

24 June 2013

Mr Tim Ayres
State Secretary
AFMEPKIU, New South Wales Branch
PO Box 167
GRANVILLE NSW 2142

Dear Mr Ayres,

Re: Lodgment of Financial Statements and Accounts - Automotive, Food, Metals, Engineering, Printing and Kindred Industries Union (Australian Manufacturing Workers' Union) - for year ended 30 September 2012 - New South Wales Branch (FR2012/495)

I refer to the above financial statements and accounts which were lodged with the Fair Work Commission on 28 March 2013.

The documents have been filed. There is no action required in respect of the 2012 report. However for the future I wish to clarify one of the legislative requirements of the *Fair Work (Registered Organisations) Act 2009* for Operating Reports.

Meaning of "results of principal activities"

Sub-section 254(2)(a) (see extract attached) requires the operating report to include a review of the "principal activities, the results of those activities and any significant changes in the nature of those activities". Sub-section 254(2)(b) requires the operating report to "give details of any significant changes in the reporting unit's financial affairs".

The Act thus makes a distinction between "principal activities" and "financial affairs". Thus, since the principal activities are described, under the heading "Review of the State's Principal Activities" as "*the improvement of wages and working conditions for members throughout the industry*" and "*trying to influence governments at all levels in a wide range of political issues*", the results that these activities might be said to have will relate directly to them and should be described accordingly. The deficit disclosed under the heading "Results of Principal Activities" is financial in nature and therefore a different kind of result.

The extent of detail for particular results to be described or mentioned is not prescribed by the Act but in future Operating reports the Branch might consider, for example, briefly indicating whether and how it has been successful in improving wages and conditions and influencing governments at all levels.

Yours sincerely

Stephen Kellett
Senior Adviser, Regulatory Compliance Branch

A notice of resignation from membership takes effect:

- (a) Where the member ceases to be eligible to become a member of the organisation:
 - (i) On the day on which the notice is received by the organisation; or
 - (ii) On the day specified in the notice, which is a day not earlier than the day when the member ceases to be eligible to become a member;

A notice delivered to the State Secretary shall be taken to have been received by the organisation when it is delivered.

A notice of resignation that has been received by the organisation is not invalid because it was not addressed and delivered to the State Secretary.

A resignation from membership is valid even if it is not effected in accordance with this Rule if the member is informed in writing by or on behalf of the organisation that the resignation has been accepted.

In accordance with section 174(1) of the Fair Work (Registered Organisations) Act 2009 a member of an organisation may resign from membership by written notice addressed and delivered to a person designated for the purpose in the rules of the organisation or a branch of the organisation.

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT FOR THE YEAR ENDED 30 SEPTEMBER 2012

1. SIGNIFICANT ACCOUNTING POLICIES

The financial statements are general purpose financial statements which have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements, other authoritative pronouncements of the Australian Accounting Standards Board and the Fair Work (Registered Organisations) Act 2009.

The state council have determined that Automotive, Food, Metals, Engineering, Printing & Kindred Industries Union New South Wales Branch is permitted to apply the Tier 2 reporting requirements (Australian Accounting Standards – Reduced Disclosure Requirements) as set out in AASB 1053 *Application of Tiers of Australian Accounting Standards* because it is a not-for-profit private sector entity that does not have public accountability. As such, the state council have early adopted AASB 2010-2 *Amendments to Australian Accounting Standards Arising from Reduced Disclosure Requirements* from 1 October 2010. AASB 2010-2 only mandatorily applies to annual reporting periods commencing on or after 1 July 2013. The early adoption of AASB 2010-2 has had no impact on amounts recognised in the financial statements and related notes because it merely requires less disclosures for these general purpose financial statements, which have been prepared using Australian Accounting Standards - Reduced Disclosure Requirements, than if these financial statements were prepared using Australian Accounting Standards.

BASIS OF PREPARATION

The financial report is for the Automotive, Food, Metals, Engineering, Printing & Kindred Industries Union New South Wales Branch. The Automotive, Food, Metals, Engineering, Printing & Kindred Industries Union is an organisation registered under the Fair Work (Registered Organisations) Act 2009. The Automotive, Food, Metals, Engineering, Printing & Kindred Industries Union New South Wales Branch is a Branch of the registered organisation. In accordance with the Act the Union is a body corporate and has perpetual succession. By virtue of this method of incorporation, the Union and the State Branch are not subject to the Corporations Act 2001.

The financial report has been prepared on the basis of historical costs modified by the revaluation of selected financial assets and liabilities for which the fair value basis of accounting has been applied. Cost is based on fair values of the consideration given in exchange for assets. The accounting policies have been consistently applied, unless otherwise stated.

1. SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

The following is a summary of the significant accounting policies adopted by the New South Wales Branch in the preparation of the financial report.

a) (i) Revenue

All members' contributions are paid direct to National Council. Remittances from National Council are the amounts reimbursed by the National Council to cover Branch expenses and are recognised when received by the Branch.

(ii) Expenditure

Expenses represent amounts paid directly by the Branch for operational costs. Other operational expenses e.g. salaries which relate to the Branch are paid for by the National Council and are included in the financial report of the National Council only.

(iii) Employee Entitlements

Provision for employee benefits in the form of Long Service Leave and Accrued Annual Leave have been made for the estimated accrued entitlements of all employees on the basis of their terms of employment in the financial report of the National Council.

(iv) Property, Plant and Equipment

All fixed assets are recorded in the financial reports of the National Council and the depreciation regarding those assets is charged in the National Council accounts.

(v) Income Tax

No provision for income tax is necessary, as Trade Unions are exempt from income tax under Section 50-15 of the Income Tax Assessment Act 1997.

(vi) Accounting Standards Issued But Not Yet Effective

There have been no accounting standards issued which will have a financial impact on the financial report in future periods and which are not yet effective.

(vii) Goods and Services Tax (GST)

Revenues and expenses are recognised net of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or part of an item of the expense. Receivables and payables on the statement of financial position are shown inclusive of GST.

The net amount of GST recoverable from, or payable to the taxation authority is included as part of receivables or payables as appropriate.

Cash flows are included in the statement of cash flows on a gross basis.

1. SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

b) Going Concern Basis of Accounting

The financial report has been prepared on the basis that the Branch is a going concern, which assumes continuity of normal business activities and the realisation of assets and the settlement of liabilities in the ordinary course of business.

The State Council believes it is appropriate to adopt the going concern basis for preparing the report on the grounds that the National Council has made an undertaking to provide financial support to the Branch.

2. ACCOUNTING ESTIMATES AND JUDGEMENTS

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

a) Critical accounting estimates and assumptions

The New South Wales Branch makes estimates and assumptions concerning the future. The resulting accounting estimates by definition seldom equal the related actual results. There are no estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities.

b) Critical judgments in applying the New South Wales Branch's accounting principles

There are no critical judgments that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities.

3. INFORMATION TO BE PROVIDED TO MEMBERS OR THE GENERAL MANAGER OF FAIR WORK AUSTRALIA

In accordance with the requirements of the Fair Work (Registered Organisations) Act 2009, the attention of members is drawn to the provisions of Section 272 of Fair Work (Registered Organisations) Act 2009 which read as follows:

- 1) A member of a reporting unit, or the General Manager of Fair Work Australia, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- 2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- 3) A reporting unit must comply with an application made under subsection (1)

**Independent Auditor's Report
To the Members of Automotive, Food, Metals, Engineering, Printing &
Kindred Industries Union New South Wales Branch**

We have audited the accompanying financial report of Automotive, Food, Metals, Engineering, Printing & Kindred Industries Union New South Wales Branch (the "Branch"), which comprises the statement of financial position as at 30 September 2012, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information to the financial report and the statement by the Committee of Management.

Responsibility of the Committee of Management and Branch Secretary for the financial report

The Committee of Management and Branch Secretary of the branch are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and Fair Work (Registered Organisations) Act 2009. This responsibility includes such internal controls as the Committee of Management and Branch Secretary of the branch determine are necessary to enable the preparation of the financial report to be free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards which require us to comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error.

In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Committee of Management and Branch Secretary, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the applicable independence requirements of the Accounting Professional and Ethical Standards Board and the Fair Work (Registered Organisations) Act 2009.

Auditor's Opinion

In our opinion, the financial report presents fairly, in all material respects, the financial positions of Automotive, Food, Metals, Engineering, Printing & Kindred Industries Union New South Wales Branch as at 30 September 2012, and its financial performance and cash flows for the year then ended in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the requirements imposed by Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009.

Dear Mr Ayres,

**Re: Lodgement of Financial Report - [FR2012/495]
Fair Work (Registered Organisations) Act 2009 (the RO Act)**

The financial year of the New South Wales Branch of the "Automotive, Food, Metals, Engineering, Printing and Kindred Industries Union" known as the Australian Manufacturing Workers' Union (AMWU) (the "reporting unit") ended on 30 September 2012.

This is a courtesy letter to remind you of the obligation to prepare and lodge the financial report for the reporting unit by the due date, namely 15 April 2013 (that is the period within 6 months and 14 days of the end of the financial year) under s.268 of the RO Act.

The RO Act sets out a particular chronological order in which financial documents and statements must be prepared, audited, provided to members and presented to a meeting. For your assistance, the attached *Timeline/Planner* summarises these requirements.

Fact sheets regarding financial reporting under the RO Act are provided on the FWA website at: [Financial Reporting Fact Sheets](#).

The documents can be emailed to orgs@fwa.gov.au or sent by facsimile to (03) 9665 0410. If it is envisaged that the financial report cannot be lodged by the due date you are requested to contact this office prior to the due date to discuss the issue.

It should be noted that s.268 is a civil penalty provision. Failure to lodge a financial report may result in legal proceedings being issues with the possibility of a pecuniary penalty being imposed upon an officer whose conduct led to the contravention and/or your organisation.

Should you seek any clarification in relation to the above, please contact me on (03) 8661 7817 or via email at robert.pfeiffer@fwa.gov.au .
