Dear Anthony Wright

**Industrial Staff Union - PSA of NSW
Financial Report for the year ended 30 June 2024 – (FR2024/177)**

I acknowledge receipt of the financial report for the year ended 30 June 2024 for the Industrial Staff Union - PSA of NSW. The documents were lodged with the Fair Work Commission (the Commission) on 31 January 2025.

The financial report has now been filed.

The financial report was filed based on a primary review. This involved confirming that the financial reporting timelines required under sections 253, 265, 266 and 268 of the *Fair Work (Registered Organisations) Act 2009* (RO Act) have been satisfied, all documents required under section 268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and reporting guidelines have been complied with. A primary review does not examine all disclosure requirements.

Please note that the financial report for the year ending 30 June 2025 may be subject to an advanced compliance review.

You are not required to take any further action in respect of the report lodged. I make the following comments to assist you when you next prepare a financial report. The Commission will confirm these concerns have been addressed prior to filing next year's report.

Reference to the Commissioner of the Registered Organisations Commission

The Commission has been the regulator for registered organisations since 6 March 2023. All references to the Registered Organisations Commission and Commissioner must be changed to the Fair Work Commission and General Manager of the Fair Work Commission.

I note that item 5 of the committee of management statement and note 11 refer to the Commissioner of the Registered Organisations Commission instead of the General Manager of the Fair Work Commission. Please ensure in future year that these items are updated accordingly.

Reporting Requirements

The Commission's website provides a number of factsheets in relation to the financial reporting process and associated timelines. The website also contains the section 253 reporting guidelines and a model set of financial statements.

The Commission recommends that reporting units use these model financial statements to assist in complying with the RO Act, the section 253 reporting guidelines and Australian Accounting Standards. Access to this information is available via [this link](#).

If you have any queries regarding this letter, please call 1300 341 665 or email regorgs@fwc.gov.au.

Yours sincerely

Dear Shay Deguara,

Industrial Staff Union

Request for extension of time to hold the general meeting of members for the financial year ended 30 June 2024 – (FR2024/177)

I acknowledge receipt on 12 December 2024 of a request for an extension of time to hold a meeting under section 266 of the Fair Work (Registered Organisations) Act (RO Act) of the Industrial Staff Union (the reporting unit) for the year ended 30 June 2024. Based on previous lodgement, this section 266 meeting has been a general meeting of members. I also acknowledge further information that was provided to support the request on 13 December 2024.

Subsection 266(1) of the RO Act provides that when the financial report is to be presented to a general meeting of members, a meeting is required to be held within the period of 6 months of the end of the financial year; for the reporting unit, that is by 31 December 2024. Subsection 265(5) of the RO Act enables the General Manager, upon application by a reporting unit, to extend the period by no more than one month.

As the Delegate of the General Manager, I have carefully considered this application and the circumstances in which it has been made.

Reasons for extension of time

Your email advises that the reporting unit seeks an extension of time due to the reporting unit being unable to meet the requirements under subsection 265(5)(a) for the RO Act and provide members with a copy of the full report 21 days before the section 266 meeting. The finalisation of the reporting unit's financial report was delayed due to leave arrangements of both the reporting unit and the auditor. Although the audit has been completed and the financial report approved by the reporting unit's Executive Committee, there is not enough time to provide members with the full report 21 days before the statutory deadline to hold a general meeting of members of 31 December 2024.

Decision to grant the extension of time to hold the general meeting of members

Having considered your reasons, I allow an extension of time for a period of one month, until **31 January 2025**, to hold the general meeting of members of the reporting unit for the year ended 30 June 2024. I remind the reporting unit of its obligations under subsection 265(5)(a) of the RO Act that a copy of the full or concise report must be provided to members at least 21 days before the general meeting of members.

Other matter

Your email mentions that you are interested in commencing a discussion with the Commission about whether it would be advantageous for the reporting unit to utilise section 270 of the RO Act for future years financial reporting obligations.

The Commission's Director, Financial Analysis, Education and Advice, Joanne Fenwick, will contact the reporting unit in early 2025 to arrange a time to discuss options available to the reporting unit to assist with meeting its financial reporting obligations.

If you have any queries regarding this letter, please call 1300 341 665 or email regorgs@fwc.gov.au.

Yours sincerely

Committee of Management Statement

Industrial Staff Union - PSA of NSW

For the year ended 30 June 2024

On 9/12 2024 the Committee of Management of the ISU passed the following resolution in relation to the general purpose financial report (GPFR) for the year ended 30 June 2024:

The Committee of Management declares that in its opinion:

1. the financial statements and notes comply with the Australian Accounting Standards;
2. the financial statements and notes comply with any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the *Fair Work (Registered Organisations) Act 2009* (the **RO Act**);
3. the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
4. there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable; and
5. during the financial year to which the GPFR relates and since the end of that year:
 - meetings of the committee of management were held in accordance with the rules of the organisation including the rules of a branch concerned; and
 - the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of a branch concerned; and
 - the financial records of the reporting unit have been kept and maintained in accordance with the RO Act; and
 - where the organisation consists of two or more reporting units, the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner with each of the other reporting units of the organisation; and
 - where information has been sought in any request by a member of the reporting unit or the Commissioner duly made under section 272 of the RO Act, that information has been provided to the member or the Commissioner; and
 - where any order for inspection of financial records has been made by the Fair Work Commission under section 273 of the RO Act, there has been compliance.

This declaration is made in accordance with a resolution of the committee of management.

Notes to the Financial Statements

Industrial Staff Union - PSA of NSW For the year ended 30 June 2024

1. Summary of Significant Accounting Policies

1.1 Basis of Preparation of the Financial Statements

The financial statements are general purpose financial statements and have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (**AASB**) that apply for the reporting period, and the *Fair Work (Registered Organisation) Act 2009 (RO Act)*. For the purpose of preparing the general purpose financial statements, ISU is a not-for-profit entity.

The financial statements, except for cash flow information, have been prepared using the accrual basis of accounting. The financial statements have been prepared on a historical cost basis except for debt and equity financial assets (including derivative financial instruments) that have been measured at fair value either through other comprehensive income or profit or loss, certain classes of property, plant and equipment and investment properties, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

1.2 Significant Accounting Judgements and Estimates

The following accounting assumptions or estimates have been identified that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

1.3 Future Australian Accounting Standards

Future Australian Accounting Standards

No new standards, amendments to standards or interpretations that were issued prior to the sign-off date and are applicable to future reporting periods are expected to have a future financial impact on the ISU.

1.4 Revenue

The ISU enters into various arrangements where it receives consideration from another party. These arrangements include consideration in the form of membership subscriptions, capitation fees, levies, grants, and donations.

The timing of recognition of these amounts as either revenue or income depends on the rights and obligations in those arrangements.

Revenue from contracts with customers

Where the ISU has a contract with a customer, the ISU recognises revenue when or as it transfers control of goods or services to the customer. *[Reporting unit]* accounts for an arrangement as a contract with a customer if the following criteria are met:

- the arrangement is enforceable; and
- the arrangement contains promises (that are also known as performance obligations) to transfer goods or services to the customer (or to other parties on behalf of the customer) that are sufficiently specific so that it can be determined when the performance obligation has been satisfied.

These notes should be read in conjunction with the attached compilation report.

Membership Subscriptions

For membership subscription arrangements that meet the criteria to be contracts with customers, revenue is recognised when the promised goods or services transfer to the customer as a member of the ISU.

If there is only one distinct membership service promised in the arrangement, ISU recognises revenue as the membership service is provided, which is typically based on the passage of time over the subscription period to reflect the ISU's promise to stand ready to provide assistance and support to the member as required.

If there is more than one distinct good or service promised in the membership subscription, ISU allocates the transaction price to each performance obligation based on the relative standalone selling price of each promised good or service. In performing this allocation, standalone selling prices are estimated if there is no observable evidence of the price that the ISU charges for that good or service in a standalone sale. When a performance obligation is satisfied, which is either when the customer obtains control of the good (for example, books or clothing) or as the service transfers to the customer (for example, member services or training course), ISU recognises revenue at the amount of the transaction price that was allocated to that performance obligation.

For member subscriptions paid annually in advance, ISU has elected to apply the practical expedient to not adjust the transaction price for the effects of a significant financing component because the period from when the customer pays and the good or services will transfer to the customer will be one year or less.

When a member subsequently purchases additional goods or services from ISU at their standalone selling price, ISU accounts for those sales as a separate contract with a customer.

Capitation fees

Where the ISU arrangement with a branch or another reporting unit meets the criteria to be a contract with a customer, ISU recognises the capitation fees promised under that arrangement when or as it transfers.

In circumstances where the criteria for a contract with a customer are not met, the ISU will recognise capitation fees as income upon receipt (as specified in the income recognition policy below).

Levies

Levies paid by a member (or other party) in an arrangement that meets the criteria to be a contract with a customer is recognised as revenue when or as the ISU transfers the goods or services.

In circumstances where the criteria for a contract with a customer are not met, ISU will recognise levies as income upon receipt (as specified in the income recognition policy below).

Income of ISU as a Not-for-Profit Entity

Consideration is received by ISU to enable the entity to further its objectives. The ISU recognises each of these amounts of consideration as income when the consideration is received (which is when ISU obtains control of the cash) because, based on the rights and obligations in each arrangement:

- the arrangements do not meet the criteria to be contracts with customers because either the arrangement is unenforceable or lacks sufficiently specific promises to transfer goods or services to the customer; and
- ISU recognition of the cash contribution does not give rise to any related liabilities.

ISU receives cash consideration from the following arrangements whereby that consideration is recognised as income upon receipt:

- donations and voluntary contributions from members (including whip rounds); and
- government grants.

These notes should be read in conjunction with the attached compilation report.

Volunteer services

ISU receives volunteer services. In those circumstances where the fair value of the volunteer services can be measured reliably, ISU recognises the fair value of volunteer services received as income together with a corresponding expense where the economic benefits of the volunteer services are consumed as the services are acquired. Where the volunteer services contribute to the development of an asset, the fair value is included in the carrying amount of that asset.

During the year, ISU did not recognise any volunteer services as revenue because it could not reliably measure the fair value of those services.

Interest income

Interest revenue is recognised on an accrual basis using the effective interest method.

1.5 Cash

Cash is recognised at its nominal amount. Cash and cash equivalents include cash on hand, deposits held at call with bank, other short-term highly liquid investments with original maturity of 3 months or less that are readily convertible to known amounts of cash and subject to insignificant risk of changes in value and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

1.6 Financial Instruments

Financial assets and financial liabilities are recognised when ISU becomes a party to the contractual provisions of the instrument.

1.7 Taxation

ISU is exempt from income tax under section 50.1 of the *Income Tax Assessment Act 1997* however still has an obligation for Fringe Benefits Tax (**FBT**) and the Goods and Services Tax (**GST**).

Revenues, expenses and assets are recognised net of GST except:

- where the amount of GST incurred is not recoverable from the Australian Taxation Office (**ATO**); and
- for receivables and payables.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables.

Cash flows are included in the statement of cash flows on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the ATO is classified within operating cash flows.

2. Events After the Reporting Period

There has not been any matter or circumstance occurring subsequent to the end of the financial year that has significantly affected, or may significantly affect, the operations of the ISU, the results of those operations, or the state of affairs of ISU in subsequent financial periods.

3. Revenue and Income

A disaggregation of revenue by type of arrangement is provided on the face of the Statement of Comprehensive Income. All revenue by type of customer and funding source for the ISU is sourced from Members.

These notes should be read in conjunction with the attached compilation report.

Financial Risk Management Objectives

The Industrial Staff Union - PSA of NSW's activities do not expose it to a variety of financial risks such as market risk, including foreign currency, price and interest rate risk, credit risk, and liquidity risk.

Liquidity Risk

These notes should be read in conjunction with the attached compilation report.

Vigilant liquidity risk management requires the entity to maintain sufficient liquid assets (mainly cash and cash equivalents) to be able to pay obligations as and when they become due and payable.

The entity manages liquidity risk by maintaining adequate cash reserves and by continuously monitoring actual and forecast cash flows and matching the maturity profiles of financial assets and liabilities.

These notes should be read in conjunction with the attached compilation report.

	2024	2023
10. Remuneration of Auditors

During the financial year the above fees were paid or payable for services provided by Minett & Partners Auditing Pty Ltd, the auditor of the company, and Tsia Partners Pty Ltd, the accountant for the company.

11. Section 272 Fair Work (Registered Organisations) Act 2009

In accordance with the requirements of the Fair Work (Registered Organisations) Act 2009, the attention of members is drawn to the provision of subsections (1) to (3) of section 272 which reads as follows:

Information to be provide to members or Commissioner:

1. A member of a reporting unit, or the Commissioner, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
2. The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
3. A reporting unit must comply with an application made under subsection (1).

These notes should be read in conjunction with the attached compilation report.

**INDEPENDENT AUDIT REPORT TO THE MEMBERS OF
INDUSTRIAL STAFF UNION – PSA OF NSW (ISU)**

Report on the Audit of the Financial Report Opinion

I have audited the financial report of Industrial Staff Union – PSA of NSW (ISU) (the reporting unit), which comprises the statement of financial position as at 30 June 2024, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended 30 June 2024, notes to the financial statements, including a summary of significant accounting policies, the committee of management statement, the subsection 255(2A) report and the officer declaration statement.

In my opinion, the accompanying financial report presents fairly, in all material aspects, the financial position of Industrial Staff Union – PSA of NSW (ISU) as at 30 June 2024, and its financial performance and its cash flows for the year ended on that date in accordance with:

- a) the Australian Accounting Standards; and
- b) any other requirements imposed by the reporting guidelines or Part 3 of Chapter 8 of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

I declare that management's use of the going concern basis in the preparation of the financial statements of the reporting unit is appropriate.

Basis for Opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report. I am independent of the reporting unit in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Information Other than the Financial Report and Auditor's Report Thereon

The committee of management is responsible for the other information. The other information obtained at the date of this auditor's report is in the operating report accompanying the financial report.

My opinion on the financial report does not cover the other information and accordingly I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial report, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Committee of Management for the Financial Report

The committee of management of the reporting unit is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the RO Act, and for such internal control as the committee of management determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the committee of management is responsible for assessing the reporting unit's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the committee of management either intend to liquidate the reporting unit or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

My objective is to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the reporting unit's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee of management.
- Conclude on the appropriateness of the committee of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the reporting unit's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the reporting unit to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the reporting unit to express an opinion on the financial report. I am responsible for the direction, supervision and performance of the reporting unit audit. I remain solely responsible for my audit opinion.

I communicate with the committee of management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I declare that I am an auditor registered under the RO Act.
