Dear Sir,

I wish to apply for the Industrial Registry to arrange for the conduct of an election to fill our Council positions as required under Sect 214 of the Workplace Relations Act . In accordance with Reg 61 the following information is provided. Please note this supersedes my letter of 20 July 2000.

61.(1)(a) The positions requiring election are:

Six (6) Councillors.

ie. a total of 6 positions to be filled by election.

61(1)(b)(i) The reason for the election is that elected term of office of these positions expires this year.

All financial members are entitled to vote.

61 (1)(f)(i) The voting system to be employed in the conduct of the election is direct voting (standard preferential voting system).

As our State organisation will be conducting its election at the same time we wish to coordinate the timings of the two ballots. To this end we have contacted Roy Hill of the Electoral Commission who has advised that a suitable time frame for the conduct of the election would be:

- |    |                    |                  |         |
|----|--------------------|------------------|---------|
| 1. | Invite nominations | 18 August 2000   | Friday  |
| 2. | Close nominations  | 8 September 2000 | Friday  |
| 3. | Post Ballot Papers | 3 October 2000   | Tuesday |
| 4. | Close Ballot       | 3 November 2000  | Friday  |

Please note that this timing has been changed from the norm to take account of the effects of the Olympics and minimise their potential disruption to the process. For this reason ASA's council has decided to defer our AGM from

October as set out in our rules to the 14<sup>th</sup> November when it is intended that the results of the election will be officially advised to the membership. I trust this variation meets with your approval.

If you require any further information please contact Jeremy Magee , Systems and Finance Manager of the Aged Services Association of NSW & ACT Inc.

Yours faithfully,
