

30 January 2024

David Genford Branch President Australian Education Union - Tasmanian Branch Sent via email: <u>davidg@aeutas.org.au</u> CC: <u>AccountsManager@aeutas.org.au</u> nick.carter@wlf.com.au

Dear David Genford

Australian Education Union - Tasmanian Branch Financial Report for the year ended 30 June 2023 – (FR2023/152)

I acknowledge receipt of the financial report for the year ended 30 June 2023 for the Australian Education Union – Tasmanian Branch. The documents were lodged with the Fair Work Commission (the Commission) on 20 December 2023. I also acknowledge the lodgement of the financial report including the auditor's report and the amended designated officer's certificate which were received on 22 December 2023.

The financial report has now been filed.

You are not required to take any further action in respect of the report lodged. I make the following comments to assist you when you next prepare a financial report. The Commission will confirm these concerns have been addressed prior to filing next year's report.

### **Timescale requirements**

As you are aware, an organisation is required under the RO Act to undertake certain steps in accordance with specified timelines. Information about these timelines can be found on the Fair Work Commission website, in particular, the fact sheet 'Financial reporting process' which explains the timeline requirements, and the fact sheet 'summary of financial reporting timeline' which sets out the timelines in diagrammatical format. The Fair Work Commission website also contains a '<u>Compliance Calculator</u>' to help organisations comply with the RO Act timelines.

I note that the following timescale requirements were not met:

Documents must be lodged with Fair Work Commission within 14 days after general meeting

Section 268 of the RO Act requires a copy of the full report and the designated officer's certificate to be lodged with the Fair Work Commission within 14 days after the general meeting of members referred to in section 266.

The designated officer's certificate indicates that this meeting occurred on 4 December 2023. If this is correct the documents should have been lodged with the Commission by 18 December 2023.

The full report was not lodged until 22 December 2023.

If this date is correct, the reporting unit should have applied to the General Manager of the Commission for an extension of time to allow a longer period to lodge the required documents.

Please note that in future financial years if the reporting unit cannot lodge within the 14 day period prescribed, a written request for an extension of time, signed by a relevant officer, including any reason for the delay, must be made *prior to* the expiry of the 14 day period.

### Reports must be provided to members at least 21 days before general meeting

Under section 265(5)(a) of the RO Act, where the report is presented to a general meeting of members, the report must be provided to members at least 21 days before that meeting. The designated officer's certificate states that the full report was provided to members on 22 December 2023 and presented to a general meeting of members on 4 December 2023.

If these dates are correct, the reporting unit did not provided members with the full report before the general meeting.

Please note that subsection 265(5)(a) is a civil penalty provision.

### Inconsistency in disclosure of financial information

Note 4(d) Administration expenses discloses capitation fees/allowances – meeting and conferences expenses of \$30,426 for the 2023 financial year (2022: \$28,594). The officer's declaration statement, however, includes a nil disclosure of paying to a person fees or allowances to attend conferences or meetings as a representative of the reporting unit.

In future years, please ensure that items within the financial report are disclosed consistently.

### Officer's declaration statement - to include all nil activity disclosures not elsewhere disclosed

Item 21 of the reporting guidelines states that if any of the activities identified within items 10-20 of the reporting guidelines have not occurred in the reporting period, a statement to this effect must be included either in the financial statements, the notes or in the officer's declaration statement.

I note that the officer's declaration statement includes the following nil activity disclosures for which there was already an equivalent form of disclosure in the body of the notes:

- acquire an asset or liability due to an amalgamation under Part 2 of Chapter 3 of the RO Act, a
  restructure of the branches of an organisation, a determination or revocation by the General Manager,
  Fair Work Commission (Note 20);
- transfer to or withdraw from a fund (other than the general fund), account, asset or controlled entity (Note 10).

Please note that nil activities should be disclosed <u>once</u> only.

### **Reference to Registered Organisations Commissioner**

The Commission has been the regulator for registered organisations since 6 March 2023. All references to the Registered Organisations Commission and Commissioner must be changed to the Fair Work Commission and General Manager of the Fair Work Commission.

I note that item (e)(v) of the committee of management statement, note 1(X) and note 17 refer to the Commissioner instead of the General Manager of the Fair Work Commission.

### **Reporting Requirements**

The Commission website provides a number of factsheets in relation to the financial reporting process and associated timelines. The website also contains the section 253 reporting guidelines and a model set of financial statements.

The Commission recommends that reporting units use these model financial statements to assist in complying with the *Fair Work (Registered Organisations) Act 2009* (RO Act), the section 253 reporting guidelines and Australian Accounting Standards. Access to this information is available via <u>this link</u>.

If you have any queries regarding this letter, please call 1300 341 665 or email regorgs@fwc.gov.au.

Yours sincerely,

Kylie Ngo Fair Work Commission

Auditor's Independence Declaration to the Branch Executive of Australian Education Union Tasmanian Branch

In relation to our audit of the financial report of the Australian Education Union Tasmanian Branch for the financial year ended 30 June 2023, to the best of my knowledge and belief, there have been no contraventions of the auditor independence requirements as set out in the *Fair Work (Registered Organisations) Act 2009;* and any applicable code of professional conduct.

### INDEPENDENT AUDITOR'S REPORT

Members of the Australian Education Union Tasmanian Branch

Report on the Audit of the Financial Report

### Opinion

We have audited the financial report of Australian Education Union Tasmanian Branch (the reporting unit), which comprises the statement of financial position as at 30 June 2023, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes to the financial statements, including a summary of significant accounting policies, the committee of management statement, the subsection 255(2A) report and the officer declaration statement.

In our opinion, the accompanying financial report presents fairly, in all material aspects, the financial position of Australian Education Union Tasmanian Branch as at 30 June 2023, and its financial performance and its cash flows for the year ended on that date in accordance with:

- a) the Australian Accounting Standards; and
- b) any other requirements imposed by the reporting guidelines or Part 3 of Chapter 8 of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

We declare that management's use of the going concern basis in the preparation of the financial statements of the reporting unit is appropriate.

### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the reporting unit in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Report and Auditor's Report Thereon

The committee of management is responsible for the other information. The other information obtained at the date of this auditor's report is in the operating report accompanying the financial report.

1st Floor, 160 Collins Street, Hobart TAS 7000 | GPO Box 1083 Hobart TAS | 03 6223 6155 | email@wlf.com.au | www.wlf.com.au Liability limited by a scheme approved under Professional Standards Legislation. Move Forward Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. we have nothing to report in this regard.

### Responsibilities of Committee of Management for the Financial Report

The committee of management of the reporting unit is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the RO Act, and for such internal control as the committee of management determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the committee of management is responsible for assessing the reporting unit's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the committee of management either intend to liquidate the reporting unit or to cease operations, or have no realistic alternative but to do so.

### Auditor's Responsibilities for the Audit of the Financial Report

Our objective is to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. we also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the reporting unit's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee of management.
- Conclude on the appropriateness of the committee of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the reporting unit's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the reporting unit to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the reporting unit to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the reporting unit audit. We remain solely responsible for our audit opinion.

We communicate with the committee of management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

I declare that I am an auditor registered under the RO Act.

# **OPERATING REPORT**

# FOR THE PERIOD ENDED 30 JUNE 2023

The Branch Executive presents its report of the Australian Education Union Tasmanian Branch for the financial year ended 30 June 2023.

### Principal Activities

The principal activities of the Union during the financial year were:

- To maintain and improve the working conditions and professional welfare of its members;
- Be a professionally managed and democratic Union which provides maximum opportunities for membership involvement in its activities;
- Provide a wide range of appropriate services and benefits to members; and
- Work towards ensuring a just and equitable society, including by promoting actively public education, training and unionism.

It is noted that during the financial year the activities of the Union were suitably carried out. No significant change in the nature of these activities occurred during the year.

The surplus from ordinary activities amounted to \$103,792 for the period ended 30 June 2023 (2022: \$128,139).

# Financial Affairs

No significant changes were noted to the financial affairs of the Union during the year.

# Right to Resign

Resignation from membership and termination of eligibility for membership is regulated by Rule 17 of the Federal Rules.

A member may resign from membership of the Union by written notice addressed to and delivered to the Secretary of the Branch to which the member is attached.

### Superannuation Trustees/Directors

There are no members of the Branch Council that are trustees or directors of a superannuation entity or an exempt public sector superannuation scheme.

### Number of Members

The Union had 5,099 members at the end of the reporting period (2022: 5,128).

# Number of employees

The Union employed 20 staff, expressed as FTE18.8, as at 30 June 2023 (2022: 22 employees, expressed as 18.9 FTE).

**OPERATING REPORT** 

### FOR THE PERIOD ENDED 30 JUNE 2023

#### Payments to Employers

The Union did not make any payments during the financial year to employers as consideration for the employers making payroll deductions of membership subscriptions.

### Names of Committee of Management Members and Period Positions Held During the Financial Year

# AUSTRALIAN EDUCATION UNION TASMANIAN BRANCH OFFICER DECLARATION STATEMENT FOR THE PERIOD ENDED 30 JUNE 2023

I, David Genford, being the Branch President of the Australian Education Union Tasmanian Branch, declare that the following activities did not occur during the reporting period ending 30 June 2023.

The reporting unit did not:

- acquire an asset or liability due to an amalgamation under Part 2 of Chapter 3 of the RO Act, a restructure of the branches of an organisation, a determination or revocation by the General Manager, Fair Work Commission;
- pay to a person fees or allowances to attend conferences or meetings as a representative of the reporting unit;
- transfer to or withdraw from a fund (other than the general fund), account, asset or controlled entity; or
- have another entity administer the financial affairs of the reporting unit.

#### BRANCH EXECUTIVE DECLARATION

#### FOR THE PERIOD ENDED 30 JUNE 2023

On the 3 / 11/2023 the Branch Executive of the Union passed the following resolution in relation to the general purpose financial report (GPFR) for the year ended 30 June 2023:

The Branch Executive of the Union declares that in its opinion:

- (a) the financial statements and notes comply with Australian Accounting Standards;
- (b) the financial statements and notes comply with any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 (the RO Act);
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the Union for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the Union will be able to pay its debt as and when they become due and payable;
- (e) during the financial year to which the GPFR relates and since the end of that year:
  - (i) meetings of the committee of management were held in accordance with the rules of the organisation including the rules of a branch concerned;
  - (ii) the financial affairs of the Union have been managed in accordance with the rules of the organisation including the rules of a branch concerned;
  - (iii) the financial records of the Union have been kept and maintained in accordance with the RO Act;
  - (iv) as far as is practical and reasonable, the financial records of the Union have been kept in a consistent manner to other national union branches;
  - (v) where information has been sought in any request by a member of the Union or Commissioner duly made under section 272 of the RO Act has been provided to the member or Commissioner; and
  - (vi) where any order for inspection of financial records has been made by the Fair Work Commission under section 273 of the RO Act, there has been compliance.
- (f) in relation to the recovery of wages activity, no activity of this nature has been undertaken.

This declaration is made in accordance with a resolution of the Committee of Management.

## NOTES TO THE FINANCIAL STATEMENTS

### FOR THE PERIOD ENDED 30 JUNE 2023

### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### (a) Basis of Preparation of the Financial Statements

The financial statements are general purpose financial statements and have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period and the *Fair Work (Registered Organisation) Act 2009.* For the purpose of preparing the general purpose financial statements, the Australian Education Union Tasmanian Branch is a not-for-profit entity. Disclosures made in the financial statements with zero values in both financial years are disclosed only due to the mandatory requirements of the Registered Organisations Commission.

The financial report covers the Australian Education Union Tasmanian Branch as an individual entity. The Australian Education Union Tasmanian Branch is a trade union in Tasmania governed by the *Fair Work (Registered Organisations) Act 2009*.

The financial statements, except for cash flow information, have been prepared using the accrual basis of accounting. The financial statements have been prepared on a historical cost basis, except for certain classes of property, plant and equipment and investment properties, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. The financial statements are presented in Australian dollars.

### (b) Going Concern

Australian Education Union Tasmanian Branch is not reliant on the agreed financial support of another reporting unit to continue on a going concern basis.

Australian Education Union Tasmanian Branch has not agreed to provide financial support to another reporting unit to ensure they can continue on a going concern basis

### (c) Comparative Amounts

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

# NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

# (d) Accounting Judgements and Estimates

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

In particular, information about significant areas of estimation uncertainty and critical judgements in applying accounting policies that have the most significant effect on the amount recognised in the financial statements is described in Note 8 where judgements have been made in relation to the value of employee entitlements and Note 6 where judgements have been made in relation to the value of right-of-use assets.

### (d) New Australian Accounting Standards

No accounting standard has been adopted earlier than the application date stated in the standard.

### Future Australian Accounting Standards Requirements.

No new standards, amendments to standards or interpretations that were issued prior to the signoff date and are applicable to future reporting periods that are expected to have a future financial impact on the Union.

### (e) Current Versus Non-Current Classification

The Union presents assets and liabilities in the statement of financial position based on current/non-current classification.

## NOTES TO THE FINANCIAL STATEMENTS

### FOR THE PERIOD ENDED 30 JUNE 2023

# NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED) (e) Current versus non-current classification (Continued)

An asset is current when it is:

- expected to be realised or intended to be sold or consumed in the normal operating cycle;
- held primarily for the purpose of trading;
- expected to be realised within twelve months after the reporting period; or
- cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- it is expected to be settled in the normal operating cycle;
- it is held primarily for the purpose of trading;
- it is due to be settled within twelve months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

The Union classifies all other liabilities as non-current.

## (f) Revenue

The Union enters into various arrangements where it receives consideration from another party. These arrangements include consideration in the form of membership subscriptions, capitation fees, levies, interest, and rental income.

The timing of recognition of these amounts as either revenue or income depends on the rights and obligations in those arrangements.

### NOTES TO THE FINANCIAL STATEMENTS

## FOR THE PERIOD ENDED 30 JUNE 2023

### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### (f) Revenue (Continued)

### Revenue from Contracts with Customers

Where the Union has a contract with a customer, the Union recognises revenue when or as it transfers control of goods or services to the customer. The Union accounts for an arrangement as a contract with a customer if the following criteria are met:

- the arrangement is enforceable; and
- the arrangement contains promises (that are also known as performance obligations) to transfer goods or services to the customer (or to other parties on behalf of the customer) that are sufficiently specific so that it can be determined when the performance obligation has been satisfied.

### Membership Subscriptions

For membership subscription arrangements that meet the criteria to be contracts with customers, revenue is recognised when the promised goods or services transfer to the customer as a member of the Union.

If there is only one distinct membership service promised in the arrangement, the Union recognises revenue as the membership service is provided, which is typically based on the passage of time over the subscription period to reflect the Union's promise to stand ready to provide assistance and support to the member as required.

If there is more than one distinct good or service promised in the membership subscription, the Union allocates the transaction price to each performance obligation based on the relative standalone selling prices of each promised good or service. In performing this allocation, standalone selling prices are estimated if there is no observable evidence of the price that the Union charges for that good or service in a standalone sale. When a performance obligation is satisfied, which is either when the customer obtains control of the good (for example, books or clothing) or as the service transfers to the customer (for example, member services or training course), the Union recognises revenue at the amount of the transaction price that was allocated to that performance obligation.

For member subscriptions paid annually in advance, the Union has elected to apply the practical expedient to not adjust the transaction price for the effects of a significant financing component because the period from when the customer pays and the good or services will transfer to the customer will be one year or less.

When a member subsequently purchases additional goods or services from the Union at their standalone selling price, the Union accounts for those sales as a separate contract with a customer.

### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### (f) Revenue (Continued)

### Capitation Fees

Where the Union's arrangement with a branch or another reporting unit meets the criteria to be a contract with a customer, the Union recognises the capitation fees promised under that arrangement when or as it transfers the goods or services.

In circumstances where the criteria for a contract with a customer are not met, the Union will recognise capitation fees as income upon receipt (as specified in the income recognition policy below).

### Levies

Levies paid by a member (or other party) in an arrangement that meets the criteria to be a contract with a customer is recognised as revenue when or as the Union transfers the goods or services.

In circumstances where the criteria for a contract with a customer are not met, the Union will recognise levies as income upon receipt (as specified in the income recognition policy below).

### Volunteer Services

During the year, the Union did not recognise any volunteer services as revenue because it could not reliably measure the fair value of those services.

### Gains from Sale of Assets

An item of property, plant and equipment is derecognised upon disposal (which is at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit or loss when the asset is derecognised.

### Interest Income

Interest revenue is recognised on an accrual basis using the effective interest method.

# NOTES TO THE FINANCIAL STATEMENTS

# FOR THE PERIOD ENDED 30 JUNE 2023

## NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### (f) Revenue (Continued)

### Rental Income

Leases in which the Union as a lessor, does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the relevant lease term. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

# (g) Cash and Cash Equivalents

Cash is recognised at its nominal amount. Cash and cash equivalents include cash on hand, deposits held at call with bank, other short-term highly liquid investments with original maturity of 3 months or less that are readily convertible to known amounts of cash and subject to insignificant risk of changes in value and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

### (h) Trade Debtors and Other Receivables

Trade receivables are recognised and carried at original invoice amount less a provision for any uncollectible debts. An estimate for doubtful debts is made when collection of the full amount is no longer probable. Bad debts are written-off as incurred.

### (i) Other Current Assets

Managed Investments are classified as fair value through profit or loss with any gains or losses arising on measurement recognised in profit or loss. Mortgage Fund investments are valued at amortised cost using the effective interest rate method.

## NOTES TO THE FINANCIAL STATEMENTS

# FOR THE PERIOD ENDED 30 JUNE 2023

### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

## (j) Financial Instruments

Financial assets and financial liabilities are recognised when the Union becomes a party to the contractual provisions of the instrument.

# Financial Assets

# i) Initial recognition and measurement

The Union's financial assets include trade receivables and loans to related parties.

The Union's financial assets are classified as financial assets subsequently measured at amortised cost because both of the following conditions are met:

- the financial asset is held within a business model with the objective to hold financial assets in order to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are 'solely payments of principal and interest' on the principal amount outstanding.

The classification of financial assets is performed at an instrument level at initial recognition of the financial asset.

The Union initially measures a financial asset at its fair value plus transaction costs. However, contract assets and trade receivables that do not contain a significant financing component are measured at the transaction price as determined in accordance with the revenue policy in Note 1(f).

### ii) Subsequent measurement

Financial assets at amortised cost are subsequently measured using the effective interest rate (EIR) method and are subject to impairment. Gains and losses are recognised in profit or loss when the asset is derecognised, modified or impaired.

NOTES TO THE FINANCIAL STATEMENTS

## FOR THE PERIOD ENDED 30 JUNE 2023

## NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### (j) Financial Instruments (Continued)

## iii) Financial assets at fair value through profit or loss (including designated)

Financial assets at fair value through profit or loss include financial assets held for trading, financial assets designated upon initial recognition at fair value through profit or loss, or financial assets mandatorily required to be measured at fair value. Financial assets with cash flows that are not solely payments of principal and interest are classified and measured at fair value through profit or loss, irrespective of the business model. Notwithstanding the criteria for debt instruments to be classified at amortised cost, as described above, debt instruments may be designated at fair value through profit or loss on initial recognition if doing so eliminates, or significantly reduces, an accounting mismatch.

Financial assets at fair value through profit or loss are carried in the statement of financial position at fair value with net changes in fair value recognised in profit or loss.

### iv) Derecognition

Financial assets are derecognised when the rights to receive cash flows from the asset have expired. For receivables and contract assets, the Union directly reduces the gross carrying amount of a receivable or contract asset when it has no reasonable expectations of recovering the receivable or contract asset in its entirety or a portion thereof.

### v) Impairment

### Expected credit losses

Receivables for goods and services, which have 30-day terms, are recognised at the nominal amounts due less any loss allowance due to expected credit losses at each reporting date. A provision matrix that is based on historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment has been established.

### Trade receivables

For trade receivables that do not have a significant financing component, the Union applies a simplified approach in calculating expected credit losses (ECLs) which requires lifetime expected credit losses to be recognised from initial recognition of the receivables.

Therefore, the Union does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date.

## NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### (j) Financial Instruments (Continued)

### Debt instruments other than trade receivables

The Union recognises an allowance for ECLs for all contract assets, receivables and any other financial assets measured at amortisation cost. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the reporting unit expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

## NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### (j) Financial Instruments (Continued)

### Financial Liabilities

### i) Initial recognition and measurement

The Union's financial liabilities include trade and other payables.

The Unions financial liabilities are classified as financial liabilities subsequently measured at amortised cost.

These financial liabilities are recognised initially at fair value and net of directly attributable transaction costs.

### ii) Subsequent measurement

### Financial liabilities at amortised cost

After initial recognition, trade payables are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs.

### Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in profit or loss.

### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### (k) Contingent Liabilities and Contingent Assets

Contingent liabilities and contingent assets are not recognised in the statement of financial position but are reported in the relevant notes. They may arise from uncertainty as to the existence of a liability or asset or represent an existing liability or asset in respect of which the amount cannot be reliably measured. Contingent assets are disclosed when settlement is probable but not virtually certain, and contingent liabilities are disclosed when settlement is greater than remote.

### (I) Liabilities Relating to Contracts with Customers

### **Contract Liabilities**

A contract liability is recognised if a payment is received or a payment is due (whichever is earlier) from a customer before the Union transfers the related goods or services. Contract liabilities include deferred income. Contract liabilities are recognised as revenue when the Union performs under the contract (i.e., transfers control of the related goods or services to the customer).

### Refund Liabilities

A refund liability is recognised for the obligation to refund some or all of the consideration received (or receivable) from a customer. The Union's refund liabilities arise from customers' right of return. The liability is measured at the amount the Union's ultimately expects it will have to return to the customer. The Union updates its estimates of refund liabilities (and the corresponding change in the transaction price) at the end of each reporting period.

### (m) Land, Buildings, Plant and Equipment

### Asset Recognition

Purchases of land, buildings, plant and equipment are recognised at cost in the Statement of Financial Position. The initial cost of an asset does not include an estimate of the cost of dismantling and removing the item and restoring the site on which it is located. Any such costs would be insignificant.

### Recoverable Amount

Non-current assets measured using the cost basis are not carried at an amount above their recoverable amount, and where a carrying value exceeds this recoverable amount, the asset is written down.

# NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

## (p) Land, Buildings, Plant and Equipment (Continued)

### Depreciation

Depreciable property, plant and equipment assets are written-off to their estimated residual values over their estimated useful life using, in all cases, the straight line method of depreciation. Depreciation rates (useful lives), residual values and methods are reviewed at each reporting date and necessary adjustments are recognised in the current, or current and future reporting periods, as appropriate.

Depreciation rates applying to each class of depreciable asset are based on the following useful lives:

2023	2022
50 years	50 years
4 to 5 years	4 to 5 years
2.5 to 3 years	2.5 to 3 years
4 to 5 years	4 to 5 years
	50 years 4 to 5 years 2.5 to 3 years

### Derecognition

An item of land, buildings, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the profit and loss.

### (q) Intangibles

Intangible assets with finite lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful life. The estimated useful lives and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses. The useful life of Union's intangible assets are:

	2023	2022
Intangibles	10 years	10 years

# NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

## (q) Intangibles (Continued)

### Derecognition

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset are recognised in profit and loss when the asset is derecognised.

# (r) Impairment of Non-Financial Assets

All assets are assessed for impairment at the end of each reporting period to the extent that there is an impairment trigger. Where indications of impairment exist, the asset's recoverable amount is estimated and an impairment adjustment made if the asset's recoverable amount is less than its carrying amount.

The recoverable amount of an asset is the higher of its fair value less costs of disposal and its value in use. Value in use is the present value of the future cash flows expected to be derived from the asset. Where the future economic benefit of an asset is not primarily dependent on the asset's ability to generate future cash flows, and the asset would be replaced if the Union were deprived of the asset, its value in use is taken to be its depreciated replacement cost.

# (s) Trade and Other Payables

Liabilities for trade creditors and other amounts are carried at cost which is the fair value of the consideration to be paid in the future for goods and services received, whether or not billed to the Union.

# (t) Employee Benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave, long service leave and termination benefits when it is probable that settlement will be required and they are capable of being measured reliably.

Liabilities for short-term employee benefits (as defined in AASB 119 Employee Benefits) and termination benefits due within twelve months of the end of reporting period are measured at their nominal amounts. The nominal amount is calculated with regard to the rates expected to be paid on settlement of the liability.

Other long-term employee benefits are measured as the present value of the estimated future cash outflows to be made by the reporting unit in respect of services provided by employees up to reporting date.

### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### (u) Leases

The Union assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

### Union as a Lessee

The Union applies a single recognition and measurement approach for all leases, except for shortterm leases and leases of low-value assets. The Union recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

### Right-of-Use Assets

The Union recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets, as follows:

	2023	2022
Land and Building	4 Years	4 Years
Other Equipment	4 Years	4 Years

If ownership of the leased asset transfers to the Union at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment.

### Lease Liabilities

At the commencement date of the lease, the Union recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Union and payments of penalties for terminating the lease, if the lease term reflects the Union exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

## NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

## (u) Leases (Continued)

In calculating the present value of lease payments, the Union uses the incremental borrowing rate. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

## (v) Other Income

Gains and losses from disposal of assets are recognised when control of the asset has passed to the buyer.

## (w) Taxation

The Union is exempt from income tax under section 50.1 of the *Income Tax Assessment Act 1997* however still has obligation for Fringe Benefits Tax (FBT) and the Goods and Services Tax (GST).

Revenue, expenses and assets are recognised net of GST except:

- where the amount of GST incurred is not recoverable from the taxation authority, in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- for receivables and payables.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the Statement of Financial Position. Commitments and contingencies are disclosed net of the amount of GST recoverable from or payable to, the taxation authority.

Cash flows are included in the cash flow statement on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the Australian Taxation Office is classified within operating cash flows.

## NOTES TO THE FINANCIAL STATEMENTS

## FOR THE PERIOD ENDED 30 JUNE 2023

## NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

## (x) Information to be Provided to Members or Commissioner

In accordance with the requirement of the Fair Work (Registered Organisations) Act 2009, as amended, the attention of members is drawn to the provisions of subsection (1), (2) and (3) of section 272 which reads as follows:

- i. A member of a reporting unit, or the Commissioner, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- ii. The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- iii. A reporting unit must comply with an application made under subsection (1).

## (y) Fair Work Disclosures

Users of these financial statements should note that nil disclosures are made to comply with the reporting requirements of the *Fair Work (Registered Organisations) Act 2009.* 

## NOTE 2 EVENTS AFTER THE REPORTING PERIOD

There has not been any other matter or circumstance occurring subsequent to the end of the financial year that has significantly affected, or may significantly affect, the operations of the Association, the results of those operations, or the state of affairs of the Association in subsequent financial periods.

	2023	2022
	\$	\$
NOTE 3 REVENUE		

During the 2023 financial year, AEU did not receive any revenue from capitation fees, levies, grants or donations, or from recovery of wages activity. The union has not received financial support from any other reporting units.

#### Disaggregation of revenue from contracts with customers

A disaggregation of the Union's revenue by type of arrangements is provided on the face of the Statement of comprehensive income. The table below also sets out a disaggregation of revenue by type of customer.

Type of Customer			
Members		3,582,235	3,619,063

\$	\$

#### NOTE 5 CURRENT ASSETS (CONTINUED)

#### (b) Trade and other receivables

Sundry debtors are non-interest bearing and generally collected on 30 day terms.

The Australian Education Union Tasmanian Branch does not have monies receivable from other reporting units at 30 June 2023.

The Union has recognised the following assets related to contracts with customers:

Receivables	167,794	132,682
Receivables – current	167,794	132,682
Receivables – non-current	-	-
Contract assets	-	-
Contract assets – current	-	-
Contract assets – non-current	-	-

#### NOTE 6 NON-CURRENT ASSETS

(a) Land and buildings		
At deemed cost	2,866,272	2,866,272
Accumulated depreciation	(1,000,025)	(941,985)
Total land and buildings	1,866,247	1,924,287

On the transition to AIFRS a determination was made that land and buildings be valued at deemed cost. Prior years included land and buildings at executive branch valuation.

### Reconciliation of the opening and closing balances of land and buildings

Net book value 1 July	1,924,287	1,981,649
Additions		-
Depreciation expense	(58,040)	(57,362)

This fund has been set up under Australian Education Union Rules and is audited separately. Australian Education Union branches contribute to the fund.

Contribution by Australian Education Union Tasmanian Branch	23,745	23,745
---	--------	--------

#### NOTE 14 FINANCIAL INSTRUMENTS

The Union's principle financial assets comprise cash, cash investments and trade debtors whilst its principle financial liabilities comprise trade payables.

The entity has exposure to the following risks from its use of financial instruments:

### (a) Credit risk

Credit risk is the risk of financial loss to the Union if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the Unions receivables from customers.

The Union's maximum exposure to credit risk at balance date in relation to each class of recognised financial assets, is the carrying amount of those assets as indicated in the balance sheet.

The Union does not have any material credit risk exposure to any single debtor or group of debtors under financial instruments entered into by the Union.

#### (b) Interest rate risk

Interest rate risk is the risk that a financial instrument's value will fluctuate as a result of changes in market interest rates.

The majority of the Unions financial assets are held in interest bearing assets that are expected to mature within three months or in financial assets that reset to the prevalent market interest rate on a monthly or quarterly basis. As a result, the Union is subject to limited exposure to interest rate risk due to fluctuations in the prevailing levels of market interest rates.

An increase / (decrease) in interest rates of 1% will have a corresponding effect on revenue of \$47,186 (2022: \$44,760).

## NOTE 17 SECTION 272 FAIR WORK (REGISTERED ORGANISATIONS) ACT 2009

In accordance with requirements of the *Fair Work (Registered Organisations) Act 2009*, the attention of members is drawn to the provisions of sub-sections (1) to (3) of section 272 which read as follows:

- (1) A member of a reporting unit, the Commissioner, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- (2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- (3) A reporting unit must comply with an application made under subsection (1).

## NOTE 17 SEGMENT REPORTING

The Australian Education Union Tasmanian Branch operates in one geographical segment being Tasmania.

#### NOTE 18 RELIANCE AND PROVISION OF FINANCIAL SUPPORT

The Australian Education Union Tasmanian Branch does not place any reliance on the agreed financial support of another reporting unit of the organisation to operate as a going concern. No financial support was received from another reporting unit during the financial period.

The Australian Education Union Tasmanian Branch has not entered into any agreement to provide financial support to another reporting unit of the organisation to assist it to operate as a going concern.

#### NOTE 19 RECOVERY OF WAGES

There was no recovery of wages activity for the 2022 or 2023 financials years.

# NOTE 20 ACQUISITION OF ASSETS AND/OR LIABILITIES THAT DO NOT CONSTITUTE A BUSINESS COMBINATION

There were no assets or liabilities acquired during the 2022 or 2023 financial years as a result of an amalgamation under Part 2 of Chapter 3 of the RO Act, a restructure of the branches or the branches of the Union, a determination or revocation by the General Manager of the Fair Work Commission under subsections 245(1) or 249(1) of the RO Act.
