

Fair Work
Commission

1 December 2025

Michael Donovan
Secretary/Treasurer
Shop, Distributive and Allied Employees Association-Victorian Branch

Sent via email: info@sdavic.org

CC: shaun@mvabennett.com.au

Dear Michael Donovan

**Shop, Distributive and Allied Employees Association-Victorian Branch
Financial Report for the year ended 30 June 2025 – FR2025/53**

I acknowledge receipt of the financial report for the year ended 30 June 2025 for the Shop, Distributive and Allied Employees Association-Victorian Branch (the reporting unit). The documents were lodged with the Fair Work Commission (the Commission) on 27 November 2025.

The financial report has now been filed. You are not required to take any further action in respect of the report lodged.

The financial report was filed based on a primary review. This involved confirming that the financial reporting timelines required under sections 253, 265, 266 and 268 of the *Fair Work (Registered Organisations) Act 2009* (RO Act) have been satisfied, all documents required under section 268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and reporting guidelines have been complied with. A primary review does not examine all disclosure requirements.

Please note that next year's financial report may be subject to an advanced compliance review.

Reporting Requirements

The Commission's website provides a number of factsheets in relation to the financial reporting process and associated timelines. The website also contains the section 253 reporting guidelines and a model set of financial statements.

The Commission recommends that reporting units use these model financial statements to assist in complying with the RO Act, the section 253 reporting guidelines and Australian Accounting Standards. Access to this information is available via [this link](#).

If you have any queries regarding this letter, please call 1300 341 665 or email regorgs@fwc.gov.au.

Yours sincerely

Fair Work Commission

**SHOP, DISTRIBUTIVE & ALLIED EMPLOYEES ASSOCIATION,
VICTORIAN BRANCH**

Section 268 *Fair Work (Registered Organisations) Act 2009*

Certificate by Prescribed Designated Officer¹

Certificate for the year ended June 2025

I, *Michael John Donovan*, being the *Branch Secretary/Treasurer* of the *Shop, Distributive and Allied Employees Association, Victorian Branch* certify:

- that the documents lodged herewith are copies of the full report for the *Shop, Distributive and Allied Employees Association, Victorian Branch* for the period ended referred to in s.268 of the *Fair Work (Registered Organisations) Act 2009*; and
- that the full report was provided to members of the reporting unit on *13 October 2025*; and
- that the full report was presented to *a meeting of the committee of management* of the reporting unit on *26 November 2025* in accordance with section 266 of the *Fair Work (Registered Organisations) Act 2009*.

Signature of prescribed designated officer: ..

Name of prescribed designated officer: Michael John Donovan

Title of prescribed designated officer: Branch Secretary/Treasurer

Dated: *27 NOV 2025*

¹ Regulation 162 of the *Fair Work (Registered Organisations) Regulations 2009* defines a 'prescribed designated officer' of a reporting unit for the purposes of section 268(c) as:

- (a) the secretary; or
- (b) an officer of the organisation other than the secretary who is authorised by the organisation or by the rules of the organisation to sign the certificate mentioned in that paragraph.

and its controlled entity
Annual Financial Report as at 30 June 2025**

Operating Report

For the year ended 30 June 2025

State Council presents its Operating Report together with the financial statements of the Victorian Branch of the Shop, Distributive and Allied Employees Association for the financial year ended 30 June 2025 and the auditor's report thereon.

1. Membership

Membership of the Victorian Branch of the Association as at 30 June 2025 was 40,924.

Persons eligible to do so under the rules of the Association were actively encouraged to join the Association. Persons join or resign through the Victorian Branch of the Association in accordance with Branch Rules 23 and 24. See also attached Section 174 of the Fair Work (Registered Organisations) Act 2009.

2. Employees

Employee numbers at the Victorian Branch of the Association as at 30 June 2025 was 56 full-time equivalents.

3. Committee of Management

The members of the Committee of Management of the Branch during the financial year, unless indicated otherwise, were:

Branch Secretary	Michael Donovan
Branch Assistant Secretary	Mauro Moretta
Branch President	Julie Davis
Branch Vice-President	Sue Nance
Branch Vice-President	Debra Becker
State Councillors	Kathryn Cannon
State Councillors	Suzanne Hollingsworth
State Councillors	Simon Preest
State Councillors	Tammy Trimble
State Councillors	Patricia Ryan
State Councillors	John Gigliotti - resigned 27 th March 2025
State Councillors	Julie Holland
State Councillors	Pauline Lethborg
State Councillors	Trevor Libbis
State Councillors	Madella Sumner
State Councillors	Manuel Zouros - resigned 4 th April 2025
State Councillors	Dean D'Angelo – appointed 27 th March 2025

4. Affiliations & Directorships

The Association is affiliated to the Australian Council of Trade Unions.

The Association is affiliated to the Australian Labor Party (Victorian Branch) and Delegates from the Branch were credentialed to the ALP State Conference.

**Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025**

Operating Report (continued)

5. Review of principal activities, the results of those activities and any significant changes in the nature of those activities during the year

The Association maintained its industrial awards and agreements and produced a range of publications for its members.

During the year ended 30 June 2025, the Association continued to focus on workplace health and safety. The campaign on Customer Violence & Abuse in Retail and Fast Food, called "No One Deserves A Serve", continued and the Association now sits on a new body being the Retail Employee Safety Council (RESC). Other nominating entities to the RESC are The Australian Retailers Association and SafeWork Australia. In 2024, the Association commissioned a psychosocial risk assessment, and an academic study of its implications. The report was launched in August 2025, alongside a plan that will inform representation.

The Association's bargaining agenda continues with a range of retail companies including Endeavour Group, Hungry Jacks and more which are either in or have concluded bargaining. Multiple EBA's have been secured for members in warehousing this financial year. In October 2021, the Association released a significant research report: "Challenges of work, family and care. Who Cares? A Fair share of work and care" which was done in partnership with the UNSW Social Policy Research Centre and continues to impact policy development, inform enterprise bargaining and support workplace representation. The Association continued its work on sustainability, particularly in relation to labour rights and the Sustainable Development Goals of Decent Work, Gender Equality and Inequality.

Work continues on the major case which seeks adult rates of pay apply for all retail, fast food and pharmacy workers aged 18 years and above. This case will now be heard in October and November 2025. SDA also continued its pursuit of multiple underpayment claims, including Federal Court action against McDonalds, KFC and Aldi. This continues alongside the Association defending and seeking to improve penalty rates for unsociable hours in Awards (e.g. the General Retail Industry Award) and in bargaining. The SDA continues to protect other entitlements from attack by employers.

The Association continues to lobby for tougher penalties for customer abuse and violence.

The Association continues to lobby for securing of knives and bladed items sold in retail stores to protect retail workers.

The Association continues to lobby for free and safe car parking for members at shopping centres.

The Association continues to lobby for Christmas Eve to be a public holiday from 6pm.

The Association continues to lobby for evening and weekend penalties, shift penalties and regular overtime to be paid on long service leave.

6. Significant changes in financial affairs

There were no significant changes in financial affairs.

7. Officers or members who are superannuation fund trustees or director of a company that is a superannuation fund trustee

Julia Fox was National Assistant Secretary until 26th of May 2024. Helen Cooney was appointed on 23rd of August 2024 as the National Assistant Secretary of the SDA National Office and has been an Employee Director of the trustee company of the Retail Employees Superannuation Trust (REST).

The Branch Secretary/Treasurer, Michael Donovan, is an Alternate Employee Director of the trustee company of the Retail Employees Superannuation Trust (REST).

**Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025**

Operating Report (continued)

8. Rights of members to resign

Section 174 of the Fair Work (Registered Organisations) Act 2009 provides as follows:

Section 174 Resignation from membership

174 (1) A member of an organisation may resign from membership by written notice addressed and delivered to a person designated for the purpose in the rules of the organisation or a branch of the organisation.

Note: The notice of resignation can be given electronically if the organisation's rules allow for this (see section 9 of the Electronic Transactions Act 1999).

174 (2) A notice of resignation from membership of an organisation takes effect:

- (a) where the member ceases to be eligible to become a member of the organisation:
 - (i) on the day on which the notice is received by the organisation; or
 - (ii) on the day specified in the notice, which is a day not earlier than the day when the member ceases to be eligible to become a member; whichever is later; or
- (b) in any other case:
 - (i) at the end of 2 weeks, or such shorter period as is specified in the rules of the organisation, after the notice is received by the organisation; or
 - (ii) on the day specified in the notice; whichever is later.

174 (3) Any dues payable but not paid by a former member of an organisation, in relation to a period before the member's resignation from the organisation took effect, may be sued for and recovered in the name of the organisation, in a court of competent jurisdiction, as a debt due to the organisation.

174 (4) A notice delivered to the person mentioned in subsection (1) is taken to have been received by the organisation when it was delivered.

174 (5) A notice of resignation that has been received by the organisation is not invalid because it was not addressed and delivered in accordance with subsection (1).

174 (6) A resignation from membership of an organisation is valid even if it is not effected in accordance with this section if the member is informed in writing by or on behalf of the organisation that the resignation has been accepted.

Committee of Management Statement

On 24th September 2025 the Committee of Management of the Shop, Distributive & Allied Employees Association (Victorian Branch) passed the following resolution in relation to the general-purpose financial report (**GPFR**) for the year ended 30 June 2025:

The Committee of Management declares that in its opinion:

- a) the financial statements and notes comply with the Australian Accounting Standards;
- b) the financial statements and notes comply with any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the *Fair Work (Registered Organisations) Act 2009* (the **RO Act**);
- c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable; and
- e) during the financial year to which the GPFR relates and since the end of that year:
 - i. meetings of the committee of management were held in accordance with the rules of the organisation including the rules of a branch concerned; and
 - ii. the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of a branch concerned; and
 - iii. the financial records of the reporting unit have been kept and maintained in accordance with the RO Act; and
 - iv. where the organisation consists of two or more reporting units, the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner with each of the other reporting units of the organisation; and
 - v. where information has been sought in any request by a member of the reporting unit or the General Manager of the Fair Work Commission duly made under section 272 of the RO Act, that information has been provided to the member or the General Manager of the Fair Work Commission; and
 - vi. where any order for inspection of financial records has been made by the Fair Work Commission under section 273 of the RO Act, there has been compliance.

This declaration is made in accordance with a resolution of the committee of management.

Officer Declaration Statement

I, Michael Donovan, being the Branch Secretary of the Shop, Distributive & Allied Employees Association (Victorian Branch), declare that the following activities did not occur during the reporting period ending 30 June 2025.

The Association did not:

- agree to receive financial support from another reporting unit to continue as a going concern (refers to agreement regarding financial support not dollar amount)
- agree to provide financial support to another reporting unit to ensure they continue as a going concern (refers to agreement regarding financial support not dollar amount)
- acquire an asset or liability due to an amalgamation under Part 2 of Chapter 3 of the RO Act, a restructure of the branches of an organisation, a determination or revocation by the General Manager, Fair Work Commission
- receive revenue from undertaking recovery of wages activity
- pay capitation fees to another reporting unit
- pay compulsory levies
- pay separation and redundancy to holders of office
- have a separation and redundancy provision in respect of holders of office
- have a separation and redundancy provision in respect of employees (other than the holders of office)
- have a fund or reserve account in equity for compulsory levies, voluntary contributions or required by the rules of the organisation
- transfer to or withdraw from a fund or reserve account in equity (other than the general fund in equity), account, asset or controlled entity
- have another entity administer the financial affairs of the reporting unit
- make a payment to a former related party of the reporting unit

Annual Financial Report as at 30 June 2025**

Notes to the Consolidated Financial Statements

1. Reporting Entity

These general-purpose financial statements cover the consolidated entity of The Shop, Distributive and Allied Employees Association (Victorian Branch) and controlled entity (the 'Association'). The financial statements were authorised for issue in accordance with a resolution of the State Council on 24th September 2025.

The following is a summary of the material accounting policies adopted by the Association in the preparation of these financial statements.

2. Basis of Preparation

a) Statement of Compliance

The financial statements are general purpose financial statements which have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period, and the *Fair Work (Registered Organisations) Act 2009* (RO Act). For the purposes of preparing the general-purpose financial statements, the Association is a not-for-profit entity.

The financial statements, except for cash flow information, have been prepared using the accrual basis of accounting. The financial statements have been prepared on a historical cost basis, except for certain assets and liabilities measured at fair value, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets.

b) Functional and Presentation Currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Association operates ('the functional currency'). The consolidated financial statements are presented in Australian dollars which is the Association's functional and presentational currency.

c) Comparative Amounts

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

d) Significant Accounting Judgements and Estimates

The preparation of financial statements in conformity with AASBs requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

**Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025**

Notes to Consolidated Financial Statements

2. Basis of Preparation (continued)

(d) Significant Accounting Judgements and Estimates (continued)

Assumptions and Estimation Uncertainties

- Note 18 - Employee benefits.

Measurement of fair values

A number of the Association's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

The Association has an established control framework with respect to the measurement of fair values. Significant fair value measurements are overseen and reviewed regularly, including unobservable inputs and valuation adjustments. If third party information is used to measure fair values, the Association assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of AASBs, including the level in the fair value hierarchy in which such valuations should be classified. Significant valuation issues are reviewed by the Association's Committee of Management.

Measurement of fair values (continued)

When measuring the fair value of an asset or a liability, the Association uses market observable data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

- Level 1 — quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 — inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 — inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability might be categorised in different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Association recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

**Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025**

3. New Australian Accounting Standards

a) Adoption of New Australian Standards and Amendments

The accounting policies adopted are consistent with those of the previous financial year except for the following amendments to accounting standards and other changes in accounting policy, which have been adopted for the first time this financial year:

- AASB 2020-1 Amendments to Australian Accounting Standards – Classification of Liabilities as Current or Non-current

No accounting standard has been adopted earlier than the application date stated in the standard.

b) Future Australian Accounting Standards

New standards, amendments to standards or interpretations that were issued prior to the sign-off date and are applicable to future reporting periods that are expected to have a future financial impact on the Association include:

AASB 18 (NFP/super) Presentation and Disclosure in Financial Statements

AASB 18 Presentation and Disclosure in Financial Statements has been issued to improve how entities communicate in their financial statements, with a particular focus on information about financial performance in the statement of profit or loss.

The key presentation and disclosure requirements established by AASB 18 are:

- The presentation of newly defined subtotals in the statement of profit or loss
- The disclosure of management-defined performance measures (MPM)
- Enhanced requirements for grouping information (i.e., aggregation and disaggregation)

**Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025**

Notes to Consolidated Financial Statements

4. Material Accounting Policies

The accounting policies set out below have been applied consistently to all period presented in these financial statements by the Association.

a) Revenue

Revenue is measured at fair value of the consideration received or receivable.

Membership subscription revenue is recognized over time on an accruals basis as the membership service is provided which is typically based on the passage of time over the membership period. AASB 15 uses the terminology 'Customers' to describe the source of the revenue. The most significant source of revenue for the Shop, Distributive & Allied Employees Association (Victorian Branch) comes from members. Members pledge themselves to advance the objectives and receive in return access to mutual assistance consistent with the Association's objectives. Whilst in many senses the mutuality of members means they are the organisation, for the purposes of accounting standards the term 'Members' and its meaning in terms of revenue is the same as the accounting term 'Customers' in the standard AASB 15. Revenue from member subscription is recognised gross of employer commissions.

Similar to prior year, commissions rates applied to revenue vary from 0% - 2.85% at 30 June 2025. Commissions are accounted for on an accruals basis and is recorded as an expense in the year to which it relates on the Consolidated Statement of Profit or Loss and Other Comprehensive Income. Commissions for the year ended 30 June 2025 were \$95,756 (2024: \$93,719). Employer commissions are required to be disclosed as per section 253 of the Fair Work (Registered Organisations) Act 2009.

Rental income arising is accounted for on a straight-line basis over the relevant lease term. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as income in the period in which they are earned. All revenue is stated net of the amount of goods and services tax (GST).

The Association has elected not to recognise volunteer services at fair value.

b) Finance Income and Finance Costs

Finance income comprises interest income on funds invested. Interest income is recognised as it accrues in profit or loss, using the effective interest method.

Foreign currency gains and losses are reported on a net basis as either finance income or finance cost depending on whether foreign currency movements are in a net gain or net loss position.

**Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025**

Notes to Consolidated Financial Statements

4. Material Accounting Policies (continued)

b) Finance Income and Finance Costs (continued)

Interest income is recognised on an effective interest rate basis except for debt instruments other than those financial assets that are recognised at fair value through profit or loss. The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset, or, when appropriate, a shorter period, to the net carrying amount on initial recognition.

c) Gains

Sale of Assets

Gains and losses from disposal of assets are recognised when control of the asset has passed to the buyer.

d) Affiliation Feed and Levies

Affiliation fees and levies are recognised on an accrual basis and recorded as an expense in the year to which it relates.

e) Employee Benefits

(i) Other long-term employee benefits

The Association's net obligation in respect of long-term employee benefits other than defined benefit superannuation funds is the amount of future benefit that employees have earned in return for their service in the current and prior periods plus related on-costs; that benefit is discounted to determine its present value, and the fair value of any related assets is deducted. The discount rate is the yield at the reporting date on Australian Corporate bonds that have maturity dates approximating the terms of the Association's obligations in which the benefits are expected to be paid.

(ii) Short-term benefits

Liabilities for employee benefits for wages, salaries and annual leave represent present obligations resulting from employees services provided to reporting date and are calculated at undiscounted amounts and expensed based on remuneration wage and salary rates that the Association expects to pay as at reporting date including related on-costs such as workers compensation insurance and payroll tax. Amounts that are expected to be settled beyond 12 months are measured in accordance with long term benefits.

**Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025**

Notes to Consolidated Financial Statements

4. Material Accounting Policies (continued)

f) Leases

The Association assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Association as a lessee

The Association applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Association recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right-of-use assets

The Association recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, Initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

If ownership of the leased asset transfers to the Association at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment.

Lease Liabilities

At the commencement date of the lease, the Association recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Association and payments: of penalties for terminating the lease, if the lease term reflects the Association exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

**Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025**

Notes to Consolidated Financial Statements

4. Material Accounting Policies (continued)

f) Leases (continued)

Lease Liabilities (continued)

In calculating the present value of lease payments, the Association uses the implicit the interest rate or incremental borrowing rate if the implicit lease rate is not readily determinable. After the commencement date the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

Short-term leases and leases of low-value assets

The Association's short-term leases are those that have a lease term of 12 months or less from the commencement. It also applies the lease of low-value assets recognition exemption, Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

The Association as a lessor

At inception or on modification of a contract that contains a lease component, the Association allocates the consideration in the contract to each lease component on the basis of their relative stand-alone prices.

When the Association acts as a lessor, it determines at inception whether each lease is a finance lease or an operating lease.

To classify each lease, the Association makes an overall assessment of whether the lease transfers substantially all of the risks and rewards incidental to ownership of the underlying asset. If this is the case, then the lease is a finance lease; if not, then it is an operating lease. As part of this assessment, the Association considers certain indicators such as whether the lease is a major part of the economic life of the asset.

The Association recognises lease payments received under operating leases as income on a straight-line basis over the lease term as part of other revenue.

g) Cash and Cash Equivalents

Cash is recognised at its nominal amount. Cash and cash equivalents include cash on hand, deposits held at call with bank, other short-term highly liquid investments with original maturity of 3 months or less that are readily convertible to known amounts of cash and subject to insignificant risk of changes in value and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

**Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025**

Notes to Consolidated Financial Statements

4. Material Accounting Policies (continued)

h) Financial Instruments

Financial assets and financial liabilities are recognised when the Association becomes a party to the contractual provisions of the instrument.

Financial Assets

(i) Initial recognition and measurement

Financial assets are classified, at initial recognition, and subsequently measured at amortised cost, fair value through other comprehensive income (FVTOCI), or fair value through profit or loss (FVTPL).

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Association's business model for managing them. With the exception of trade receivables that do not contain a significant financing component, the Association initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs.

In order for a financial asset to be classified and measured at amortised cost or fair value through other comprehensive income, it needs to give rise to cash flows that are 'solely payments of principal and interest' (SPPI) on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level.

The Association's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognised on the trade date, i.e. the date that [reporting unit] commits to purchase or sell the asset.

**Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025**

Notes to Consolidated Financial Statements

4. Material Accounting Policies (continued)

h) Financial Instruments (continued)

(ii) Subsequent measurement

For purposes of subsequent measurement, financial assets are classified into five categories:

- (Other) financial assets at amortised cost
- (Other) financial assets at fair value through other comprehensive income
- Investments in equity instruments designated at fair value through other comprehensive income
- (Other) financial assets at fair value through profit or loss
- (Other) financial assets designated at fair value through profit or loss.

The Association measures financial assets at amortised cost if both of the following conditions are met:

- The financial asset is held within a business model with the objective to hold financial assets in order to collect contractual cash flows; and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at amortised cost are subsequently measured using the effective interest rate (EIR) method and are subject to impairment. Gains and losses are recognised in profit or loss when the asset is derecognised, modified or impaired.

The Association's financial assets at amortized cost includes trade and other receivables (Note 9), term deposits held with the Westpac Banking Corporation (Note 11) and cash and cash equivalents (Note 8).

**Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025**

Notes to Consolidated Financial Statements

4. Material Accounting Policies (continued)

h) Financial Instruments (continued)

(iii) Derecognition

A financial asset is derecognised when:

- The rights to receive cash flows from the asset have expired; or
- The Association has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:
 - a) The Association has transferred substantially all the risks and rewards of the asset; or
 - b) The Association has neither transferred nor retained substantially all the risks and rewards of the asset but has transferred control of the asset.

When the Association has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if, and to what extent, it has retained the risks and rewards of ownership.

When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Association continues to recognise the transferred asset to the extent of its continuing involvement together with associated liability.

(iv) Offsetting

Financial assets and financial liabilities are offset and the net amount is reported in the statement of financial position if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Impairment of Financial Assets

(i) Trade Receivables

For trade receivables that do not have a significant financing component, the Association applies a simplified approach in calculating ECLs. Therefore, the Association does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Association has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

**Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025**

Notes to Consolidated Financial Statements

4. Material Accounting Policies (continued)

h) Financial Instruments (continued)

Impairment of Financial Assets (continued)

(ii) Debt instruments other than Trade Receivables

For all debt instruments other than trade receivables and debt instruments not held at fair value through profit or loss, the Association recognises an allowance for expected credit losses using the general approach. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the reporting unit expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages:

- For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL).
- For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure, irrespective of the timing of the default (a lifetime ECL).

The Association considers a financial asset in default when contractual payments are 90 days past due. However, in certain cases, the Association may also consider a financial asset to be in default when internal or external information indicates that the Association is unlikely to receive the outstanding contractual amounts in full. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

Financial Liabilities

(i) Initial recognition and measurement

Financial liabilities are classified, at initial recognition, at amortised cost or at fair value through profit or loss.

All financial liabilities are recognised initially at fair value and, in the case of financial liabilities at amortised cost, net of directly attributable transaction costs.

The Association's financial liabilities include trade and other payables.

**Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025**

Notes to Consolidated Financial Statements

4. Material Accounting Policies (continued)

h) Financial Instruments (continued)

(ii) Subsequent measurement

After initial recognition, trade payables and interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in profit or loss.

(iii) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in profit or loss.

Share Capital

The Association is a registered organisation under the Fair Work (Registered Organisations) Act 2009 and does not have share capital.

Foreign Currency Transactions

Transactions in foreign currencies are translated to the functional currency of the Association at exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the reporting date are retranslated to the functional currency at the exchange rate at that date. The foreign currency gain or loss on monetary items is the difference between amortised cost in the functional currency at the beginning of the period, adjusted for effective interest and payments during the period, and the amortised cost in foreign currency translated at the exchange rate at the end of the year.

Non-monetary assets and liabilities denominated in foreign currencies that are measured at fair value are retranslated to the functional currency at the exchange rate at the date that the fair value was determined. Non-monetary items in a foreign currency that are measured in terms of historical cost are translated using the exchange rate at the date of the transaction,

Foreign currency differences arising on retranslation are recognised in profit or loss.

**Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025**

Notes to Consolidated Financial Statements

4. Material Accounting Policies (continued)

i) Contingent Assets and Liabilities

Contingent liabilities and contingent assets are not recognised in the statement of financial position but are reported in the relevant notes. They may arise from uncertainty as to the existence of a liability or asset or represent an existing liability or asset in respect of which the amount cannot be reliably measured. Contingent assets are disclosed when settlement is probable but not virtually certain, and contingent liabilities are disclosed when settlement is greater than remote.

j) Property, Plant and Equipment

(i) Recognition and measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses. The initial cost of an asset includes expenditures that are directly attributable to the acquisition of the asset

The gain or loss on disposal of an item of property, plant and equipment is determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and is recognised net within other income/other expenses in profit or loss.

(ii) Subsequent costs

The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Association and its cost can be measured reliably. The carrying amount of the replaced part is derecognised. The costs of the day-to-day servicing of property, plant and equipment are recognised in profit or loss as incurred.

Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025

Notes to Consolidated Financial Statements

4. Material Accounting Policies (continued)

j) Property, Plant and Equipment (continued)

(iii) Depreciation

Depreciable is calculated over the depreciable amount, which is the cost of an asset, or other amount substituted for cost, less its residual value. Depreciation is recognised in profit or loss on a straight-line or diminishing value over the estimated useful lives of each part of an item of property, plant and equipment, to most closely reflect the expected pattern of consumption of the future economic benefits embodied in the asset. Leased assets are depreciated over the shorter of the lease term and their useful lives unless it is reasonably certain that the Association will obtain ownership by the end of the lease term.

Depreciation rates (useful live), residual values and methods are reviewed at each reporting date and adjusted as appropriate.

Depreciation rates applying to each class of depreciable assets:

	2025	2024
Building structures and improvements	2% - 20%	2% - 20%
Motor vehicles	28.57%	28.57%
Office equipment	0% - 25%	0% - 25%

(iv) Derecognition

An item of land, buildings, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the profit or loss.

Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025

Notes to Consolidated Financial Statements

4. Material Accounting Policies (continued)

k) Intangibles

Costs incurred in developing computer software that will contribute to future period benefits through efficiencies are capitalised to software. Costs capitalised include external direct costs of material and service costs of IT consultants spent on the project. Amortisation is calculated on a straight-line basis over a period of 10 years. IT development costs include only those costs directly attributable to the development phase and are only recognised following completion of technical feasibility and where the Association has an intention and ability to use the asset.

Amortisation rates apply to finite intangibles such as computer software.

Derecognition

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset are recognised in profit and loss when the asset is derecognised.

l) Impairment of Non-Financial Assets

The carrying amounts of the Association's non-financial assets, other than investment property, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated. An impairment loss is recognised if the carrying amount of an asset or its cash-generating unit (CGU) exceeds its recoverable amount. A CGU is the smallest identifiable asset group that generates cash flows that largely are independent from other assets and groups. Impairment losses are recognised in profit or loss. The recoverable amount of an asset or CGU is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU. Where the future economic benefit of an asset is not primarily dependent on the asset's ability to generate future cash flows, and the asset would be replaced if the Association were deprived of the asset, its value in use is taken to be its depreciated replacement cost.

Impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is only reversed to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

**Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025**

Notes to Consolidated Financial Statements

4. Material Accounting Policies (continued)

m) Taxation

The Association is exempt from income tax under section 50.1 of the Income Tax Assessment Act 1997 however still has an obligation for Fringe Benefits Tax (FBT) and the Goods and Services Tax (GST).

Revenues, expenses and assets are recognised net of the amount of good and services tax (GST) except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the expense. Receivables and payables are stated with the amount of GST excluded, as the Association reports to the ATO for GST on a cash-basis. The net amount of GST recoverable from, or payable to, the ATO is included as a current asset or liability in the balance sheet.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables.

Cash flows are included in the statement of cash flows on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the ATO is classified within operating cash flows.

n) Provisions

A provision is recognised if, as a result of a past event, the Association has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

The Association records provision for cancelled members based its reliable estimates.

o) Fair Value Measurements

A number of the Association's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. Also, fair values of financial instruments measured at amortised cost are disclosed in Note 12.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability; or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

**Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025**

Notes to Consolidated Financial Statements

4. Material Accounting Policies (continued)

o) Fair Value Measurements (continued)

The principal or the most advantageous market must be accessible by the Association. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Association uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1—Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2—Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3—Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Association determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. External valuers are involved for valuation of significant assets, such as land and buildings and investment properties. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. For the purpose of fair value disclosures, the Association has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

p) Segment Reporting

An operating segment is a component of the Association that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the other Association's other components. All operating segments' operating results are reviewed regularly by the Association's office holders to make decisions about resources to be allocated to the segment and to assess its performance, and for which discrete financial information is available. There is no separate operating segments disclosure as there is only one reportable segment.

**Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025**

Notes to Consolidated Financial Statements

4. Material Accounting Policies (continued)

q) Financial Risk Management

The Association has exposure to the following risks from their use of financial instruments:

- i) Credit risk
- ii) Liquidity risk
- iii) Market risk
- iv) Operational risk

Risk Management Framework

The State Council has overall responsibility for the establishment and oversight of the risk management framework. Risk management policies are established to identify and analyse the risks faced by the Association, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Association's activities. The Association, through its training and management standards and procedures, aims to develop a disciplined and constructive control environment in which all employees understand their roles and obligations.

A detailed assessment of the Association's exposure to the above risk is included in Note 8 and 11.

r) Basis of Consolidation

(i) Business combinations

The Association accounts for business combinations using the acquisition method when control is transferred to the Association (see Note 4 (r)(ii)). The consideration transferred is generally measured at fair value, as are the identifiable net assets acquired. Any goodwill that arises is tested annually for impairment. Any gain on bargain purchase is recognised in profit or loss immediately. Transaction costs are expensed as incurred, except if related to the issue of debt or equity securities.

The consideration transferred does not include amounts related to the settlement of pre-existing relationships. Such amounts are generally recognised in profit or loss.

Any contingent consideration is measured at fair value at the date of acquisition. If an obligation to pay contingent consideration that meets the definition of a financial instrument is classified as equity, then it is not remeasured and settlement is accounted for within equity. Otherwise, other contingent consideration is remeasured at fair value at each reporting date and subsequent changes in fair value of the contingent consideration are recognised in profit or loss.

Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025

Notes to Consolidated Financial Statements

4. Material Accounting Policies (continued)

r) Basis of consolidation (continued)

(ii) Subsidiaries

Subsidiaries are entities controlled by the Association. The Association 'controls' an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. The financial statements of subsidiaries are included in the consolidated financial statements from the date on which control commences until the date on which control ceases.

(iii) Non-controlling interests

Non-controlling interest (NCI) are measured initially at their proportionate share of the acquiree's identifiable net assets at the date of acquisition.

Changes in the Association's interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions.

(iv) Loss of control

When the Group loses control over a subsidiary, it derecognises the assets and liabilities of the subsidiary, and any related NCI and other components of equity. Any resulting gain or loss is recognised in profit or loss. Any interest retained in the former subsidiary is measured at fair value when control is lost.

(v) Interests in equity-accounted investees

The Association's interest in equity-accounted investees comprise interests in associates.

Associates are those entities in which the Association has significant influence, but not control or joint control, over the financial and operating policies. (see Note 4(s)).

(vi) Transactions eliminated on consolidation

Intra-group balances and transactions, and any unrealised income and expenses arising from intra-group transactions, are eliminated. Unrealised gains arising from transactions with equity-accounted investees are eliminated against the investment to the extent of the Group's interest in the investee. Unrealised losses are eliminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment.

**Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025**

Notes to Consolidated Financial Statements

4. Material Accounting Policies (continued)

s) Investment in Associates

An associate is an entity over which the Association has significant influence and that is neither a subsidiary nor an interest in a joint venture. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

The results and assets and liabilities of associates in these financial statements using the equity method of accounting. Under the equity method, an investment in an associate is initially recognised in the statement of financial position at cost and adjusted thereafter to recognise the share of the profit or loss and other comprehensive income of the associate. When the share of losses of an associate exceeds the interest in that associate, the Association discontinues recognising its share of further losses. Additional losses are recognised only to the extent that it has incurred legal or constructive obligations or made payments on behalf of the associate.

Any excess of the cost of acquisition over the share of the net fair value of the identifiable assets, liabilities and contingent liabilities of the associate recognised at the date of acquisition is recognised as goodwill, which is included within the carrying amount of the investment. Any excess of the share of the net fair value of the identifiable assets, liabilities and contingent liabilities over the cost of acquisition, after reassessment, is recognised immediately in profit or loss.

t) Parent Entity Financial Information

Investment in subsidiaries and associates

Investments in subsidiaries and associates are accounted for at cost. Dividends received from associates are recognised as revenue in the parent entity's profit or loss in the statement of profit or loss and other comprehensive income, rather than being deducted from the carrying amount of the investment.

5. Events after the reporting period

No additional matters or circumstances have arisen since the end of the financial year which significantly affect the operation of the Association, the results of those operations or the state of affairs of the Association in future financial years.

**Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025**

6. Revenue and Other income

Revenue and Other Income

Disaggregation of revenue from contracts with customers

Revenue from contracts for the Association relates only to membership subscriptions. The table below sets out a disaggregation of membership subscriptions by type of customer:

<i>Type of Customer</i>	2025	2024
	\$	\$
Members	13,664,135	13,736,536
Other Reporting Units	-	-
Government	-	-
Other Parties	-	-

Membership subscriptions revenue are recognised over time and earned only within Victoria.

		2025	2024
	Notes	\$	\$
Other revenue:			
Interest revenue	(a)	983,235	971,954
Other revenue		102,821	170,088
Capitation Fees		-	-
Levies		-	-
Grants		-	-
Donations		-	-
Income from volunteer services		-	-
		1,086,056	1,142,042

(a) Interest received

Interest on cash balances and short-term deposits	220,333	225,034
Interest on financial assets	762,902	746,920
Total received	983,235	971,954

Other income:

Rental revenue for property	406,434	268,527

and its controlled entity
Annual Financial Report as at 30 June 2025

7. Expenses (continued)

Other expenses:

	2025	2024
	\$	\$
Conference and meeting expenses	102,848	131,404
Office expenses	200,570	214,191
Professional fees	285,216	158,948
Donations	149,263	34,364
Travel expenses	67,575	69,873
Information communications technology	381,373	280,425
Interest expense	-	-
Fees/allowances – meeting and conferences	-	-
Other expenses	305,409	179,515
Total other expenses	1,492,254	1,068,720

Consideration to employers for payroll deductions has been shown on the face of the statement of profit or loss and other comprehensive income as commission expenses.

	2025	2024
	\$	\$
Legal costs:		
Litigation	-	-
Other legal matters	124,201	25,668
Total legal expenses	124,201	25,668

Other expenses:

Penalties – via RO Act or RO Regulations	-	-
Total other expenses	-	-

Grants or donations

Grants:

Total paid were \$1,000 or less	-	-
Total paid that exceeded \$1,000	-	-
	-	-

Donations:

Total paid were \$1,000 or less	490	-
Total paid that exceeded \$1,000	148,773	34,364
	149,263	34,364

**Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025**

8. Cash and Cash Equivalents

	2025	2024
	\$	\$
Cash on hand	-	-
Cash at bank	6,394,706	6,253,735
Total cash and cash equivalents	6,394,706	6,253,735

Cash on hand is non-interest bearing, and as such is not subject to interest rate risk.

Cash at bank is subject to interest rate as it earns interest as floating rates. For cash and bank in 2025, the average floating rates were 3.10% to 4.77% (2024: 3.80% to 5.07%).

The fair value of cash and cash equivalents is equal to the amounts disclosed above.

(a) Sensitivity analysis

A 100 point (2024:100 point) increase in the BBSW at the reporting date would have increased the surplus by \$63,947 (2024: \$62,537), and an equal change in the opposite direction would have decrease the surplus by \$63,947 (2024: \$62,537).

9. Trade and Other Receivables

	2025	2024
	\$	\$
CURRENT		
Trade receivables	1,151,152	1,131,286
Prepayments	1,198,227	1,202,532
Other receivables	8,359	8,436
Amounts receivable from other reporting units – SDA		
National Office	-	5,726
Less allowance for impairment loss	-	-
	2,357,738	2,347,980

The carrying amounts of all trade and other receivables are equal to their fair values as they are short term receivables and non-interest bearing.

(a) Ageing and impairment losses of trade receivables

	Gross 2025	Impairment 2025	Gross 2024	Impairment 2024
	\$	\$	\$	\$
Not past due	1,148,402	-	1,129,256	-
Past due 0 – 30 days	1,063	-	450	-
Past due 31 – 60days	1,490	-	969	-
Past due over 60 days	197	-	611	-
	1,151,152	-	1,131,286	-

**Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025**

(b) Other receivables

Other receivables arise primarily from interest due from cash at bank and term deposits. None of the other current receivables are impaired or past due.

(c) Prepayments

This amount includes affiliation fees from other reporting units – SDA National Office amounting to \$713,147 (2024: \$685,970).

(d) Credit risk

The maximum exposure to credit risk is the carrying amount of all receivables less impairment, if any (excluding prepayments).

The entity's most significant receivable from an employer of the members, a retailer, accounts for \$570,027 (2024: \$554,831) of receivables at the reporting date.

(e) Interest rate risk

All current receivables are non-interest bearing.

(f) Foreign currency risk

The entity is not exposed to foreign currency risk.

(g) Renegotiation of terms

No extension on credit terms have been given to customers during the year.

10. Non-Current Assets – Investment in Associates

	2025	2024
	\$	\$
Investments in associates	-	-

Investments in associates are accounted for in the consolidated financial statements using the equity method of accounting and are carried at cost less impairment by the parent entity.

	2025	2024
	\$	\$
(a) Movements in carrying amounts		
Carrying amount at the beginning of the financial year	-	-
Share of loss after income tax	-	-
Impairment of investments	-	-
Carrying amount at the end of the financial year	-	-
	<hr/>	<hr/>

**Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025**

(b) Summarised financial information of associates

The entity's share of the results of its principal associates and its aggregated assets (including goodwill) and liabilities are as follows:

	Ownership Interest %	Assets \$	Group's share of:		
			Liabilities \$	Revenues \$	(Loss) / Profit \$
2025					
Industrial Printing and Publishing Pty Ltd and controlled entities	23.9%	98,433	(21,011)	1,024	(7,387)
2024					
Industrial Printing and Publishing Pty Ltd and controlled entities	23.9%	105,883	(21,011)	1,025	(6,523)

All of the above associates were incorporated in Australia.

Dividend received from associates were \$nil (2024: \$nil).

(c) Contingent liabilities of associates

There are no contingent liabilities of capital commitments of associates (2024: \$nil)

11. Other Financial Assets

	Note	2025 \$	2024 \$
CURRENT			
<i>Financial assets at amortised cost</i>			
Term deposits	(a)	15,780,272	15,780,272
<i>Financial assets at amortised cost</i>		<u>15,780,272</u>	<u>15,780,272</u>

(a) Term deposits

Term deposits bear fixed interest rates between 4.50% - 4.77% (2024: 4.94% - 5.07%). As at 30 June 2025, the maturity term of the term deposits ranging between 6 to 12 months (2024: 6 to 12 months).

(b) Interest rate risk – Sensitivity analysis

The Association's investments in floating rate interest securities are not quoted on the Australian Stock Exchange.

The Association's term deposits expose it to a risk of change in their fair value or future cash flows due to changes in interest rates. There are no financial assets where the fair value of the assets differs materially from the carrying value.

A 100 point (2024:100 point) increase in the BBSW at the reporting date would have increase the surplus by \$157,803 (2024: \$157,742), and an equal change in the opposite direction would have decreased surplus by \$157,803 (2024: \$157,742).

**Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025**

(c) Credit risk

Concentrations of risk

The Association's investment in term deposits is in 5 term deposits issued by Westpac Banking Corporation. All investments were issued by entities rated 'AA-'. None of the financial assets at amortised cost are either past due or impaired.

Maximum exposure to credit risk

The maximum exposure to credit risk at reporting date is the total of term deposits.

12. Fair Value Measurements of Financial Instruments

This note provides an update on the judgements and estimates made by the group in determining the fair values of the financial instruments since the last annual financial report.

Valuation processes and fair values of other financial instruments

The fair value of cash and cash equivalents and non-interest bearing monetary financial assets and financial liabilities of the Group approximates their carrying amounts.

The fair value of other monetary financial assets and financial liabilities is based upon market prices where a market exists or by discounting the expected future cash flows by the current interest rates for assets and liabilities with similar risk profiles. Non-interest-bearing related party receivables are repayable on demand; thus, face value equates to fair value.

The carrying amounts of financial assets and liabilities equates to their fair values at balance date.

14. Property, Plant and Equipment (continued)

An independent valuation was performed for the Group's premises on 30 June 2023 by M3 property, an accredited independent valuer with a recognised and relevant professional qualification and with recent experience in the location and category of the property being valued. The valuation shows that the property has a market value of \$16,100,000. The Group do not believe that there have been any changes in market conditions between the valuation date and the current year end date that would have an impact on the market value derived.

**Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025**

	2025	2024
	\$	\$
(b) Amounts recognised in profit and loss for property, plant and equipment		
Rental Income	406,434	228,104
Direct operating expenses that generated rental income	(359,651)	(529,243)
Total	<u>46,783</u>	<u>(301,139)</u>

(c) Leasing arrangements for rental income

Excess space within the owner-occupied property is leased to tenants under leases with rentals payable monthly. All lease arrangements with leases are operating leases, the minimum lease payments under non-cancellable operating lease not recognised in the financial statements are receivable as follows:

2025 – Operating leases under AASB16

Within one year	444,243
After one year but not more than two years	1,322,755
Total	<u>1,766,998</u>

2024 – Operating leases under AASB16

Within one year	907,213
After one year but not more than two years	210,536
Total	<u>1,117,749</u>

The above leasing arrangements represent 54% of the total unit space, which is leased out to unrelated external parties at an arm's length transaction. The remaining 46% of unit space is occupied by Shop, Distributive and Allied Employees Association (Victorian Branch).

**Shop, Distributive & Allied Employees Association (Victorian Branch)
and its controlled entity
Annual Financial Report as at 30 June 2025**

15. Intangible Assets

	2025	2024
	\$	\$
Software at cost	4,682,380	3,959,430
Less accumulated amortisation	(3,771,733)	(3,712,499)
Net carrying value	<u>910,647</u>	<u>246,931</u>

(a) Movements in carrying amounts

Balance at the beginning of year	246,931	-
Additions	722,950	252,450
Amortisation expense	(59,234)	(5,519)
Carrying amount at the end of year	<u>910,647</u>	<u>246,931</u>

16. Trade and Other Payables

	2025	2024
	\$	\$
CURRENT		
Unsecured liabilities		
Trade payables	666,669	717,654
Other payables	248,141	256,451
Legal costs – other legal matters	-	-

Annual Financial Report as at 30 June 2025**

23. Parent Entity Information

The following detailed information related to the parent entity, the Shop, Distributive and Allied Employees Association (Victorian Branch), at 30 June 2025. The information presented here has been prepared using consistent accounting policies as presented in Notes 1 to 4, except as follows:

Investments in subsidiaries and associates

Investments in subsidiaries and associates are accounted for at cost. Dividends received from associates are recognised as revenue in the parent entity's profit or loss in the statement of profit or loss and other comprehensive income, rather than being deducted from the carrying amount of the investment.

Summary financial information

The individual financial statements for the parent entity show the following aggregate amounts:

	2025	2024
	\$	\$
Summary statement of financial position:		
Current assets	23,572,935	23,258,443

25. Section 272 Fair Work (*Registered Organisations*) Act 2009

In accordance with the requirements of the Fair Work (*Registered Organisations*) Act 2009, the attention of members is drawn to the provisions of subsections (1) to (3) of section 272, which reads as follows:

Information to be provided to members or General Manager of the Fair Work Commission:

1. A member of a reporting unit, or the General Manager of the Fair Work Commission, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
2. The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
3. A reporting unit must comply with an application made under subsection (1).

**INDEPENDENT AUDIT REPORT TO THE MEMBERS OF SHOP DISTRIBUTIVE & ALLIED
EMPLOYEES' ASSOCIATION (VICTORIAN BRANCH) AND ITS CONTROLLED ENTITY**

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of the Shop Distributive and Allied Employees' Association (Victorian Branch) (the reporting unit), which comprises the statement of financial position as at 30 June 2025, the statement of profit and loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year ended 30 June 2025, notes to the financial statements, including a summary of material accounting policies, the committee of management statement, the subsection 255(2A) report and the officer declaration statement.

In our opinion, the accompanying financial report presents fairly, in all material aspects, the financial position of the Shop Distributive and Allied Employees' Association (Victorian Branch) as at 30 June 2025 and its financial performance and its cash flows for the year ended on that date in accordance with:

- a. the Australian Accounting Standards; and
- b. any other requirements imposed by the reporting guidelines or Part 3 of Chapter 8 of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

We declare that management's use of the going concern basis in the preparation of the financial statements of the reporting unit is appropriate.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Reporting Unit in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our unmodified opinion.

Information Other than the Financial Report and Auditor's Report Thereon

The committee of management is responsible for the other information. The other information obtained at the date of this auditor's report is in the operating report accompanying the financial report.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Committee of Management for the Financial Report

The committee of management of the reporting unit is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the RO Act, and for such internal control as the committee of management determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the committee of management is responsible for assessing the reporting unit's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the committee of management either intend to liquidate the reporting unit or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from an error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the reporting unit to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the reporting unit audit. We remain solely responsible for the audit opinion.

We communicate with the committee of management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit

Declaration by the Auditor

I declare that I am an auditor registered under the Fair Work (*Registered Organisations*) Act 2009. I am a member of the Chartered Accountants Australia New Zealand and hold a current Public Practice Certificate.

Opinion

I declare that, as part of the audit of the financial report for the financial year ended 30 June 2025, the Committee of Management's use of the going concern basis of accounting in the preparation of the Shop Distributive and Allied Employees' Association (Victorian Branch)'s financial report is appropriate.
