A notice of resignation from membership takes effect:

- (a) Where the member ceases to be eligible to become a member of the organisation:

NOTES TO THE FINANCIAL REPORT FOR THE YEAR ENDED 30 SEPTEMBER 2015

1. SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PREPARATION

The financial statements are general purpose financial statements which have been prepared in accordance with Australian Accounting Standards, other authoritative pronouncements of the Australian Accounting Standards Board and the *Fair Work (Registered Organisations) Act 2009*.

The financial report is for the Automotive, Food, Metals, Engineering, Printing & Kindred Industries Union Tasmanian Branch. The Automotive, Food, Metals, Engineering, Printing & Kindred Industries Union is an organisation registered under the RO Act. The Automotive, Food, Metals, Engineering, Printing & Kindred Industries Union Tasmanian Branch is a Branch of the registered organisation. In accordance with the RO Act the Union is a body corporate and has perpetual succession. By virtue of this method of incorporation, the Union and the Branch are not subject to the Corporations Act 2001.

The financial report has been prepared on an accrual basis and in accordance with historical cost. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

1. SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

The following is a summary of the significant accounting policies adopted by the Tasmanian Branch in the preparation of the financial report.

a) (i) Revenue

All members' contributions are paid direct to National Council. Remittances from National Council are the amounts reimbursed by the National Council to cover Branch expenses and are recognised when received by the Branch.

(ii) Expenditure

Expenses represent amounts paid directly by the Branch for operational costs. Other operational expenses eg. salaries which relate to the Branch are paid for by the National Council and are included in the financial report of the National Council only.

(iii) Employee Entitlements

Provision for employee benefits in the form of Long Service Leave and Accrued Annual Leave have been made for the estimated accrued entitlements of all employees on the basis of their terms of employment in the financial report of the National Council.

(iv) Property, Plant and Equipment

All fixed assets are recorded in the financial reports of the National Council and the depreciation regarding those assets is charged in the National Council accounts.

(v) Income Tax

No provision for income tax is necessary, as Trade Unions are exempt from income tax under Section 50-15 of the Income Tax Assessment Act 1997.

(vi) Goods and Services Tax (GST)

Revenues and expenses are recognised net of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or part of an item of the expense. Receivables and payables on the statement of financial position are shown inclusive of GST.

The net amount of GST recoverable from, or payable to the taxation authority is included as part of receivables or payables as appropriate.

Cash flows are included in the statement of cash flows on a gross basis.

1. SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

b) Going concern basis of accounting

The financial report has been prepared on the basis that the Branch is a going concern, which assumes continuity of normal business activities and the realisation of assets and the settlement of liabilities in the ordinary course of business.

The State Council believes it is appropriate to adopt the going concern basis for preparing the report on the grounds that the National Council has made an undertaking to provide financial support to the Branch.

c) Adoption of New Australian Accounting Standard requirements

No accounting standard has been adopted earlier than the application date stated in the standard.

The accounting policies adopted are consistent with those of the previous financial year and have not been impacted by any new standards adopted in the current financial year

d) Future Australian Accounting Standard requirements

There have been no accounting standards issued prior to the sign off date, but not yet effective, which will have a material impact on the financial report in future periods.

2. ACCOUNTING ESTIMATES AND JUDGEMENTS

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

(a) Critical accounting estimates and assumptions

The Tasmanian Branch makes estimates and assumptions concerning the future. The resulting accounting estimates by definition seldom equal the related actual results. There are no estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities.

(b) Critical judgments in applying the Tasmanian Branch's accounting principles

There are no critical judgments that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities.
