Dr Kwang Chin Assistant Secretary/Treasurer Australian Salaried Medical Officers Federation - Victoria Branch

Sent via email: <u>aspap@amavic.com.au</u>

CC: <u>bbester@nexiamelbourne.com.au</u>

Dear Dr Kwang Chin

Australian Salaried Medical Officers Federation - Victoria Branch Financial Report for the year ended 31 December 2023 – FR2023/228

I acknowledge receipt of the financial report for the year ended 31 December 2023 for the Australian Salaried Medical Officers Federation - Victoria Branch (the reporting unit). The documents were lodged with the Fair Work Commission (the Commission) on 12 June 2024.

The financial report has now been filed.

The financial report was filed based on a primary review. This involved confirming that the financial reporting timelines required under sections 253, 265, 266 and 268 of the *Fair Work (Registered Organisations) Act 2009* (**RO Act**) have been satisfied, all documents required under section 268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and reporting guidelines have been complied with. A primary review does not examine all disclosure requirements.

Please note that next year's financial report may be subject to an advanced compliance review.

If you have any queries regarding this letter, please call 1300 341 665 or email regorgs@fwc.gov.au.

Yours sincerely

Fair Work Commission

COMMITTEE OF MANAGEMENT'S STATEMENT

for the period ended 31 December 2023

On the 22nd day of February 2024, the Committee of Management of the Australian Salaried Medical Officers' Federation Victorian Branch passed the following resolution in relation to the general-purpose financial report (GPFR) for the year ended 31 December 2023:

The Committee of Management declares that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements and notes comply with any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the *Fair Work (Registered Organisations) Act 2009* (the RO Act);
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable; and
- (e) during the financial year to which the GPFR relates and since the end of that year:
 - (i) meetings of the committee of management were held in accordance with the rules of the organisation including the rules of a branch concerned; and
 - (ii) the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of a branch concerned; and
 - (iii) the financial records of the reporting unit have been kept and maintained in accordance with the RO Act; and
 - (iv) where the organisation consists of two or more reporting units, the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner with each of the other reporting units of the organisation; and
 - (v) where information has been sought in any request by a member of the reporting unit or Commissioner duly made under section 272 of the RO Act has been provided to the member or Commissioner; and
 - (vi) where any order for inspection of financial records has been made by the Fair Work Commission under section 273 of the RO Act, there has been compliance.

This declaration is made in accordance with a resolution of the Committee of Management.

Name and title of designated officer: Dr. Kwang Chin – Assistant Secretary / Treasurer

Dated this 23rd day of February 2023

(VICTORIAN BRANCH)

NOTES TO THE FINANCIAL STATEMENTS for the period ended 31 December 2023

Note 1 Summary of Significant Accounting Policies

1.1 Basis of Preparation of the Financial Statements

The financial statements are general purpose financial statements and have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period and the *Fair Work (Registered Organisation) Act 2009*. For the purpose of preparing the general-purpose financial statements, the Australian Salaried Medical Officers' Federation Victorian Branch is a not-for-profit entity.

The financial statements have been prepared on an accrual basis and in accordance with the historical cost, except for certain assets and liabilities measured at fair value, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

1.2 Comparative amounts

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

1.3 Significant Accounting Judgements and Estimates

There have not been any material accounting assumptions or estimates identified that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

1.4 New Australian Accounting Standards

Adoption of New Australian Accounting Standard Requirements

No accounting standard has been adopted earlier than the application date stated in the standard.

The accounting policies adopted are consistent with those of the previous financial year.

Australian Salaried Medical Officers' Federation Victorian Branch has adopted all standards which became effective for the first time at 31 December 2023; the adoption of these standards has not caused any material adjustments to the reported financial position, performance or cash flow of the Australian Salaried Medical Officers' Federation Victorian Branch.

1.5 Revenue

Revenue is measured at the fair value of the consideration received or receivable.

Revenue from subscriptions is accounted for on an accrual basis and is recorded as revenue in the year to which it relates.

VICTORIAN BRANCH)

NOTES TO THE FINANCIAL STATEMENTS

for the period ended 31 December 2023

Note 1 Summary of Significant Accounting Policies (continued)

1.5 Revenue (continued)

Revenue from the sale of goods is recognised when, the risks and rewards of ownership have been transferred to the buyer, the entity retains no managerial involvement or effective control over the goods, the revenue and transaction costs incurred can be reliably measured, and it is probable that the economic benefits associated with the transaction will flow to the entity.

The reporting unit enters into various arrangements where it receives consideration from another party. These arrangements include consideration in the form of membership subscriptions, capitation fees, levies, grants, and donations.

The timing of recognition of these amounts as either revenue or income depends on the rights and obligations in those arrangements.

Revenue from contracts with customers

Where the [reporting unit] has a contract with a customer, the reporting unit recognises revenue when or as it transfers control of goods or services to the customer. The reporting unit accounts for an arrangement as a contract with a customer if the following criteria are met:

- the arrangement is enforceable; and
- the arrangement contains promises (that are also known as performance obligations) to transfer goods or services to the customer (or to other parties on behalf of the customer) that are sufficiently specific so that it can be determined when the performance obligation has been satisfied.

Membership subscriptions

For membership subscription arrangements that meet the criteria to be contracts with customers, revenue is recognised when the promised goods or services transfer to the customer as a member of the [reporting unit].

If there is only one distinct membership service promised in the arrangement, the reporting unit recognises revenue as the membership service is provided, which is typically based on the passage of time over the subscription period to reflect the reporting unit's promise to stand ready to provide assistance and support to the member as required.

If there is more than one distinct good or service promised in the membership subscription, the reporting unit allocates the transaction price to each performance obligation based on the relative standalone selling prices of each promised good or service. In performing this allocation, standalone selling prices are estimated if there is no observable evidence of the price that the reporting unit charges for that good or service in a standalone sale. When a performance obligation is satisfied, which is either when the customer obtains control of the good (for example, books or clothing) or as the service transfers to the customer (for example, member services or training course), the reporting unit recognises revenue at the amount of the transaction price that was allocated to that performance obligation.

For member subscriptions paid annually in advance, the reporting unit has elected to apply the practical expedient to not adjust the transaction price for the effects of a significant financing component because the period from when the customer pays and the good or services will transfer to the customer will be one year or less.

(VICTORIAN BRANCH)

NOTES TO THE FINANCIAL STATEMENTS for the period ended 31 December 2023

Note 1 Summary of Significant Accounting Policies (continued)

1.5 Revenue (continued)

When a member subsequently purchases additional goods or services from the reporting unit at their standalone selling price, the reporting unit accounts for those sales as a separate contract with a customer.

Capitation fees

Where the reporting unit's arrangement with a branch or another reporting unit meets the criteria to be a contract with a customer, the reporting unit recognises the capitation fees promised under that arrangement when or as it transfers the [reporting unit to specify the goods or services that will transfer as part of its sufficiently specific promise to the branch/other reporting unit.

In circumstances where the criteria for a contract with a customer are not met, the reporting unit will recognise capitation fees as income upon receipt (as specified in the income recognition policy below).

Income of the reporting unit as a Not-for-Profit Entity

Consideration is received by the reporting unit to enable the entity to further its objectives. The reporting unit recognises each of these amounts of consideration as income when the consideration is received (which is when the reporting unit obtains control of the cash) because, based on the rights and obligations in each arrangement:

- the arrangements do not meet the criteria to be contracts with customers because either the arrangement is unenforceable or lacks sufficiently specific promises to transfer goods or services to the customer; and
- the reporting unit's recognition of the cash contribution does not give to any related liabilities.

Donations

Donation income is recognised when it is received.

Interest

Interest revenue is recognised on an accrual basis using the effective interest method.

Receivables for goods and services, which have 30-day terms, are recognised at the nominal amounts due less any impairment allowance account. Collectability of debts is reviewed at end of the reporting period. Allowances are made when collectability of the debt is no longer probable.

(VICTORIAN BRANCH)

NOTES TO THE FINANCIAL STATEMENTS for the period ended 31 December 2023

Note 1 Summary of Significant Accounting Policies (continued)

1.6 Capitation fees and levies

Capitation fees and levies are to be recognised on an accrual basis and record as a revenue and / or expense in the year to which it relates.

1.7 Cash

Cash is recognised at its nominal amount. Cash and cash equivalents includes cash on hand, deposits held at call with bank, other short-term highly liquid investments with original maturity of 3 months or less that are readily convertible to known amounts of cash and subject to insignificant risk of changes in value and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

1.8 Financial instruments

Financial assets and financial liabilities are recognised when the Australian Salaried Medical Officers' Federation Victorian Branch becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

1.9 Financial assets

Financial assets are classified into the following specified categories: financial assets at fair value through profit or loss, held-to-maturity investments, available-for-sale financial assets and loans and receivables. The classification depends on the nature and purpose of the financial assets and is determined at the time of initial recognition. All regular way purchases or sales of financial assets are recognised and derecognised upon trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

Fair value through profit or loss

Financial assets are classified as at fair value through profit or loss when the financial asset is either held for trading or it is designated as at fair value through profit or loss.

(VICTORIAN BRANCH)

NOTES TO THE FINANCIAL STATEMENTS

for the period ended 31 December 2023

Note 1 Summary of Significant Accounting Policies (continued)

1.9 Financial assets (continued)

A financial asset is classified as held for trading if:

- it has been acquired principally for the purpose of selling it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the reporting unit manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument.

A financial asset other than a financial asset held for trading may be designated as at fair value through profit or loss upon initial recognition if:

- such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise; or
- the financial asset forms part of a group of financial assets or financial liabilities or both, which is
 managed and its performance is evaluated on a fair value basis, in accordance with the reporting units
 documented risk management or investment strategy, and information about the grouping is provided
 internally on that basis; or
- it forms part of a contract containing one or more embedded derivatives, and AASB 139 'Financial Instruments: Recognition and Measurement' permits the entire combined contract (asset or liability) to be designated as at fair value through profit or loss.

Financial assets at fair value through profit or loss are stated at fair value, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'other gains and losses' line item in the statement of comprehensive income.

Held-to-maturity investments

Financial assets with fixed or determinable payments and fixed maturity dates that the reporting unit has the positive intent and ability to hold to maturity are classified as held-to-maturity investments. Held-to-maturity investments are measured at amortised cost using the effective interest method less any impairment.

Loan and receivables

Trade receivables, loans and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as 'loans and receivables. Loans and receivables are measured at amortised cost using the effective interest method less impairment. Interest is recognised by applying the effective interest rate, except for short-term receivables when the recognition of interest would be immaterial.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly.

(VICTORIAN BRANCH)

NOTES TO THE FINANCIAL STATEMENTS for the period ended 31 December 2023

Note 1 Summary of Significant Accounting Policies (continued)

1.9 Financial assets (continued)

discounts estimated future cash receipts through the expected life of the financial asset, or, when appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognised on an effective interest rate basis except for debt instruments other than those financial assets that are recognised at fair value through profit or loss.

Impairment of financial assets

Financial assets, other than those at fair value through profit or loss, are assessed for impairment at the end of each reporting period. Financial assets are considered to be impaired when there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the investment have been affected.

For certain categories of financial asset, such as trade receivables, assets that are assessed not to be impaired individually are, in addition, assessed for impairment on a collective basis. Objective evidence of impairment for a portfolio of receivables could include the reporting units past experience of collecting payments, an increase in the number of delayed payments in the portfolio past the average credit period of 60 days, as well as observable changes in national or local economic conditions that correlate with default on receivables.

For financial assets carried at amortised cost, the amount of the impairment loss recognised is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the financial asset's original effective interest rate.

For financial assets carried at cost, the amount of the impairment loss is measured as the difference between the asset's carrying amount and the present value of the estimated future cash flows discounted at the current market rate of return for a similar financial asset. Such impairment loss will not be reversed in subsequent periods.

The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets with the exception of trade receivables, where the carrying amount is reduced through the use of an allowance account. When a trade receivable is considered uncollectible, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against the allowance account. Changes in the carrying amount of the allowance account are recognised in profit or loss.

For financial assets measured at amortised cost, if, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed through profit or loss to the extent that the carrying amount of the investment at the date the impairment is reversed does not exceed what the amortised cost would have been had the impairment not been recognised.

(VICTORIAN BRANCH)

NOTES TO THE FINANCIAL STATEMENTS for the period ended 31 December 2023

Note 1 Summary of Significant Accounting Policies (continued)

1.9 Financial assets (continued)

Derecognition of financial assets

The reporting unit derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. The difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss.

1.10 Contingent Liabilities and Contingent Assets

Contingent liabilities and contingent assets are not recognised in the statement of financial position but are reported in the relevant notes. They may arise from uncertainty as to the existence of a liability or asset or represent an existing liability or asset in respect of which the amount cannot be reliably measured. Contingent assets are disclosed when settlement is probable but not virtually certain, and contingent liabilities are disclosed when settlement is greater than remote.

1.11 Impairment for non-financial assets

All assets are assessed for impairment at the end of each reporting period to the extent that there is an impairment trigger. Where indications of impairment exist, the asset's recoverable amount is estimated and an impairment adjustment made if the asset's recoverable amount is less than its carrying amount.

The recoverable amount of an asset is the higher of its fair value less costs of disposal and its value in use. Value in use is the present value of the future cash flows expected to be derived from the asset. Where the future economic benefit of an asset is not primarily dependent on the asset's ability to generate future cash flows, and the asset would be replaced if the reporting unit was deprived of the asset, its value in use is taken to be its depreciated replacement cost.

(VICTORIAN BRANCH)

NOTES TO THE FINANCIAL STATEMENTS

for the period ended 31 December 2023

Note 1 Summary of Significant Accounting Policies (continued)

1.12 Taxation

The Australian Salaried Medical Officers' Federation Victorian Branch is exempt from income tax under section 50.1 of the Income Tax Assessment Act 1997 however still has obligation for Fringe Benefits Tax (FBT) and the Goods and Services Tax (GST).

Revenues, expenses and assets are recognised net of GST except:

- where the amount of GST incurred is not recoverable from the Australian Taxation Office; and
- for receivables and payables.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables.

Cash flows are included in the cash flow statement on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the Australian Taxation Office is classified within operating cash flows.

1.13 Going concern

Australian Salaried Medical Officers' Federation Victorian Branch is not reliant on the agreed financial support of another reporting unit to continue on a going concern basis.

Australian Salaried Medical Officers' Federation Victorian Branch has not agreed to provide financial support to another reporting unit to ensure they can continue on a going concern basis.

Note 2 Events after the reporting period

There were no events that occurred after 31 December 2023, and / or prior to the signing of the financial statements, that would affect the ongoing structure and financial activities of Australian Salaried Medical Officers' Federation Victorian Branch.

AUSTRALIAN SALARIED MEDICAL OFFICERS' FEDERATION

(VICTORIAN BRANCH)

NOTES TO THE FINANCIAL STATEMENTS

for the period ended 31 December 2023

2023	2022
\$	\$

Note 10: Related Party Disclosures (continued)

The Committee of ASMOF do not believe that the AMA Victoria is a related party as they do not fit the definition criteria per AASB 124.

AMA Victoria provides as a service to its members – as an additional benefit for members employed by a public hospital a conjoint membership arrangement with the Victorian Branch of ASMOF which involves the invoicing by AMA Victoria for all capitation fees which are forwarded annually to ASMOF.

Terms and conditions of transactions with related parties

The sales to and purchases from related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances for sales and purchases at the year-end are unsecured and interest free and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables. For the year ended 31 December 2023, the Australian Salaried Medical Officers' Federation Victorian Branch has not recorded any impairment of receivables relating to amounts owed by related parties and declared person or body (2022: \$Nil). This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.

Note 10B: Key Management Personnel Remuneration for the Reporting Period

Short-term employee benefits Other Employee Expenses (Honorarium – Branch President)	4,510	4,000

Financial statement audit	2,600	2,350
Other services	1,200	1,100
Total remuneration of auditors	3,800	3,450

Note 12 Financial Instruments

Credit Risk

Exposure to credit risk relating to financial assets arises from the potential non-performance by counterparties of contract obligations that could lead to financial loss to the organisation.

(VICTORIAN BRANCH)

NOTES TO THE FINANCIAL STATEMENTS

for the period ended 31 December 2023

2022	2023
\$	\$

Note 12: Financial Instruments (continued)

Credit risk is managed through maintaining procedures (such as the utilisation of systems for the approval, granting and removal of credit limits, regular monitoring of exposure against such limits and monitoring of the financial stability of significant customers and counterparties) ensuring, to the extent possible, that members and counterparties to transactions are of sound credit worthiness.

The maximum exposure to credit risk by class of recognised financial assets at the end of the reporting period is equivalent to the carrying amount and classification of those financial assets (net of any provisions) as presented in the statement of financial position.

There is no collateral held by the organisation securing amounts receivable and other debtors.

The Australian Salaried Medical Officers' Federation Victorian Branch has no significant concentrations of credit risk with any single counterparty or group of counterparties.

Liquidity Risk

Liquidity risk arises from the possibility that the Australian Salaried Medical Officers' Federation Victorian Branch might encounter difficulty in settling its debts or otherwise meeting its obligations related to financial liabilities. The organisation manages this risk through the following mechanisms:

- Only investing surplus cash with major financial institutions
- Proactively monitoring the recovery of accounts receivable.

Interest Rate Risk

The financial instruments that expose the association to interest rate risk are limited to cash at bank and term deposits.

Cheque Account	0.0%	0.0%
Term Deposit	4.05%	0.35%

Other Price Risk

Other price risk relates to the risk that fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. The organisation does not have any material exposure to other price risk.

Note 12A: Categories of Financial Instruments

Financial Assets

Carrying am	nount of financial liabilities	6,521	5,782

Note 12B: Credit Risk

Credit risk represents the loss that would be recognised if counterparties failed to perform as contracted. The reporting units maximum exposure to credit risk at balance date in relation to each class of recognised financial asset is represented by the carrying amount of those assets as indicated in the balance sheet.

The following table illustrates the entity's gross exposure to credit risk, excluding any collateral or credit enhancements.

Financial assets		
Held-to-maturity investments	77,211	47,037
Loans and receivables	87	107
Total	77,298	47,144
Financial liabilities		
Other financial liabilities	6,521	5,782
Total	6,521	5,782

Currently the Australian Salaried Medical Officers' Federation Victorian Branch does not hold any collateral as security nor credit enhancements relating to any of its financial assets.

There were no receivables that were past due but not impaired.

Note 12C: Liquidity Risk

Liquidity risk arises when the Australian Salaried Medical Officers' Federation Victorian Branch is unable to meet its financial obligations as they fall due. The Australian Salaried Medical Officers' Federation Victorian Branch operates under a policy of settling financial obligations within 30 days and in the event of a dispute, make payments within 30 days from the date of the resolution. It also continuously manages risk through monitoring future cash flows and maturities planning to ensure adequate holding cash and cash equivalents. The reporting unit' exposure to liquidity risk is deemed insignificant based on prior periods data and current assessment of risk. Maximum exposure to liquidity risk is the carrying amounts of financial liabilities.

Note 14: Section 272 Fair Work (Registered Organisations) Act 2009

In accordance with the requirements of the *Fair Work (Registered Organisations) Act 2009*, the attention of members is drawn to the provisions of subsections (1) to (3) of section 272, which reads as follows:

Information to be provided to members or Commissioner:

- (1) A member of a reporting unit, or Commissioner, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- (2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- (3) A reporting unit must comply with an application made under subsection (1).

* Specific disclosure requirements of the RO Act and or RO regulations even if amount is nil.

OFFICER DECLARATION STATEMENT

for the period ended 31 December 2023

I, Dr. Kwang Chin, being the Assistant Secretary / Treasurer of the Australian Salaried Medical Officers' Federation (Victorian Branch), declare that the following activities did not occur during the reporting period ending 31 December 2023.

The reporting unit did not:

- acquire an asset or liability due to an amalgamation under Part 2 of Chapter 3 of the RO Act, a restructure of the branches of an organisation, a determination or revocation by the General Manager, Fair Work Commission
- receive any other revenue from another reporting unit
- receive revenue from undertaking recovery of wages activity
- pay any other expense to another reporting unit
- pay a grant that was \$1,000 or less
- pay a grant that exceeded \$1,000
- pay a donation that was \$1,000 or less
- pay a donation that exceeded \$1,000
- have a fund or account for compulsory levies, voluntary contributions or required by the rules of the organisation or branch
- transfer to or withdraw from a fund (other than the general fund), account, asset or controlled entity
- receive cash flows from another reporting units and/or controlled entity
- have another entity administer the financial affairs of the reporting unit
- make a payment to a former related party of the reporting unit

Signed by the designated officer: Dr. Kwang Chin....

Independent Audit Report to the Members of

Australian Salaried medical Officers Federation – Victorian Branch

Report on the Audit of the Financial Report

Opinion

I have audited the financial report of Australian Salaried medical Officers Federation – Victorian Branch (the reporting unit), which comprises the statement of financial position as at 31st December 2023, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended 31st December 2023, notes to the financial statements, including a summary of significant accounting policies, the committee of management statement, the subsection 255(2A) report and the officer declaration statement.

In my opinion, the accompanying financial report presents fairly, in all material aspects, the financial position of Australian Salaried medical Officers Federation – Victorian Branch as at 31st December 2023, and its financial performance and its cash flows for the year ended on that date in accordance with:

- a) the Australian Accounting Standards; and
- b) any other requirements imposed by the reporting guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 (the RO Act).

I declare that management's use of the going concern basis in the preparation of the financial statements of the reporting unit is appropriate.

Basis for Opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Report' section of my report. I am independent of the reporting unit in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Information Other than the Financial Report and Auditor's Report Thereon

The committee of management is responsible for the other information. The other information obtained at the date of this auditor's report is in the operating report accompanying the financial report.

Advisory. Tax. Audit.

Registered Audit Company 291969

Nexia Melbourne Audit Pty Ltd (ABN 86 005 105 975) is a firm of Chartered Accountants. It is affiliated with, but independent from Nexia Australia Pty Ltd. Nexia Australia Pty Ltd is a member of Nexia International, a leading, global network of independent accounting and consulting firms. For more information please see www.nexia.com. au/legal. Neither Nexia International nor Nexia Australia Pty Ltd provide services to clients.

My opinion on the financial report does not cover the other information and accordingly I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial report, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Committee of Management for the Financial Report

The committee of management of the reporting unit is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the RO Act, and for such internal control as the committee of management determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the committee of management is responsible for assessing the reporting unit's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the committee of management either intend to liquidate the reporting unit or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

My objective is to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the reporting unit's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee of management.
- Conclude on the appropriateness of the committee of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the reporting unit's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial

report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the reporting unit to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities
 or business activities within the reporting unit to express an opinion on the financial report. I
 am responsible for the direction, supervision and performance of the reporting unit audit. I
 remain solely responsible for my audit opinion.

I communicate with the committee of management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I declare that I am an auditor registered under the RO Act.
