Dear Mr Bastian,

**"Automotive, Food, Metals, Engineering, Printing and Kindred Industries Union" known as the Australian Manufacturing Workers' Union (AMWU)
Annual Return of Information for 2016 [AR2016/52]**

I refer to our letter dated 5 February 2016 reminding you of the obligation to lodge an Annual Return of Information for 2016 by **31 March 2016**. While the organisation has until the end of the month in which to lodge the information, we provide the following as a second and final reminder. Please ignore this letter if you have lodged the Annual Return in the last few days.

A signed and dated declaration certifying matters prescribed in the Fair Work (Registered Organisations) Act 2009 (the RO Act) must be lodged with the Fair Work Commission (the Commission) by that date. The matters to be included in the declaration are set out in the attached checklist.

The declaration must be signed by the Secretary, or where applicable, such other elected official who is required under the rules or by resolution of the organisation, to keep the relevant records (other prescribed officer). A declaration signed by a non-elected person does not meet this requirement. Further, you are reminded that the Secretary or other prescribed officer must also notify the Commission within 35 days of any changes to such records that may occur throughout the year.

If you require further information about an Annual Return you can refer to the '[Annual Information Requirements](#)' page on our website and, in particular, our Webinar slides.

Once an Annual Return has been lodged, a copy will be posted on our website at [List of Registered Organisations](#). Therefore, to protect the privacy of the relevant office holders listed in the declarations, it is recommended that officers list their official mailing address rather than personal home address.

We encourage you to lodge all returns electronically (e.g. as a pdf file) at orgs@fwc.gov.au. Please ensure that emailed documents include signatures where required.

Please note: failure to comply with these obligations is subject to a civil penalty provision (up to \$54,000 for a body corporate and \$10,800 for an individual per contravention), under s.305 of the RO Act. Finally, in maintaining the register of members, your attention is drawn to the circumstances where membership ceases to exist (s.230(2)(b) and s.171A of the RO Act).

Please do not hesitate to contact the Commission by phone on (03) 8661 7777 or by e-mail at orgs@fwc.gov.au if you wish to discuss the requirements outlined in this correspondence.

Yours sincerely,

Dear Mr Bastian,

**"Automotive, Food, Metals, Engineering, Printing and Kindred Industries Union" known as the Australian Manufacturing Workers' Union (AMWU)
Annual Return of Information for 2016 [AR2016/52]**

This is a courtesy letter to remind you of the obligation to lodge an Annual Return of Information for 2016 in respect of the "Automotive, Food, Metals, Engineering, Printing and Kindred Industries Union" known as the Australian Manufacturing Workers' Union (AMWU) by **31 March 2016**.

A signed and dated declaration certifying matters prescribed in the *Fair Work (Registered Organisations) Act 2009* (the RO Act) must be lodged with the Fair Work Commission (the Commission) by that date. The matters to be included in the declaration are set out in the attached checklist.

The declaration must be signed by the Secretary, or where applicable, such other elected official who is required under the rules or by resolution of the organisation, to keep the relevant records (other prescribed officer). A declaration signed by a non-elected person does not meet this requirement. Further, you are reminded that the Secretary or other prescribed officer must also notify the Commission within 35 days of any changes to such records that may occur throughout the year.

As previously advised, section 233 places the onus of lodgement on the organisation and not on each individual branch. It is therefore the national body that is obliged to collate and lodge all of the required information. Annual Return templates are available on the Commission website at [Registered Organisations fact sheets](#), one for an [organisation with branches](#) and one for an [organisation without branches](#).

Once an Annual Return has been lodged, a copy will be posted on our website at [List of Registered Organisations](#). Therefore, to protect the privacy of the relevant office holders listed in the declarations, it is recommended that officers list their official mailing address rather than personal home address.

We encourage you to lodge all returns electronically (e.g. as a pdf file) at orgs@fwc.gov.au. Please ensure that emailed documents include signatures where required.

Please note: the failure to comply with these obligations is subject to a civil penalty (up to \$54,000 for a body corporate and \$10,800 for an individual per contravention), under s.305 of the RO Act. Finally, in maintaining the register of members, your attention is drawn to the circumstances where membership ceases to exist (s.230(2)(b) and s.171A of the RO Act).

Please do not hesitate to contact the Commission by phone on (03) 8661 7777 or by e-mail at orgs@fwc.gov.au if you wish to discuss the requirements outlined in this correspondence.
