Dear Peter Anderson

**The Australian Road Transport Industrial Organization's annual return of information (annual return) lodged under subsection 233(1) of the RO Act**

Thank you for providing your annual return lodged under subsection 233(1) of the Fair Work (Registered Organisations) Act 2009 (the RO Act).

**Summary of your annual return and its assessment**

Year	2023
Matter number	AR2023/34
Lodgement date	14 February 2023
Review	Primary Review
Result	FILED

**Your primary review**

Your annual return had a **primary review** which checked whether it was signed by an officer, lodged on time, the required declarations were made, included the list of offices and office holders and whether you met the requirements that the ROC raised with you last year. A primary review does not examine all the requirements of subsection 233(1).

Your annual return satisfied the requirements of the primary review and has been uploaded to the ROC website.

### **The ROC's risk-based approach**

This year your annual return was assessed against a primary review. Consistent with the ROC's risk-based approach, most annual returns are the subject of a primary review.

The remainder receive an advanced review which is a more comprehensive review.

Each organisation should expect that in some years their annual return will be the subject of an advanced review.

The ROC's [advanced review checklists](#) are published on our website.

### **Do you have any questions?**

Information and education materials are available on our [website](#). These materials are regularly updated. We recommend you [subscribe to the ROC's subscription service to find out when we release new materials](#).

If you have any queries we can be contacted on 1300 341 665 or by email at [regorgs@roc.gov.au](mailto:regorgs@roc.gov.au).

Yours sincerely
