- the persons and entities listed under 'payments to related parties' are the only related parties or declared persons or bodies that are required to be disclosed under section.293G, where none are listed this is because there were no disclosable payments;

PLEASE NOTE: The Officer and Related Party Disclosure Statement must be provided to all members and a copy lodged with the Fair Work Commission (the Commission) within six months of the end of the financial year. Did you know?

Relevant remuneration is more than just the remuneration paid to the officer by the organisation

It includes remuneration paid to the officer:

- by boards (such as a superannuation board) in certain circumstances; and
- by a related party of the organisation/branch in connection with the performance of the officer's duties as an officer.

The definition of related party in section 9B has some big differences from the definition in the accounting standards which applies to financial reporting

- it includes an entity controlled by an organisation, other than a branch, sub-branch, division or subdivision of the organisation or a state/territory-registered association of employees or employers of which the organisation is the federal counterpart
- it includes entities that were a related party at any time within the previous six months
- it also includes entities that believe, or have reasonable grounds to believe, that it is likely to become a related party of the organisation at any time in the future

Some related party payments are exempt from disclosure.

Declared persons or body do not have exemptions

All payments must be disclosed that have been made to declared persons or bodies.

A declared person or body is:

- a person or body that an officer with financial management duties has disclosed a material personal interest in, and;
- the officer has not notified the organisation or branch that the officer no longer has the interest.
