Dear Mr Blackband

**Australian Maritime Officers' Union  
Financial Report for the year ended 30 June 2022 - FR2022/75**

I acknowledge receipt of the financial report for the year ended 30 June 2022 for the Australian Maritime Officers' Union (**the reporting unit**). The financial report was lodged with the Registered Organisations Commission (**ROC**) on 21 December 2022.

The financial report has now been filed.

The financial report was filed based on a primary review. This involved confirming that the financial reporting timelines required under s.253, s.265, s.266 and s.268 of the *Fair Work (Registered Organisations) Act 2009 (RO Act)* have been satisfied, all documents required under s.268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and reporting guidelines have been complied with. A primary review does not examine all disclosure requirements.
