A notice of resignation from membership takes effect:

- (a) Where the member ceases to be eligible to become a member of the organisation:

SOUTH AUSTRALIA BRANCH

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT FOR THE YEAR ENDED 30 SEPTEMBER 2010

1. SIGNIFICANT ACCOUNTING POLICIES

The financial report is a general purpose financial report that has been prepared in accordance with Australian equivalents to International Financial Reporting Standards (AIFRS), other authoritative pronouncements of the Australian Accounting Standards Board, Urgent Issues Group Interpretations and the Fair Work (Registered Organisations) Act 2009.

Compliance with Australian equivalents to International Financial Reporting Standards ensures that the financial report comprising the financial statements and notes thereto, complies with International Financial Reporting Standards (IFRS) except for:

- Segment reporting because AASB 114 "Segment Reporting" does not apply to not-for-profit organisations.
- Impairment of assets under AASB 136 "Impairment of assets"

BASIS OF PREPARATION

The financial report is for the Automotive, Food, Metals, Engineering, Printing & Kindred Industries Union South Australia Branch. The Automotive, Food, Metals, Engineering, Printing & Kindred Industries Union is an organisation registered under the Fair Work (Registered Organisations) Act 2009. The Automotive, Food, Metals, Engineering, Printing & Kindred Industries Union South Australia Branch is a Branch of the registered organisation. In accordance with the Act the Union is a body corporate and has perpetual succession. By virtue of this method of incorporation, the Union and the State Branch are not subject to the Corporations Act 2001.

The financial report has been prepared on the basis of historical costs modified by the revaluation of selected financial assets and liabilities for which the fair value basis of accounting has been applied. Cost is based on fair values of the consideration given in exchange for assets. The accounting policies have been consistently applied, unless otherwise stated.

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT
FOR THE YEAR ENDED 30 SEPTEMBER 2010 (Cont'd)

1. SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

The following is a summary of the significant accounting policies adopted by the South Australia Branch in the preparation of the financial report.

a) (i) Revenue

All members' contributions are paid direct to National Council. Remittances from National Council are the amounts reimbursed by the National Council to cover Branch expenses and are recognised when received by the Branch.

(ii) Expenditure

Expenses represent amounts paid directly by the Branch for operational costs. Other operational expenses eg. salaries which relate to the Branch are paid for by the National Council and are included in the financial report of the National Council only.

(iii) Employee Entitlements

Provision for employee benefits in the form of Long Service Leave and Accrued Annual Leave have been made for the estimated accrued entitlements of all employees on the basis of their terms of employment in the financial report of the National Council.

(iv) Property, Plant and Equipment

All fixed assets are recorded in the financial reports of the National Council and the depreciation regarding those assets is charged in the National Council accounts.

(v) Income Tax

No provision for income tax is necessary, as Trade Unions are exempt from income tax under Section 50-15 of the Income Tax Assessment Act 1997.

(vi) Accounting Standards Issued But Not Yet Effective

There have been no accounting standards issued which will have a financial impact on the financial report in future periods and which are not yet effective.

(vii) Goods and Services Tax (GST)

Revenues and expenses are recognised net of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or part of an item of the expense. Receivables and payables on the statement of financial position are shown inclusive of GST.

The net amount of GST recoverable from, or payable to the taxation authority is included as part of receivables or payables as appropriate.

Cash flows are included in the statement of cash flows on a gross basis.

SOUTH AUSTRALIA BRANCH

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT FOR THE YEAR ENDED 30 SEPTEMBER 2010 (Cont'd)

1. SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

b) Going Concern Basis of Accounting

The financial report has been prepared on the basis that the Branch is a going concern, which assumes continuity of normal business activities and the realisation of assets and the settlement of liabilities in the ordinary course of business.

The State Council believes it is appropriate to adopt the going concern basis for preparing the report on the grounds that the National Council has made an undertaking to provide financial support to the Branch.

2. ACCOUNTING ESTIMATES AND JUDGEMENTS

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

(a) Critical accounting estimates and assumptions

The South Australia Branch makes estimates and assumptions concerning the future. The resulting accounting estimates by definition seldom equal the related actual results. There are no estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities.

(b) Critical judgments in applying the South Australia Branch's accounting principles

There are no critical judgements that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities.

3. INFORMATION TO BE PROVIDED TO MEMBERS OR THE GENERAL MANAGER OF FAIR WORK AUSTRALIA

In accordance with the requirements of the Fair Work (Registered Organisations) Act 2009, the attention of members is drawn to the provisions of Section 272 of Fair Work (Registered Organisations) Act 2009 which read as follows:

- 1) A member of a reporting unit, or the General Manager of Fair Work Australia, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- 2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- 3) A reporting unit must comply with an application made under subsection (1)

10. FINANCIAL RISK MANAGEMENT

(a) *General objectives, policies and processes*

The Branch is exposed to risks that arise from its use of financial instruments. This note describes the Branch's objectives, policies and processes for managing those risks and the methods used to measure them.

There have been no substantive changes in the Branch's exposure to financial instrument risk, its objectives, policies and processes for managing those risks or the methods used to measure them from previous periods unless otherwise stated in this note.

The Branch's financial instruments consist mainly of deposits with banks and receivables. The main risks the Branch is exposed to through its financial instruments are interest rate risk (see section (e) below), liquidity risk and credit risk.

The State Council have overall responsibility for the determination of the Branch's risk management objectives and policies.

(b) *Credit Risk*

Credit risk is the risk that the other party to a financial instrument will fail to discharge their obligation resulting in the Branch incurring a financial loss. This usually occurs when debtors fail to settle their obligations owing to the Branch.

The maximum exposure to credit risk, excluding the value of any collateral or other security, at balance date to recognised financial assets is the carrying amount of those assets, net of any provision for doubtful debts, as disclosed below:

10. FINANCIAL RISK MANAGEMENT (Cont'd)

(c) *Liquidity Risk*

Liquidity risk is the risk that the Branch may encounter difficulties raising funds to meet commitments associated with financial instruments.

The Branch is not significantly exposed to this risk; as at 30 September 2010 it had \$16,584.00 of cash and cash equivalents to meet these obligations as they fall due. Financial liabilities at 30 September 2010 totalled \$17,245.00. The Branch manages liquidity risk by monitoring cash flows. Further the National Council has made an undertaking to provide financial support to the Branch.

(d) *Market Risk*

Market risk arises from the use of interest bearing, tradable financial instruments. It is the risk that the fair value or future cashflows of a financial instrument will fluctuate because of changes in interest rates (interest rate risk) or other market factors (other price risk).

(i) *Interest Rate Risk*

The Branch's exposure to interest rate risk, which is the risk that a financial instrument's value will fluctuate as a result of changes in market interest rates and the effective weighted average interest rates on those financial assets and liabilities are summarised below:

Branch Committee of Management and the Branch Secretary's Responsibility for the Financial Report

The branch committee of management and the branch secretary of the Branch are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Fair Work (Registered Organisations) Act 2009. This responsibility also includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the branch committee of management and branch secretary, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.
