

Fair Work
Commission

31 October 2024

Reilly Maurice
Chair
Clubs Australia - Industrial

Sent via email: enquiries@clubsnsw.com.au

CC: croan@kpmg.com.au

Dear Reilly Maurice

**Clubs Australia - Industrial
Financial Report for the year ended 30 June 2024 – FR2024/83**

I acknowledge receipt of the financial report for the year ended 30 June 2024 for Clubs Australia - Industrial (the reporting unit). The documents were lodged with the Fair Work Commission (the Commission) on 16 October 2024.

The financial report has now been filed. You are not required to take any further action in respect of the report lodged.

I make the following comments to assist you when you next prepare a financial report. The Commission will confirm these matters have been addressed prior to filing next year's report.

Rotation of registered auditor

Correspondence was provided to the reporting unit on 30 October 2024, which alerted you that your registered auditor is approaching their statutory limit on how many consecutive financial years they are permitted to audit your financial report. The financial report lodged identifies that Cameron Roan was the reporting unit's registered auditor for this financial year. Our records indicate that you have now used your current registered auditor for five consecutive financial years, which is the statutory limit under section 256A.

Please ensure that Cameron Roan is not assigned to audit the financial report of the reporting unit for at least the following two financial years. Further information on the rotation of registered auditor requirement can be found via [this link](#).

Reporting Requirements

The Commission's website provides a number of factsheets in relation to the financial reporting process and associated timelines. The website also contains the section 253 reporting guidelines and a model set of financial statements.

The Commission recommends that reporting units use these model financial statements to assist in complying with the RO Act, the section 253 reporting guidelines and Australian Accounting Standards. Access to this information is available via [this link](#).

If you have any queries regarding this letter, please call 1300 341 665 or email regorgs@fwc.gov.au.

Yours sincerely

Fair Work Commission

Designated Officer's Certificate

s.268 Fair Work (Registered Organisations) Act 2009

I, Joanne Ede, being the Executive Director of Clubs Australia - Industrial certify:

- That the document lodged herewith are copies of the full report, referred to in s.268 of the Fair Work (Registered Organisations) Act 2009; and
- That the full report was provided to members on 11 September 2024; and
- That the full report was presented at the General Meeting on 3 October 2024 in accordance with s.266 of the Fair Work (Registered Organisations) Act 2009.

Committee of Management Statement
for the year ended 30 June 2024

On 11/09/24 the Committee of Management of Clubs Australia - Industrial (the Association) passed the following resolution in relation to the general purpose financial report of the Association for the year ended 30 June 2024.

The Committee of Management declares in relation to the general purpose financial report (GPFR) that in its opinion:

- a) the financial statements and notes comply with the Australian Accounting Standards, and also complies with International Financial Reporting Standards;
- b) the financial statements and notes comply with any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the *Fair Work (Registered Organisations) Act 2009* (the RO Act);
- c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable;
- e) during the financial year to which the GPFR relates and since the end of that year:
 - (i) meetings of the committee of management were held in accordance with the rules of the organisation including the rules of the Association; and
 - (ii) the financial affairs of the Association have been managed in accordance with the rules of the Association; and
 - (iii) the financial records of the Association have been kept and maintained in accordance with the Fair Work (Registered Organisations) Act 2009 and the Fair Work (Registered Organisations) Regulations 2009;
 - (iv) the Association consists of only one reporting unit;
 - (v) the information sought in any request of a member of the Association or the General Manager duly made under section 272 of the Fair Work (Registered Organisations) Act 2009 has been furnished to the member or the General Manager; and
 - (vi) there has been compliance with any order for inspection of financial records made by Fair Work Commission under section 273 of the Fair Work (Registered Organisations) Act 2009.

Signed in accordance with a resolution of the Committee of Management:

Clubs Australia- Industrial

**Notes to the financial statements
for the year ended 30 June 2024**

1 Material accounting policies

Clubs Australia - Industrial (the "Association") is an association domiciled in Australia. The address of the Association's registered office is Level 8, 51 Druiitt Street, Sydney. The Association is a not-for profit entity and its principal activity is to provide industrial services to members consistent with the objectives of the Association.

The financial report was authorised for issue by the directors on 3rd of October 2024.

a) Statement of Compliance

The financial report is a general purpose financial report which has been prepared in accordance with Australian Accounting Standards ("AASBs"), adopted by the Australian Accounting Standards Board ("AASB") and the requirements of Fair Work (Registered Organisations) Act 2009.

b) Basis of preparation

For the purpose of preparing the general purpose financial statements, the Clubs Australia - Industrial is a not-for-profit entity.

The financial statements have been prepared on an accrual basis and in accordance with the historical cost, except for certain assets and liabilities measured at fair value, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates. These accounting policies have been consistently applied by the Association.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

c) Comparative amounts

When required by accounting standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

d) New adoption of new and revised accounting standards

Disclosure of Accounting Policies

The Association adopted Disclosure of Accounting Policies: Tier 2 and Other Australian Accounting Standards (Amendments to AASB 1049, 1054, and 1060) from 1 July 2023. Although the amendments did not result in any changes to the accounting policies themselves, they impacted the accounting policy information disclosed in the financial statements.

The amendments require the disclosure of 'material', rather than 'significant', accounting policies. The amendments also provide guidance on the application of materiality to disclosure of accounting policies, assisting entities to provide useful, entity-specific accounting policy information that users need to understand other information in the financial statements.

Management reviewed the accounting policies and made updates to the information disclosed in Material accounting policies (2023: Significant accounting policies) in certain instances in line with the amendments.

A number of other new accounting standards are also effective from 1 July 2023 but they do not have a material effect on the Association's financial statements.

e) Significant accounting judgements and estimates

There are no accounting assumptions or estimates that have been identified that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

Clubs Australia- Industrial

Notes to the financial statements for the year ended 30 June 2024

1 Material accounting policies (continued)

f) Non-derivative financial instruments

Non-derivative financial instruments comprise cash and cash equivalents, trade and other receivables, trade and other payables.

Cash and cash equivalents and trade and other receivables constitute financial assets.

Trade and other receivables are held at amortised cost less life time expected credit losses. The Association's receivables are short-term in nature and as such no discounting is performed for the Association's receivables.

The Association has adopted the simplified approach for all trade and other receivables, given the Association's receivables do not have a significant financing component. The Association analyses the age of outstanding balances and applies historical default percentages adjusted for other current observable data as a means to estimate lifetime expected credit losses. The impact of the change to measuring the doubtful debts provision on the basis of expected credit losses is not material and has not resulted in an adjustment to opening retained earnings on transition.

Trade and other payables constitute financial liabilities, both are held at amortised cost. Financial liabilities are derecognised if the Association's obligations specified in the contract expire or are discharged or cancelled.

g) Impairment - Financial assets

(i) Cash and cash equivalents

Cash and cash equivalents comprise cash balances, demand deposits and short-term interest bearing deposits that are readily convertible to cash and which are subject to an insignificant risk of change in value.

(ii) Trade and other receivables

Trade and other receivables are stated at their amortised cost less impairment losses.

(iii) Trade and other payables

Trade and other payables are stated at their amortised cost.

(iv) Other

Other non-derivative financial instruments are measured at amortised cost using the effective interest method, less any impairment losses.

A financial asset is assessed at each reporting date to determine whether there is any objective evidence that it is impaired. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

An impairment loss in respect of a financial asset measured at amortised cost is calculated as the difference between its carrying amount, and the present value of the estimated future cash flows discounted at the original effective interest rate. Individually significant financial assets are tested for impairment on an individual basis. The remaining financial assets are assessed collectively in groups that share similar credit risk characteristics.

All impairment losses are recognised in profit or loss. An impairment loss is reversed if the reversal can be related objectively to an event occurring after the impairment loss was recognised. For financial assets measured at amortised cost the reversal is recognised in profit or loss.

Clubs Australia- Industrial

Notes to the financial statements for the year ended 30 June 2024

1 Material accounting policies (continued)

h) Taxation

The Association is exempt from income tax under section 50.1 of the *Income Tax Assessment Act 1997* however still has an obligation for Fringe Benefits Tax (FBT) and the Goods and Services Tax (GST).

Revenues, expenses and assets are recognised net of GST except:

- where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO); and
- for receivables and payables.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables.

Cash flows are included in the statement of cash flows on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the ATO is classified within operating cash flows.

i) Revenue recognition

The Association generates revenue primarily from corporate sponsorship and seminar income from events.

AASB 15 requires revenue to be recognised when performance obligation is satisfied to the customer at an amount which reflects the expected consideration.

Revenue for ticket sales relating to events hosted by the Association are recognised in the period in which the underlying event is held. Revenue is recognised at fair value of the consideration received net of the amount of goods and services tax (GST).

AASB 1058 considers transactions where the consideration to acquire an asset is significantly less than fair value to enable the not-for-profit entities to further its objectives. The excess of the asset recognised (at fair value) over any related amounts such as contributions by owners, lease liability, financial instruments or a provision is recognised immediately as income.

Revenue derived from fundraising efforts and sponsorship is recognised as the Association obtains control of the assets that have been donated.

Interest revenue is recognised as it accrues, using the effective interest rate method.

Sponsorship revenue is recognised as it accrues.

Event revenue is recognised when the event takes place.

Membership subscriptions represent the amount due from members in accordance with the Association's rules and are recognised equally over the period to which these relate.

2 Information to be provided to members or General Manager of the Fair Work Commission

In accordance with the requirements of the Fair Work (Registered Organisations) Act 2009, the attention of members is drawn to the provisions of subsection (1) to (3) of Section 272 which reads as follows:

Information to be provided to members or General Manager of the Fair Work Commission:

- a) A member of a reporting unit, or the General Manager, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application;
- b) The application must be in writing and must specify the period within which, and the manager in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit; and
- c) A reporting unit must comply with an application made under subsection (a).

Clubs Australia- Industrial

Notes to the financial statements for the year ended 30 June 2024

3 Related parties

(a) A person, or a close member of that person's family, is related to the Association if that person:

(i) has control or joint control over the Association;

(ii) has significant influence over the Association; or is a member of the key management personnel of the Association or the Association's parent.

(b) An entity is related to the Association if any of the following conditions applies:

(i) The entity and the Association are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others);

(ii) One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of the Association of which the other entity is a member);

(iii) Both entities are joint ventures of the same third party;

(iv) One entity is a joint venture of a third entity and the other entity is an associate of the third entity;

(v) The entity is a post-employment benefit plan for the benefit of employees of either the Association or an entity related to the Association;

(vi) The entity is controlled or jointly controlled by a person identified in (a); or

(vii) A person identified in (a)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).

Close members of the family of a person are those family members who may be expected to influence, or be influenced by, that person in their dealings with the entity.

11 Related parties**Key Management Personnel**

The key management personnel of the Association consists of the Committee of Management. The Association did not pay any remuneration to the Committee of Management throughout the year (2023: Nil).

There were no transactions between the Association and key management personnel during the current or prior financial year.

Transactions with related parties during the year

The Registered Clubs Association of NSW administers the financial affairs of the reporting unit.

There have been no amounts owing by/(to) related parties at year end (2023: \$nil).

Clubs Australia- Industrial

Notes to the financial statements for the year ended 30 June 2024

12 Financial instruments

The material financial instruments to which the Association has exposure include:

Cash and short term deposits

Credit risk exposure

Credit risk represents the loss that would be recognised if counterparties failed to perform as contracted. Credit risk on financial assets of the Association is the carrying amount net of any provision for impairment loss. The maximum exposure to credit risk is represented by the carrying amount of each financial asset in the balance sheet.

Interest rate risk

The Association's exposure to interest rate risk relates directly to funds deposited with financial institutions. Changes in interest rates will affect the level of interest income received by the Association. The Association actively manages its cash balances in order to minimise risk, whilst optimising the return.

The Association's exposure to interest rate risk is presently limited to cash and cash equivalents. Cash includes at call balances and short-term deposits amounting to \$139,786 (2023: \$143,434). All balances have short term maturities and are paying variable interest at 30 June 2024 of 0.00% (2023: 0.00%).

The Association's financial liabilities at 30 June 2024 are non-interest bearing (2023: non-interest bearing).

Sensitivity analysis for interest rate instruments

A change of 100 basis points in interest rates at the reporting date would have increased/(decreased) the profit or loss and the net equity by approximately \$nil (2023: \$nil). This analysis assumes that all other variables remain constant. The analysis is performed on the same basis for 2023.

Fair values

The carrying amounts of financial assets and liabilities shown in the balance sheet approximate their fair values.

13 Events subsequent to balance date

There has not arisen in the interval between the end of the financial year and the date of this report any item, transaction or event of a material or unusual nature likely, in the opinion of the Committee of Management, to affect significantly the operations of the Association, the results of those operations, or the state of affairs of the Association, in future financial years.

14 Contingent liabilities

The Association has no contingent liabilities and nil bank guarantees as at 30 June 2024 (2023: nil).

Clubs Australia- Industrial

Officer declaration statement

I, Maurice Reilly, being the Chair of the Clubs Australia-Industrial, declare that the following activities did not occur during the reporting period ending 30 June 2024. The reporting unit did not:

Independent Auditor's Report

To the members of Clubs Australia - Industrial

Report on the audit of the Financial Report

Opinion

We have audited the **Financial Report** of Clubs Australia - Industrial (*the Association*).

In our opinion, the accompanying Financial Report presents fairly, in all material respects, the financial position of the Clubs Australia - Industrial as at 30 June 2024, and of its financial performance and its cash flows for the year then ended, in accordance with the *Australian Accounting Standards* and the other requirements imposed by the reporting guidelines and Chapter 8 of Part 3 of *the Fair Work (Registered Organisation) Act 2009*.

The **Financial Report** comprises:

- Statement of financial position as at 30 June 2024
- Statement of comprehensive income, Statement of changes in equity, and Statement of cash flows for the year then ended
- Notes including a summary of material accounting policies
- Committee of Management Statement
- Subsection 255(2A) report
- Officer declaration statement

Basis for opinion

We conducted our audit in accordance with *Australian Auditing Standards*. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Financial Report* section of our report.

We are independent of the Association in accordance with the ethical requirements of the *Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the *Financial Report* in Australia. We have fulfilled our other ethical responsibilities in accordance with these requirements.

Restriction on use and distribution

The Financial Report has been prepared to assist the members of the Association in complying with the financial reporting requirements of the *Fair Work (Registered Organisations) Act 2009*.

As a result, the Financial Report and this Auditor's Report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Our report is intended solely for the *members of Clubs Australia – Industrial and the Fair Work Commission*, and should not be used by or distributed to parties other than the members of *Clubs Australia – Industrial and the Fair Work Commission*. We disclaim any assumption of responsibility for any reliance on this report, or on the Financial Report to which it relates, to any person other than the members *Clubs Australia – Industrial and the Fair Work Commission* or for any other purpose than that for which it was prepared.

Other Information

Other Information is financial and non-financial information in the Clubs Australia – Industrial's annual reporting which is provided in addition to the Financial Report and the Auditor's Report. The Committee of Management is responsible for the Other Information.

The Other Information we obtained prior to the date of this Auditor's Report was the *Operating Report*.

Our opinion on the Financial Report does not cover the Other Information and, accordingly, we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the Financial Report, our responsibility is to read the Other Information. In doing so, we consider whether the Other Information is materially inconsistent with the Financial Report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

We are required to report if we conclude that there is a material misstatement of this Other Information, and based on the work we have performed on the Other Information that we obtained prior to the date of this Auditor's Report we have nothing to report.

Responsibilities of the Committee of Management for the Financial Report

The Committee of Management is responsible for:

- the preparation and fair presentation of the Financial Report in accordance with the financial reporting requirements of Australian Accounting Standards and the requirements of Chapter 8 Part 3 of the *Fair Work (Registered Organisations) Act 2009*
- implementing necessary internal control to enable the preparation of a Financial Report that is free from material misstatement, whether due to fraud or error
- assessing the Association's ability to continue as a going concern and whether the use of the going concern basis of accounting is appropriate. This includes disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless they either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the Financial Report

Our objective is:

- to obtain reasonable assurance about whether the Financial Report as a whole is free from material misstatement, whether due to fraud or error; and
- to issue an Auditor's Report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with *Australian Auditing Standards* will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error. They are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Financial Report.

A further description of our responsibilities for the audit of the Financial Report is located at the *Auditing and Assurance Standards Board* website at:

http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf

This description forms part of our Auditor's Report.

Report on other legal and regulatory requirements

Opinion

In our opinion, the Committee of Management's use of going concern basis of accounting in the preparation of the financial report is appropriate.

I am an approved auditor as defined by Regulation 4 of the *Fair Work (Registered Organisations) Act 2009*, a member of the Institute of Chartered Accountants Australia and New Zealand and hold a current Public Practice Certificate.
