Dear Mr Cameron,

Automotive, Food, Metals, Energy, Printing and Kindred Industries Union
Annual Return of information contained in records kept by an organisation.

I have received your letter dated 29th March 2004 and declaration of 31st March 2004 providing information in accordance with subsection 233(1) of Schedule 1B to the Workplace Relations Act 1996. The documents were lodged in the Industrial Registry on 7th April 2004.

The documents lodged cover required information for the 2004 Annual Return of the organisation.

The documents have been filed. The documents may be viewed on the internet at <http://www.e-airc.gov.au/188V/annual>.

Electronic lodgment of Registered Organisation information

As you may also be aware, since 1 March 2003 it has been possible for all registered organisations to electronically lodge any documents which are required or permitted by the AIRC Rules to be lodged with the Australian Industrial Registry (see the Australian Industrial Relations Commission Amendment Rules 2003 (No.1)).

I strongly encourage your organisation to take advantage of the electronic lodgement service. It offers greater convenience to you and will help us quickly finalise your matter.

If you decide to lodge electronically you have these choices:

- register as a user and then lodge your documents via the AIR eLodgment page of the AIRC website.
- send an email with the documents you wish to lodge attached to: riateam2@air.gov.au

Please note that any of your email attachments which include documents requiring signatures should include those signatures. You may find that scanning the documents into a TIF or PDF format and attaching them to the email is the easiest option.

Yours sincerely,

Peter Nicholson
