Hi

Attached is an amended declaration for the above election.

The office for the Vehicle Division was incorrectly listed on the original declaration as Delegate to State Council.

On the declaration attached the office has been changed to Delegate to State Conference as listed on the decision.

The office was correctly advertised to union members for the election.

Thanks

Good Afternoon Rohan

Post-election Report For: Automotive, Food, Metals, Engineering, Printing and Kindred Industries Union – AMWU, Qld Branch

Election No E2016/211

I refer to the above election for your organisation.

Section 197(1) of the *Fair Work (Registered Organisations) Act 2009* (“the Act”) requires the AEC to provide a written report on the conduct of the election to the Fair Work Commission and to the organisation or branch for whom the election was conducted. A copy of the report in relation to this election is attached.

Section 198 of the Act requires that if an organisation or branch is given a Post-election Report under Section 197 that identifies a rule that was difficult to interpret or apply, the organisation or branch must, within 30 days, give a written response to the AEC on that aspect of the report. The response must specify whether the organisation or branch intends to take any action in relation to the rule, and if so, what action it intends to take.

If the attached report identifies a rule that was difficult to interpret or apply, you should forward your response to the AEC by email to ‘industrial.elections@aec.gov.au’ within thirty days of the date of the report.

Section 198 and the regulations also require an organisation to make the Post-election Report and the organisation’s response to the report (if applicable) available to members.

Further, Regulation 141(4) of the *Fair Work (Registered Organisations) Regulations 2009* requires an organisation or branch to publish a notice on its website advising members that a copy of the Post-election Report is available upon request. If a website is not available, publishing a notice in a journal or newsletter would be considered appropriate.

Please contact me if you wish to clarify any aspect of this report.

Dear Mr Bastian

Re: Election – s189(1) Fair Work (Registered Organisations) Act 2009 – “Automotive, Food, Metals, Engineering, Printing and Kindred Industries Union” known as the Australian Manufacturing Workers’ Union (AMWU) – (E2016/211)

I refer to the prescribed information dated 26 August 2016 which was lodged with the Fair Work Commission on 29 August 2016 for an election for various offices within the organisation as a result of casual vacancies arising.

A copy of the decision in relation to the above matter is enclosed.

The Fair Work Commission is making arrangements, under subsections 189(3) of the *Fair Work (Registered Organisations) Act 2009*, with the Electoral Commissioner for the conduct of the subject election by a member of staff of the Australian Electoral Commission, who will contact you in the near future about the election.

Yours sincerely

DECISION

Fair Work (Registered Organisations) Act 2009
s.189—Arrangement for conduct of an election

“Automotive, Food, Metals, Engineering, Printing and Kindred Industries Union” known as the Australian Manufacturing Workers’ Union (AMWU)
(E2016/211)

MR ENRIGHT

MELBOURNE, 22 SEPTEMBER 2016

Arrangement for conduct of election.

[1] On 29 August 2016 the “Automotive, Food, Metals, Engineering, Printing and Kindred Industries Union” known as the Australian Manufacturing Workers’ Union (AMWU) lodged with the Fair Work Commission the prescribed information in relation to an election for the following offices:

New South Wales

Manufacturing Membership

Delegates to State Conference (3)

Vehicle Division

Delegate to State Conference (1)

Food and Confectionery Division

Regional President (1)

Regional Vice President (1)

Delegate to State Conference (1)

Printing Division

Delegate to State Conference (1)

Victoria

Manufacturing Membership

Delegates to State Conference (5)

Vehicle Division

Delegate to State Conference (1)

Regional Councillors/Committee State Members¹ (3)

Printing Division

Delegate to Printing Division National Conference (1)

Delegate to State Conference (1)

Queensland

Manufacturing Membership

Delegate to State Conference (1)

Vehicle Division

Regional Council Committee Member/Committee
State Member¹ (1)

South Australia

Vehicle Division

Regional Councillor/Committee State Member¹ (1)

Food and Confectionery Division

Regional Vice-President (1)

Regional Councillor/Delegate to Regional Council¹ (1)

¹ This office is variously described in the rules of the organisation: e.g. in rules 50.23(e)(i) and 50.24(g) and (h) as “committee members” (on the Regional Council); in rule 50.25(f) as “persons holding ...positions on the Regional Council”; in rule 53, Part C as “Committee State Members” (in respect of the Vehicle Division), “Delegates to Regional Council” (in respect of the Food and Confectionery Division) and “Regional Councillors” (in respect of the Printing Division). The predominant historical colloquial usage within the organisation, including in the lodgement of prescribed information appears to have been “Regional Councillor” or some variant of it and past Decisions of the Delegate appear for the most part to reflect the nomenclature used in the prescribed information. This Decision continues this practice in respect of this office but includes, for the avoidance of doubt, the /respective descriptor appearing in rule 53, Part C.

[2] A casual vacancy has arisen in relation to each of the offices described above except in the case of one (1) of the New South Wales Manufacturing Membership Delegates to State Conference, which was not filled, due to lack of eligible nomination, in either the previous scheduled election E2014/202 or the subsequent election E2015/293.

[3] I am satisfied that an election for the abovenamed offices is required to be held under the rules of the organisation and, under subsection 189(3) of the *Fair Work (Registered Organisations) Act 2009*, I am making arrangements for the conduct of the election by the Australian Electoral Commission.
