[2] Under the rules of the organisation, there are a number of offices (particularly those where representatives are elected from each Branch to another body) in which the Branch's entitlement is calculated based on membership as at 30 June in the current year. As that date has not yet been reached – but will be reached before nominations are due to open under the rules – for those particular offices the decision issued today refers to “numbers to be determined in accordance with the rules” rather than specifying those numbers.

[3] I note that, following the issuing of this decision, the organisation is responsible for providing the Australian Electoral Commission (AEC) with those numbers (and the number of members used to calculate those entitlements) as soon as possible in the period after 30 June this year and before the date that nominations are due to open under the rules. As part of its prescribed information, the organisation has given an undertaking to do this. It has separately indicated that a copy of that notification to the AEC will be provided to this Commission.

[4] I am satisfied that an election for the abovenamed offices is required to be held under the rules of the organisation and, under subsection 189(3) of the *Fair Work (Registered Organisations) Act 2009*, I am making arrangements for the conduct of the election by the AEC.
