Dear Shaye Candish

**Australian Nursing And Midwifery Federation - New South Wales Branch  
Financial Report for the year ended 30 June 2024 – FR2024/141**

I acknowledge receipt of the financial report for the year ended 30 June 2024 for the Australian Nursing and Midwifery Federation - New South Wales Branch (the reporting unit). The documents were lodged with the Fair Work Commission (the Commission) on 16 December 2024.

The financial report has now been filed. You are not required to take any further action in respect of the report lodged.

The financial report was filed based on a primary review. This involved confirming that the financial reporting timelines required under sections 253, 265, 266 and 268 of the *Fair Work (Registered Organisations) Act 2009* (RO Act) have been satisfied, all documents required under section 268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and reporting guidelines have been complied with. A primary review does not examine all disclosure requirements.

Please note that next year's financial report may be subject to an advanced compliance review.

### Reporting Requirements

The Commission's website provides a number of factsheets in relation to the financial reporting process and associated timelines. The website also contains the section 253 reporting guidelines and a model set of financial statements.

The Commission recommends that reporting units use these model financial statements to assist in complying with the RO Act, the section 253 reporting guidelines and Australian Accounting Standards. Access to this information is available via [this link](#).

If you have any queries regarding this letter, please call 1300 341 665 or email [regorgs@fwc.gov.au](mailto:regorgs@fwc.gov.au).

Yours sincerely

**Fair Work Commission**

## **Designated Officer's Certificate**

S.268 *Fair Work (Registered Organisations) Act 2009*

I, Shaye Candish, being the Branch Secretary of the Australian Nursing and Midwifery Federation New South Wales Branch, certify:

- That the documents lodged herewith are copies of the full financial report, referred to in s.268 of the *Fair Work (Registered Organisations) Act 2009*; and
- That the full financial report was provided to members via the member portal website on 22 October 2024; and
- That the full report was presented to the Australian Nursing and Midwifery Federation New South Wales Branch Council (the committee of management) on 10 December 2024 in accordance with s.266(3) of the *Fair Work (Registered Organisations) Act 2009*.

## Committee of Management Statement

For the Year Ended 30 June 2024

On 15 October 2024 the Committee of Management of the Australian Nursing and Midwifery Federation, New South Wales Branch ("the Branch"), passed the following resolution in relation to the General Purpose Financial Report ("GPFR") of the Branch for the year ended 30 June 2024:

The Committee of Management declares that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements and notes comply with any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the *Fair Work (Registered Organisations) Act 2009 (RO Act)*;
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the Branch for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the Branch will be able to pay its debts as and when they become due and payable; and
- (e) during the financial year to which the general purpose financial report relates and since the end of the financial year:
  - i) meetings of the Committee of Management were held in accordance with the rules of the organisation including the rules of the Branch concerned; and
  - ii) the financial affairs of the Branch have been managed in accordance with the rules of the organisation including the rules of the Branch concerned; and
  - iii) the financial records of the Branch have been kept and maintained in accordance with the RO Act; and
  - iv) where the organisation consists of two or more reporting units, the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner with each of the other reporting units of the organisation; and
  - v) where information has been sought in any request by a member of the reporting unit or General Manager duly made under section 272 of the RO Act, that information has been provided to the member or the General Manager; and
  - vi) where any order for inspection of financial records has been made by the Fair Work Commission under section 273 of the RO Act, there has been compliance.

This declaration is made in accordance with a resolution of the Committee of Management.

## Notes to the Financial Statements

For the Year Ended 30 June 2024

### 1 Material Accounting Policy Information

#### (a) Basis of preparation

The financial statements are general purpose financial statements and have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period and the *Fair Work (Registered Organisations) Act 2009*. For the purpose of preparing the general purpose financial statements, the Branch is a not-for-profit entity.

The financial statements, except for cash flow information, have been prepared using the accrual basis of accounting. The financial statements have been prepared on a historical cost basis, except for certain assets and liabilities measured at fair value, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

#### (b) Comparative amounts

When required by accounting standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

#### (c) Revenue and other income

##### Revenue from contracts with customers

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Branch expects to receive in exchange for those goods or services.

Revenue is recognised by applying a five-step model as follows:

1. Identify the contract with the customer
2. Identify the performance obligations
3. Determine the transaction price
4. Allocate the transaction price to the performance obligations
5. Recognise revenue as and when control of the performance obligations is transferred

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Branch have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

### 1 Material Accounting Policy Information

#### (c) Revenue and other income

##### Specific revenue streams

The material revenue recognition policies for the principal revenue streams of the Branch are:

##### *Membership subscriptions*

Membership fees are received by the New South Wales Nurses and Midwives' Association, which entitles members to hold dual membership with that entity and also the Branch, subject to an overall service agreement with them. Under this agreement, specific membership fees are not separately quantifiable and hence not able to be disclosed.

The Branch recognises revenue as the membership service is provided, which is typically based on the passage of time over the subscription period. This reflects the Branch's ongoing delivery of services in the form of campaigns and industrial services to support members collectively and also the promise to stand ready to provide individual assistance and support to the member as required.

##### *Service fees*

Revenue from the provision of service fees from the New South Wales Nurses and Midwives' Association is recognised on an accrual basis and is recorded as revenue in the year to which it relates. Refer note 16(a)(ii).

##### *Interest revenue*

Interest is recognised using the effective interest rate method.

##### *Investment revenue*

Dividends are recognised when the entity's right to receive payment is established.

Distributions from managed funds are recognised as income when declared and are then reinvested or received as cash distributions.

#### (d) Capitation fees and levies

Capitation fees and levies are recognised on an accruals basis and recorded as a revenue and/or expense in the year to which it relates.

For the Year Ended 30 June 2024

### 1 Material Accounting Policy Information

#### (e) Taxation

The Branch is exempt from income tax under section 50.1 of the *Income Tax Assessment Act 1997* however still has an obligation for Fringe Benefits Tax (FBT) and the Goods and Services Tax (GST).

Revenues, expenses and assets are recognised net of GST except:

- where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO); and
- for receivables and payables.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables.

Cash flows are included in the statement of cash flows on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the ATO is classified within operating cash flows.

#### (f) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

#### (g) Leases

At inception of a contract, the Branch assesses whether a lease exists - i.e. does the contract convey the right to control the use of an identified asset for a period of time in exchange for consideration.

This involves an assessment of whether:

- The contract involves the use of an identified asset - this may be explicitly or implicitly identified within the agreement. If the supplier has a substantive substitution right then there is no identified asset.
- The Branch has the right to obtain substantially all of the economic benefits from the use of the asset throughout the period of use.
- The Branch has the right to direct the use of the asset i.e. decision making rights in relation to changing how and for what purpose the asset is used.

#### (h) Financial instruments

Financial instruments are recognised initially on the date that the Branch becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

### 1 Material Accounting Policy Information

#### (h) Financial instruments

##### Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

##### *Classification*

On initial recognition, the Branch classifies its financial assets into the following categories, those measured at:

- amortised cost
- fair value through profit or loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition unless the Branch changes its business model for managing financial assets.

##### *Amortised cost*

Assets measured at amortised cost are financial assets where:

- the business model is to hold assets to collect contractual cash flows; and
- the contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Branch's financial assets measured at amortised cost comprise trade and other receivables, term deposits, managed funds and cash and cash equivalents in the balance sheet.

Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provision for impairment.

Interest income, foreign exchange gains or losses and impairment are recognised in profit or loss. Gain or loss on derecognition is recognised in profit or loss.

##### *Financial assets through profit or loss*

All financial assets not classified as measured at amortised cost or fair value through other comprehensive income as described above are measured at FVTPL.

##### *Impairment of financial assets*

Impairment of financial assets is recognised on an expected credit loss (ECL) basis for financial assets measured at amortised cost.

## Notes to the Financial Statements

For the Year Ended 30 June 2024

### 1 Material Accounting Policy Information

#### (h) Financial instruments

##### Financial assets

When determining whether the credit risk of a financial assets has increased significant since initial recognition and when estimating ECL, the Branch considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis based on the Branch's historical experience and informed credit assessment and including forward looking information.

The Branch uses the presumption that an asset which is more than 30 days past due has seen a significant increase in credit risk.

The Branch uses the presumption that a financial asset is in default when:

- the other party is unlikely to pay its credit obligations to the Branch in full, without recourse to the Branch to actions such as realising security (if any is held); or
- the financial assets is more than 90 days past due.

Credit losses are measured as the present value of the difference between the cash flows due to the Branch in accordance with the contract and the cash flows expected to be received. This is applied using a probability weighted approach.

##### *Trade receivables*

Impairment of trade receivables have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses. The Branch has determined the probability of non-payment of the receivable and multiplied this by the amount of the expected loss arising from default.

The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

Where the Branch renegotiates the terms of trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in profit or loss.

##### *Other financial assets measured at amortised cost*

Impairment of other financial assets measured at amortised cost are determined using the expected credit loss model in AASB 9. On initial recognition of the asset, an estimate of the expected credit losses for the next 12 months is recognised. Where the asset has experienced significant increase in credit risk then the lifetime losses are estimated and recognised.

For the Year Ended 30 June 2024

### 1 Material Accounting Policy Information

#### (h) Financial instruments

##### Financial liabilities

The Branch measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method.

The financial liabilities of the Branch comprise trade and other payables.

#### (i) Impairment of non-financial assets

At the end of each reporting period the Branch determines whether there is evidence of an impairment indicator for non-financial assets.

Where this indicator exists the recoverable amount of the asset is estimated. This is also estimated for intangible assets with an indefinite life and intangible assets not yet available for use, regardless of whether there is an indicator of impairment.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss.

#### (j) Employee benefits

Provision is made for the Branch's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

## Notes to the Financial Statements

For the Year Ended 30 June 2024

### 1 Material Accounting Policy Information

#### (j) Employee benefits

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Cashflows are discounted using market yields on high quality corporate bond rates incorporating bonds rated AAA or AA by credit agencies, with terms to maturity that match the expected timing of cashflows. Changes in the measurement of the liability are recognised in profit or loss.

#### Defined benefit superannuation schemes

##### *Nature of the benefits provided by the fund*

The Pooled Fund holds in trust the investments of the closed NSW public sector superannuation schemes:

- State Authorities Superannuation Scheme (SASS)
- State Superannuation Scheme (SSS)
- State Authorities Non-contributory Superannuation Scheme (SANCS)

These schemes are all defined benefit schemes - at least a component of the final benefit is derived from a multiple of member salary and years of membership. Members receive a lump sum or pension benefits on retirement, death, disablement and withdrawal.

All the schemes are closed to new members.

##### *Description of the regulatory framework*

The schemes in the Pooled Fund are established and governed by the following NSW legislation: *Superannuation Act 1916*, *State Authorities Superannuation Act 1987*, *Police Regulation (Superannuation) Act 1906*, *State Authorities Non-Contributory Superannuation Act 1987*, and their associated regulations.

The schemes in the Pooled Fund are exempt public sector superannuation schemes under the Commonwealth *Superannuation Industry (Supervision) Act 1993 (SIS)*. The SIS Legislation treats exempt public sector superannuation funds as complying funds for concessional taxation and superannuation guarantee purposes.

Under a Heads of Government agreement, the New South Wales Government undertakes to ensure that the Pooled Fund will conform with the principles of the Commonwealth's retirement incomes policy relating to preservation, vesting and reporting to members and that members' benefits are adequately protected.

The New South Wales Government prudentially monitors and audits the Pooled Fund and the Trustee Board activities in a manner consistent with the prudential controls of the SIS legislation. These provisions are in addition to other legislative obligations on the Trustee Board and internal processes that monitor the Trustee Board's adherence to the principles of the Commonwealth's retirement incomes policy.

## Notes to the Financial Statements

For the Year Ended 30 June 2024

### 1 Material Accounting Policy Information

#### (j) Employee benefits

##### Defined benefit superannuation schemes

An actuarial investigation of the Pooled Fund is performed every three years. The last actuarial investigation was performed as at 30 June 2021. The next actuarial investigation will be performed as at 30 June 2024.

##### *Description of other entities' responsibilities for the governance of the fund*

The Fund's Trustee is responsible for the governance of the Fund. The Trustee has a legal obligation to act solely in the best interests of fund beneficiaries. The Trustee has the following roles:

- Administration of the fund and payment to the beneficiaries from fund assets when required in accordance with the fund rules;
- Management and investment of the fund assets; and
- Compliance with other applicable regulations.

##### Defined contribution schemes

Obligations for contributions to defined contribution superannuation plans are recognised as an employee benefit expense in profit or loss in the periods in which services are provided by employees.

#### (k) Going concern

The Branch is reliant on the agreed financial support of New South Wales Nurses and Midwives' Association [refer note 16(a)(ii)] to continue on a going concern basis. A formal undertaking has been made that the New South Wales Nurses and Midwives' Association will provide sufficient funds to ensure that the Branch can meet its obligations to the New South Wales Nurses and Midwives' Association under the relevant service agreement. This is an interest free agreement with no set termination date. No amounts of financial support were received during the year (2023: \$NIL).

#### (l) Adoption of new and revised accounting standards

The Branch has adopted all standards which became effective for the first time during the year 30 June 2024, none of the new standards had a material impact on the reported financial position of performance.

#### (m) New accounting standards for application in future periods

Certain new accounting standards have been published that are not mandatory for 30 June 2024 reporting periods and have not been early adopted by the Branch. These standards are not expected to have a material impact on the Branch in the current or future reporting periods and on foreseeable future transactions.

### 2 Critical Accounting Estimates and Judgments

The Committee of Management make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below:

#### *Key estimates - employee entitlements*

As described in the accounting policies, provisions are measured at management's best estimate of the expenditure required to settle the obligation at the end of the reporting period. These estimates are made taking into account a range of possible outcomes and will vary as further information is obtained.

#### *Key estimates - defined benefit plans*

Key estimates and assumptions relating to the defined benefit plans are disclosed at note 10(c).

The maximum exposure to credit risk at the reporting date is the fair value of each class of receivable in the financial statements.

#### (a) Impairment of receivables

The Branch applies the simplified approach to providing for expected credit losses prescribed by AASB 9, which permits the use of the lifetime expected loss provision for all trade receivables. To measure the expected credit losses, trade receivables have been grouped based on shared credit risk characteristics and the days past due. There is no loss allowance provision required as at 30 June 2024 (2023: \$NIL).

#### Defined Benefit Plans

The Branch has no legal obligation to settle the defined benefit liability with an immediate contribution or additional one off contribution.

The following sets out details in respect of the defined benefit superannuation plans in which the Branch participates.

#### *Description of risks*

There are a number of risks to which the Fund exposes the Employer. The more significant risks relating to the defined benefits are:

**Investment risk** - The risk that investment returns will be lower than assumed and the Employer will need to increase contributions to offset this shortfall.

**Longevity risk** - The risk that pensioners live longer than assumed, increasing future pensions.

**Pension indexation risk** - The risk that pensions will increase at a rate greater than assumed, increasing future pensions.

**Salary growth risk** - The risk that wages or salaries (on which future benefit amounts for active members will be based) will rise more rapidly than assumed, increasing defined benefit amounts and thereby requiring additional employer contributions.

		<u>374,210</u>	<u>336,100</u>

#### Liquidity risk

Liquidity risk arises from the Branch's management of working capital. It is the risk that the Branch will encounter difficulty in meeting its financial obligations as they fall due.

The Branch's policy is to ensure that it will always have sufficient cash to allow it to meet its liabilities as and when they fall due.

The Branch manages its liquidity needs by carefully monitoring cash-outflows due in day-to-day business.

At the reporting date, these reports indicate that the Branch expected to have sufficient liquid resources to meet its obligations under all reasonably expected circumstances.

The Branch's liabilities have contractual maturities of less than 1 year.

#### Credit risk

The Branch has no significant concentration of credit risk with respect to any single counterparty or group of counterparties. The class of assets described as 'trade and other receivables' is considered to be the main source of credit risk related to the Branch.

The Branch does not hold any financial assets with terms that have been renegotiated, but which would otherwise be past due or impaired.

The other classes of receivables do not contain impaired assets.

#### Market risk

##### *Equity price risk*

The Branch is exposed to equity securities price risk. This arises from listed investments held by the Branch and classified as fair value through profit or loss on the balance sheet.

The Branch is not exposed to commodity price risk.

At reporting date, if the Australian Securities Exchange index had increased / decreased by 5% with all other variables held constant and all of the Branch's equity instruments moved according to the historical correlation with the index, the impact on profit and equity is shown in the table below:

For the Year Ended 30 June 2024

### 19 Events occurring after the reporting date

The financial report was authorised for issue on 15 October 2024 by the Committee of Management.

Other than the above, there has not been any matter or circumstance occurring subsequent to the end of the financial year that has significantly affected, or may significantly affect, the operations of the Branch, the results of those operations, or the state of affairs of the Branch in subsequent financial periods.

### 20 Economic dependency and support

The Branch's ability to continue as a going concern is dependent of the receipt of Service Fee income, as already referred to at note 1(k). This recurrent funding makes up the majority of the Branch's income, as referred to at note 3. As at the date of this report, future Service Fee income levels for the Branch are expected to remain substantially unchanged from the current year.

### 21 Section 272 Fair Work (Registered Organisations) Act 2009

In accordance with the requirements of the *Fair Work (Registered Organisations) Act 2009*, the attention of members is drawn to the provisions of subsections (1) to (3) of section 272, which reads as follows:

Information to be provided to members or General Manager:

- (1) A member of a reporting unit, or the General Manager, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- (2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- (3) A reporting unit must comply with an application made under subsection (1).

## Independent Audit Report to the members of Australian Nursing and Midwifery Federation New South Wales Branch

### Report on the Audit of the Financial Report

#### Opinion

We have audited the financial report of Australian Nursing and Midwifery Federation New South Wales Branch (the Reporting Unit), which comprises the balance sheet as at 30 June 2024, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year ended 30 June 2024, and notes to the financial statements, including material accounting policy information, the Committee of Management Statement, the subsection 255(2A) report and the officer declaration statement.

In our opinion, the accompanying financial report presents fairly, in all material aspects, the financial position of Australian Nursing and Midwifery Federation New South Wales Branch as at 30 June 2024 and its financial performance and its cash flows for the year ended on that date in accordance with:

- (i) the Australian Accounting Standards; and
- (ii) any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

We declare that management's use of the going concern basis in the preparation of the financial statements of the Reporting Unit are appropriate.

#### Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Reporting Unit in accordance with the ethical requirements of the of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **Independent Audit Report to the members of Australian Nursing and Midwifery Federation New South Wales Branch**

### **Information Other than the Financial Report and Auditors Report Thereon**

The Committee of Management is responsible for the other information. The other information comprises any information that does not form part of the financial report, as defined in the Opinion section of this Independent Audit Report for the year ended 30 June 2024, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Committee Of Management for the Financial Report**

The Committee of Management of the Reporting Unit is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the RO Act, and for such internal control as the Committee of Management determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee of Management are responsible for assessing the Reporting Unit's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee of Management either intend to liquidate the Reporting Unit or to cease operations, or have no realistic alternative but to do so.

### **Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

## Independent Audit Report to the members of Australian Nursing and Midwifery Federation New South Wales Branch

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Reporting Unit's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee of management.
- Conclude on the appropriateness of the Committee of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Reporting Unit's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause Reporting Unit to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the committee of management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

I declare that I am an auditor registered under the RO Act.
