Good Afternoon Rohan

Post-election Report For: Automotive, Food, Metals, Engineering, Printing and Kindred Industries Union – AMWU, Qld Branch

Election No E2016/233

I refer to the above election for your organisation.

Section 197(1) of the *Fair Work (Registered Organisations) Act 2009* (“the Act”) requires the AEC to provide a written report on the conduct of the election to the Fair Work Commission and to the organisation or branch for whom the election was conducted. A copy of the report in relation to this election is attached.

Section 198 of the Act requires that if an organisation or branch is given a Post-election Report under Section 197 that identifies a rule that was difficult to interpret or apply, the organisation or branch must, within 30 days, give a written response to the AEC on that aspect of the report. The response must specify whether the organisation or branch intends to take any action in relation to the rule, and if so, what action it intends to take.

If the attached report identifies a rule that was difficult to interpret or apply, you should forward your response to the AEC by email to ‘industrial.elections@aec.gov.au’ within thirty days of the date of the report.

Section 198 and the regulations also require an organisation to make the Post-election Report and the organisation’s response to the report (if applicable) available to members.

Further, Regulation 141(4) of the *Fair Work (Registered Organisations) Regulations 2009* requires an organisation or branch to publish a notice on its website advising members that a copy of the Post-election Report is available upon request. If a website is not available, publishing a notice in a journal or newsletter would be considered appropriate.

Please contact me if you wish to clarify any aspect of this report.

Date: 24 October 2016
Re: Postal Ballot of State Councillors – Composition – Queensland Printing Division Regional Council

Dear Paul

Please be advised that I conducted a postal ballot of Queensland and Northern Territory Branch State Councillors on Friday 21st October for the purposes of ascertaining endorsement and/or approval for a change to the Rules of the AMWU with respect to the composition – Queensland Printing Division Regional Council; copy attached.

Further, please be advised that a majority of voting slips have been returned in this ballot endorsing the amendment.

TO: STATE COUNCILLORS

Item for consideration of the State Council by Postal Ballot

Composition – Queensland Printing Division Regional Council

As State Secretary, I have received a request from Bro Danny Dougherty to seek State Council endorsement of a proposal to vary the composition of the Print Regional Council in Queensland.

Currently, the Regional Council is comprised of 16 representatives from the commercial print and daily newspaper sectors together with mandated representatives from the country printing sector.

State Council will appreciate that the nature of the printing industry has changed significantly since this structure was adopted and, in light of these changes, it is proving impractical to maintain the Council at this size and with these mandated categories of representation.

The matter has arisen at this time due to the need to prepare for the conduct of elections for the Regional Council positions early in 2017.

Brother Dougherty has proposed that the composition of the Regional Council be amended as follows:

- One Regional President
- One Regional Vice President
- Four Regional Councillors

I therefore ask you to return the voting slip below at your earliest opportunity and no later than Friday 21st October, 2016

In Unity,

RE: COMPOSITION – QUEENSLAND PRINTING DIVISION REGIONAL COUNCIL

On the proposition noted below, I, _____, being a member of the Queensland and Northern Territory State Council votes as follows:

That the composition of the Regional Council of the Printing Division in Queensland be amended to the following.

- One Regional President
- One Regional Vice President
- Four Regional Councillors

Thank you for your time on the phone earlier today.

Attached, please find extracts from minutes from the December 2015 National Council and the March 2016 National Council which deal with the composition of the Printing Division Regional Councils in Tasmania and Western Australia respectively.

Hoping that answers your questions Stephen, however, if you require further information, please don't hesitate to contact me.

Dear Mr Bastian,

Courtesy Letter - Election for offices [E2016/233]

The rules of the "Automotive, Food, Metals, Engineering, Printing and Kindred Industries Union" known as the Australian Manufacturing Workers' Union (AMWU) indicate that an election for offices within the organisation is due to commence shortly.

- National Divisional President (Printing Division)
- Printing Division and Region Offices

It appears that nominations for the election for the above-named offices open in January next year.

This is a courtesy letter to remind you of your obligation to lodge information about the election (known as the 'prescribed information') pursuant to sub-sections 189(1) and (2) of the *Fair Work (Registered Organisations) Act 2009* (the 'Act') within the month. Prescribed information must be lodged with the Fair Work Commission (the Commission) two months before nominations open for the election.

If you have a different interpretation for the commencement of the election or the offices due for election under your rules, please let the Commission know, otherwise, the prescribed information should contain details of the election as required by regulation 138(1) of the *Fair Work (Registered Organisations) Regulations 2009* (the 'Regulations'), and any subsequent collegiate elections, if that is relevant. A sample of the prescribed information can be found on our website at <https://www.fwc.gov.au/registered-organisations/fact-sheets-templates-webinars>.

The prescribed information should be emailed to orgs@fwc.gov.au. If your organisation believes that it will be unable to comply with the prescribed day as set out in the Regulations, it will need to apply to the General Manager within the month for a later date. Such request will need to set out in detail the reason why your organisation is unable to comply with the requirement. While the General Manager will consider such an application, there is no assurance that consent to a later day will be allowed.

It should be noted Section 189(2) is a civil penalty provision. Failure for an organisation to comply may result in legal proceedings being issued with the possibility of a pecuniary penalty being imposed upon an officer and/or the organisation.

The Commission intends to continue to provide reminders that an election is due as a courtesy. However failure to receive a reminder from the Commission cannot be relied on as a reason for late, incorrect or non-lodgment of prescribed information. The obligation to lodge prescribed information consistent with the Act and the rules of the organisation rests with the organisation.

When lodging the prescribed information, please quote [E2016/233]

Should you seek any clarification in relation to the above, please contact the Commission on orgs@fwc.gov.au.

Yours sincerely,

Annastasia Kyriakidis
