Dear Mr Nassios,

PRESCRIBED INFORMATION FOR AMWU ELECTIONS SECOND HALF 2005

I refer to the Prescribed Information lodged by the Automotive, Food, Metals, Engineering, Printing and Kindred Industries Union (AMWU) pursuant to section 189 of Schedule 1B of the *Workplace Relation Act 1996* concerning elections due to be conducted in the second half of 2005 and the matters raised in the correspondence of Mr Andrew Shultz of 21 April 2005.

Casual Vacancy – Metals & Engineering Members – State Organiser Div 3

A copy of Mr Jeffrey Hume's resignation is being obtained from the Queensland Branch of the union and will be forwarded as soon as possible. In order to avoid any possible confusion, I note in the context of Mr Schultz's request that the office left vacant by Mr Hume is the State Organiser (metals and engineering members) – *Division 3* based in Rockhampton.

State Conference Delegates – Numbers to be Elected

Further to Mr Schultz's request in relation to rule 23 subrule 3, it is the union's understanding that in the context of the elections to be held in the second half of this year, the membership figures referred to in subrule 3 will be those for the June quarter 2005. While those figures are not yet available the AMWU, will ensure that they are provided to the Australian Electoral Commission in due course.

Clarification of Other Positions

In the correspondence of 21 April 2005 Mr Schultz also sought clarification in relation to an election for a number of other offices.

South Australia - Metals and Engineering Members – State Organiser Division 3

The office of South Australia - Metals and Engineering Members – State Organiser Division 3 is not due for election in this round of elections. Following a casual vacancy the AMWU included this office in the union's prescribed information with respect to election E 2004/258.

Western Australia – Regional Secretary – Technical and Supervisory Division

On checking our records it would appear that the office of Western Australia – Regional Secretary – Technical and Supervisory Division is due for election in this round of elections. The office has therefore been included in the amendment to the AMWU's prescribed information which is attached to this correspondence.

Australian Capital Territory – Technical and Supervisory Division – Delegate to NSW State Conference

I can confirm that the union is seeking to have an election held for a delegate or delegates to the *New South Wales State Conference* from the Technical and Supervisory Division pursuant to subrule 48.33 and subrule 30.2.

Other Amendments

In addition to the alteration to the AMWU's prescribed information concerning the Regional Secretary – Technical and Supervisory Division in Western Australia, the AMWU also now seeks to amend the prescribed information in the following manner:

- There should only be *one* office of Regional Vice President – Technical and Supervisory Division in Victoria going to election this round: the position that went to election in E 2001/114. The other office of Regional Vice President – Technical and Supervisory Division last went to election in E 2002/72, and is therefore not due at this round of elections.
- The honorary office of Regional Secretary – Technical and Supervisory Division in Tasmania should be added to the prescribed information. The

office has become vacant due to the resignation of Mr Philip Baker. A copy of Mr Baker's resignation is attached.

If you have any questions or comments in relation to the attached documentation please contact Alistair Kentish at the Automotive, Food, Metals, Engineering, Printing and Kindred Industries Union National Office on (02) 9897 9133.

The AMWU is grateful for the assistance of the Registry in the above matters.

Yours faithfully,
