Dear Bradley Woods,

Notification of changes – Action required

We acknowledge receipt of a Notification of Change to the office holders of the Australian Hotels Association - Western Australian Branch (AR2026/16).

A list of those changes has been summarised in Appendix A at the end of this letter.

What you need to do right now

- Any person who has been elected or appointed to a new office that has financial management duties (which usually includes all the committee of management) **MUST** do [financial training](#) or [obtain an exemption](#)
- Inform all officers of their [disclosure obligations](#)
- Consider giving your new officers the link to the Commission's [Officer Induction Kit](#)

These next steps are explained below in more detail.

Financial training must be done within 6 months

Any officer who has been elected or appointed to a new office that has financial management duties must complete [financial training](#) (or obtain an exemption) **within 6 months** after taking office (section 293K of the *Fair Work (Registered Organisations) Act 2009* (RO Act)).

The organisation is responsible for this requirement. You should arrange for the relevant officers to have training as soon as possible.

Good governance processes around financial training are highly recommended. These include:

- keeping a list of all offices that have financial management duties
- having a single person or officer responsible for overseeing the process
- collecting records of who has done training or obtained an exemption, including any certificates and exemption letters
- doing refresher courses for officers who have been re-elected to the same office (and are not required to do training under the RO Act)
- extending training to non-officers who are essential to your financial processes

Officer financial training audit

An audit by the Commission into officer training found that organisations frequently misunderstood **which** officers are required to do training.

To help with this we have an [officer training online panel](#) with examples explaining what triggers the need to do training and how to identify the offices that require it.

Further information about training is provided in our [officer financial training fact sheet](#).

Help for new officers: Officer Induction Kit

The Commission has created an [Officer Induction Kit](#) to assist new officers. The Kit has resources that will help an officer to understand their general duties as an officer and their specific duties as an officer in your organisation. It also includes tools to guide an officer's understanding of compliance dates, disclosures and other reporting obligations.

Please direct your officers to the kit which is on the Commission's [officers and disclosures](#) page.

Disclosure obligations: what officers must do

All officers are required to make disclosures regarding remuneration, non-cash benefits and material personal interests. Details are contained in the RO Act and are summarised in the Commission's [Disclosures Fact Sheet](#).

The organisation and officers are both responsible for meeting this obligation.

Time frames for notifications of change

Notifications of change must be lodged within 35 days of the change occurring (regulation 151 *Fair Work (Registered Organisations) Regulations 2009*).

Resources to help you make your notifications of change

Notifications of change are vitally important to maintain the transparency of an organisation to its members. They empower members to hold the organisation properly to account for its decisions.

To ensure that organisations get these notifications right we have created resources to help you understand the notification of change requirement and complete it quickly.

These resources include:

- [notification of change template](#)
- a podcast that answers the question – [who is an officer?](#)
- and a [fact sheet on notifications of change](#) that explains the requirement

eLearning module – notifications of change

The Commission has launched an eLearning module to assist organisations in understanding when a notification of change is required.

The [eLearning module](#) is available on our website.

It will take approximately 20 minutes and has a short quiz at the end to help you test your knowledge.

Please contact 1300 341 665 or regorgs@fwc.gov.au if you have any questions or would like to discuss this matter further.

Yours sincerely
