Dear Zach Smith

Notification of changes – Action required

We acknowledge receipt of a Notification of Change to the office holders of the Construction, Forestry and Maritime Employees Union (AR2024/2).

A list of those changes has been summarised in Appendix A at the end of this letter.

What you need to do right now

- Any person who has been elected or appointed to a new office that has financial management duties (which usually includes all the committee of management) **MUST** do [financial training](#) or [obtain an exemption](#)
- Inform all officers of their [disclosure obligations](#)
- Consider giving your new officers the link to the Commission's [Officer Induction Kit](#)

These next steps are explained below in more detail.

Financial training must be done within 6 months

Any officer who has been elected or appointed to a new office that has financial management duties must complete [financial training](#) (or obtain an exemption) **within 6 months** after taking office (section 293K of the *Fair Work (Registered Organisations) Act 2009* (RO Act)).

The organisation is responsible for this requirement. You should arrange for the relevant officers to have training as soon as possible.

Good governance processes around financial training are highly recommended. These include:

- keeping a list of all offices that have financial management duties
- having a single person or officer responsible for overseeing the process
- collecting records of who has done training or obtained an exemption, including any certificates and exemption letters
- doing refresher courses for officers who have been re-elected to the same office (and are not required to do training under the RO Act)
- extending training to non-officers who are essential to your financial processes

Officer financial training audit

An audit by the Commission into officer training found that organisations frequently misunderstood **which** officers are required to do training.

To help with this we have an [officer training online panel](#) with examples explaining what triggers the need to do training and how to identify the offices that require it.

Further information about training is provided in our [officer financial training fact sheet](#).

Help for new officers: Officer Induction Kit

The Commission has created an [Officer Induction Kit](#) to assist new officers. The Kit has resources that will help an officer to understand their general duties as an officer and their specific duties as an officer in your organisation. It also includes tools to guide an officer's understanding of compliance dates, disclosures and other reporting obligations.

Please direct your officers to the kit which is on the Commission's [officers and disclosures](#) page.

Disclosure obligations: what officers must do

All officers are required to make disclosures regarding remuneration, non-cash benefits and material personal interests. Details are contained in the RO Act and are summarised in the Commission's [Disclosures Fact Sheet](#).

The organisation and officers are both responsible for meeting this obligation.

Time frames for notifications of change

Notifications of change must be lodged within 35 days of the change occurring (regulation 151 *Fair Work (Registered Organisations) Regulations 2009*).

Resources to help you make your notifications of change

Notifications of change are vitally important to maintain the transparency of an organisation to its members.

They empower members to hold the organisation properly to account for its decisions.

To ensure that organisations get these notifications right we have created resources to help you understand the notification of change requirement and complete it quickly.

These resources include:

- [notification of change template](#)
- a podcast that answers the question – [who is an officer?](#)
- and a [fact sheet on notifications of change](#) that explains the requirement

eLearning module – notifications of change

The Commission has launched an eLearning module to assist organisations in understanding when a notification of change is required.

The [eLearning module](#) is available on our website.

It will take approximately 20 minutes and has a short quiz at the end to help you test your knowledge.

Please contact 1300 341 665 or regorgs@fwc.gov.au if you have any questions or would like to discuss this matter further.

Yours sincerely

Dear Zach Smith

Notification of changes – Action required

We acknowledge receipt of a Notification of Change to the office holders of the Construction, Forestry and Maritime Employees Union (AR2024/2).

A list of those changes has been summarised in Appendix A at the end of this letter.

Time frames for notifications of change

Notifications of change must be lodged within 35 days of the change occurring (regulation 151 *Fair Work (Registered Organisations) Regulations 2009*).

Resources to help you make your notifications of change

Notifications of change are vitally important to maintain the transparency of an organisation to its members. They empower members to hold the organisation properly to account for its decisions.

To ensure that organisations get these notifications right we have created resources to help you understand the notification of change requirement and complete it quickly.

These resources include:

- [notification of change template](#)
- a podcast that answers the question – [who is an officer?](#)

- and a [fact sheet on notifications of change](#) that explains the requirement

eLearning module – notifications of change

The Commission has launched an eLearning module to assist organisations in understanding when a notification of change is required.

The [eLearning module](#) is available on our website.

It will take approximately 20 minutes and has a short quiz at the end to help you test your knowledge.

Please contact 1300 341 665 or regorgs@fwc.gov.au if you have any questions or would like to discuss this matter further.

Yours sincerely

Fair Work Commission

Dear Zach Smith

Notification of changes – Action required

We acknowledge receipt of a Notification of Change to the office holders of the Construction, Forestry and Maritime Employees Union (AR2024/2).

A list of those changes has been summarised in Appendix A at the end of this letter.

What you need to do right now

- Any person who has been elected or appointed to a new office that has financial management duties (which usually includes all the committee of management) **MUST** do [financial training](#) or [obtain an exemption](#)
- Inform all officers of their [disclosure obligations](#)
- Consider giving your new officers the link to the Commission's [Officer Induction Kit](#)

These next steps are explained below in more detail.

Financial training must be done within 6 months

Any officer who has been elected or appointed to a new office that has financial management duties must complete [financial training](#) (or obtain an exemption) **within 6 months** after taking office (section 293K of the *Fair Work (Registered Organisations) Act 2009* (RO Act)).

The organisation is responsible for this requirement. You should arrange for the relevant officers to have training as soon as possible.

Good governance processes around financial training are highly recommended. These include:

- keeping a list of all offices that have financial management duties
- having a single person or officer responsible for overseeing the process
- collecting records of who has done training or obtained an exemption, including any certificates and exemption letters
- doing refresher courses for officers who have been re-elected to the same office (and are not required to do training under the RO Act)
- extending training to non-officers who are essential to your financial processes

Officer financial training audit

An audit by the Commission into officer training found that organisations frequently misunderstood **which** officers are required to do training.

To help with this we have an [officer training online panel](#) with examples explaining what triggers the need to do training and how to identify the offices that require it.

Further information about training is provided in our [officer financial training fact sheet](#).

Help for new officers: Officer Induction Kit

The Commission has created an [Officer Induction Kit](#) to assist new officers. The Kit has resources that will help an officer to understand their general duties as an officer and their specific duties as an officer in your organisation. It also includes tools to guide an officer's understanding of compliance dates, disclosures and other reporting obligations.

Please direct your officers to the kit which is on the Commission's [officers and disclosures](#) page.

Disclosure obligations: what officers must do

All officers are required to make disclosures regarding remuneration, non-cash benefits and material personal interests. Details are contained in the RO Act and are summarised in the Commission's [Disclosures Fact Sheet](#).

The organisation and officers are both responsible for meeting this obligation.

Time frames for notifications of change

Notifications of change must be lodged within 35 days of the change occurring (regulation 151 *Fair Work (Registered Organisations) Regulations 2009*).

Resources to help you make your notifications of change

Notifications of change are vitally important to maintain the transparency of an organisation to its members. They empower members to hold the organisation properly to account for its decisions.

To ensure that organisations get these notifications right we have created resources to help you understand the notification of change requirement and complete it quickly.

These resources include:

- [notification of change template](#)
- a podcast that answers the question – [who is an officer?](#)
- and a [fact sheet on notifications of change](#) that explains the requirement

eLearning module – notifications of change

The Commission has launched an eLearning module to assist organisations in understanding when a notification of change is required.

The [eLearning module](#) is available on our website.

It will take approximately 20 minutes and has a short quiz at the end to help you test your knowledge.

Please contact 1300 341 665 or regorgs@fwc.gov.au if you have any questions or would like to discuss this matter further.

Yours sincerely

These next steps are explained below in more detail.

Late notification warning

Appendix A contains late notifications. Please inform the relevant officer that this has been recorded against AR2024/2.

Late notifications are a serious issue that impacts on the transparency of the whole organisation to its members. Members should be able to tell who their officers are.

We have included some resources below to help support your good governance in relation to notifications of change.

Financial training must be done within 6 months

Any officer who has been elected or appointed to a new office that has financial management duties must complete [financial training](#) (or obtain an exemption) **within 6 months** after taking office (section 293K of the *Fair Work (Registered Organisations) Act 2009* (RO Act)).

Time frames for notifications of change

Notifications of change must be lodged within 35 days of the change occurring (regulation 151 *Fair Work (Registered Organisations) Regulations 2009*).

Appendix A shows late notifications

A notification from your organisation indicates that changes occurred more than 35 days prior to its lodgement. Please ensure that future notifications of change are lodged within 35 days of the change occurring.

Late notifications have the potential to attract a civil penalty.

NOTIFICATION OF CHANGES TO RECORDS (Changes to Records in the Annual Return) required to be kept in accordance with section 230 *Fair Work (Registered Organisations) Act 2009* and regulation 147 *Fair Work (Registered Organisations) Regulations 2009*

I, Zach Smith, being the National Secretary of the Construction, Forestry and Maritime Employees Union, declare the following:

1. I am authorised to make this declaration.
2. The following is a correct statement of the changes made to the information contained in the records required to be kept by the organisation in accordance with s.230(1)(b), (c), and (d) of the *Fair Work (Registered Organisations) Act 2009*:
 - A list of changes to offices and the names, postal addresses and occupations of persons holding those offices is attached to this declaration at Annexure A and forms part of this declaration.
3. Annexure A records that Ben Pringle and Kay Symes ceased to hold the office of Divisional Branch Council member of the Western Australian Divisional Branch of the Construction and General Division of the CFMEU on 9 February and 18 August 2023, respectively.
4. Similarly, I note the declaration that was submitted to the Fair Work Commission on 12 August 2024, which records that Michael Sykes and Colin Chapman ceased to hold the office of Divisional Branch Council Member of the New South Wales Divisional Branch of the Construction and General Division of the CFMEU on 13 August 2021 and 28 August 2023, respectively.
5. Accordingly, where the CFMEU's annual return that was lodged on 31 March 2024 states that Mr Sykes, Mr Chapman, Mr Pringle and Ms Symes held those offices on 31 March 2024, this is incorrect and should state that those offices were vacant on that date. In respect of Mr Sykes, the CFMEU's annual returns lodged in 2022 and 2023 were also incorrect in showing him holding that office, and should, instead, have recorded that office as vacant.

Dear Zach Smith

Notification of changes – Action required

We acknowledge receipt of a Notification of Change to the office holders of the Construction, Forestry and Maritime Employees Union (AR2024/2).

A list of those changes has been summarised in Appendix A at the end of this letter.

What you need to do right now

- Any person who has been elected or appointed to a new office that has financial management duties (which usually includes all the committee of management) **MUST** do [financial training](#) or [obtain an exemption](#)
- Inform all officers of their [disclosure obligations](#)
- Consider giving your new officers the link to the Commission's [Officer Induction Kit](#)

These next steps are explained below in more detail.

Financial training must be done within 6 months

Any officer who has been elected or appointed to a new office that has financial management duties must complete [financial training](#) (or obtain an exemption) **within 6 months** after taking office (section 293K of the *Fair Work (Registered Organisations) Act 2009* (RO Act)).

The organisation is responsible for this requirement. You should arrange for the relevant officers to have training as soon as possible.

Good governance processes around financial training are highly recommended. These include:

- keeping a list of all offices that have financial management duties
- having a single person or officer responsible for overseeing the process
- collecting records of who has done training or obtained an exemption, including any certificates and exemption letters
- doing refresher courses for officers who have been re-elected to the same office (and are not required to do training under the RO Act)
- extending training to non-officers who are essential to your financial processes

Officer financial training audit

An audit by the Commission into officer training found that organisations frequently misunderstood **which** officers are required to do training.

To help with this we have an [officer training online panel](#) with examples explaining what triggers the need to do training and how to identify the offices that require it.

Further information about training is provided in our [officer financial training fact sheet](#).

Help for new officers: Officer Induction Kit

The Commission has created an [Officer Induction Kit](#) to assist new officers. The Kit has resources that will help an officer to understand their general duties as an officer and their specific duties as an officer in your organisation. It also includes tools to guide an officer's understanding of compliance dates, disclosures and other reporting obligations.

Please direct your officers to the kit which is on the Commission's [officers and disclosures](#) page.

Disclosure obligations: what officers must do

All officers are required to make disclosures regarding remuneration, non-cash benefits and material personal interests. Details are contained in the RO Act and are summarised in the Commission's [Disclosures Fact Sheet](#).

The organisation and officers are both responsible for meeting this obligation.

Time frames for notifications of change

Notifications of change must be lodged within 35 days of the change occurring (regulation 151 *Fair Work (Registered Organisations) Regulations 2009*).

Resources to help you make your notifications of change

Notifications of change are vitally important to maintain the transparency of an organisation to its members. They empower members to hold the organisation properly to account for its decisions.

To ensure that organisations get these notifications right we have created resources to help you understand the notification of change requirement and complete it quickly.

These resources include:

- [notification of change template](#)
- a podcast that answers the question – [who is an officer?](#)
- and a [fact sheet on notifications of change](#) that explains the requirement

eLearning module – notifications of change

The Commission has launched an eLearning module to assist organisations in understanding when a notification of change is required.

The [eLearning module](#) is available on our website.

It will take approximately 20 minutes and has a short quiz at the end to help you test your knowledge.

Please contact 1300 341 665 or regorgs@fwc.gov.au if you have any questions or would like to discuss this matter further.

Yours sincerely

Dear Registrar,

RE: Signatory Delegation

Background

I write to you to update the tribunal on the management and leadership of the Queensland Branch and to confirm the staff arrangements for the Administration as a result of a change in CFMEU Branch Leadership.

The Administration of the CFMEU Construction and General Division started as of Friday 23 August 2024.

The Administrator for the Scheme of Administration is Mr Mark Irving QC.

As a result of Fair Work (Registered Organisations) (CFMEU Construction and General Division Administration) Determination 2024 (the **federal legislation**), 12 CFMEU officials have had their employment terminated.

The legislation also removed elected volunteer positions. New membership representation arrangements as part of the Administration are currently being finalised by Mr Irving QC.

The counterpart legislation for Queensland is the Industrial Relations Act (CFMEU Construction and General Division Administration) Administration Notice 2024 (the **state legislation**).

Mr Mark Irving QC made two significant appointments affect the CFMEU Branch Leadership (Queensland-Northern Territory Branches).

The Administrator appointed Mr Michael McIver to be Head of Legal of the Construction and General Division of the CFMEU (Victoria-Tasmania; South Australia; New South Wales; Queensland-Northern Territory Branches).

Additionally, the Administrator appointed Mr Travis O'Brien as Executive Officer to oversee the QLD Branch.

Mr Travis O'Brien's appointment as the Executive Officer of CFMEU Construction in Queensland relates to both the State and Federal entities.

Signatory

I, Travis O'Brien, appointed Executive Officer by the Administrator of the Construction, Forestry and Maritime Employees Union (CFMEU) delegate Paul Dunbar, Industrial Relations Coordinator to sign any application made to the FWC which would have otherwise been signed by the Secretary or other authorised signatory of the CFMEU.

Should you require further information, please do not hesitate to contact me on (07) 3231 4600.

Yours sincerely

Travis O'Brien
Executive Officer

Dear Chris Cain

The Construction, Forestry and Maritime Employees Union's annual return of information (annual return) lodged under subsection 233(1) of the RO Act

Thank you for providing your annual return lodged under subsection 233(1) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

Summary of your annual return and its assessment

Year	2024
Matter number	AR2024/2
Lodgement date	28 March 2024
Review	Primary Review
Result	FILED

Your primary review

Your annual return had a **primary review** which checked whether it was signed by an officer, lodged on time, the required declarations were made, included the list of offices and office holders and whether you met the requirements that the regulator raised with you last year. A primary review does not examine all the requirements of subsection 233(1).

Your annual return satisfied the requirements of the primary review and has been uploaded to the Fair Work Commission (the Commission) website.

The Commission's risk-based approach

This year your annual return was assessed against a primary review. Consistent with the Commission's risk-based approach, most annual returns are the subject of a primary review.

The remainder receive an advanced review which is a more comprehensive review.

Each organisation should expect that in some years their annual return will be the subject of an advanced review.

The Commission's [advanced review checklists](#) are published on our website.

Do you have any questions?

Information and education materials are available on our [website](#). These materials are regularly updated. We recommend you [subscribe to the Commission's subscription service to find out when we release new materials](#).

If you have any queries we can be contacted on 1300 341 665 or by email at regorgs@fwc.gov.au.

Yours sincerely

Fair Work Commission
