Dear Tom Maguire

**The Australian Meat Industry Council's annual return of information (annual return) lodged under subsection 233(1) of the RO Act**

Thank you for providing your annual return lodged under subsection 233(1) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

**Summary of your annual return and its assessment**

Year	2024
Matter number	AR2024/39
Lodgement date	28 March 2024
Review	Primary Review
Result	FILED

**Your primary review**

Your annual return had a **primary review** which checked whether it was signed by an officer, lodged on time, the required declarations were made, included the list of offices and office holders and whether you met the requirements that the regulator raised with you last year. A primary review does not examine all the requirements of subsection 233(1).

**Your annual return satisfied the requirements of the primary review and has been uploaded to the Fair Work Commission (the Commission) website.**

### **The Commission's risk-based approach**

This year your annual return was assessed against a primary review. Consistent with the Commission's risk-based approach, most annual returns are the subject of a primary review.

The remainder receive an advanced review which is a more comprehensive review.

Each organisation should expect that in some years their annual return will be the subject of an advanced review.

The Commission's [advanced review checklists](#) are published on our website.
