Financial Report for the year ended 30 June 2025 – FR2025/91**

I acknowledge receipt of the financial report for the year ended 30 June 2025 for the Australian Hotels Association - Western Australian Branch (the reporting unit). The documents were lodged with the Fair Work Commission (the Commission) on 15 October 2025.

The financial report has now been filed. You are not required to take any further action in respect of the report lodged.

The financial report was filed based on a primary review. This involved confirming that the financial reporting timelines required under sections 253, 265, 266 and 268 of the *Fair Work (Registered Organisations) Act 2009* (RO Act) have been satisfied, all documents required under section 268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and reporting guidelines have been complied with. A primary review does not examine all disclosure requirements.

Please note that next year's financial report may be subject to an advanced compliance review.

Reporting Requirements

The Commission's website provides a number of factsheets in relation to the financial reporting process and associated timelines. The website also contains the section 253 reporting guidelines and a model set of financial statements.

The Commission recommends that reporting units use these model financial statements to assist in complying with the RO Act, the section 253 reporting guidelines and Australian Accounting Standards. Access to this information is available via [this link](#).

INDEPENDENT AUDITOR'S REPORT

To the members of Australian Hotels Association (WA Branch)

Opinion

We have audited the financial report of Australian Hotels Association (WA Branch) (the Reporting Unit), which comprises the statement of financial position as at 30 June 2025, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, the subsection 255(2A) report, and the committee of management's statement and officer declaration statement.

In our opinion:

- a) the accompanying financial report presents fairly, in all material aspects, the financial position of Australian Hotels Association (WA Branch) as at 30 June 2025, and its financial performance and its cash flows for the year ended on that date in accordance with:
 - a. the Australian Accounting Standards; and
 - b. any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009; and
- b) No revenue was derived by Australian Hotels Association (WA Branch) from undertaking recovery of wages activity during the year ended 30 June 2025; and
- c) The use of the going concern basis of accounting in the preparation of these financial statements by Australian Hotels Association (WA Branch) is appropriate.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Reporting Unit in accordance with the auditor independence requirements of the *Fair Work (Registered Organisations) Act 2009* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Report and Auditor's Report Thereon

The Committee of Management is responsible for the other information. The other information obtained at the date of this auditor's report is in the Operating Report accompanying the financial report.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Committee of Management for the Financial Report

The Committee of Management are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Fair Work (Registered Organisations) Act 2009* and for such internal control as the Committee of Management determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee of Management are responsible for assessing the Reporting Unit's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee of Management either intend to liquidate the Reporting Unit or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Reporting Unit's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee of Management.
- Conclude on the appropriateness of the Committee of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Reporting Unit's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Reporting Unit to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Reporting Unit to express an opinion on the financial report. I am responsible for the direction, supervision and performance of the Reporting Unit audit. I remain solely responsible for my audit opinion.

We communicate with the Committee of Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2025**

1. SUMMARY OF MATERIAL ACCOUNTING POLICIES

(a) Basis of preparation of the financial statements

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards and other authoritative pronouncements of the Australian Accounting Standards Board (AASB) as well as the requirements of the Fair Work (Registered Organisations) Act 2009 as amended.

The financial statements are prepared for the Australian Hotels Association, Western Australian Branch, a not-for-profit entity. The organisation is the State Branch of a federally registered union of employers, domiciled in Australia.

The financial report has been prepared on an accrual basis and is based on historical costs and does not take into account changing money valuations. Cost is based on the fair values of the consideration given in exchange for assets. The functional and presentation currency of AHA(WA) is Australian dollars. All figures presented in the financial statements are rounded to the nearest Australian dollar.

AASB 1053 Application of Tiers of Australian Accounting Standards has been adopted in accordance with the Fair Work (Registered Organisations) Act 2009. In accordance with the Reporting Guidelines, Tier 1 reporting has been applied.

The following is a summary of the material accounting policies adopted by the organisation in the preparation of the financial statements. The accounting policies have been consistently applied, unless otherwise stated.

(b) Going concern

Australian Hotels Association (Western Australian Branch) is reliant on the agreed financial support of Western Australian Hotels & Hospitality Association Incorporated (Union of Employers) to continue as a going concern. This agreed financial support is to continue indefinitely. Refer to Note 10 for further details of the agreement.

(c) Revenue

The AHA(WA) enters into various arrangements where it receives consideration from another party. These arrangements include consideration in the form of membership subscriptions, capitation fees, levies, grants, and donations.

The timing of recognition of these amounts as either revenue or income depends on the rights and obligations in those arrangements.

Revenue from contracts with customers

Where AHA(WA) has a contract with a customer, AHA(WA) recognises revenue when or as it transfers control of goods or services to the customer. AHA(WA) accounts for an arrangement as a contract with a customer if the following criteria are met:

- the arrangement is enforceable; and
- the arrangement contains promises (that are also known as performance obligations) to transfer goods or services to the customer (or to other parties on behalf of the customer) that are sufficiently specific so that it can be determined when the performance obligation has been satisfied.

Membership subscriptions

For membership subscription arrangements that meet the criteria to be contracts with customers, revenue is recognised when the promised goods or services transfer to the customer as a member of AHA(WA).

**AUSTRALIAN HOTELS ASSOCIATION
WESTERN AUSTRALIAN BRANCH**

**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2025 (CONTINUED)**

1. SUMMARY OF MATERIAL ACCOUNTING POLICIES (continued)

If there is only one distinct membership service promised in the arrangement, AHA(WA) recognises revenue as the membership service is provided, which is typically based on the passage of time over the subscription period to reflect AHA(WA)'s promise to stand ready to provide assistance and support to the member as required.

If there is more than one distinct good or service promised in the membership subscription, AHA(WA) allocates the transaction price to each performance obligation based on the relative standalone selling price of each promised good or service. In performing this allocation, standalone selling prices are estimated if there is no observable evidence of the price that AHA(WA) charges for that good or service in a standalone sale. When a performance obligation is satisfied, which is either when the customer obtains control of the good or as the service transfers to the customer (for example, member services or training course), AHA(WA) recognises revenue at the amount of the transaction price that was allocated to that performance obligation.

For member subscriptions paid annually in advance, AHA(WA) has elected to apply the practical expedient to not adjust the transaction price for the effects of a significant financing component because the period from when the customer pays and the goods or services will transfer to the customer will be one year or less.

When a member subsequently purchases additional goods or services from AHA(WA) at their standalone selling price, AHA(WA) accounts for those sales as a separate contract with a customer.

Income of the AHA(WA) as a Not-for-Profit Entity

Consideration is received by AHA(WA) to enable the entity to further its objectives. AHA(WA) recognises each of these amounts of consideration as income when the consideration is received (which is when AHA(WA) obtains control of the cash) because, based on the rights and obligations in each arrangement:

- the arrangements do not meet the criteria to be contracts with customers because either the arrangement is unenforceable or lacks sufficiently specific promises to transfer goods or services to the customer; and
- the AHA(WA)'s recognition of the cash contribution does not give rise to any related liabilities.

(d) Comparative amounts

When required by accounting standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

(e) Cash and cash equivalents

Cash is recognised at its nominal amount. Cash and cash equivalents include cash on hand, deposits held at call with bank, other short-term highly liquid investments with original maturity of 3 months or less that are readily convertible to known amounts of cash and subject to insignificant risk of changes in value and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

FOR THE YEAR ENDED 30 JUNE 2025 (CONTINUED)**

1. SUMMARY OF MATERIAL ACCOUNTING POLICIES (continued)

(f) Current versus non-current classification

AHA(WA) presents assets and liabilities in the statement of financial position based on current/non-current classification.

An asset is current when it is:

- Expected to be realised or intended to be sold or consumed in the normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in the normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

AHA(WA) classifies all other liabilities as non-current.

(g) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

(h) Trade and other receivables

For trade receivables that do not have a significant financing component, AHA(WA) applies a simplified approach in calculating expected credit losses (ECLs). Therefore, AHA(WA) does not track changes credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. AHA(WA) has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

Trade and other payables

These amounts represent liabilities for goods and services provided to the organisation prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition.

(i) Interest rate risk exposure

The Association's exposure to interest rate risk, which is the risk that financial instruments value will fluctuate as a result of changes in market interest rates, is considered negligible.

(j) Capitation fees and levies

Capitation fees and levies are recognised on an accrual basis and recorded as a revenue and/or expense in the year to which it relates.

**AUSTRALIAN HOTELS ASSOCIATION
WESTERN AUSTRALIAN BRANCH**

**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2025 (CONTINUED)**

1. SUMMARY OF MATERIAL ACCOUNTING POLICIES (continued)

(k) Credit risk exposure

The maximum exposure to credit risk, excluding the value of any collateral or other security, at balance date to recognised financial assets is the carrying amount, net any allowance for expected credit loss, as disclosed in the statement of financial position and notes to the financial statements.

The organisation does not have any material credit risk exposure to any single debtor or group of debtors under financial instruments entered into by the organisation.

(l) Income tax

Australian Hotels Association (WA Branch) is exempt from income tax under section 50.15 of the Income Tax Assessment Act 1997 however still has an obligation for Goods and Services Tax (GST).

Revenues, expenses and assets are recognised net of GST except:

- where the amount of GST incurred is not recoverable from the Australian Taxation Office; and
- for receivables and payables.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables.

Cash flows are included in the cash flow statement on a net basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the Australian Taxation Office is deducted from operating cash flows.

(m) New Accounting Standards and Interpretations not yet mandatory or early adopted

Australian Accounting Standards and Interpretations that have recently been issued or amended but are not yet mandatory, have not been early adopted by the Branch for the annual reporting period ended 30 June 2025. The Branch's assessment of the impact of these new or amended Accounting Standards and Interpretations, most relevant to the Branch, are set out below.

AASB 18 Presentation and Disclosure in Financial Statements

This standard is applicable to annual reporting periods beginning on or after 1 January 2027 and early adoption is permitted. The standard replaces IAS 1 'Presentation of Financial Statements', with many of the original disclosure requirements retained and there will be no impact on the recognition and measurement of items in the financial statements. But the standard will affect presentation and disclosure in the financial statements, including introducing five categories in the statement of profit or loss and other comprehensive income: operating, investing, financing, income taxes and discontinued operations. The standard introduces two mandatory sub-totals in the statement: 'Operating profit' and 'Profit before financing and income taxes'. There are also new disclosure requirements for 'management-defined performance measures', such as earnings before interest, taxes, depreciation and amortisation ('EBITDA') or 'adjusted profit'. The standard provides enhanced guidance on grouping of information (aggregation and disaggregation), including whether to present this information in the primary financial statements or in the notes. The Branch will adopt this standard from 1 July 2027 and it is expected that there will be a significant change to the layout of the statement of profit or loss and other comprehensive income.

8. RELATED PARTY DISCLOSURES

There were no transactions between the officers and the Branch during the reporting period.

The reporting unit does not have a parent entity nor any subsidiary entities. During the reporting period, the AHA(WA) did not have any transactions with any related parties.

9. OFFICER AND RELATED PARTY DISCLOSURES

In accordance with Chapter 9, Part 2A of the Fair Work (Registered Organisations) Act 2009, the following disclosure is made:

No officers received any relevant remuneration during the disclosure period being 1 January to 31 December 2024, because the officer is a member of a board, only because the officer is an officer of the Branch of the Australian Hotels Association.

10. RELATIONSHIP WITH STATE REGISTERED ORGANISATION

Members are members of both the AHA(WA) and the Western Australian Hotels & Hospitality Association Incorporated (Union of Employers) ("WAHHA") entities concurrently but pay membership fees only to WAHHA. WAHHA collects fees on behalf of AHA(WA) and remits these according to the capitation fee formula. AHA(WA) then pays a capitation fee to the National Office of the Australian Hotels Association ("AHA") and Accommodation Australia("AA").

10. RELATIONSHIP WITH STATE REGISTERED ORGANISATION (continued)

AHA(WA) and WAHHA are not related parties for the purposes of the Fair Work (Registered Organisations) Act 2009 as defined by section 9B.

AHA(WA) is dependent on WAHHA only for the administrative collection of the fees from members. If WAHHA ceased collection of fees from members, AHA(WA) could levy and collect these fees in its own right. The security of AHA(WA) on WAHHA is to the extent of the administrative collection of membership fees.

Subscriptions of \$147,368 were received during the year from WAHHA to pay capitation fees to the AHA and AA. The amount of the capitation fee is set by the National Office each year and is calculated based on a proportion of total population. AA levies are based on the number of rooms available from the Accommodation Division members.
