Your advanced review

Your annual return had an **advanced review** which is a comprehensive review that evaluates compliance with the requirements of the RO Act.

Your annual return satisfied the requirements of the advanced review and has been uploaded to the Fair Work Commission (the Commission) website.

The Commission's risk-based approach

The Commission takes a risk-based approach to the assessment of annual returns. Consistent with that approach, most organisations have their annual returns assessed with a 'primary review', with the remainder being assessed using an advanced review. The advanced review is a more comprehensive review. The Commission's [advanced review checklist](#) is published on our website.

This year your annual return was assessed against an advanced review.
