Dear Kate Ruttiman

The Australian Education Union - Queensland Branch's Officer and related party disclosure statement (ORP Statement)

Thank you for providing your ORP statement. Your ORP statement includes information required to be provided to your members and lodged under subsection 293J of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

Summary of your ORP Statement and Review Outcome

Your primary review

Your ORP statement had a **primary review** which checked whether it was signed by an officer, lodged on time, included the required NIL statements and whether you met the requirements that the regulator raised with you last year.

Your ORP statement has been uploaded to the Commission website. **You do not need to do anything further this year, however, the following comments are made to assist you when you prepare next year's ORP statement.**

Your ORP statement satisfied the requirements of the primary review and has been uploaded to the Commission website.

Insufficient Nil Statements

Your ORP statement did not contain 'NIL' statements and this made it unclear whether you had fully completed the statement.

It is the view of the Commission that NIL statements provide greater clarity and transparency for members. Such statements reassure the organisation's members and the Commission that the organisation or branch has turned its attention to officers' relevant remuneration, their non-cash benefits and payments to related parties.

Hint: Your reminder letter had examples of how to do a NIL statement, you can also refer to our [ORP statement template](#) which contains help about NIL statements.

Please ensure that next year's ORP statement contains NIL statements instead of blanks for both the remuneration of office holders and for the related parties and declared persons or bodies.

The Commission's risk-based approach

This year your ORP statement was assessed against a primary review. A primary review does not check all legislative requirements.

Over a five year period the ORP statement of every organisation and branch will be subject to at least one advanced review. An advanced review is a more comprehensive review.

The Commission's [advanced review checklist](#) is published on our website.

- the officers listed in this ORP statement are those whose relevant remuneration places them in the top five rankings of officers;
- where fewer officers are listed, this is because only those listed officers received relevant remuneration;
- the only officers in the top five rankings who received non-cash benefits are those for whom an amount is listed in the non-cash benefits column;
- the persons and entities listed under 'payments to related parties' are the only related parties or declared persons or bodies that are required to be disclosed under section.293G, where none are listed this is because there were no disclosable payments;
