Dear Kevin Morton

Section 269 application for certificate stating financial affairs of reporting unit are encompassed by financial affairs of associated State body for year ended 31 December 2024 (FR2024/206)

I refer to the application lodged pursuant to section 269 of the Fair Work (Registered Organisations) Act 2009 (RO Act) in respect of the Police Federation of Australia-New South Wales Police Branch (the reporting unit) for the financial year ended 31 December 2024. The application was lodged with the Fair Work Commission (the commission) on 23 June 2025. I also acknowledge receipt of the amended application which was lodged with the Commission on 18 July 2025.

I have granted the application. The certificate is attached.

You are not required to take any further action in respect of the application lodged, however I make the following comments to assist you when you next prepare a section 269 application.

Provision audited accounts to members

The application provided the response 'NA' to the question on whether the associated State body had provided a copy of the audited accounts to any members of the reporting unit who are not also members of the associated State body. You confirmed with the Commission on 10 July 2025, that every member of the associated state body is also a member of the reporting unit.

If you have any queries regarding this letter, please call 1300 341 665 or email regorgs@fwc.gov.au.

Yours sincerely

Notes to the Financial Statements

For the Year Ended 31 December 2024

The financial report covers Police Association of NSW ("the Association") as an individual entity. Police Association of NSW is a not-for-profit Association which is an organisation of employees registered under the *Industrial Relations Act 1996 [NSW]* ("the Act"). In accordance with the Act, the Association is a body corporate with perpetual succession.

The functional and presentation currency of the Association is Australian dollars.

Comparatives are consistent with prior years, unless otherwise stated.

1 Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards - Simplified Disclosures and the *Industrial Relations Act 1996 [NSW]*. For the purpose of preparing the general purpose financial statements, the Association is a not-for-profit entity.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Material accounting policy information relating to the preparation of these financial statements is presented below and is consistent with prior reporting periods unless otherwise stated.

2 Material Accounting Policy Information

(a) Revenue and other income

Revenue from contracts with customers

Revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Association expects to receive in exchange for those goods or services.

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Association have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

2 Material Accounting Policy Information

(a) Revenue and other income

The material revenue recognition policies for the principal revenue streams of the Association are:

Membership income

For membership subscription arrangements that meet the criteria to be contracts with customers, revenue is recognised when the promised goods or services transfer to the customer as a member of the Association.

There is only one distinct membership service promised in the arrangement. Accordingly, the Association recognises revenue as the membership service is provided, which is typically based on the passage of time over the subscription period to reflect the Association's promise to stand ready to provide assistance and support to the member as required.

For member subscriptions paid annually in advance, the Association has elected to apply the practical expedient to not adjust the transaction price for the effects of a significant financing component because the period from when the customer pays and the good or services will transfer to the customer will be one year or less.

When a member subsequently purchases additional goods or services from the Association at their standalone selling price, the Association accounts for those sales as a separate contract with a customer.

Interest revenue

Interest revenue is recognised using the effective interest rate method.

Investment revenue

Dividends are recognised when the Association's right to receive payment is established.

Distributions from managed funds are recognised as income when earned and are reinvested or received as cash distributions.

Rental income

Rental income is recognised on a straight-line basis over a period of the lease term so as to reflect a constant periodic rate of return on the net investment.

2 Material Accounting Policy Information

(b) Leases

Lessee accounting

The non-lease components included in the lease agreement have been separated and are recognised as an expense as incurred.

Right-of-use asset

The right-of-use asset is depreciated over the lease term on a straight line basis and assessed for impairment in accordance with the impairment of assets accounting policy.

(c) Income Tax

No provision for income tax is necessary, as the Association (being a registered Industrial Trade Union) is exempt from tax under s.50(15) of the *Income Tax Assessment Act 1997*.

(d) Financial instruments

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through surplus or deficit where transaction costs are expensed as incurred).

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Impairment of financial assets

Impairment of financial assets is recognised on an expected credit loss (ECL) basis for financial assets measured at amortised cost.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECL, the Association considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis based on the Association's historical experience and informed credit assessment, including forward looking information.

2 Material Accounting Policy Information

(d) Financial instruments

Financial assets

The Association uses the presumption that an asset which is more than 30 days past due has seen a significant increase in credit risk.

The Association uses the presumption that a financial asset is in default when:

- the other party is unlikely to pay its credit obligations to the Association in full, without recourse to the Association to actions such as realising security (if any is held); or
- the financial asset is more than 90 days past due.

Credit losses are measured as the present value of the difference between the cash flows due to the Association in accordance with the contract and the cash flows expected to be received. This is applied using a probability weighted approach.

Trade receivables

Impairment of trade receivables have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses.

The amount of the impairment is recorded in a separate allowance account with the loss being recognised in bad debt expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

Where the Association renegotiates the terms of trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in surplus or deficit.

Financial liabilities

The financial liabilities of the Association comprise of trade and other payables and lease liabilities.

(e) Investment property

Investment property is held to generate long-term rental yields and capital growth and are not occupied by the Association. Investment property is carried at fair value, reviewed annually, with reference to independent valuations. Changes to fair value are recorded in the statement of surplus or deficit and other comprehensive income as other income/expenses.

(f) Property, plant and equipment

Plant and equipment

Each class of plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment.

Land and buildings

Land and buildings are measured using the revaluation model.

Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the assets useful life to the Association, commencing when the asset is ready for use.

The depreciation rates used for each class of depreciable asset are shown below:

| Fixed asset class | Depreciation rate |
|-------------------|-------------------|
| Buildings | 2.5% |
| Office equipment | 5 - 40% |
| Motor vehicles | 15 - 25% |

(g) Employee benefits

Defined benefit superannuation schemes

The Pooled Fund holds in trust the investments of the following relevant closed NSW public sector superannuation schemes:

- State Authorities Superannuation Scheme (SASS);
- State Superannuation Scheme (SSS);
- Police Superannuation Scheme (PSS); and
- State Authorities Non-contributory Superannuation Scheme (SANCS).

Regulatory framework

The schemes in the Pooled Fund are established and governed by the following NSW legislation: *Superannuation Act 1916*, *State Authorities Superannuation Act 1987*, *Police Regulation (Superannuation) Act 1906*, *State Authorities Non-Contributory Superannuation Act 1987*, and their associated regulations.

The schemes in the Pooled Fund are exempt public sector superannuation schemes under the Commonwealth *Superannuation Industry (Supervision) Act 1993* (SIS). The SIS Legislation treats exempt public sector superannuation funds as complying funds for concessional taxation and superannuation guarantee purposes.

Under a Heads of Government agreement, the New South Wales Government undertakes to ensure that the Pooled Fund will conform with the principles of the Commonwealth's retirement incomes policy relating to preservation, vesting and reporting to members and that members' benefits are adequately protected.

The New South Wales Government prudentially monitors and audits the Pooled Fund and the Trustee Board activities in a manner consistent with the prudential controls of the SIS legislation. These provisions are in addition to other legislative obligations on the Trustee Board and internal processes that monitor the Trustee Board's adherence to the principles of the Commonwealth's retirement incomes policy.

An actuarial investigation of the Pooled Fund is performed every three years. The last actuarial investigation was performed as at 30 June 2024. The next actuarial investigation will be performed as at 30 June 2027.

Description of other entities' responsibilities for the governance of the fund

The Fund's Trustee is responsible for the governance of the Fund. The Trustee has a legal obligation to act solely in the best interests of fund beneficiaries. The Trustee has the following roles:

- Administration of the fund and payment to the beneficiaries from fund assets when required in accordance with the fund rules;
- Management and investment of the fund assets; and
- Compliance with other applicable regulations.

Description of risks

There are a number of risks to which the Fund exposes the Employer. The more significant risks relating to the defined benefits are:

- *Investment risk* - The risk that investment returns will be lower than assumed and the Employer will need to increase contributions to offset this shortfall.
- *Longevity risk* - The risk that pensioners live longer than assumed, increasing future pensions.
- *Pension indexation risk* - The risk that pensions will increase at a rate greater than assumed, increasing future pensions.
- *Salary growth risk* - The risk that wages or salaries (on which future benefit amounts for active members will be based) will rise more rapidly than assumed, increasing defined benefit amounts and thereby requiring additional employer contributions.
- *Legislative risk* - The risk is that legislative changes could be made which increase the cost of providing the defined benefits.

The defined benefit fund assets are invested with independent fund managers and have a diversified asset mix. The Fund has no significant concentration of investment risk or liquidity risk.

Description of significant events

There were no fund amendments, curtailments or settlements during the year.

3 Critical Accounting Estimates and Judgements

Those charged with governance make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below:

Key estimates - property held at fair value

Independent valuations of properties (land & buildings and investment property) carried at fair value were obtained effective 31 December 2024. The Executive have reviewed these valuations and consider them to remain appropriate for reflecting the fair values of the properties as at the current balance date. The valuations are an estimation which would only be realised if the properties are sold. Note 11 and 12 provide information on the valuations obtained.

3 Critical Accounting Estimates and Judgements

Key estimates - useful lives of depreciable assets

Management reviews its estimate of the useful lives of depreciable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical obsolescence that may change the utility of certain property, plant and equipment.

Key estimates - employee entitlements

Provisions are measured at management's best estimate of the expenditure required to settle the obligation at the end of the reporting period. These estimates are made after taking into account a range of possible outcomes, probabilities and assumptions and will vary as further information is obtained.

Key estimates - receivables

The receivables at reporting date have been reviewed to determine whether there is any objective evidence that any of the receivables are impaired. An impairment provision is included for any receivable where the entire balance is not considered collectible. The impairment provision is based on the best information at the reporting date.

Key judgements - land and buildings classification

The Association holds property which are rented out to earn rental income. These properties whilst currently surplus to the Associations current requirements, are predominately held for strategic and future operational requirements, and hence are considered to be more appropriately classified as *Property, Plant and Equipment*, rather than *Investment Property*.

18 Financial Risk Management

The main risks the Association is exposed to through its financial instruments are credit risk, liquidity risk and market risk consisting of interest rate risk.

The Association's financial instruments consist mainly of deposits with banks, accounts receivable and payable.

The totals for each category of financial instruments, measured in accordance with AASB 9 as detailed in the accounting policies to these financial statements, are as follows:

| | Note | 2024 \$ | 2023 \$ |
|------------------------------------|------|-------------------|-------------------|
| Financial Assets | | | |

19 Fair Value Measurement

Net Fair Values

The fair values of financial assets and financial liabilities are materially consistent with their carrying values as presented in the balance sheet. Fair values are those amounts at which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transaction.

Fair values derived may be based on information that is estimated or subject to judgement, where changes in assumptions may have a material impact on the amounts estimated.

The Association does not hold any assets or liabilities measured at fair value, other than the financial assets recorded in note 9, land and buildings in note 11 and investment property in note 12.

20 Key Management Personnel Disclosures

The total remuneration paid to key management personnel of Police Association of NSW during the year was \$2,292,626 (2023: \$2,233,585).

Key Management Personnel are any persons having authority and responsibility for planning, directing and controlling the activities of the Association, directly or indirectly, including any member of the Executive.

21 Related Parties

The Association provided office space to the NSW Police Legacy. The market value of rental income for this space is estimated at \$275,730 (2023: \$269,004) per annum and the difference has been recognised against a deemed donation/sponsorship.

During the year the Association paid \$2,500 (2023: \$14,455) to Police Legacy for various sponsorships.

22 Contingencies

(a) Contingent Liabilities

As a benefit of membership, the Association provides legal assistance to eligible members, whereby a commitment is made to fund certain legal costs of members. The Association's external legal advisers have estimated the Association's potential constructive obligation for approved legal assistance for matters in the hands of solicitors and barristers as at 31 December 2024 to be \$848,227 (2023: \$918,000).

Given the nature of the matters and the stages of completion, this is an estimate only and cannot be measured reliably. Accordingly, whilst constructive obligations exist which require an outflow of resources, due to the variability of the estimates and the work required to bring them to completion, dictates that liabilities cannot be recognised.

Additionally, the death benefit scheme and trust fund has a potential financial exposure. This arises pursuant to the death of a member or their spouse where an amount of \$15,000 is paid, \$12,000 for each dependent child under the age of 18 and \$5,000 funeral expenses upon passing of dependent child under 18 years of age. The number of expected member deaths cannot be ascertained at any given time and hence this contingent liability cannot be measured reliably.

(b) Contingent Assets

Where the Association has provided legal assistance to members and costs are awarded in favour of the member, the Association is reimbursed for a portion of its costs incurred, given the warranty associated with such reimbursements, they cannot be measured reliably.

25 Information to be Provided to Members or Registrar

In accordance with the requirements of the *Industrial Relations Act, 1991 [NSW]* the attention of members is drawn to the provisions of Subsections (1) and (2) of Section 512 which read as follows:

1. A member of an organisation, or the Industrial Registrar, may apply to the organisation for specified information prescribed by the regulations in relation to the organisation.

Independent Audit Report to the members of Police Association of NSW

Information Other than the Financial Report and Auditor's Report Thereon

The Executives are responsible for the other information. The other information comprises any information that does not form part of the financial report, as defined in the Opinion section of this Independent Audit Report for the year ended 31 December 2024, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Executive for the Financial Report

The Executive of the Association are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Simplified Disclosures and the *Industrial Relations Act 1996 [NSW]* and for such internal control as the Executive determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Executive are responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Executive either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

Independent Audit Report to the members of Police Association of NSW

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: https://www.auasb.gov.au/auditors_responsibilities/ar4.pdf. This description forms part of our auditor's report.
