Dear Elizabeth Dabars.

# Australian Nursing and Midwifery Federation - South Australian Branch Financial Report for the year ended 30 June 2021 – (FR2021/188)

I acknowledge receipt of the financial report for the year ended 30 June 2021 for the Australian Nursing and Midwifery Federation - South Australian Branch. The documents were lodged with the Registered Organisations Commission (**the ROC**) on 10 December 2021.

The financial report has now been filed.

The financial report was filed based on a primary review. This involved confirming that the financial reporting timelines required under s.253, s.265, s.266 and s.268 of the *Fair Work* (*Registered Organisations*) *Act 2009* (**RO Act**) have been satisfied, all documents required under s.268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and reporting guidelines have been complied with. A primary review does not examine all disclosure requirements.

Please note that the financial report for the year ending 30 June 2022 may be subject to an advanced compliance review.

You are not required to take any further action in respect of the report lodged. I make the following comment to assist you when you next prepare a financial report.

#### **Statement of Comprehensive Income**

#### AASB 15 - Separate disclosure of revenue from contracts with customers

Australian Accounting Standard AASB 15 Revenue from Contracts with Customers paragraph 113(a) requires an entity to disclose revenue from contracts with customers separately unless already disclosed separately in the statement of comprehensive income.

It appears that no such disclosure has been made.

Please note that in future years the reporting unit's GPFR must include all relevant and required financial disclosures in accordance with AASB 15.

#### AASB 15 - Disaggregation of revenue from contracts with customers

Australian Accounting Standard AASB 15 Revenue from Contracts with Customers paragraph 114 requires an entity to disaggregate revenue from contracts with customers into categories that depict how the nature, amount, timing, and uncertainty of revenue and cash flows are affected by economic factors.

It appears that no such disclosure has been made.

Please note that in future years the reporting unit's GPFR must include all relevant and required financial disclosures in accordance with AASB 15.

#### **Reporting Requirements**

The ROC website provides a number of factsheets in relation to the financial reporting process and associated timelines. The website also contains the s.253 reporting guidelines and a model set of financial statements.

The ROC recommends that reporting units use these model financial statements to assist in complying with the RO Act, the s.253 reporting guidelines and Australian Accounting Standards. Access to this information is available via <a href="mailto:this.">this link</a>.

If you have any queries regarding this letter, please contact me on (03) 9603 0841 or by email at Mihiri.jayawardane@roc.gov.au.

Yours sincerely,

#### **BRANCH COUNCIL'S STATEMENT**

On the 20th day of October 2021 the Branch Council of the Australian Nursing and Midwifery Federation South Australian Branch passed the following resolution in relation to the general purpose financial report (GPFR) of the reporting unit for the financial year ended 30 June 2021.

The Branch Council declares in relation to the GPFR that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements and notes comply with any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 (the RO Act);
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the Branch for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the Branch will be able to pay its debts as and when they become due and payable;
- (e) during the financial year to which the GPFR relates and since the end of that year:
  - (i) meetings of the Branch Council were held in accordance with the rules of the organisation including the rules of the Branch; and
  - (ii) the financial affairs of the Branch have been managed in accordance with the rules of the organisation including the rules of the Branch; and
  - (iii) the financial records of the Branch have been kept and maintained in accordance with the RO Act 2009; and
  - (iv) where the organisation consists of 2 or more reporting units, the financial records of the Branch have been kept, as far as practicable, in a consistent manner to each of the other reporting units of the organisation; and
  - (v) the information sought in any request of a member of the reporting unit or the Commissioner duly made under section 272 of the RO Act has been furnished to the member or Commissioner; and
  - (vi) there has been compliance with any order for inspection of financial records made by the Fair Work Commissioner under section 273 of the RO Act.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Basis of Preparation**

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards and the *Fair Work (Registered Organisations) Act 2009*. The entity is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions to which they apply. Material accounting policies adopted in the preparation of the financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

#### **Accounting Policies**

#### a. Income Tax

No provision for income tax is necessary as the entity is exempt from income tax under section 23(f) of the Income Tax Assessment Act.

#### b. Revenue

The entity enters into various arrangements where it receives consideration from another party. These arrangements include consideration in the form of membership subscriptions and capitation fees.

The timing of recognition of these amounts as either revenue or income depends on the rights and obligations in those arrangements.

#### Revenue from contracts with customers

Where the entity has a contract with a customer, the entity recognises revenue when or as it transfers control of goods or services to the customer. The entity accounts for an arrangement as a contract with a customer if the following criteria are met:

- the arrangement is enforceable; and
- the arrangement contains promises (that are also known as performance obligations) to transfer goods or services to the customer (or other parties on behalf of the customer) that are sufficiently specific so that if can be determined when the performance obligation has been satisfied.

#### Membership subscriptions

The entity recognises membership subscription revenue as the membership service is provided, which is typically based in the passage of time over the subscription period to reflect the entity's promise to stand ready to provide assistance and support to the member as required.

#### Capitation fees

The entity recognises capitation fee revenue as services are provided to Australian Nursing & Midwifery Federation (SA Branch).

#### Interest income

Interest revenue is recognised on an accrual basis using the effective interest method.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

#### c. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST component of cash flows arising from investing or financing activities which are recoverable, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

#### d. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held-at-call with banks and other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the statement of financial position.

#### e. Employee Benefits

#### Short-term employee benefits

Provision is made for the entity's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages and salaries. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

#### Other long-term employee benefits

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures, and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any re-measurements of obligations for long-term employee benefits for changes in assumptions are recognised in profit or loss in the periods in which the changes occur.

The entity's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the entity does not have an unconditional right to defer settlement for at least 12 months after the reporting date, in which case the obligations are presented as current provisions.

#### f. Financial Instruments

#### Initial recognition and measurement

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial assets, this is the date that the entity commits itself to either the purchase or sale of the asset (i.e. trade date accounting is adopted).

Financial instruments (except for trade receivables) are initially measured at fair value plus transaction costs, except where the instrument is classified "at fair value through profit or loss", in which case transaction costs are expensed to profit or loss immediately. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Trade receivables are initially measured at the transaction price if the trade receivables do not contain significant financing component or if the practical expedient was applied as specified in AASB 15: Revenue from Contracts with Customers.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

#### f. Financial Instruments (cont)

#### Classification and subsequent measurement

#### Financial liabilities

Financial liabilities are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest expense over in profit or loss over the relevant period.

The effective interest rate is the internal rate of return of the financial asset or liability. That is, it is the rate that exactly discounts the estimated future cash flows through the expected life of the instrument to the net carrying amount at initial recognition.

#### Financial assets

Financial assets are subsequently measured at amortised cost.

#### Derecognition

Derecognition refers to the removal of a previously recognised financial asset or financial liability from the statement of financial position.

#### Derecognition of financial liabilities

A liability is derecognised when it is extinguished (ie when the obligation in the contract is discharged, cancelled or expires). An exchange of an existing financial liability for a new one with substantially modified terms, or a substantial modification to the terms of a financial liability, is treated as an extinguishment of the existing liability and recognition of a new financial liability.

The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss.

#### Derecognition of financial assets

A financial asset is derecognised when the holder's contractual rights to its cash flows expires, or the asset is transferred in such a way that all the risks and rewards of ownership are substantially transferred.

All the following criteria need to be satisfied for the derecognition of a financial asset:

- the right to receive cash flows from the asset has expired or been transferred;
- all risk and rewards of ownership of the asset have been substantially transferred; and
- the entity no longer controls the asset (ie has no practical ability to make unilateral decision to sell the asset to a third party).

On derecognition of a financial asset measured at amortised cost, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in profit or loss.

#### **Impairment**

The entity recognises a loss allowance for expected credit losses on financial assets that are measured at amortised cost.

Expected credit losses are the probability-weighted estimate of credit losses over the expected life of a financial instrument. A credit loss is the difference between all contractual cash flows that are due and all cash flows expected to be received, all discounted at the original effective interest rate of the financial instrument.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

#### f. Financial Instruments (cont)

The entity uses the general approach to impairment, as applicable under AASB 9.

Under the general approach, at each reporting period, the entity assesses whether the financial instruments are credit impaired, and if:

- the credit risk of the financial instrument has increased significantly since initial recognition, the entity measures the loss allowance of the financial instrument at an amount equal to the lifetime expected credit losses; and
- there is no significant increase in credit risk since initial recognition, the entity measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

At each reporting date, the entity recognises the movement in the loss allowance as an impairment gain or loss in the statement of profit or loss and other comprehensive income.

The carrying amount of financial assets measured at amortised cost includes the loss allowance relating to that asset.

#### g. Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

#### h. New and Amended Accounting Standards and Interpretations adopted by the Entity

The incorporated entity has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period. Any new or amended Accounting Standards or Interpretations that are not mandatory have not been early adopted.

The Branch's ability to continue as a going concern is not reliant on the agreed financial support of another reporting unit.

The Branch has not agreed to provide financial support to ensure another reporting unit has the ability to continue as a going concern.

The Branch has not acquired an asset or a liability during the financial year as a result of:

- An amalgamation under Part 2 of Chapter 3, of the RO Act in which the organisation (of which the reporting unit form part) was the amalgamated organisation; or
- b) A restructure of the branches of the organisation; or
- c) A determination by the General Manager under subsection 245(1) of the RO Act of an alternative reporting structure for the organisation; or
- d) A revocation by the General Manager under subsection 249(1) of the RO Act of a certificate issued to an organisation under subsection 245(1).

The Branch has not acquired assets and liabilities during the financial year as part of a business combination.

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF AUSTRALIAN NURSING & MIDWIFERY FEDERATION (SOUTH AUSTRALIAN BRANCH)

#### Opinion

We have audited the financial report of Australian Nursing & Midwifery Federation (South Australian Branch), which comprises the Statement of Financial Position as at 30 June 2021, the Statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, Notes to the Financial Statements, including a summary of significant accounting policies, the Branch Council's Statement, and the subsection 255(2A) report.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of Australian Nursing & Midwifery Federation (South Australian Branch) as at 30 June 2021, and its financial performance and its cash flows for the year then ended in accordance with:

- a) the Australian Accounting Standards; and
- b) any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 (the RO Act).

We declare that the Committee of Management's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

#### Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the entity in accordance with the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Other information

The Committee of Management is responsible for the other information. The other information comprises the Operating Report for the year ended 30 June 2021, but does not include the financial report and the auditor's report thereon.

Our opinion on the financial report does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of the other information we are required to report that fact. We have nothing to report in this regard.

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF AUSTRALIAN NURSING & MIDWIFERY FEDERATION (SOUTH AUSTRALIAN BRANCH) (CONT)

#### Committee of Management and the Branch Secretary's responsibility for the financial report

The Committee of Management and the Branch Secretary are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the *Fair Work (Registered Organisations) Act 2009*, and for such internal control as the Committee of Management and the Branch Secretary determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee of Management and the Branch Secretary are responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee of Management and the Branch Secretary either intend to liquidate the entity or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibility for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or
  error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
  sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
  misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
  collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
  that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by those charged with governance.
- Conclude on the appropriateness of the Committee of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.

#### Auditor's responsibility for the audit of the financial report (Cont)

Evaluate the overall presentation, structure and content of the financial report, including the
disclosures, and whether the financial report represents the underlying transactions and events in a
manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

I declare that I am an auditor registered under the RO Act.
