Result FILED

Your primary review

Your ORP statement had a **primary review** which checked whether it was signed by an officer, lodged on time, included the required NIL statements and whether you met the requirements that the regulator raised with you last year.

Your ORP statement satisfied the requirements of the primary review and has been uploaded to the Commission website.

The Commission's risk-based approach

This year your ORP statement was assessed against a primary review. A primary review does not check all legislative requirements.

Over a five year period the ORP statement of every organisation and branch will be subject to at least one advanced review. An advanced review is a more comprehensive review.

The Commission's [advanced review checklist](#) is published on our website.

Do you have any questions?

Your ORP statement did not use the latest ORP statement template. The latest template can be found on our [disclosure obligations page](#).

This and other materials are regularly updated. We recommend you [subscribe to the Commission's subscription service](#).

If you have any queries we can be contacted on 1300 341 665 or by email regorgs@fwc.gov.au.

Yours sincerely
