STATEMENT OF ACCOUNTING POLICIES

The accounts have been prepared in accordance with the Statement of Accounting Concepts and applicable Accounting Standards. The accounts have been prepared on the basis of historical costs and do not take into account changing money values or, except where stated, current valuations of non-current assets. The accounting policies have been consistently applied, unless otherwise stated.

The accounts are a special purpose financial report prepared in order to provide accounts which satisfy the Industrial Relations Act 1988 to prepare accounts. The Committee has determined that the branch is not a reporting entity as defined in Statements of Accounting Concepts 1 "Definition of the Reporting Entity" and therefore, as there is no requirement to apply accounting standards in the preparation and presentation of these statements, they have been adopted only to the extent shown in the accounts.

S 274 (4) of the Industrial Relations Act 1988 prescribes that accounts prepared under S273 of the Act shall include a notice drawing attention to the following:-

- A member of an organization, or a Registrar, may apply to the organization for specified prescribed information in relation to the organization
- An organization shall, on application made under subsection (1) by a member of the organisation or a Registrar, make the specified information available to the member or Registrar in such manner, and within such time, as is prescribed.
- A Registrar may only make an application under subsection (1) at the request of a member of the organisation concerned, and the Registrar shall provide to a member information received because of an application made at the request of the member.
