Dear Mr Oliver,

Attention Mr Warren Soos, National Finance Officer

**Automotive, Food, Metals, Engineering, Printing and Kindred Industries Union
Financial Reports for the Year Ended 30th September 2006
Schedule 1 of the Workplace Relations Act 1996 (RAO Schedule)**

**National Council – FR2006/529
Victorian Branch – FR2006/534
Queensland Branch – FR2006/531
Tasmanian Branch – FR2006/533**

**Western Australian Branch – FR2006/535
South Australian Branch – FR2006/532
New South Wales Branch – FR2006/530**

Thank you for the financial reports of the above named organisation and its branches for the year ended 30th September 2006. The documents were lodged in the Industrial Registry on 23rd March 2007.

The documents have been filed.

I make the following comments to assist you in preparing financial documents in the future. You do not need to take any further action in respect of the documents which have been lodged.

GENERAL COMMENTS RELATING TO ALL FINANCIAL RETURNS

Statement of Loans, Grants and Donations

Thank you for the Statement of Loans, Grants and Donations dated 22nd December 2006. The Statement will be placed on a separate file that is not available for viewing by the general public.

The Statement that has been lodged does not distinguish between grants and donations that were made by National Council and by each of the Branches. The Statement is signed by the Acting National Secretary.

When preparing Statements in the future, I draw to your attention the fact that section 237(7) of the RAO Schedule requires each Branch to lodge a separate Statement of loans, grants and donations. Each Branch's Statement must also be signed by an officer of that particular Branch (see section 237(2) of the RAO Schedule).

You are therefore requested in future to separately list the loans, grants and donations made by National Council and by each of the Branches and to have an officer from each of those Branches or National Council sign the statement (or that part of the statement if a single document is lodged) relating to their reporting unit.

COMMENTS REGARDING NATIONAL ACCOUNTS

Auditor's Opinion – Political Fund

The Auditor's Opinion states that the financial report for the political fund is in accordance with Australian Accounting Standards but no reference is made to whether or not it also complies with the requirements of the RAO Schedule.

Section 257(5) of the RAO Schedule requires an auditor, in his or her report, to state whether the General Purpose Financial Report (GPFR) is presented fairly in accordance with not only Australian Accounting Standards but also any other requirements imposed by the RAO Schedule.

You are therefore requested to ensure in future that the Auditor prepares his or her opinion making express reference both to applicable Australian Accounting Standards and to relevant provisions in the RAO Schedule. It would be sufficient if the Auditor's Opinion made the following statement:

In my opinion the General Purpose Financial Report is presented fairly in accordance with applicable Australian Accounting Standards and the requirements imposed by Part 3 of Chapter 8 of Schedule 1 (RAO Schedule) of the Workplace Relations Act 1996.

GPFR – Disclosure of Expenditure

When preparing a GPFR, section 253(2) of the RAO Schedule requires a reporting unit to provide information that is specified in the Industrial Registrar's Reporting Guidelines. In particular, Guideline 11 sets out in detail those items of expense that must be disclosed by a reporting unit either in the notes to, or on the face of, a financial statement. Included are such items as:

- fees and/or allowances paid for attendance at conferences (11(i));
- conference and meeting expenses (11(k));

It may be that these expenses are included in the figure for 'Delegations' on page 7 but it is not clear on the face of the Income Statement.

You are requested to ensure that any expenses that relate to these categories are *separately* disclosed in accordance with the Reporting Guidelines in future.

COMMENTS REGARDING TASMANIAN BRANCH ACCOUNTS

Auditor's Opinion

As stated above with respect to the National accounts, the Auditor's Opinion is required to state whether the GPFR is presented fairly in accordance with both Australian Accounting Standards and any other requirements imposed by the RAO Schedule. The opinion which has been given does not make any reference to the RAO Schedule. You are therefore requested to ensure in future that the Auditor prepares his or her opinion making express reference both to applicable Australian Accounting Standards and to relevant provisions in the RAO Schedule. It would be sufficient if the Auditor's Opinion made the following statement:

In my opinion the General Purpose Financial Report is presented fairly in accordance with applicable Australian Accounting Standards and the requirements imposed by Part 3 of Chapter 8 of Schedule 1 (RAO Schedule) of the Workplace Relations Act 1996.

Consistency of Accounting Policies between Branches

Section 252(2) of the RAO Schedule and Item 17(e)(iv) of the Registrar's Reporting Guidelines require the financial records of each reporting unit to be kept, as far as practicable, on a consistent basis.

All of the reporting units (other than Tasmania) have a similarly worded statement in Note 1 that the financial reports of National Council and all branches have been prepared on a cash basis following advice from the Registry that the terms of section 252(3) of the RAO Schedule in effect create a standing exemption from the Australian Accounting Standard that mandates accrual accounts.

The Tasmanian report, however, states in paragraph 2 of Note 1 that it 'has been prepared on the basis of historical cost'. There is no statement regarding preparation of Tasmanian Branch accounts on a cash basis.

A similar issue was raised with respect to the Tasmanian Branch's accounts for the financial year ended 30th September 2005 (FR2005/546). It may be that this year's discrepancy arises from a typographical error as each of the other reports contains a paragraph under the heading 'Basis of Preparation' in Note 1 stating 'The financial report has been prepared on a cash basis as regards the income and expenditure of the National Council/Branch and on the basis of historical costs...' (ie. it appears that the beginning of the sentence may have been omitted).

You are requested to examine this issue and to ensure that, in future, the requirements of section 252(2) and Item 17(e)(iv) regarding consistency of accounts are met.

NEW SOUTH WALES BRANCH

Accounting Officer's Certificate

The Accounting Officer's certificate was a document required to be lodged under the former financial reporting requirements of the *Workplace Relations Act* 1996. This certificate is not required under the RAO Schedule as it has, in effect, been replaced by the Operating Report.

Committee of Management Certificate

In addition to the Committee of Management certificate (which is required by section 253(2) of the RAO Schedule and Guidelines 16 to 18 of the Registrar's Reporting Guidelines), the accounts contain a 'Committee of Management's Certificate' which refers to the *Industrial Relations Act* 1991.

This is presumably a document that is required to be lodged with the state Commission in New South Wales. There is no requirement under the RAO Schedule to lodge a Committee of Management certificate with the Industrial Registry.

Please do not hesitate to contact Robert Pfeiffer by email at robert.pfeiffer@air.gov.au or on (03) 8661 7817 if you wish to discuss this letter.

A copy of the financial report has been placed on the website maintained by the Industrial Registry at <http://www.e-airc.gov.au/188V>.

Yours sincerely,

Robert Pfeiffer

OPERATING REPORT [cont'd]

Any dues payable but not paid by a former member of the organisation, in relation to a period before the member's resignation from the organisation took effect, may be sued for and recovered in the name of the organisation, in a court of competent jurisdiction, as a debt due to the organisation.

A notice delivered to the State Secretary shall be taken to have been received by the organisation when it is delivered.

A notice of resignation that has been received by the organisation is not invalid because it was not addressed and delivered to the State Secretary.

A resignation from membership is valid even if it is not effected in accordance with this Rule if the member is informed in writing by or on behalf of the organisation that the resignation has been accepted."

Nothing in Rule 43(8) of the AFMEPKIU Rules interferes with a member's right to resign from the union as set out under section 174(1) of the Workplace Relations Act 1996. In accordance with section 174(1) of the Workplace Relations Act a member of an organisation may resign from membership by written notice addressed and delivered to a person designated for the purpose in the rules of the organisation or a branch of the organisation.

**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 SEPTEMBER 2006**

1. SIGNIFICANT ACCOUNTING POLICIES

The financial report is a general purpose financial report that has been prepared in accordance with Australian equivalents to International Financial Reporting Standards (AIFRS), other authoritative pronouncements of the Australian Accounting Standards Board, Urgent Issues Group Interpretations and the Workplace Relations Act 1996, with the exception that the financial report has been prepared on the cash basis rather than the accrual basis as required by applicable Accounting Standards. The Union has determined to adopt the cash basis of accounting in the preparation of the financial reports of national council and all branches following advice from the Australian Industrial Registry that the terms of section 252(3) of the Workplace Relations Act 1996 in effect create a standing exemption from the Australian Accounting Standard that mandates accrual accounts. Section 253(3) states that financial records of an organisation may, so far as they relate to the income and expenditure of the organisation, be kept on a cash basis or accrual basis, at the option of the organisation.

Compliance with Australian equivalents to International Financial Reporting Standards ensures that the financial report comprising the financial statements and notes thereto, complies with International Financial Reporting Standards (IFRS) except for:

- Segment reporting because AASB 114 "Segment Reporting" does not apply to not-for-profit organisations.
- Impairment of assets under AASB 136 "Impairment of assets"

BASIS OF PREPARATION

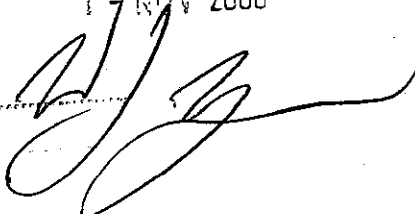

The financial report is for the Automotive, Food, Metals, Engineering, Printing & Kindred Industries Union South Australia Branch, and in accordance with the Workplace Relations Act, 1996 the South Australia Branch is a reporting unit. The Automotive, Food, Metals, Engineering, Printing & Kindred Industries Union is an organisation registered under the Workplace Relations Act. In accordance with the Act the Union is a body corporate and has perpetual succession. By virtue of this method of incorporation, the Union and the State Branch are not subject to the Corporations Act 2001.

The financial report has been prepared on a cash basis as regards the income and expenditure of the Branch and on the basis of historical costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets. Cost is based on fair values of the consideration given in exchange for assets.

This is the first financial report prepared under AIFRS and AASB 1 First-Time Adoption of Australian Equivalents to International Financial Reporting Standards has been applied in preparing these statements. Comparatives for the year ended 30 September 2005, have been presented applying AIFRS.

There have been no adjustments required to assets, liabilities or accumulated funds as a result of the introduction of AIFRS.

The following is a summary of the significant accounting policies adopted by the South Australia Branch in the preparation of the financial report.

SOUTH AUSTRALIA BRANCH**

**NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 SEPTEMBER 2006 (Cont'd)**

1. SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

- a) The South Australia Branch operates as a branch of the Automotive, Food, Metals, Engineering, Printing & Kindred Industries Union

(i) Revenue

All members' contributions are paid direct to National Council. Remittances from National Council are the amounts reimbursed by the National Council to cover Branch expenses and are recognised when received by the Branch.

(ii) Expenditure

Expenses represent amounts paid directly by the Branch for operational costs. Other operational expenses eg. salaries which relate to the Branch are paid for by the National Council and are included in the financial report of the National Council only.

(iii) Employee Entitlements

Provision for employee benefits in the form of Long Service Leave and Accrued Annual Leave have been made for the estimated accrued entitlements of all employees on the basis of their terms of employment in the financial report of the National Council.

(iv) Property, Plant and Equipment

All fixed assets are recorded in the financial reports of the National Council and the depreciation regarding those assets is charged in the National Council accounts.

(v) Income Tax

No provision for income tax is necessary, as Trade Unions are exempt from income tax under Section 50-15 of the Income Tax Assessment Act 1997.

(vi) Accounting Standards Issued But Not Yet Effective

There have been no accounting standards issued which will impact the financial report in future periods and which are not yet effective.

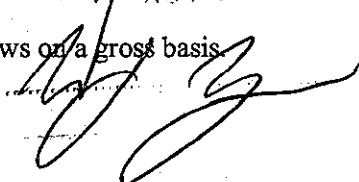

(vii) Goods and Services Tax (GST)

Revenues and expenses are recognised net of GST, except:

- (a) where the amount of GST incurred is not recoverable from the taxation authority, it is recognised as part of an item of expense; or
(b) for receivables and payables which are recognised inclusive of GST.

The net amount of GST recoverable from, or payable to the taxation authority is included as part of receivables or payables as appropriate.

Cash flows are included in the statement of cash flows on a gross basis.

1. SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

b) Going Concern Basis of Accounting

The financial report has been prepared on the basis that the Branch is a going concern, which assumes continuity of normal business activities and the realisation of assets and the settlement of liabilities in the ordinary course of business.

The State Council believes it is appropriate to adopt the going concern basis for preparing the report on the grounds that the National Council has made an undertaking to provide financial support to the Branch.

2. ACCOUNTING ESTIMATES AND JUDGEMENTS

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

(a) Critical accounting estimates and assumptions

The South Australia Branch makes estimates and assumptions concerning the future. The resulting accounting estimates by definition seldom equal the related actual results. There are no estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amount of asset and liabilities.

(b) Critical judgments in applying the South Australia Branch's accounting principles

There are no critical judgements that have a significant risk of causing a material adjustment to the carrying amount of the assets and liabilities.

3. INFORMATION TO BE PROVIDED TO MEMBERS OR REGISTRAR

In accordance with the requirements of the Workplace Relations Act, 1996, the attention of members is drawn to the provisions of Sub-Sections (1), (2) and (3) of Section 272 of Schedule 1B which read as follows:

- 1) A member of a reporting unit, or registrar, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- 2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- 3) A reporting unit must comply with an application made under subsection (1) NOV 2006

Credit Risk Exposure

Credit risk is the risk that counterparties to a financial asset will fail to discharge their obligation, causing the Branch to incur financial loss.

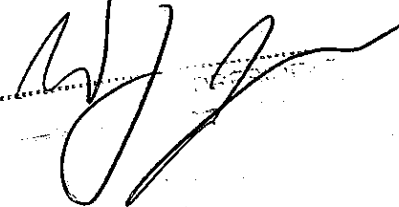

The credit risk exposure of the Branch to financial assets which have been recognised in the Balance Sheet is generally the carrying amounts, net of any provisions for doubtful debts.

The carrying amounts of cash and non-interest bearing monetary financial assets and liabilities (e.g. receivables and payables) approximate net fair values.

Independent Audit Report

To the members of the Automotive, Food, Metals, Engineering, Printing and Kindred Industries Union South Australia Branch

Scope

The Financial Report and the Responsibility of Committee of Management and Branch Secretary

The financial report comprises the statement of financial position, statement of financial performance, statement of cash flows, accompanying notes to the financial statements and the state council's statement for the Automotive, Food, Metals, Engineering, Printing and Kindred Industries Union South Australia Branch, for the year ended 30 September 2006.

The state council and branch secretary are responsible for the preparation and true and fair presentation of the financial report in accordance with the Workplace Relations Act 1996. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

Audit Approach

We have conducted an independent audit in order to express an opinion to the members of the Branch. Our audit was conducted in accordance with Australian Auditing Standards in order to provide reasonable assurance whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgment, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with the Workplace Relations Act 1996, including compliance with Accounting Standards and other mandatory professional reporting requirements in Australia a view which is consistent with our understanding of the Branch's financial position and its performance as represented by the results of its operations and cash flows.

We formed our audit opinion on the basis of these procedures, which included:

- examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report, and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the state council and the secretary of the branch.

2/...

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements and the Workplace Relations Act 1996.

Audit Opinion

In our opinion the financial report of Automotive, Food, Metals, Engineering, Printing and Kindred Industries Union South Australia Branch is in accordance with:

- a) The Workplace Relations Act 1996, including:
 - i) giving a true and fair view of the branch's financial position as at 30 September 2006 and of its performance for the year ended on that date; and
 - ii) complying with Australian Accounting Standards; and
 - iii) complying with any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of Schedule 1B of the Act; and
- b) Other mandatory professional reporting requirements in Australia.
