Dear Frank Agostino

**The Motor Trade Association of South Australia Incorporated's annual return of information (annual return) lodged under subsection 233(1) of the RO Act**

Thank you for providing your annual return lodged under subsection 233(1) of the Fair Work (Registered Organisations) Act 2009 (the RO Act).

**Summary of your annual return and its assessment**

Year 2023  
Matter number AR2023/12  
Lodgement date 27 February 2023  
Review Primary Review  
Result FILED

**Your primary review**

Your annual return had a **primary review** which checked whether it was signed by an officer, lodged on time, the required declarations were made, included the list of offices and office holders and whether you met the requirements that the ROC raised with you last year. A primary review does not examine all the requirements of subsection 233(1).

**Your annual return satisfied the requirements of the primary review and has been uploaded to the ROC website.**

## **The ROC's risk-based approach**

This year your annual return was assessed against a primary review. Consistent with the ROC's risk-based approach, most annual returns are the subject of a primary review.

The remainder receive an advanced review which is a more comprehensive review.

Each organisation should expect that in some years their annual return will be the subject of an advanced review.

The ROC's [advanced review checklists](#) are published on our website.

## **Do you have any questions?**
