Result FILED

**Your primary review**

Your ORP Statement had a **primary review** which checked whether it was signed by an officer, lodged on time, included the required NIL statements and whether you met the requirements that the regulator raised with you last year.

**Your ORP Statement satisfied the requirements of the primary review and has been uploaded to the Fair Work Commission (the Commission) website.**

**The Commission's risk-based approach**

This year your ORP Statement was assessed against a primary review. A primary review does not check all legislative requirements.

Over a five year period the ORP Statement of every organisation and branch will be subject to at least one advanced review. An advanced review is a more comprehensive review.

The Commission's [advanced review checklist](#) is published on our website.
