Dear Julia Angrisano

### Notification of changes – Action required

We acknowledge receipt of a Notification of Change to the office holders of the Finance Sector Union of Australia (AR2024/9).

A list of those changes has been summarised in Appendix A at the end of this letter.

#### What you need to do right now

- Any person who has been elected or appointed to a new office that has financial management duties (which usually includes all the committee of management) **MUST** do [financial training](#) or [obtain an exemption](#)
- Inform all officers of their [disclosure obligations](#)
- Consider giving your new officers the link to the Commission's [Officer Induction Kit](#)

These next steps are explained below in more detail.

Financial training must be done within 6 months

Any officer who has been elected or appointed to a new office that has financial management duties must complete [financial training](#) (or obtain an exemption) **within 6 months** after taking office (section 293K of the *Fair Work (Registered Organisations) Act 2009* (RO Act)).

The organisation is responsible for this requirement. You should arrange for the relevant officers to have training as soon as possible.

Good governance processes around financial training are highly recommended. These include:

- keeping a list of all offices that have financial management duties
- having a single person or officer responsible for overseeing the process

- collecting records of who has done training or obtained an exemption, including any certificates and exemption letters
- doing refresher courses for officers who have been re-elected to the same office (and are not required to do training under the RO Act)
- extending training to non-officers who are essential to your financial processes

#### **Officer financial training audit**

An audit by the Commission into officer training found that organisations frequently misunderstood **which** officers are required to do training.

To help with this we have an [officer training online panel](#) with examples explaining what triggers the need to do training and how to identify the offices that require it.

Further information about training is provided in our [officer financial training fact sheet](#).

#### **Help for new officers: Officer Induction Kit**

The Commission has created an [Officer Induction Kit](#) to assist new officers. The Kit has resources that will help an officer to understand their general duties as an officer and their specific duties as an officer in your organisation. It also includes tools to guide an officer's understanding of compliance dates, disclosures and other reporting obligations.

Please direct your officers to the kit which is on the Commission's [officers and disclosures](#) page.

#### **Disclosure obligations: what officers must do**

All officers are required to make disclosures regarding remuneration, non-cash benefits and material personal interests. Details are contained in the RO Act and are summarised in the Commission's [Disclosures Fact Sheet](#).

The organisation and officers are both responsible for meeting this obligation.

#### **Time frames for notifications of change**

Notifications of change must be lodged within 35 days of the change occurring (regulation 151 *Fair Work (Registered Organisations) Regulations 2009*).

Resources to help you make your notifications of change

Notifications of change are vitally important to maintain the transparency of an organisation to its members. They empower members to hold the organisation properly to account for its decisions.

To ensure that organisations get these notifications right we have created resources to help you understand the notification of change requirement and complete it quickly.

These resources include:

- [notification of change template](#)
- a podcast that answers the question – [who is an officer?](#)
- and a [fact sheet on notifications of change](#) that explains the requirement

#### **eLearning module – notifications of change**

The Commission has launched an eLearning module to assist organisations in understanding when a notification of change is required.

The [eLearning module](#) is available on our website.

It will take approximately 20 minutes and has a short quiz at the end to help you test your knowledge.

Please contact 1300 341 665 or [regorgs@fwc.gov.au](mailto:regorgs@fwc.gov.au) if you have any questions or would like to discuss this matter further.

Yours sincerely

Dear Julia Angrisano

**The Finance Sector Union of Australia's annual return of information (annual return) lodged under subsection 233(1) of the RO Act**

Thank you for providing your annual return lodged under subsection 233(1) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

**Summary of your annual return and its assessment**

Year	2024
Matter number	AR2024/9
Lodgement date	12 February 2024
Review	Primary Review
Result	FILED

**Your primary review**

Your annual return had a **primary review** which checked whether it was signed by an officer, lodged on time, the required declarations were made, included the list of offices and office holders and whether you met the requirements that the regulator raised with you last year. A primary review does not examine all the requirements of subsection 233(1).

**Your annual return satisfied the requirements of the primary review and has been uploaded to the Fair Work Commission (the Commission) website.**

### **The Commission's risk-based approach**

This year your annual return was assessed against a primary review. Consistent with the Commission's risk-based approach, most annual returns are the subject of a primary review.

The remainder receive an advanced review which is a more comprehensive review.

Each organisation should expect that in some years their annual return will be the subject of an advanced review.

The Commission's [advanced review checklists](#) are published on our website.

### **Do you have any questions?**

Information and education materials are available on our [website](#). These materials are regularly updated. We recommend you [subscribe to the Commission's subscription service to find out when we release new materials](#).

If you have any queries we can be contacted on 1300 341 665 or by email at [regorgs@fwc.gov.au](mailto:regorgs@fwc.gov.au).
