

13 December 2021

Mr Peter Anderson
Secretary/Treasurer
Australian Road Transport Industrial Organization - Victoria Branch

By e-mail: reception@vta.com.au

Dear Mr Anderson

**Australian Road Transport Industrial Organization - Victoria Branch
Financial Report for the year ended 30 June 2021 - FR2021/157**

I acknowledge receipt of the financial report for the year ended 30 June 2021 for the Australian Road Transport Industrial Organization - Victoria Branch (**the reporting unit**). The financial report was lodged with the Registered Organisations Commission (**ROC**) on 3 December 2021.

The financial report has now been filed. You are not required to take any further action in respect of the report lodged.

1. Non-compliance with previous requests

While we filed last year's financial report, we raised certain issues for the reporting unit to address in the preparation of future financial reports. I note that the same errors have appeared in the current report, namely revenue from contracts with customers.

The ROC aims to assist reporting units comply with their obligations under the RO Act and reporting guidelines by providing advice about the errors identified in financial reports.

Failure to address these issues may lead to the Commissioner exercising his powers under section 330 of the RO Act.

2. General Purpose Financial Report (GPFR)

AASB 15 - Revenue from contracts with customers disclosures

Australian Accounting Standard AASB 15 *Revenue from Contracts with Customers* paragraph 110 requires an entity to make specific disclosures in regard to contracts with customers.

It appears that these disclosures have not been made.

Please note that in future years the reporting unit's GPFR must include all relevant and required financial disclosures in accordance with AASB 15.

Reporting guideline activity – not disclosed

Item 21 of the reporting guidelines states that if any activity described within items 10-20 of the reporting guidelines has not occurred in the reporting period, a statement to this effect must be included in the GPFR or in an officer's declaration statement.

The notes/officer's declaration statement contained nil activity information for all prescribed reporting guideline categories except item 18 – have cash flows to/from another reporting unit and/or controlled entity.

3. Rotation of registered auditor

You must rotate your registered auditor

Correspondence was provided to the reporting unit on 8 June 2021, which alerted you that your registered auditor is approaching their statutory limit on how many consecutive financial years they are permitted to audit your financial report. The financial report lodged identifies that Andrew Marks was the reporting unit's registered auditor for this financial year. Our records indicate that you have now used your current registered auditor for five consecutive financial years, which is the statutory limit under section 256A.

Please ensure that Andrew Marks is not assigned to audit the financial report of the reporting unit for at least the following two financial years. Further information on the rotation of registered auditor requirement can be found on the ROC website.

Should you wish to discuss the matters raised in this letter, or if you require further information on the financial reporting requirements of the Act, I may be contacted on (03) 9603 0707 or by email at ken.morgan@roc.gov.au

Yours faithfully

AUSTRALIAN ROAD TRANSPORT INDUSTRIAL ORGANISATION VICTORIA BRANCH

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS AS AT 30th JUNE, 2021

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This financial report covers Australian Road Transport Industrial Organisation – Victoria Branch as an individual entity.

1.1 Basis of Preparation

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period and the Fair Work (Registered Organisations) Act 2009. For the purpose of preparing the general purpose financial statements the Organisation is a not for profit entity.

The financial statements have been prepared on an accrual basis and in accordance with the historical cost, except for certain assets and liabilities measured at fair value, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

1.2 Significant Accounting Judgments and Estimates

No accounting assumptions or estimates have been identified that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

1.3 New Australian Accounting Standards

Adoption of New Australian Accounting Standard Requirements

No accounting standard has been adopted earlier than the application date stated in the standard.

The accounting policies adopted are consistent with those of the previous year unless otherwise stated.

Future Australian Accounting Standards Requirements

No new standards, amendments to standards or interpretations that were issued prior to the sign-off date and are applicable to the future reporting period are expected to have a future financial impact on the organisation.

**AUSTRALIAN ROAD TRANSPORT INDUSTRIAL ORGANISATION VICTORIA
BRANCH**

**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
AS AT 30th JUNE, 2021**

1.4 Income Tax Expense

The organisation is registered as an "Industrial Organisation" and has an exemption from income tax under Section 23(f) of the Income Tax Assessment Act.

1.5 Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

1.6 Plant and equipment

Plant and equipment are measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets' employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

1.7 Depreciation

The depreciable amount of all fixed assets, including buildings and capitalised lease assets, is depreciated on a straight-line basis over the asset's useful life commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

1.8 Financial instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the organisation commits itself to either purchase or sell the asset.

Financial instruments are initially measured at fair value plus transaction costs except where the instrument is classified 'at fair value through profit or loss in which case transaction costs are expensed to profit or loss immediately.

1.9 Impairment of Assets

At each reporting date, the organisation reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value-in-use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

**AUSTRALIAN ROAD TRANSPORT INDUSTRIAL ORGANISATION VICTORIA
BRANCH**

**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
AS AT 30th JUNE, 2021**

Where it is not possible to estimate the recoverable amount of an individual asset, the organisation estimates the recoverable amount of the cash-generating unit to which the asset belongs.

1.10 Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

1.11 Revenue and Other Income

Australian Road Transport Industrial Organisation Victoria Branch enters into various arrangements where it receives consideration from another party. These arrangements include consideration in the form of membership subscriptions.

The timing of recognition of these amounts as either revenue or income depends on the rights and obligations in those arrangements.

Membership subscriptions

For membership subscription arrangements that meet the criteria to be contracts with customers, revenue is recognised when the promised goods or services transfer to the customer as a member of Australian Road Transport Industrial Organisation Victoria Branch.

Australian Road Transport Industrial Organisation Victoria Branch recognises revenue as the membership service is provided, which is typically based on the passage of time over the subscription period to reflect Australian Road Transport Industrial Organisation Victoria Branch promise to stand ready to provide assistance and support to the member as required.

The organisation declares that it has not received any of the following revenue streams during the 2020 and 2021 financial years;

- Capitation fees
- Compulsory levies or voluntary contributions
- Donations or grants
- Financial support from another reporting unit

All revenue is stated net of the amount of goods and services tax (GST).

**AUSTRALIAN ROAD TRANSPORT INDUSTRIAL ORGANISATION VICTORIA
BRANCH**

**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
AS AT 30th JUNE, 2021**

1.14 Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

1.15 Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

1.16 Information Provided to Members or Commissioner

In accordance with the requirements of the Fair Work (Registered Organisations) Amendment Act 2016, as amended, the attention of members is drawn to the provisions of sub-sections (1), (2) and (3) of section 272 which reads as follows:-

- (1) A member of a reporting unit, or the Commissioner, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- (2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- (3) A reporting unit must comply with an application made under subsection (1).

Australian Road Transport Industrial Organisation – Vic Branch

Independent auditor's report to members

Report on the Audit of the Financial Statements

Opinion

We have audited the financial report of Australian Transport Road Industrial Organisation – Vic Branch (the Registered Organisation), which comprises the statement of financial position as at 30 June 2021, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and committee of management statement. The Financial report also includes the Report required under Subsection 255(2A) of the Fair Work (Registered Organisations) Act 2009.

In our opinion the accompanying financial report presents fairly, in all material aspects, the financial position of Australian Transport Road Industrial Organisation – Vic Branch as at 30 June 2021, and its financial performance and its cash flows for the year ended on that date in accordance with:

- a) the Australian Accounting Standards; and
- b) any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 (the RO Act).

We have concluded that the Committee of Management's use of the going concern basis of accounting in the preparation of the financial statements for the year ended 30 June 2021 is appropriate.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Registered Organisation in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Report and Auditor's Report Thereon

The Committee of Management are responsible for the other information. The other information obtained at the date of this auditor's report is in the Operating Report accompanying the financial report.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Committee of Management and Those Charged with Governance for the Financial Report

The Committee of Management of the Registered Organisation is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the RO Act, and for such internal control as the Committee of Management determine is necessary to enable the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee of Management is responsible for assessing the Registered Organisation's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Committee of Management either intends to liquidate the Registered Organisation or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objective is to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Registered Organisation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee of Management.

- Conclude on the appropriateness of the Committee of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Registered Organisation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Registered Organisation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Registered Organisation to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the Registered Organisation audit. We remain solely responsible for our audit opinion.

We communicate with the Committee of Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

I declare that I am an approved auditor registered under the RO Act, a member of CPA Australia and hold a current Public Practice Certificate.
