Dear Melissa Donnelly

IMMEDIATE ACTION REQUIRED:

You must take steps after your recent election E2023/112

An election has recently been completed by the Australian Electoral Commission (AEC) for the CPSU, the Community and Public Sector Union-PSU Group and a post-election report has been issued by the AEC.

This letter explains the next steps you must take, including what information you need to give to members and what information you need to lodge with the Fair Work Commission (the Commission).

What you must do right now

- Let your members know about the election report issued by the AEC
- Arrange financial training for officers newly elected to an office with financial management duties. (This includes all members of the committee of management).
- Complete the notification of change and email it to the Commission at regorgs@fwc.gov.au

This letter explains these steps and the tools available to help you.

STEP 1: Notify members

You must put a notice on your website once you receive your post-election report. It must tell your members they can request a copy of the post-election report from you or the AEC (regulation 141). The notice must be on your website for at least three months.

Can we put more information on our website?

Yes! Being transparent is part of good governance. You can publish the whole report or the declaration of results, as well as your notice and leave them up longer than three months. You can always do more than the regulatory minimum.

The Commission will also publish your declaration of results on our [website](#).

STEP 2: Financial training

You may have to arrange financial training for people elected to new roles.

All officers with financial management duties must complete approved financial training (section 293K). For information on when officers must redo training and hints on when to book training for officers taking up multiple offices [please see our fact sheet](#).

There are face-to-face and online [financial training packages on the Commission website](#).

You must act on this now, as affected officers **MUST** complete approved financial training OR receive an [exemption by the Commission](#) **within six months** of beginning to hold office.

Good governance tip:

Organisations should instruct officer holders about their other obligations. This is especially important for committee of management members.

Our podcast covers the [benefits of officer induction](#). Officers have responsibilities under the rules, the *Fair Work (Registered Organisations) Act 2009* (the RO Act), and disclosure requirements around conflicts of interest, remuneration and material personal interests. Officers will benefit from our [officer induction kit](#) and our [podcast](#), such as [episode 17 - conflicts of interest](#).

STEP 3: Notifications of change

A notification of change must be lodged with the Commission within **35 days** of the change occurring.

We have a [template](#) to help you with this, which you can send to regorgs@fwc.gov.au. An officer must sign the completed notification template.

You must lodge a notification of change if:

- any of your officers have not been re-elected;
- officers have changed offices; or
- you have new officers.

Only notify us of changes that have **already occurred**. If people take up office in the future, you must wait until the change happens before lodging the notification within 35 days of the change.

Note: One election may result in many notifications of change.

Penalties apply

Failing to lodge your notifications of change on time can expose your organisation and its officers to significant penalties.

Real-life example of penalties in Court An organisation failed to make a series of notifications of change on time.

The Full Court said ‘The record-keeping obligations imposed under the Registered Organisations Act are treated by the legislature as important and serious, and contravention of those obligations are correspondingly serious.’

The organisation was ordered to pay a penalty. More information is available in our [case summary](#).

Why do I need to tell you the results of the election when you’ve already received them?

The RO Act requires that **you** tell us this information about your officers – it is a legal obligation. The notification of change also contains information that is not in the declaration of results.

What if the officer has already done training?

Check out our [fact sheet](#) for when officers need to redo training, when they can get an exemption and when further training isn’t required.

If you have any queries we can be contacted on 1300 341 665 or by email at regorgs@fwc.gov.au.

Yours sincerely

Fair Work Commission

The Commission has an interim [Compliance Policy](#) which explains how we respond to issues of non-compliance. The policy is available on our website if you would like further information on the steps the compliance team may take in response to non-lodgement of a financial report.

197 Post-election report by AEC

Requirement for AEC to make report

- (1) After the completion of an election conducted under this Part by the AEC, the AEC must give a written report on the conduct of the election to:
 - (a) the General Manager; and
 - (b) the organisation or branch for whom the election was conducted.

Note: The AEC may be able, in the same report, to report on more than one election it has conducted for an organisation. However, regulations made under paragraph 359(2)(c) may impose requirements about the manner and timing of reports.

- (2) The report must include details of the prescribed matters.

Contents of report—register of members

- (3) If the AEC is of the opinion that the register of members, or the part of the register, made available to the AEC for the purposes of the election contained, at the time of the election:
 - (a) an unusually large proportion of members' addresses that were not current; or
 - (b) in the case of a register kept by an organisation of employees—an unusually large proportion of members' addresses that were workplace addresses;this fact must be included in the report, together with a reference to any relevant model rules which, in the opinion of the AEC, could assist the organisation or branch to address this matter.

Note: Model rules are relevant only to the conduct of elections for office, not for elections for other positions (see section 147).

Contents of report—difficult rules

- (4) If the report identifies a rule of the organisation or branch that, in the AEC's opinion, was difficult to interpret or apply in relation to the conduct of the election, the report must also refer to any relevant model rules, which in the opinion of the AEC, could assist the organisation or branch to address this matter.

Note: For model rules, see section 147.

Subsection (3) relevant only for postal ballots

- (5) Subsection (3) applies only in relation to elections conducted by postal ballot.

Note: An organisation can obtain an exemption from the requirement to hold elections for office by postal ballot (see section 144).

190 Organisation or branch must not assist one candidate over another

An organisation or branch commits an offence if it uses, or allows to be used, its property or resources to help a candidate against another candidate in an election under this Part for an office or other position.

Penalty: 100 penalty units.

193 Provisions applicable to elections conducted by AEC

- (1) If an electoral official is conducting an election, or taking a step in relation to an election, for an office or other position in an organisation, or branch of an organisation, the electoral official:
 - (a) subject to paragraph (b), must comply with the rules of the organisation or branch; and
 - (b) may, in spite of anything in the rules of the organisation or branch, take such action, and give such directions, as the electoral official considers necessary:
 - (i) to ensure that no irregularities occur in or in relation to the election; or
 - (ii) to remedy any procedural defects that appear to the electoral official to exist in the rules; or
 - (iii) to ensure the security of ballot papers and envelopes that are for use, or used, in the election.

- (2) A person commits an offence if the person does not comply with a direction under subsection (1).

Penalty: 30 penalty units.

- (3) Subsection (2) does not apply so far as the person is not capable of complying.

Note: A defendant bears an evidential burden in relation to the matter in subsection (3) (see subsection 13.3(3) of the *Criminal Code*).

- (4) Subsection (2) does not apply if the person has a reasonable excuse.

Note: A defendant bears an evidential burden in relation to the matter mentioned in subsection (4), see subsection 13.3(3) of the *Criminal Code*.

- (5) An offence against subsection (2) is an offence of strict liability.

Note: For *strict liability*, see section 6.1 of the *Criminal Code*.

- (6) An election for an office or other position conducted by an electoral official, or step taken in relation to such an election, is not invalid merely because of a breach of the rules of the organisation or branch because of:

- (a) action taken under subsection (1); or
- (b) an act done in compliance with a direction under subsection (1).

- (7) If an electoral official conducting, or taking a step in connection with, an election for an office or other position:

- (a) dies or becomes unable to complete the conduct of the election or the taking of the step;
or
 - (b) ceases to be qualified to conduct the election or to take the step;
- the Electoral Commissioner must arrange for the completion of the conduct of the election, or the taking of the step, by another electoral official.

6 Definitions

irregularity, in relation to an election or ballot, includes:

- (a) a breach of the rules of an organisation or branch of an organisation; and
- (b) an act or omission by means of which:
 - (i) the full and free recording of votes by all persons entitled to record votes and by no other persons; or
 - (ii) a correct ascertainment or declaration of the results of the voting; is, or is attempted to be, prevented or hindered; and
- (c) a contravention of section 190.

Fair Work (Registered Organisations) Regulations 2009 ('the Regulations')

140 Declaration of result of election (s 193)

- (1) Within 14 days after the closing day of an election, the AEC must issue a declaration stating the following:
 - (a) the total number of persons on the roll of voters;
 - (b) the total number of ballot papers issued (if applicable);
 - (c) the total number of envelopes that were returned undelivered by the closing day of the ballot to the AEC (if applicable);
 - (d) the total number of ballot papers received by the electoral official by the closing day of the ballot (if applicable);
 - (e) the result of the election;
 - (f) the total number of informal ballot papers (if applicable).
- (2) In subregulation (1), ***closing day***, for an election, means:
 - (a) if a ballot is not required—the day on which nominations for the election close; or
 - (b) if a ballot is required—the closing day of the ballot.
- (3) Immediately after issuing a declaration under subregulation (1), the AEC must give a copy of the declaration to:
 - (a) the General Manager; and
 - (b) the organisation or branch for whom the election was conducted.

141 Post-election report by AEC (s 197(2))

- (1) For subsection 197(2) of the Act, the following matters are prescribed for inclusion in the report (the ***post-election report***) given under subsection 197(1) of the Act:
 - (a) the declaration mentioned in regulation 140;
 - (b) any rules of the organisation or branch which because of ambiguity or other reason, were difficult to interpret or apply;
 - (c) any matters in relation to the roll of voters including those matters contained in subsection 197(3) of the Act;
 - (d) the number of written allegations (if any) of irregularities made to the AEC during the election;
 - (e) action taken by the AEC in relation to those allegations;
 - (f) any other irregularities identified by the AEC and action taken by the AEC in relation to those other irregularities.
- (2) The AEC must:
 - (a) give the post-election report within 30 days after the closing day of the election; and
 - (b) publish a notice on its web site advising that a copy of the post-election report can be obtained from the AEC on the request of a member who was eligible to vote in the election.

- (3) The AEC must supply a copy of the post-election report to the member as soon as practicable, but no later than 7 days, after receiving a request under paragraph (2)(b).

145 Elections conducted by AEC—no unauthorised action

- (1) For any election conducted by the AEC under Part 2 of Chapter 7 of the Act, a person other than the person conducting the election must not do, or purport to do, any act in the conduct of the election other than as directed or authorised by the person conducting the election.

Note: This subregulation is a civil penalty provision (see regulation 168).

- (2) The AEC must advise the General Manager of a possible contravention of subregulation (1) not later than 21 days after the AEC has become aware of the possible contravention.

Declaration of result of election

In accordance with reg 140 of the Regulations, the AEC must issue a declaration stating the result of the election and other matters within 14 days after the closing day of an election.

On 20 October 2023, the AEC issued a declaration under reg 140 in relation to uncontested offices in the election. A revised declaration was issued on 14 December 2023. The reason for the revision related to ambiguity in the hierarchy 'Rule 3.18'. After a review of Rule 1.29, it was determined that a particular candidate was eligible to hold two positions for which they had nominated. As this member was the only candidate for each position an adjusted declaration was prepared and submitted.

On 13 December 2023, the AEC issued a declaration under reg 140 in relation to contested offices in the election.

The Community and Public Sector Union (CPSU) PSU Group Rules

The Community and Public Sector Union (CPSU) PSU Group Rules were used for the election. The current version of the rules was used, which incorporates alterations up to 29 June 2022 and is available from the Fair Work Commission website:

090VPSU: Incorporates alterations of 29 June 2022 [R2022/15]
Replaces rulebook dated 2 June 2022 [R2021/223]

In the AEC's opinion, the following rules were difficult to interpret or apply in relation to the conduct of this election.

Rule 3.10(b) This rule provides that 'The voter shall vote by marking on the ballot paper the numbers 1, 2 and so on as the case requires opposite at least the number of candidates as there are positions to be filled'. There was no separate rule about circumstances in which ballot papers are or are not informal (such as s 268 of the *Commonwealth Electoral Act 1918*).

It was difficult for the AEC to interpret whether this rule was intended to be an exhaustive statement of the categories of ballot paper that would produce formal votes, or whether a vote which does not strictly comply with rule 3.10(b) could enter the count where the voter's intent is clear.

A number of ballot papers were marked with crosses and ticks. The AEC determined that properly understood rule 3.11 meant that the returning officer was to determine the 'first preference votes cast' for a candidate, by determining the voter's intent, such that where the voter intention was clear, such marks could be accepted. The AEC considers that the CPSU should amend the rules to make clear what votes should be considered informal. A rule such as rule 17.3.2(d) of the AEC Model Rules, which provides a guide for the conduct of elections for office, and is available from the AEC website, could assist the Organisation; or a rule similar to s 268 of the *Commonwealth Electoral Act 1918*.

Rule 3.18 refers to eligibility to hold simultaneous positions. Rule 3.18(d) provides a hierarchy of positions, however the list of positions does not include 'Section President' despite Section President appearing elsewhere in the rules. For example, Rule 1.29(d) indicates that if there is a Section President then they in effect take up the governing council position in place of a second Governing Councillor where the section has at least 1,000 financial members. The failure to include 'Section President' in rule 3.18 creates some ambiguity in the hierarchy.

Roll of Voters

The AEC received 108 requests to view the roll of voters.

The AEC received over 2000 'Return to Sender' ballot packs during the election period.

The AEC issued over 500 'Replacement Packs'. The large majority of which were related to change of address.

Written allegations of any irregularities

The AEC received 5 written allegations of a breach of s 190 of the Act on the following dates:

- 2 November 2023 via email (use of union resources)
- 2 November 2023 via complaint portal (use of union resources)
- 6 November 2023 via email (use of union resources)
- 29 November 2023 via email (use of union resources)
- 6 December 2023 via email (use of union resources)

The AEC replied to each concern advising there was insufficient evidence.

On 26 October 2023, the Union sent an email communication to all CPSU delegates advising of the need to comply with s 190 and not use any Union property or resources to assist in campaigning for the election.

The AEC received 2 complaints about the collection of ballots at workplaces on the following dates:

20 November 2023
22 November 2023

On 22 November 2023, the AEC issued a direction under s 193(1)(b)(iii) of the *Fair Work (Registered Organisations) Act 2009* to cease any collection of voting materials in workplaces and ensure members are advised to return ballot material in the reply-paid envelope provided by the AEC.

The AEC received 3 complaints about privacy concerns on the following dates:

6 November 2023 (how details were available)
7 November 2023 (mailing lists)
9 November 2023 (door to door campaigning)

The AEC advised in each case that the candidates are provided with access to name and address details of members, only for use in campaigning.

The AEC received 1 complaint about the roll of voters on:

7 November 2023

The AEC resolved the complaint with the Union.

Other irregularities

There were no other irregularities identified by the AEC.

DECISION

Fair Work (Registered Organisations) Act 2009
s.189—Arrangement for conduct of an election

CPSU, the Community and Public Sector Union
(E2023/112)

MR STEENSON

SYDNEY, 17 JULY 2023

Arrangement for conduct of election.

[1] On 5 July 2023, the PSU Group (the **Group**) of the CPSU, the Community and Public Sector Union lodged with the Fair Work Commission (the **Commission**) prescribed information for an election to fill the offices and non-office positions set out in **Attachment A** for a new term of office. The Group has provided a copy of the request made to the Australian Electoral Commission (**AEC**) under section 187 of the *Fair Work (Registered Organisations) Act* (**RO Act**) in relation to the non-office positions.

[2] Since the previous scheduled election (**E2020/117**), the Commission has certified alterations to the Group's rules.¹ I note, in particular, that alterations to sub rule 1.2 concern the composition of the Governing Council. Previously, a section within the Group required a minimum of 2,000 members attached to it before it was entitled to a Governing Councillor. That number has been reduced to 1,000. Consequently, a number of sections seek the election of a Governing Councillor in addition to other section offices.

[3] I am satisfied that an election for the **offices and non-office positions** set out in **Attachment A** is required to be held under the rules of the organisation and, under subsection 189(3) of the RO Act, I am making arrangements for the conduct of the election by the AEC.

Dear General Manager,

Re: Application to conduct elections for an office and position other than office

I enclose a statement advising that an election is required for positions in the PSU Group of CPSU, the Community and Public Sector Union.

To the extent necessary, the PSU Group of the CPSU requests that the AEC conduct the election for those positions that are office positions and positions other than an office in the organisation, in accordance with the *Fair Work (Registered Organisations) Act 2009*. I have also attached a copy of my correspondence to the AEC for your information.

Please contact James Bachelor Director of Governance 0413 933 351 to discuss this matter or if you require clarification of any matter relating to this notification.

Yours faithfully,

Michael Tull
Assistant National Secretary
