Dear Peter Bauer

**"Automotive, Food, Metals, Engineering, Printing and Kindred Industries Union" known as the Australian Manufacturing Workers' Union (AMWU)-South Australian Branch
Financial Report for the year ended 30 September 2023 – (FR2023/193)**

I acknowledge receipt of the financial report for the year ended 30 September 2023 for the "Automotive, Food, Metals, Engineering, Printing and Kindred Industries Union" known as the Australian Manufacturing Workers' Union (AMWU)-South Australian Branch (reporting unit). The documents were lodged with the Fair Work Commission (the Commission) on 21 March 2024.

The financial report has now been filed.

The financial report was filed based on a primary review. This involved confirming that the financial reporting timelines required under sections 253, 265, 266 and 268 of the *Fair Work (Registered Organisations) Act 2009* (RO Act) have been satisfied, all documents required under section 268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and reporting guidelines have been complied with. A primary review does not examine all disclosure requirements.

Please note that the financial report for the year ending 30 September 2024 may be subject to an advanced compliance review.

You are not required to take any further action in respect of the report lodged. I make the following comments to assist you when you next prepare a financial report. The Commission will confirm these concerns have been addressed prior to filing next year's report.

Reference to Registered Organisations Commissioner

The Commission has been the regulator for registered organisations since 6 March 2023. All references to the Registered Organisations Commission and Commissioner must be changed to the Fair Work Commission and General Manager of the Fair Work Commission.

I note that item (e)(v) of the committee of management statement and note 7 refer to the Registered Organisation's Commissioner instead of the General Manager of the Fair Work Commission. Please update these items accordingly in next year's financial report.

Inconsistency in disclosure of employee expenses

The operating report states that the reporting unit didn't have any employees for the 2023 financial year. The officer's declaration statement also declares nil disclosure for paying employee expenses for office holders and

employees other than office holders. The statement of comprehensive income, however, discloses figures for employee expenses.

The reporting unit's National Finance Coordinator confirmed with the Commission on 8 April 2024 that the reporting unit doesn't have any employees and all employees' salary and super are paid by the AMWU – National Office. As the employees reside at the reporting unit's office, the reporting unit pays the ad-hoc expenses for the employees.

It would appear that nil disclosures for paying other employee expenses to office holders and employees other than office holders are incorrect. Please ensure in future years that employee expenses are disclosed consistently.

Reporting Requirements

The Commission's website provides a number of factsheets in relation to the financial reporting process and associated timelines. The website also contains the section 253 reporting guidelines and a model set of financial statements.

The Commission recommends that reporting units use these model financial statements to assist in complying with the RO Act, the section 253 reporting guidelines and Australian Accounting Standards. Access to this information is available via [this link](#).

Yours sincerely

Kylie Ngo

AUTOMOTIVE, FOOD, METALS, ENGINEERING, PRINTING & KINDRED INDUSTRIES UNION SOUTH AUSTRALIA BRANCH

OPERATING REPORT FOR THE YEAR ENDED 30 SEPTEMBER 2023

The State Council, being the Committee of Management for the purposes of the *Fair Work (Registered Organisations) Act 2009* (the "RO Act"), presents its operating report of the Automotive, Food, Metals, Engineering, Printing and Kindred Industries Union, South Australia Branch for the financial year ended 30 September 2023.

The operational name for the Automotive Food Metals Engineering Printing and Kindred Industries Union ("AFMEPKIU") is the Australian Manufacturing Workers' Union ("AMWU"). The Union is a 'not for profit' entity, a registered organisation under RO Act.

Review of the State's principal activities

The AFMEPKIU's principal industrial objectives are aimed at the improvement of wages and working conditions for members throughout industry. This has been done primarily by way of industrial awards and enterprise agreements. The AFMEPKIU has also been active in trying to influence governments at all levels on a wide range of political issues.

Significant changes in principal activities

There were no significant changes in the nature of the South Australia Branch's principal activities during the financial year.

Results of principal activities

During the year to 30 September 2023 the AFMEPKIU negotiated and registered 463 enterprise bargaining agreements nationally, 32 of which were from South Australia.

The AFMEPKIU's National Office is responsible for applying to improve industrial awards covering our members. During the year ending 30 September 2023 the National Office improved award minimum rates for all workers, and was actively participating in the Fair Work Commission's review of Modern Awards. The State Branch is responsible for advising members in their State of these gains and ensuring members receive the appropriate wage.

The South Australia Branch's principal activities resulted in a surplus for the financial year of \$10,889 (2022: \$16,097).

Significant changes in financial affairs

There were no significant changes in the financial affairs of the Branch during the financial year.

The right of members to resign

Rule 43(8) of the AFMEPKIU Rules states that A member may resign his or her membership by notifying his or her State Secretary in writing, addressed and delivered to that officer

A notice of resignation from membership takes effect:

- (a) where the member ceases to be eligible to become a member of the organisation:
 - (i) on the day on which the notice is received by the organisation; or
 - (ii) on the day specified in the notice, which is a day not earlier than the day when the member ceases to be eligible to become a member;whichever is later; or
- (b) in any other case:
 - (i) at the end of two weeks, after the notice is received by the organisation; or
 - (ii) on the day specified in the notice;whichever is later.

**AUTOMOTIVE, FOOD, METALS, ENGINEERING, PRINTING & KINDRED INDUSTRIES
UNION SOUTH AUSTRALIA BRANCH**

**OPERATING REPORT (Cont'd)
FOR THE YEAR ENDED 30 SEPTEMBER 2023**

Any dues payable but not paid by a former member of the organisation, in relation to a period before the member's resignation from the organisation took effect, may be sued for and recovered in the name of the organisation, in a court of competent jurisdiction, as a debt due to the organisation.

A notice delivered to the State Secretary shall be taken to have been received by the organisation when it is delivered.

A notice of resignation that has been received by the organisation is not invalid because it was not addressed and delivered to the State Secretary.

A resignation from membership is valid even if it is not effected in accordance with this Rule if the member is informed in writing by or on behalf of the organisation that the resignation has been accepted.

Nothing in Rule 43(8) of the AFMEPKIU Rules interferes with a member's right to resign from the union as set out under section 174(1) of the *RO Act*. In accordance with section 174(1) of the *RO Act* a member of an organisation may resign from membership by written notice addressed and delivered to a person designated for the purpose in the rules of the organisation or a branch of the organisation.

COMMITTEE OF MANAGEMENT STATEMENT

On 6th December 2023, the Committee of Management of the Automotive, Food, Metals, Engineering, Printing & Kindred Industries Union South Australia Branch passed the following resolution in relation to the general purpose financial report (GPFR) for the financial year ended 30 September 2023:

The South Australia State Council declares that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements and notes comply with any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 (the RO Act);
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable; and
- (e) during the financial year to which the GPFR relates and since the end of that year:
 - (i) meetings of the Branch Committee of Management were held in accordance with the rules of the organisation including the rules of a Branch concerned; and
 - (ii) the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of a Branch concerned; and
 - (iii) the financial records of the reporting unit have been kept and maintained in accordance with the RO Act; and
 - (iv) where the organisation consists of two or more reporting units, the financial records of the Branch have been kept, as far as practicable, in a consistent manner to each of the other branches of the organisation; and
 - (v) where information sought in any request of a member of the reporting unit or Commissioner duly made under section 272 of the RO Act has been provided to the member or Commissioner; and
 - (vi) where any order for inspection of financial records has been made by the Fair Work Commission under section 273 of the RO Act, there has been compliance.

Signed in accordance with a resolution of the members of the South Australia State Council.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2023

1. Summary of significant accounting policies

Basis of preparation of the financial statements

The financial statements are general purpose financial statements which have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period, and the *Fair Work (Registered Organisations) Act 2009 (RO Act)*. For the purpose of preparing the general purpose financial statements, the Automotive, Food, Metals, Engineering, Printing & Kindred Industries Union South Australia Branch is a not-for-profit entity.

The financial statements, except for the cash flow information, have been prepared on an accrual basis and in accordance with historical cost, except for certain assets and liabilities measured at fair value, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

Comparative amounts

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

Accounting estimates and judgements

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

(a) Critical accounting estimates and assumptions

South Australia makes estimates and assumptions concerning the future. The resulting accounting estimates by definition seldom equal the related actual results. There are no estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities.

(b) Critical judgments in applying the South Australia Branch's accounting principles

There are no critical judgments that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities.

The following is a summary of the significant accounting policies adopted by the South Australia Branch in the preparation of the financial report.

Revenue recognition

Revenue is recognised at an amount that reflects the consideration to which the Branch is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a customer, the Branch: identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand-alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

All members' contributions are paid directly to National Council. Remittances from National Council are the amounts reimbursed by the National Council to cover Branch expenses and are recognised at the point in time they are made by the National Council.

Donations are recognised at the time the pledge is made.

Receivables for goods and services, which have 30 day terms, are recognised at the nominal amounts due less any impairment allowance account. Collectability of debts is reviewed at end of the reporting period. Allowances are made when collectability of the debt is no longer probable.

Interest revenue is recognised on an accrual basis using the effective interest method.

AUTOMOTIVE, FOOD, METALS, ENGINEERING, PRINTING & KINDRED INDUSTRIES UNION SOUTH AUSTRALIA BRANCH

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2023

1. Summary of significant accounting policies (cont'd)

Expenditure

Expenses represent amounts paid directly by the Branch for operational costs. Other operational expenses such as salaries which relate to the Branch are paid for by the National Council and are included in the financial report of the National Council only.

Capitation fees and levies

Capitation fees and levies are recognised on an accruals basis and recorded as a revenue and/or expenses in the year to which it relates.

Employee entitlements

Provision for employee benefits in the form of long service leave and accrued annual leave have been made for the estimated accrued entitlements of all employees on the basis of their terms of employment in the financial report of the National Council.

A liability is recognised in the South Australia Branch for benefits accruing to employees in respect of wages and salaries, annual leave, long service leave and termination benefits when it is probable that settlement will be required and they are capable of being measured reliably.

Liabilities for short-term employee benefits (as defined in AASB 119 *Employee Benefits*) and termination benefits which are expected to be settled within twelve months of the end of reporting period are measured at their nominal amounts. The nominal amount is calculated with regard to the rates expected to be paid on settlement of the liability.

Other long-term employee benefits which are expected to be settled beyond twelve months are measured as the present value of the estimated future cash outflows to be made by the reporting unit in respect of services provided by employees up to reporting date.

Provision is made for separation and redundancy benefit payments. The South Australia Branch recognises a provision for termination as part of a broader restructuring when it has developed a detailed formal plan for the terminations and has informed those employees affected that it will carry out the terminations. A provision for voluntary termination is recognised when the employee has accepted the offer of termination

Property, plant and equipment

All fixed assets are recorded in the financial reports of the National Council and the depreciation regarding those assets is charged in the National Council accounts. No fixed assets are recorded in the books and records of the South Australia Branch.

Leases

No lease obligations are established or recorded in the title of the South Australia Branch. Any leases utilised by the Branch are obligations of the National Council and recorded in the financial reports of the National Council.

Cash

Cash is recognised at its nominal amount. Cash and cash equivalents include cash on hand, deposits held at call with bank, other short-term highly liquid investments with original maturity of 3 months or less that are readily convertible to known amounts of cash and subject to insignificant risk of changes in value and bank overdrafts.

Financial instruments

Financial assets and liabilities are recognised when a Branch become party to the contractual provisions of an instrument.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2023

1. Summary of significant accounting policies (cont'd)

Financial assets

Initial recognition and measurement

Financial assets are classified, at initial recognition, and subsequently measured at amortised cost, fair value through other comprehensive income (OCI), or fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Branch's business model for managing them. With the exception of trade receivables that do not contain a significant financing component, the Branch initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest' (SPPI) on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level.

The Branch's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Branch commits to purchase or sell the asset.

Classification and subsequent measurement

As at the reporting date, the Branch's financial assets consisted of cash and cash equivalents and trade and other receivables which are measured at amortised cost in accordance with the below accounting policy.

Financial assets at amortised cost

The Branch measures financial assets at amortised cost if both of the following conditions are met:

- The financial asset is held within a business model with the objective to hold financial assets in order to collect contractual cash flows and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at amortised cost are subsequently measured using the effective interest (EIR) method and are subject to impairment. Gains and losses are recognised in profit or loss when the asset is derecognised, modified or impaired.

Derecognition

A financial asset is derecognised when:

- The rights to receive cash flows from the asset have expired or
- The Branch has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:
 - a) the Branch has transferred substantially all the risks and rewards of the asset, or
 - b) the Branch has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Branch has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if, and to what extent, it has retained the risks and rewards of ownership.

When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Branch continues to recognise the transferred asset to the extent of its continuing involvement together with associated liability.

Offsetting

Financial assets and financial liabilities are offset and the net amount is reported in the statement of financial position if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2023

1. Summary of significant accounting policies (cont'd)

Impairment

(i) Trade receivables and other receivables

For trade and other receivables that do not have a significant financing component, the Branch applies a simplified approach in calculating expected credit losses (ECLs) which requires lifetime expected credit losses to be recognised from initial recognition of the receivables.

Therefore, the Branch does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Branch has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, at amortised cost unless or at fair value through profit or loss. All financial liabilities are recognised initially at fair value and, in the case of financial liabilities at amortised cost, net of directly attributable transaction costs.

Classification and subsequent measurement

As at the reporting date, the Branch's financial liabilities include trade and other payables which are measured at amortised cost in accordance with the below accounting policy.

Financial liabilities at amortised cost

After initial recognition, trade payables and interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in profit or loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in profit or loss.

Income Tax

No provision for income tax is necessary, as Trade Unions are exempt from income tax under Section 50-15 of the *Income Tax Assessment Act 1997*.

Goods and Services Tax (GST)

Revenues and expenses are recognised net of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or part of an item of the expense. Receivables and payables on the statement of financial position are shown inclusive of GST.

The net amount of GST recoverable from, or payable to the taxation authority is included as part of receivables or payables as appropriate.

Cash flows are included in the statement of cash flows on a gross basis.

1. Summary of significant accounting policies (cont'd)

Going concern basis of accounting

The financial report has been prepared on the basis that the Branch is a going concern, which assumes continuity of normal business activities and the realisation of assets and the settlement of liabilities in the ordinary course of business.

The State Council believes it is appropriate to adopt the going concern basis for preparing the report on the grounds that the National Council has made an undertaking to provide financial support to the Branch.

The State Council does not provide any financial support to any other Branch of the AFMEPKIU.

Contingent liabilities and contingent assets

Contingent liabilities and contingent assets are not recognised in the statement of financial position but are reported in the relevant notes. They may arise from uncertainty as to the existence of a liability or asset or represent an existing liability or asset in respect of which the amount cannot be reliably measured. Contingent assets are disclosed when settlement is probable but not virtually certain, and contingent liabilities are disclosed when settlement is greater than remote.

Adoption of new Australian Accounting Standard requirements

No accounting standard has been adopted earlier than the application date stated in the standard,

The accounting policies adopted are consistent with those of the previous financial year.

Future Australian Accounting Standard requirements

The AASB has issued a number of new and amended Accounting Standards that have mandatory application dates for future reporting periods. The Committee of Management have decided not to early adopt any of the new and amended pronouncements.

11. Related parties

- (a) The aggregate amount of remuneration paid to officers during the financial year is included in the National Council's Financial Report.
- (b) The aggregate amount paid during the financial year to a superannuation plan in respect of elected full time officials is included in the National Council's Financial Report.
- (c) There have been no other transactions between the officers and the Union other than those relating to their membership of the Union and the reimbursement by the Union in respect of expenses incurred by them in the performance of their duties. Such transactions have been on conditions no more favourable than those which it is reasonable to expect would have been adopted by parties at arm's length.
- (d) The ultimate controlling entity of the Branch is the Automotive, Food, Metals, Engineering, Printing and Kindred Industries Union, National Council.
- (e) Transactions with ultimate controlling entity:
 - (i) Remittances from National Council are disclosed in the statement of comprehensive income.
 - (ii) There were no amounts receivable from the National Office as at 30 September 2023 (2022: nil).

12. Financial risk management

(a) *General objectives, policies and processes*

The Branch is exposed to risks that arise from its use of financial instruments. This note describes the Branch's objectives, policies and processes for managing those risks and the methods used to measure them.

There have been no substantive changes in the Branch's exposure to financial instrument risk, its objectives, policies and processes for managing those risks or the methods used to measure them from previous periods unless otherwise stated in this note.

The Branch's financial instruments consist mainly of deposits with banks and receivables. The main risks the Branch is exposed to through its financial instruments are interest rate risk (see section (e) below), liquidity risk and credit risk.

The State Council have overall responsibility for the determination of the Branch's risk management objectives and policies.

(b) *Credit risk*

Credit risk is the risk that the other party to a financial instrument will fail to discharge their obligation resulting in the Branch incurring a financial loss. This usually occurs when debtors fail to settle their obligations owing to the Branch.

The maximum exposure to credit risk, excluding the value of any collateral or other security, at balance date to recognised financial assets is the carrying amount of those assets, net of any provision for doubtful debts, as disclosed below:

	2023	2022
	\$	\$
Cash and cash equivalents	<u>20,298</u>	<u>20,298</u>

The cash and cash equivalents are held in a high quality Australian financial institution

There has been no history of default, no amounts are past due and all receivables are likely to be repaid within the expected terms.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2023

12. Financial risk management (cont'd)

(c) Liquidity risk

Liquidity risk is the risk that the Branch may encounter difficulties raising funds to meet commitments associated with financial instruments.

The Branch is not significantly exposed to this risk; as at 30 September 2023 it had \$29,987 of cash and cash equivalents to meet these obligations as they fall due. Financial liabilities at 30 September 2023 total \$5,000.

The Branch manages liquidity risk by monitoring cash flows. Further the National Council has made an undertaking to provide financial support to the Branch.

(d) Market risk

Market risk arises from the use of interest bearing, tradable financial instruments. It is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in interest rates (interest rate risk) or other market factors (other price risk).

(e) Interest rate risk

The Branch's exposure to interest rate risk, which is the risk that a financial instrument's value will fluctuate as a result of changes in market interest rates and the effective weighted average interest rates on those financial assets and liabilities are summarised below:

	Floating interest rate \$	Non- interest Bearing \$	Total \$

(g) Foreign Exchange Risk

The Branch is not directly exposed to foreign exchange rate risk.

13. Subsequent events

There were no events that occurred after 30 September 2023, and/or prior to the signing of the financial statements, that would affect the ongoing structure and financial activities of the Branch.

14. Key management personnel compensation

Key management personnel compensation has been disclosed in the National Council's financial report.

17. Section 272 Fair Work (Registered Organisations) Act 2009

In accordance with the requirements of the *Fair Work (Registered Organisations) Act 2009*, the attention of members is drawn to the provisions of subsection (1) to (3) of section 272, which reads as follows:

Information to be provided to members or Commissioner:

- (1) A member of a reporting unit, or the Commissioner, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- (2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- (3) A reporting unit must comply with an application made under subsection (1).

**INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF AUTOMOTIVE, FOOD, METALS, ENGINEERING, PRINTING & KINDRED
INDUSTRIES UNION SOUTH AUSTRALIA BRANCH**

Report on the Audit of the Financial Report

Opinion

I have audited the financial report of Automotive, Food, Metals, Engineering, Printing & Kindred Industries Union South Australia Branch (the "Branch"), which comprises the statement of financial position as at 30 September 2023, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended 30 September 2023, notes to the financial statements, including a summary of significant accounting policies, the committee of management statement, the subsection 255(2A) report and the officer declaration statement.

In my opinion, the accompanying financial report presents fairly, in all material aspects, the financial position of Automotive, Food, Metals, Engineering, Printing & Kindred Industries Union South Australia Branch as at 30 September 2023, and its financial performance and its cash flows for the year ended on that date in accordance with:

- a) the Australian Accounting Standards; and
- b) any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

I declare that management's use of the going concern basis in the preparation of the financial statements of the Branch is appropriate.

Basis for Opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report. I am independent of the Branch in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Information Other than the Financial Report and Auditor's Report Thereon

The committee of management is responsible for the other information. The other information obtained at the date of this auditor's report is in the operating report accompanying the financial report.

My opinion on the financial report does not cover the other information and accordingly I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial report, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Committee of Management for the Financial Report

The Committee of Management of the Branch is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the RO Act, and for such internal control as the Committee of Management determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee of Management is responsible for assessing the Branch's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee of Management either intend to liquidate the Branch or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

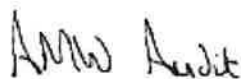

My objective is to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Branch's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee of Management.
- Conclude on the appropriateness of the Committee of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Branch's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Branch to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Branch to express an opinion on the financial report. I am responsible for the direction, supervision and performance of the Branch audit. I remain solely responsible for my audit opinion.

I communicate with the Committee of Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I declare that I am an auditor registered under the RO Act.
