Dear Emily Shepherd

**IMMEDIATE ACTION REQUIRED:**

**You must take steps after your recent election E2024/99**

An election has recently been completed by the Australian Electoral Commission (AEC) for the Australian Nursing and Midwifery Federation - Tasmanian Branch and a post-election report has been issued by the AEC.

This letter explains the next steps you must take, including what information you need to give to members and what information you need to lodge with the Fair Work Commission (the Commission).

**What you must do right now**

- Let your members know about the election report issued by the AEC
- Arrange financial training for officers newly elected to an office with financial management duties. (This includes all members of the committee of management).
- Complete the notification of change and email it to the Commission at [regorgs@fwc.gov.au](mailto:regorgs@fwc.gov.au)

This letter explains these steps and the tools available to help you.

**STEP 1: Notify members**

You must put a notice on your website once you receive your post-election report. It must tell your members they can request a copy of the post-election report from you or the AEC (regulation 141). The notice must be on your website for at least three months.

Can we put more information on our website?

Yes! Being transparent is part of good governance. You can publish the whole report or the declaration of results, as well as your notice and leave them up longer than three months. You can always do more than the regulatory minimum.

The Commission will also publish your declaration of results on our [website](#).

## STEP 2: Financial training

You may have to arrange financial training for people elected to new roles.

All officers with financial management duties must complete approved financial training (section 293K). For information on when officers must redo training and hints on when to book training for officers taking up multiple offices [please see our fact sheet](#).

There are face-to-face and online [financial training packages on the Commission website](#).

You must act on this now, as affected officers **MUST** complete approved financial training OR receive an [exemption by the Commission](#) **within six months** of beginning to hold office.

### Good governance tip:

Organisations should instruct officer holders about their other obligations. This is especially important for committee of management members.

Our podcast covers the [benefits of officer induction](#). Officers have responsibilities under the rules, the *Fair Work (Registered Organisations) Act 2009* (the RO Act), and disclosure requirements around conflicts of interest, remuneration and material personal interests. Officers will benefit from our [officer induction kit](#) and our [podcast](#), such as [episode 17 - conflicts of interest](#).

## STEP 3: Notifications of change

A notification of change must be lodged with the Commission within **35 days** of the change occurring.

We have a [template](#) to help you with this, which you can send to [regorgs@fwc.gov.au](mailto:regorgs@fwc.gov.au). An officer must sign the completed notification template.

You must lodge a notification of change if:

- any of your officers have not been re-elected;
- officers have changed offices; or
- you have new officers.

Only notify us of changes that have **already occurred**. If people take up office in the future, you must wait until the change happens before lodging the notification within 35 days of the change.

**Note:** One election may result in many notifications of change.

#### Penalties apply

Failing to lodge your notifications of change on time can expose your organisation and its officers to significant penalties.

**Real-life example of penalties in Court** An organisation failed to make a series of notifications of change on time.

The Full Court said ‘The record-keeping obligations imposed under the Registered Organisations Act are treated by the legislature as important and serious, and contravention of those obligations are correspondingly serious.’

The organisation was ordered to pay a penalty. More information is available in our [case summary](#).

#### Why do I need to tell you the results of the election when you’ve already received them?

The RO Act requires that **you** tell us this information about your officers – it is a legal obligation. The notification of change also contains information that is not in the declaration of results.

#### What if the officer has already done training?

Check out our [fact sheet](#) for when officers need to redo training, when they can get an exemption and when further training isn’t required.

If you have any queries we can be contacted on 1300 341 665 or by email at [regorgs@fwc.gov.au](mailto:regorgs@fwc.gov.au).

Yours sincerely

**Fair Work Commission**

The Commission has an interim [Compliance Policy](#) which explains how we respond to issues of non-compliance. The policy is available on our website if you would like further information on the steps the compliance team may take in response to non-lodgement of a financial report.

### *Fair Work (Registered Organisations) Act 2009* ('the Act')

#### 197 Post-election report by AEC

##### *Requirement for AEC to make report*

- (1) After the completion of an election conducted under this Part by the AEC, the AEC must give a written report on the conduct of the election to:
  - (a) the General Manager; and
  - (b) the organisation or branch for whom the election was conducted.

Note: The AEC may be able, in the same report, to report on more than one election it has conducted for an organisation. However, regulations made under paragraph 359(2)(c) may impose requirements about the manner and timing of reports.

- (2) The report must include details of the prescribed matters.

##### *Contents of report—register of members*

- (3) If the AEC is of the opinion that the register of members, or the part of the register, made available to the AEC for the purposes of the election contained, at the time of the election:
  - (a) an unusually large proportion of members' addresses that were not current; or
  - (b) in the case of a register kept by an organisation of employees—an unusually large proportion of members' addresses that were workplace addresses;

this fact must be included in the report, together with a reference to any relevant model rules which, in the opinion of the AEC, could assist the organisation or branch to address this matter.

Note: Model rules are relevant only to the conduct of elections for office, not for elections for other positions (see section 147).

##### *Contents of report—difficult rules*

- (4) If the report identifies a rule of the organisation or branch that, in the AEC's opinion, was difficult to interpret or apply in relation to the conduct of the election, the report must also refer to any relevant model rules, which in the opinion of the AEC, could assist the organisation or branch to address this matter.

Note: For model rules, see section 147.

##### *Subsection (3) relevant only for postal ballots*

- (5) Subsection (3) applies only in relation to elections conducted by postal ballot.

Note: An organisation can obtain an exemption from the requirement to hold elections for office by postal ballot (see section 144).

### 190 Organisation or branch must not assist one candidate over another

An organisation or branch commits an offence if it uses, or allows to be used, its property or resources to help a candidate against another candidate in an election under this Part for an office or other position.

Penalty: 100 penalty units.

### 193 Provisions applicable to elections conducted by AEC

- (1) If an electoral official is conducting an election, or taking a step in relation to an election, for an office or other position in an organisation, or branch of an organisation, the electoral official:
  - (a) subject to paragraph (b), must comply with the rules of the organisation or branch; and
  - (b) may, in spite of anything in the rules of the organisation or branch, take such action, and give such directions, as the electoral official considers necessary:
    - (i) to ensure that no irregularities occur in or in relation to the election; or
    - (ii) to remedy any procedural defects that appear to the electoral official to exist in the rules; or
    - (iii) to ensure the security of ballot papers and envelopes that are for use, or used, in the election.
- (2) A person commits an offence if the person does not comply with a direction under subsection (1).

Penalty: 30 penalty units.
- (3) Subsection (2) does not apply so far as the person is not capable of complying.

Note: A defendant bears an evidential burden in relation to the matter in subsection (3) (see subsection 13.3(3) of the *Criminal Code*).
- (4) Subsection (2) does not apply if the person has a reasonable excuse.

Note: A defendant bears an evidential burden in relation to the matter mentioned in subsection (4), see subsection 13.3(3) of the *Criminal Code*.
- (5) An offence against subsection (2) is an offence of strict liability.

Note: For *strict liability*, see section 6.1 of the *Criminal Code*.
- (6) An election for an office or other position conducted by an electoral official, or step taken in relation to such an election, is not invalid merely because of a breach of the rules of the organisation or branch because of:
  - (a) action taken under subsection (1); or
  - (b) an act done in compliance with a direction under subsection (1).
- (7) If an electoral official conducting, or taking a step in connection with, an election for an office or other position:
  - (a) dies or becomes unable to complete the conduct of the election or the taking of the step; or
  - (b) ceases to be qualified to conduct the election or to take the step;the Electoral Commissioner must arrange for the completion of the conduct of the election, or the taking of the step, by another electoral official.

## 6 Definitions

- (b) an act or omission by means of which:
  - (i) the full and free recording of votes by all persons entitled to record votes and by no other persons; or
  - (ii) a correct ascertainment or declaration of the results of the voting;

- (3) Immediately after issuing a declaration under subregulation (1), the AEC must give a copy of the declaration to:
  - (a) the General Manager; and

## DECISION

*Fair Work (Registered Organisations) Act 2009*  
s.189—Arrangement for conduct of an election

**Australian Nursing and Midwifery Federation**  
(E2024/99)

MR STEENSON

SYDNEY, 24 MAY 2024

*Arrangement for conduct of election.*

[1] On 15 May 2024 the Tasmanian Branch (**Branch**) of the Australian Nursing and Midwifery Federation lodged with the Fair Work Commission (**Commission**) prescribed information for an election to fill the following offices for a new term of office:

President	(1)
Vice President	(1)
Executive Member	(4)
Branch Councillor	(9)

[2] The Branch advised in the prescribed information that proposed rule alterations were lodged with the Commission on 7 May 2024. The proposed changes to election rules relate to subrules 49.2 and 87.1 of the current rulebook.<sup>1</sup> Rule 87.1 deals with appointment of scrutineers and the alteration seeks to replace the word ‘commencement’ with ‘closing [of the ballot]’ as the time by which the Returning Officer must be notified of the appointment of a scrutineer.

[3] The proposed alterations are apparently in the early stages of consideration by the Commission (matter R2024/59). If the rule alterations are not certified before the election commences, the election will be conducted under the rules as they currently exist.

[4] I am satisfied that an election for the abovenamed offices is required to be held under the rules of the organisation and, under subsection 189(3) of the *Fair Work (Registered Organisations) Act 2009*, I am making arrangements for the conduct of the election by the Australian Electoral Commission.

DELEGATE OF THE GENERAL MANAGER

Printed by authority of the Commonwealth Government Printer

<sup>1</sup> Rulebook R2024/15 certified 12 April 2024.

## **PRESCRIBED INFORMATION FOR ELECTIONS in accordance with Section 189 *Fair Work (Registered Organisations) Act 2009* and Regulation 138 *Fair Work (Registered Organisations) Regulations 2009***

I, Emily Shepherd, being the Branch Secretary of the Australian Nursing and Midwifery Federation (Tasmanian Branch) make the following statement:

1. I am authorised to sign this statement containing prescribed information for the Australian Nursing and Midwifery Federation (Tasmanian Branch).
2. The following information is lodged under subsection 189(1) of the Fair Work (Registered Organisations) Act 2009 (the RO Act).
3. The elections that are required are set out in the table in Annexure A.
4. A brief outline of the proposed rule alterations affecting this election is below. These rule alterations have been lodged with the Fair Work Commission. The proposed alterations were lodged on 7 May 2024.

### *PARTICULARS OF THE PROPOSED ALTERATIONS TO THE RULES OF THE ANMF*

*1. Amend sub-rule 87.1 by omitting the word “commencement” and substituting the word “closing”.*

*2. Omit sub-rule 49.2.12 and substituting the following:*

*“49.2.12 Any vote in respect of an election shall be informal if:*

*49.2.12 (a) the ballot paper is received by the Returning Officer after the notified hour on the closing date.*

*49.2.12 (b) the contents of the ballot paper as marked by the voter are not substantially in accordance with the instructions printed on it.*

*49.2.12 (c) the returning officer is unable to determine the bona fides of the ballot pursuant to sub-rule 49.2.11(b).*

*49.2.12(d) the marking is such that the intention of the voter is not clear.”*

5. This statement **IS** lodged at least 2 months before nominations open for the election(s) in Annexure A.

Signed:

Dated: 15 May 2024
