Dear Damien Cahill

**National Tertiary Education Industry Union
Financial Report for the year ended 30 June 2024 – (FR2024/21)**

I acknowledge receipt of the financial report for the year ended 30 June 2024 for the National Tertiary Education Industry Union. The documents were lodged with the Fair Work Commission (the Commission) on 25 November 2024.

The financial report has now been filed. You are not required to take any further action in respect of the report lodged.

The financial report was filed based on a primary review. This involved confirming that the financial reporting timelines required under sections 253, 265, 266 and 268 of the *Fair Work (Registered Organisations) Act 2009* (RO Act) have been satisfied, all documents required under section 268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and reporting guidelines have been complied with. A primary review does not examine all disclosure requirements.

Please note that the financial report for the year ending 30 June 2025 may be subject to an advanced compliance review.

Reporting Requirements

The Commission's website provides a number of factsheets in relation to the financial reporting process and associated timelines. The website also contains the section 253 reporting guidelines and a model set of financial statements.

The Commission recommends that reporting units use these model financial statements to assist in complying with the RO Act, the section 253 reporting guidelines and Australian Accounting Standards. Access to this information is available via [this link](#).

If you have any queries regarding this letter, please call 1300 341 665 or email regorgs@fwc.gov.au.

Yours sincerely

Fair Work Commission

OPERATING REPORT (continued)
FOR THE YEAR ENDED 30 JUNE 2024

Manner of resignation – s254(2)(c)

Members may resign from the NTEU in accordance with section 174 (Resignation from Membership) of the *Fair Work (Registered Organisations) Act 2009 (RO Act)* and rule 8 (Ceasing membership) of the NTEU Rules (effective 1 April 2024).

Rule 8 states as follows:

- 8.1 A person ceases to be a member if they die or:
- (a) cease to be a member by operation of the Act;
 - (b) resign from membership under rule 8.2;
 - (c) are removed from membership under rule 8.4(b); or
 - (d) are expelled under rule 8.5.
- 8.2 A member may resign from membership by notice given to the General Secretary.
- 8.3 The General Secretary must notify a member if they cease to be a financial member.
- 8.4 The General Secretary must:
- (a) give notice to each member who has not been a financial member for the previous 90 days that they will be removed as a member under this rule unless they pay the Union all dues and levies owing within 28 days; and
 - (b) remove from membership each member who does not comply with such a notice.
- 8.5 The National Executive may expel a member if:
- (a) they have been given at least 21 days' notice of the time and place of the meeting at which their expulsion is to be considered;
 - (b) they have been given:
 - (i) the terms of the proposed resolution to expel them;
 - (ii) the charges upon which the proposed resolution is based;
 - (iii) an outline of the facts that will be asserted against them; and
 - (iv) any documents that may be relied upon;
 - (c) they are given a reasonable opportunity to present and test evidence at, and make submissions to, the meeting; and
 - (d) it finds that they have committed a serious breach of clause 7.1, 7.2 or 7.3.

NATIONAL EXECUTIVE STATEMENT
FOR THE YEAR ENDED 30 JUNE 2024

On 8 November 2024 the National Executive (being the committee of management) of the NTEU passed the following resolution in relation to the general purpose financial report (GPFR) of the NTEU (as the reporting unit) for the financial year ended 30 June 2024:

The National Executive declares in relation to the GPFR that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements and notes comply with any other requirements imposed by the reporting guidelines or Part 3 of Chapter 8 of the *Fair Work (Registered Organisations) Act 2009 (RO Act)*;
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the NTEU for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the NTEU will be able to pay its debts as and when they become due and payable;
- (e) during the financial year to which the GPFR relates and since the end of that year:
 - i. meetings of the National Executive were held in accordance with the rules of the organisation including the rules of a branch concerned; and
 - ii. the financial affairs of the NTEU have been managed in accordance with the rules of the organisation including the rules of a branch concerned; and
 - iii. the financial records of the NTEU have been kept and maintained in accordance with the RO Act; and
 - iv. where the organisation consists of two or more reporting units, the financial records of the NTEU have been kept as far as practicable, in a consistent manner to each of the other reporting units of the organisation; and
 - v. where information has been sought in any request by a member of the NTEU or the General Manager, Fair Work Commission duly made under section 272 of the RO Act, that information has been provided to the member or the General Manager, Fair Work Commission; and
 - vi. where any order for inspection of financial records has been made by the Fair Work Commission under section 273 of the RO Act, there has been compliance.

This declaration is made in accordance with a resolution of the National Executive.

NTEU
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2024

NOTE 1: SUMMARY OF MATERIAL ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of preparation

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards, including Australian Accounting Interpretations and the requirements of the *RO Act*. For the purpose of preparing the general purpose financial statements, the NTEU is a not-for-profit entity.

The financial statements, except for cash flow information, have been prepared on an accrual basis and in accordance with the historical cost, except for certain assets and liabilities measured at fair value, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

Unless otherwise stated all accounting policies are consistent with those of the prior year.

In the application of Accounting Standards, management is required to make judgements, estimates and assumptions about carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstance, the results of which form the basis of making the judgments. Actual results may differ from these estimates. Refer to note 2 for further details.

All amounts in the financial statements have been rounded to the nearest one dollar.

(b) Consolidation

The consolidated financial statements comprise the financial statements of NTEU and its subsidiaries as at 30 June 2024 (the Group). Subsidiaries are all those entities over which the Group has the power to govern the financial and operating policies so as to obtain benefits from their activities. Details of these controlled entities are contained within Note 19(c).

The financial statements of the subsidiaries are prepared for the same reporting period as the parent entity, using consistent accounting policies.

In preparing the consolidated financial statements, all intergroup balances and transactions, income and expenses and profit and losses resulting from intra-group transactions have been eliminated in full.

NOTE 1: SUMMARY OF MATERIAL ACCOUNTING POLICIES (continued)

(c) Revenue recognition

The NTEU enters into various arrangements where it receives consideration from another party. These arrangements include consideration in the form of membership subscriptions.

The timing of recognition of these amounts as either revenue or income depends on the rights and obligations in those arrangements.

Membership subscriptions

For membership subscription arrangements that meet the criteria to be contracts with customers, revenue is recognised when the promised goods or services transfer to the customer as a member of the NTEU.

If there is only one distinct membership service promised in the arrangement, the NTEU recognises revenue as the membership service is provided, which is typically based on the passage of time over the subscription period to reflect the NTEU's promise to stand ready to provide assistance and support to the member as required.

If there is more than one distinct good or service promised in the membership subscription, the NTEU allocates the transaction price to each performance obligation based on the relative standalone selling price of each promised good or service. In performing this allocation, standalone selling prices are estimated if there is no observable evidence of the price that the NTEU charges for that good or service in a standalone sale. When a performance obligation is satisfied, which is either when the customer obtains control of the good (for example, books or clothing) or as the service transfers to the customer (for example, member services or training course), the NTEU recognises revenue at the amount of the transaction price that was allocated to that performance obligation.

For member subscriptions paid annually in advance, the NTEU has elected to apply the practical expedient to not adjust the transaction price for the effects of a significant financing component because the period from when the customer pays and the good or services will transfer to the customer will be one year or less.

When a member subsequently purchases additional goods or services from the NTEU at their standalone selling price, the NTEU accounts for those sales as a separate contract with a customer.

Interest income

Interest revenue is recognised on an accrual basis using the effective interest method.

Rental income

Leases in which the NTEU, as a lessor, do not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the relevant lease term. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as income in the period in which they are earned.

Other Revenue

Other revenue is recognised as income in accordance with AASB 15 where there is an enforceable contract with the customer and the conditions are sufficiently specific to enable determination if the conditions have been satisfied. Where sufficiently specific performance obligations do not exist, revenue is recognised upon receipt in line with AASB 1058 Income for not-for-profit entities.

NOTE 1: SUMMARY OF MATERIAL ACCOUNTING POLICIES (continued)

(d) Comparatives

Where necessary, comparatives have been reclassified and repositioned for consistency with current year disclosures.

(e) Allowance for doubtful debts

Allowance for doubtful debts is recognised when collection of trade debtors in full is no longer probable. Collectability of overdue accounts is assessed on an ongoing basis.

(f) Employee benefits

Provision is made for the NTEU's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits expected to be settled within one year together with benefits arising from wages and salaries, annual leave and long service leave which will be settled after one year, have been measured at the amounts expected to be paid when the liability is settled plus related on-costs.

Liabilities for employee entitlements, which are not expected to be settled within 12 months, are measured at the present value of the estimated future cash outflows to be made for those benefits.

In determining the liability for employee entitlements, consideration has been given to future increases in wage and salary rates, and the entity's experience with staff departures.

(g) Income tax

No provision for Income Tax is necessary as "Trade Unions" are exempt from income tax under Section 50-15 of the Income Tax Assessment Act 1997.

(h) Goods and services tax

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

Receivables and payables are stated with the amount of GST included. The net amount of GST recoverable from, or payable to, the ATO is included as a current asset or liability in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing and financing activities which are recoverable from, or payable to, the ATO are classified as operating cash flows.

(i) Cash and cash equivalents

Cash is recognised at its nominal amount. Cash and cash equivalents includes cash on hand, deposits held at call with bank, and other short-term highly liquid investments that are readily convertible to known amounts of cash and subject to insignificant risk of changes in value and bank overdrafts.

NOTE 1: SUMMARY OF MATERIAL ACCOUNTING POLICIES (continued)

(j) Leases

The NTEU assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Right-of-use assets

The NTEU recognises right-of-use assets at the commencement date of the lease (i.e. the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

Lease liabilities

At the commencement date of the lease, the NTEU recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees.

In calculating the present value of lease payments, the NTEU uses the incremental borrowing rate. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

Short-term leases and leases of low-value assets

The NTEU's short-term leases are those that have a lease term of 12 months or less from the commencement. It also applies the lease of low-value assets recognition exemption to leases of photocopiers that are below \$5,000. Lease payments on short-term leases and leases of low-value assets are recognised as expenses on a straight-line basis over the lease term.

(k) Financial instruments

Financial instruments arise out of contractual agreements that give rise to financial asset of one entity and a financial liability or equity instrument of another entity. The NTEU considers that the carrying amount of financial assets and liabilities recorded in the financial statements to be a fair approximation of their fair values.

The NTEU is exposed to some financial risks: interest rate risk, credit risk and liquidity risk.

Categories of financial assets

Financial assets at amortised cost include financial assets that meet both of the following criteria and the assets are not designated as fair value through net result:

- the assets are held to collect the contractual cash flows, and
- the assets' contractual terms give rise to cash flows that are solely payments of principal and interests.

NTEU
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2024

NOTE 1: SUMMARY OF MATERIAL ACCOUNTING POLICIES (continued)

(k) Financial instruments (continued)

These assets are initially recognised at fair value plus any directly attributable transaction costs and subsequently measured at amortised cost using the effective interest method less any impairment.

The NTEU recognises cash and deposits, and receivables under this category.

Financial assets at fair value through net result include equity instruments that are held for trading as well as derivative instruments are classified as fair value through net result. Other financial assets are required to be measured at fair value through net result unless they are measured at amortised cost or fair value through other comprehensive income.

The NTEU recognises managed investment schemes under this category.

Financial assets at fair value through other comprehensive income (OCI) have their fair value changes recognised in OCI. Gains and losses on these financial assets are never recycled to profit or loss. Equity instruments designated at fair value through OCI are not subject to impairment assessment.

The NTEU elected to classify irrevocably its non-listed equity investments under this category.

(l) Section 272 Fair Work (Registered Organisations) Act 2009

In accordance with the requirements of the *RO Act*, the attention of members is drawn to the provisions of sub-section (1) (2) and (3) of section 272, which reads as follows:

Information to be provided to members or the General Manager, Fair Work Commission:

- (1) A member of a reporting unit, or the General Manager, Fair Work Commission, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- (2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- (3) A reporting unit must comply with an application made under sub-section.

(m) Property, Plant and Equipment

Recognition and measurement

Plant and Equipment

Items of property, plant and equipment are measured at cost less accumulated depreciation and impairment losses.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Freehold land and buildings are brought to account at cost or at independent valuation.

NTEU
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2024

NOTE 1: SUMMARY OF MATERIAL ACCOUNTING POLICIES (continued)

(m) Property, Plant and Equipment (continued)

Depreciation

The depreciable amount of property, plant and equipment are depreciated over the useful lives of the assets to the NTEU, commencing from the time the asset was held ready for use.

The depreciation rates based useful lives used for each class of depreciable assets are as follows:

<i>Class of Asset</i>	<i>Depreciation basis</i>	<i>2024</i>	<i>2023</i>
Buildings	Straight Line	2.5%	2.5%
Buildings (ROU)	Straight Line	12.5-50%	12.5-50%
Office Equipment	Straight Line	20-33%	20-33%
Motor Vehicles	Straight Line	22.5%	22.5%
Building Improvements	Straight Line	10%	10%

The residual value, useful life and depreciation method applied to an asset are reassessed at each reporting date.

(n) Intangibles

Intangible assets with finite lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful life. The estimated useful lives and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses. The useful life of NTEU's intangible assets are:

<i>Class of Asset</i>	<i>Depreciation basis</i>	<i>2024</i>	<i>2023</i>
Intangibles	Straight Line	33%	33%

(o) Investment Property

The NTEU holds investment properties to generate long term rental yields and capital appreciation. The component allocated to investment property is not occupied by the NTEU. The occupied proportion has been allocated to buildings in property, plant and equipment. All tenants are on an arm's length basis.

Initially, investment properties are measured at cost including transaction costs. Subsequent to initial recognition investment properties are stated at fair value.

Gains or losses arising from changes in the fair values of investment properties are included in the statement of comprehensive income in the year in which they arise.

NTEU
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2024

NOTE 1: SUMMARY OF MATERIAL ACCOUNTING POLICIES (continued)

(p) Fair value measurement

When an asset or liability, financial or non-financial, is measured at fair value for recognition or disclosure purposes, the fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date; and assumes that the transaction will take place either: in the principal market; or in the absence of a principal market, in the most advantageous market.

Fair value is measured using the assumptions that market participants would use when pricing the asset or liability, assuming they act in their economic best interest. For non-financial assets, the fair value measurement is based on its highest and best use. Valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, are used, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

(q) Australian Accounting Standards Issued that are not yet effective

The AASB has released a number of amendments to Accounting Standards and Australian Interpretations. The application of these Accounting Standards and Australian Interpretations has not had any significant impact on the NTEU's financial statements. Consequently, they have not been specifically identified.

No accounting standard has been adopted earlier than the application date stated in the standard.

(r) Additional disclosure requirements under Registered Organisations Commission reporting guidelines

(i) Going concern

The NTEU's ability to continue as a going concern is not reliant on financial support of another reporting unit.

(ii) Financial support to another reporting unit

The NTEU has not agreed to provide financial support to ensure another reporting unit has the ability to continue as a going concern.

(iii) Acquisition of assets or liabilities

The NTEU did not acquire an asset or liability due to an amalgamation under Part 2 of Chapter 3 of the RO Act, a restructure of the branches of the organisation, a determination or revocation by the General Manager of the Fair Work Commission under subsections 245(1) or 249(1) of the RO Act.

(iv) Business combinations

The NTEU has not acquired assets or liabilities during the financial year as part of a business combination.

(v) Statement of Financial Position

The NTEU does not have an item or a part of an item in the statement of financial position that has been derived as a result of one or more transactions and/ or past events with another reporting unit of the organisation.

(vi) Statement of Changes in Equity

No compulsory levies are raised from members of the NTEU, therefore no compulsory fund exists for the NTEU.

(vii) Recovery of wages

There has been no recovery of wages activity during the financial year.

(viii) Administration of financial affairs

Another entity has not administered the financial affairs of the reporting unit.

NOTE 2: CRITICAL ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

Estimation of useful lives of assets

The NTEU determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment and finite life intangible assets. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

Employee benefits provision

As discussed in note 1(f), the liability for employee benefits expected to be settled more than 12 months from the reporting date are recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

Fair value measurement hierarchy

The NTEU is required to classify all assets and liabilities, measured at fair value, using a three level hierarchy, based on the lowest level of input that is significant to the entire fair value measurement, being: Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date; Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and Level 3: Unobservable inputs for the asset or liability. Considerable judgement is required to determine what is significant to fair value and therefore which category the asset or liability is placed in can be subjective.

Land and buildings - at Valuation	3,992,500	3,992,500	3,992,500	3,992,500
-----------------------------------	-----------	-----------	-----------	-----------

Non-specialised land and non-specialised buildings are valued using the market based direct comparison method. This means that valuations performed by the valuer as based on active market prices, significantly adjusted for difference in nature, location or condition of the specific property.

The land and buildings were revalued at 30 June 2023 by CIVICMJD, Egan National Valuers (NSW), M3 Property Australia Pty Ltd and Burgess Rawson; all Certified Practising Valuers.

The property rental income earned by the NTEU from its investment properties amounted to \$170,814 for the year (2023: \$175,197). Direct operating expenses arising on the investment properties amounted to \$72,030 (2023: \$88,013).

To the extent that non-specialised land and non-specialised buildings do not contain significant, unobservable adjustments, these assets are classified as Level 2 under the market based direct comparison approach.

Details of the NTEU's investment property and information about the fair value hierarchy as at 30 June 2024 are as follows:

Valuation basis

Non-specialised land and buildings

Non-specialised land and buildings are valued using the market based direct comparison method. This means that valuations performed by the valuer are based on active market prices, significantly adjusted for difference in nature, location or condition of the specific property. A significant increase (decrease) in estimated price per square metre in isolation would result in a significantly higher (lower) fair value.

The land and buildings were revalued at 30 June 2023 by CIVICMJD, Egan National Valuers (NSW), M3 Property Australia Pty Ltd and Burgess Rawson (WA) Pty Limited; all Certified Practising Valuers.

Within the consolidated entity, the building owned by the subsidiary was revalued by CBRE Valuations Pty Limited, a Certified Practising Valuer, as at 30 June 2023.

To the extent that non-specialised land and buildings do not contain significant, unobservable adjustments, these assets are classified as Level 2 under the market based direct comparison approach.

Andrew Miller*	Heather Benbow	Owen (Vince) Caughley*	
Catherine Moore*	Joanne Faulkner	Rajeev Sharma	

* Salaried Elected Officers of the NTEU during the financial year.

Remuneration of Salaried Elected Officers

The compensation paid or payable to Salaried Elected Officers of the NTEU is set out below:

	2024	2023
	\$	\$
Short-term employee benefits		
Salary (including annual leave taken)	1,482,415	1,418,971
Annual leave accrued	<u>24,613</u>	<u>265,972</u>
	1,507,028	1,684,942
Post-employment benefits:		
Superannuation	<u>251,584</u>	<u>275,773</u>
Other long-term benefits:

	<u><u>1,797,203</u></u>	<u><u>2,014,291</u></u>

The NTEU has twelve paid elected officers – three National Officers (President, General Secretary and National Assistant Secretary), six full time State Division Secretaries (ACT, NSW, QLD, SA, Victoria, and WA), and three Division Assistant Secretaries (one in NSW and two in Victoria). The State Division Secretaries for Northern Territory and Tasmania were unpaid Officers for the entirety of the financial year.

Salary rates are set out in a National Salaried Officers Agreement and are benchmarked against the average increase in salaries across the sector of Level E, Level D and C academic rates. They are usually adjusted on the first full pay period in March annually in line with the average benchmark rate. The purpose of such benchmarking is to ensure transparency as well as to ensure that NTEU Elected Officers' salaries only increase in line with salary movements in the sector. As a budget saving decision, NTEU Salaried Elected Officers' offered to forego salary increases due in both March 2023 and March 2024. On this basis, the relevant salary rates applied remained the same as the first full pay period in March 2022 as follows:

President	\$216,101	(112.5% of Level E)
General Secretary	\$216,101	(112.5% of Level E)
National Assistant Secretary	\$192,090	(100% of Level E)
Division Secretaries – Step 1	\$150,382	(100% of Level D)
Division Secretaries – Step 2	\$155,007	(100% of Level D)
Division Secretaries – Step 3	\$157,484	(100% of Level D)

NOTE 20: FINANCIAL INSTRUMENTS AND FINANCIAL RISK MANAGEMENT (continued)

(c) Financial risk management objectives

The NTEU's activities do not expose it to many financial risks, with only liquidity risk being needed to be actively managed.

Market Risk

Foreign currency risk

The NTEU is not exposed to any significant foreign currency risk.

Price risk

The NTEU is not exposed to any significant price risk.

Interest rate risk

The NTEU is not exposed to any significant interest rate risk.

Credit risk

The NTEU is not exposed to any significant credit risk.

Liquidity risk

Vigilant liquidity risk management requires the NTEU to maintain sufficient liquid assets (mainly cash and cash equivalents) to be able to pay debts as and when they become due and payable.

The NTEU manages liquidity risk by maintaining adequate cash reserves by continuously monitoring actual and forecast cash flows and matching the maturity profiles of financial assets and liabilities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE NATIONAL TERTIARY EDUCATION UNION

Opinion

We have audited the financial report of the National Tertiary Education Union (the Parent entity) and its subsidiary (together the Consolidated entity) which comprises the consolidated statement of financial position as at 30 June 2024, the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, notes to the financial statements, including a summary of material accounting policies, the National Executive (being the committee of management) statement and the subsection 255(2A) report.

In our opinion the accompanying financial report presents fairly, in all material aspects, the financial position of the Consolidated entity as at 30 June 2024, and its financial performance and its cash flows for the year ended on that date in accordance with:

- (a) the Australian Accounting Standards; and
- (b) any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

We declare that management's use of the going concern basis of accounting in the preparation of the Consolidated entity's financial report is appropriate.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Consolidated entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Report and Auditor's Report Thereon

The National Executive is responsible for the other information. The other information obtained at the date of this auditor's report is in the operating report accompanying the financial report. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the National Executive for the Financial Report

The National Executive of the Union is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the RO Act, and for such internal control as the National Executive determines necessary to enable the preparation of the financial report that gives a true and fair view and to prevent or detect a material misstatement, whether due to fraud or error.

In preparing the financial report, the National Executive is responsible for assessing the Consolidated entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the National Executive either intend to liquidate the reporting unit or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objective is to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the consolidated entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Union's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Union to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Consolidated entity to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the National Tertiary Education Union audit. We remain solely responsible for our audit opinion.

We communicate with the National Executive regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
