i) Trade Receivables

For trade receivables that do not have a significant financing component, the Branch applies a simplified approach in calculating expected credit losses (ECLs) which requires lifetime expected credit losses to be recognised from initial recognition of the receivables.

(f) Financial Assets (Cont)

Therefore, the Branch does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Branch has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

(g) Financial Liabilities

**Initial recognition and measurement**

Financial liabilities are classified, at initial recognition, at amortised cost unless or at fair value through profit or loss.

All financial liabilities are recognised initially at fair value and, in the case of financial liabilities at amortised cost, net of directly attributable transaction costs.

The Branch's financial liabilities include trade and other payables.

**Subsequent measurement**

**Financial liabilities at amortised cost**

After initial recognition, trade payables and interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in profit or loss.

**Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in profit or loss.

NOTES TO AND FORMING PART OF THE ACCOUNTS  
FOR THE YEAR ENDED 30 JUNE 2021

NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

(h) Liabilities relating to contracts with customers

**Contract liabilities**

A contract liability is recognised if a payment is received or a payment is due (whichever is earlier) from a customer before the Branch transfers the related goods or services. Contract liabilities include deferred income. Contract liabilities are recognised as revenue when the Branch performs under the contract (i.e., transfers control of the related goods or services to the customer).

**Refund liabilities**

A refund liability is recognised for the obligation to refund some or all of the consideration received (or receivable) from a customer. The Branch's refund liabilities arise from customers' right of return. The liability is measured at the amount the Branch's ultimately expects it will have to return to the customer. The Branch updates its estimates of refund liabilities (and the corresponding change in the transaction price) at the end of each reporting period.

(i) Contingent liabilities and contingent assets

Contingent liabilities and contingent assets are not recognised in the statement of financial position but are reported in the relevant notes. They may arise from uncertainty as to the existence of a liability or asset or represent an existing liability or asset in respect of which the amount cannot be reliably measured. Contingent assets are disclosed when settlement is probable but not virtually certain, and contingent liabilities are disclosed when settlement is greater than remote.

(j) Property, Plant and Equipment

**Asset Recognition Threshold**

Purchases of plant and equipment are recognised initially at cost in the Statement of Financial Position. The initial cost of an asset includes an estimate of the cost of dismantling and removing the item and restoring the site on which it is located.

**Depreciation**

The depreciable amount of all fixed assets are depreciated on a straight line basis over the useful lives of the assets to the Branch commencing from the time the asset is held ready for use. The depreciation rates used for each class of depreciable asset are:

<u>Class of Fixed Asset</u>	<u>Depreciation Rate</u>
Office equipment and furniture	5%-33.33%

The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at the end of each reporting period.

**Derecognition**

An item of plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the profit and loss.

(k) Intangible assets

Intangible assets with finite lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful life. The estimated useful lives and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses. The useful life of the Branch's intangible assets are:

NOTES TO AND FORMING PART OF THE ACCOUNTS  
FOR THE YEAR ENDED 30 JUNE 2021

NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

(k) Intangible assets (Cont)

	<u>2021</u>	<u>2020</u>
Software	3 - 4 Years	3-4 Years

**Derecognition**

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset are recognised in profit and loss when the asset is derecognised.

(l) Impairment for non-financial assets

All assets are assessed for impairment at the end of each reporting period to the extent that there is an impairment trigger. Where indications of impairment exist, the asset's recoverable amount is estimated and an impairment adjustment made if the asset's recoverable amount is less than its carrying amount.

The recoverable amount of an asset is the higher of its fair value less costs of disposal and its value in use. Value in use is the present value of the future cash flows expected to be derived from the asset. Where the future economic benefit of an asset is not primarily dependent on the asset's ability to generate future cash flows, and the asset would be replaced if the Branch were deprived of the asset, its value in use is taken to be its current replacement cost.

(m) Income Tax

The income of the Branch is exempt from income tax under Section 50.15 of the Income Tax Assessment Act 1997 however still has an obligation for Fringe Benefit Tax (FBT) and the Goods and Services Tax (GST).

Revenues, expenses and assets are recognised net of GST except:

- where the amount of GST incurred is not recoverable from the Australian Taxation Office; and
- for receivables and payables.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables.

Cash flows are included in the cash flow statement on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the Australian Taxation Office is classified within operating cash flows.

(n) Fair Value Measurement

The branch measures financial instruments, such as, financial assets as at fair value through profit or loss at fair value at each balance sheet date. Also, fair values of financial instruments measured at amortised cost are disclosed in Note 16A Financial assets and liabilities.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability; or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the branch. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

NOTES TO AND FORMING PART OF THE ACCOUNTS  
 FOR THE YEAR ENDED 30 JUNE 2021

NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

(n) Fair Value Measurement (Cont)

The branch uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1—Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2—Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3—Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

(o) Economic dependency

The future operations of the Branch are dependent upon achieving and maintaining appropriate member numbers, the continuation of adequate funding and revenue bases and the achievement of operating surpluses and positive operating cash flows.

NOTE 2 - EVENTS AFTER THE REPORTING PERIOD

There are no matters or circumstances that have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Branch, the results of those operations, or the state of affairs of the Branch in future financial years.

Lease modifications	9,699	9,699
Balance at 30 June 2021	<u>404,497</u>	<u>404,497</u>

NOTE 20 - FINANCIAL RISK MANAGEMENT

Management controls the capital of the Branch to ensure that adequate cash flows are generated to fund its mentoring programs and that returns from investments are maximised. The committee ensures that the overall risk management strategy is in line with this objective.

Risk management policies are approved and reviewed by the Committee on a regular basis. These include credit risk policies and future cash flow requirements.

The Branch's capital consists of financial liabilities, supported by financial assets.

Management effectively manages the Branch's capital by assessing the entity's financial risks and responding to changes in these risks and in the market. These responses may include the consideration of debt levels.

There have been no changes to the strategy adopted by management to control the capital of the entity since the previous year.

The Branch's activities expose it primarily to the financial risks in credit, liquidity and market risk.

The Branch does not enter into or trade financial instruments, including derivative financial instruments.

The Branch's financial instruments consist mainly of deposits with banks, short term investments, and receivables and payables. The carrying amounts for each category of financial instruments, measured in accordance with AASB 9: Financial Instruments, are as follows:

	Note	2021 \$	2020 \$
<b>Financial Assets</b>			
Financial assets at fair value through profit or loss		565,916	-
Financial assets at amortised cost:			
- cash and cash equivalents	6	1,625,929	2,272,003
- accounts receivable and other debtors	7	72,639	59,030
<b>Total financial assets</b>		<u>2,264,484</u>	<u>2,331,033</u>
<b>Carrying amount of financial assets</b>			
<b>Financial Liabilities</b>			
- accounts payable and other payables	12	175,147	85,787
<b>Total financial liabilities</b>		<u>175,147</u>	<u>85,787</u>

**Credit Risk Trade and Other Receivables**

The Branch does not have any material credit risk exposure to any single receivable or group of receivables.

The following table details the Branch's trade and other receivables exposed to credit risk (prior to collateral and other credit enhancements) with ageing analysis and impairment provided for thereon. Amounts are considered as 'past due' when the debt has not been settled within the terms and conditions agreed between the Branch and the customer or counter party to the transaction.

**THE PHARMACY GUILD OF AUSTRALIA (SA BRANCH)**  
**ABN 38 946 547 960**

**NOTES TO AND FORMING PART OF THE ACCOUNTS**  
**FOR THE YEAR ENDED 30 JUNE 2021**

Receivables that are past due are assessed for impairment by ascertaining solvency of the debtors and are provided for where there are specific circumstances indicating that the debt may not be fully repaid to the Branch.

Past due but not impaired (days overdue)

	Gross Amount	Past due and impaired	<30	31-60	61-90	>90	Within initial trade terms
	\$	\$	\$	\$	\$	\$	\$
<b>2021</b>							
Trade and term receivables	32,663	5,500	17,130	3,664	2,503	9,366	17,130
Other receivables	41,709	-	41,709	-	-	-	41,709
<b>Total</b>	<b>74,372</b>	<b>5,500</b>	<b>58,839</b>	<b>3,664</b>	<b>2,503</b>	<b>9,366</b>	<b>58,839</b>
<b>2020</b>							
Trade and term receivables	54,686	5,500	41,560	3,710	-	9,416	41,560
Other receivables	79,840	-	79,840	-	-	-	79,840
<b>Total</b>	<b>134,526</b>	<b>5,500</b>	<b>121,400</b>	<b>3,710</b>	<b>-</b>	<b>9,416</b>	<b>121,400</b>

The Branch does not hold any financial assets whose terms have been renegotiated, but which would otherwise be past due or impaired.

**LIQUIDITY RISK**

Liquidity risk arises from the possibility that the Branch might encounter difficulty settling its debts or otherwise meeting its obligations related to financial liabilities. The entity manages liquidity risk by monitoring cash flows, only investing surplus cash with major financial institutions and comparing the maturity profile of financial liabilities with realisation of financial

	Within 1 Year		1 to 5 Years		Over 5 Years		Total

NOTES TO AND FORMING PART OF THE ACCOUNTS  
FOR THE YEAR ENDED 30 JUNE 2021

**NOTE 20 - FINANCIAL RISK MANAGEMENT (CONT)**

**MARKET RISK**

Exposure to interest rate risk arises on financial assets and liabilities recognised at reporting date whereby a future change in interest rates will affect future cash flows or the fair value of fixed rate financial instruments.

The entity has no long term financial liabilities upon which it pays interest.

Cash is held in an interest yielding cheque account and on short term call deposit where the interest rate is both fixed and variable according to the financial asset.

**SENSITIVITY ANALYSIS**

The entity has performed a sensitivity analysis relating to its exposure to interest rate risk at reporting date. This sensitivity analysis demonstrates the effect on the current year results and equity which could result from a change in these risks. It should be noted that the entity does not have borrowings and any impacts would be in relation to deposit yields on cash investments.

**Year ended 30 June 2021**

		Change in risk variable	Effect on Profit or Loss	Equity
	Risk variable	%	\$	\$
Interest rate risk	Cash deposits	1% increase	16,259	16,259
Interest rate risk	Cash deposits	1% decrease	(16,259)	(16,259)

**Year ended 30 June 2020**

		Change in risk variable	Effect on Profit or Loss	Equity
	Risk variable	%	\$	\$
Interest rate risk	Cash deposits	1% increase	22,720	22,720

OFFICER DECLARATION STATEMENT

I, **NICK PANAYIARIS**, being the **BRANCH PRESIDENT** of the Pharmacy Guild of Australia (SA Branch), declare that the following activities did not occur during the reporting period ended 30 June 2021:

The reporting unit did not:

- a) agree to receive financial support from another reporting unit to continue as a going concern (refers to agreement regarding financial support not dollar amount)
- b) agree to provide financial support to another reporting unit to ensure they continue as a going concern (refers to agreement regarding financial support not dollar amount)
- c) acquire an asset or liability due to an amalgamation under Part 2 of Chapter 3 of the RO Act, a restructure of the branches of an organisation, a determination or revocation by the General Manager, Fair Work Commission
- d) receive revenue via compulsory levies
- e) receive donations
- f) incur fees as consideration for employers for making payroll deductions of membership subscriptions
- g) pay a grant that was \$1,000 or less
- h) pay a grant that exceeded \$1,000
- i) pay legal costs relating to litigation
- j) pay a penalty imposed under the RO Act or the Fair Work Act 2009
- k) have a fund or account for compulsory levies, voluntary contributions or required by the rules of the organisation or branch
- l) transfer to or withdraw from a fund (other than the general fund), account, asset or controlled entity
- m) have a balance within the general fund
- n) have another entity administer the financial affairs of the reporting unit
- o) make a payment to a former related party of the reporting unit

Signed by the officer:

Dated:

15 SEPTEMBER 2021

## **INDEPENDENT AUDITORS REPORT TO THE MEMBERS OF THE PHARMACY GUILD OF AUSTRALIA (SA BRANCH)**

### **Report on the Audit of the Financial Report**

#### **Opinion**

We have audited the financial report of The Pharmacy Guild of Australia (SA Branch) (the reporting unit), which comprises the statement of financial position as at 30 June 2021, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial report, including a summary of significant accounting policies, the Committee of Management Statement and the subsection 255(2A) report and the officer declaration statement.

In our opinion the accompanying financial report of The Pharmacy Guild of Australia (SA Branch), presents fairly, in all material respects the reporting unit's financial position as at 30 June 2021 and of its financial performance and its cash flows for the year then ended in accordance with Australian Accounting Standards and any other requirement imposed by these Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009.

#### **Basis for opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Financial Report* section of our report. We are independent of the reporting unit in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Other information**

The Committee of Management are responsible for the other information. The other information obtained at the date of this auditor's report is information included in the reporting unit's operating report, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of the Committee of Management for the Financial Report**

The Committee of Management of the reporting unit are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Fair Work (Registered Organisations) Act 2009*, and for such internal control as the Committee of Management determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee of Management are responsible for assessing the registered entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the responsible entities either intends to liquidate the registered entity or to cease operations, or has no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

- As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:  
Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Reporting Unit's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee of Management.
- Conclude on the appropriateness of the Committee of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Reporting Unit's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Reporting Unit to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Reporting Unit to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the Reporting Unit audit. We remain solely responsible for our audit opinion.

We communicate with the Committee of Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during our audit.

This description forms part of our auditor's report.

### **Declaration by the auditor**

I, Paul Gosnold, declare that I am an approved auditor, a member of the Chartered Accountants Australia New Zealand and hold a current Public Practice Certificate.

A handwritten signature in black ink that reads 'BDO'.
