Mr Graham R Smith Secretary Australasian Meat Industry Employees Union, The-South Australian Branch Ground Floor, 46 Greenhill Road WAYVILLE SA 5034

Dear Mr Smith

Financial Return - year ending 30 June, 2007

Our records show the organisation's financial year ended recently. This letter outlines some of the things you must do to meet your financial reporting obligations and when you have to do them. For simplicity, we will call the documents you have to lodge with us your *financial return*.

This letter is intended as guide to the law applicable on the date of this letter, and should not be used as a substitute for legal or accounting advice. We only summarise some of the reporting requirements in this letter. More detailed information is at the end of this letter.

Information on AIRC Website

We recommend you and your accountant/auditor also refer to the following documents on the Commission's website at <u>www.airc.gov.au</u>:

- RAO Schedule
- RAO Regulations
- <u>Registrar's Reporting Guidelines</u> All GPFR's must comply with these Guidelines. Please note that the Guidelines set out requirements that are *in addition* to those required by the Australian Accounting Standards.
- <u>RAO Fact Sheets</u> These Fact Sheets explain the requirements of the RAO Schedule many of them deal with financial reporting matters.

Reporting Unit

Under the provisions of the Registration and Accountability of Organisations Schedule (RAO), Schedule 1 of the *Workplace Relations Act 1996*, reporting entities are known as "*reporting units*". Where an organisation is **not** divided into branches the reporting unit is the whole of the organisation. Where an organisation **is** divided into branches each branch will be a reporting unit unless the Industrial Registrar has determined a division of the organisation into reporting units on an alternative basis. We can discuss this with you if you need more information.

For simplicity, we will use the term "reporting unit" in this letter.

Industrial Registrar's Guidelines

The Industrial Registrar's reporting guidelines set out certain disclosure requirements in addition to those prescribed by Australian Accounting Standards having in mind the nature of organisations registered under the Workplace Relations Act.

The disclosure requirements prescribed by the reporting guidelines are directed towards providing members of the reporting unit with information to enable them to gauge the performance of the committee of management and other holders of office in relation to the financial management of the reporting unit. In addition, the reporting guidelines seek to improve the quality of information available to users of the financial report about the reporting unit's economic support of, or economic dependency on, other reporting units of the organisation.

Timeline Planner and Checklist

We have attached a <u>Timeline/Planner</u> (*Attachment A*) to help you **plan** your financial return and carry out all the necessary steps. We have also attached a <u>Document Checklist</u> (*Attachment B*) to **check** your documents before lodging them in the Registry. Both documents are abbreviated summaries of the relevant provisions of the RAO Schedule, RAO Regulations and the Industrial Registrar's Reporting Guidelines.

In the following section we describe some of the documents your reporting unit must prepare and the sequence of their preparation and completion.

Three Reports

Your reporting unit must prepare two reports <u>as soon as practicable</u> after its financial year, which, together with the Auditor's Report, comprise the reporting unit's financial return.

1. General Purpose Financial Report - this must comply with the Australian Accounting Standards and the Industrial Registrar's Reporting Guidelines. The GPFR consists of:

(a) Financial Statements containing:

- a profit and loss statement, or other operating statement; and
- a balance sheet; and
- a statement of cash flows; and
- any other statements required by the Australian Accounting Standards; and

(b) Notes to the Financial Statements containing:

- notes required by the Australian Accounting Standards; and
- information required by the Industrial Registrar's *Reporting Guidelines* under section 255 including disclosures related to any recovery of wages activity; and

(c) Committee of Management Statement as required by the Registrar's Reporting Guidelines (a sample certificate for illustrative purposes is at Attachment C) including declarations related to the recovery of wages activity.

2. **Operating Report** - this report includes a review of your <u>reporting unit's</u> principal activities for the year and other specified information.

Your reporting unit must appoint an auditor to audit the GPFR and to provide:

3. an Auditor's Report.

First Meeting (Committee of Management)

For simplicity, we will call the meeting at which the committee of management first considers the GPFR the first meeting. At the first meeting your committee, if satisfied that all is in order, will resolve to express its opinion on the GPFR and complete a Committee of Management Statement.

The Auditor

After the first meeting, the auditor takes the GPFR and the Committee of Management Statement and prepares a report on the GPFR. In practice, your auditor may have already completed most of his or her examination of your accounts. The auditor may only be waiting on the Committee to pass the required resolution and make the Statement before signing the report the same day.

Informing Your Members

Your reporting unit must provide free of charge to the general membership, copies of the GPFR, the Operating Report and the Auditor's Report. RAO calls these the "full report". Under certain circumstances, your reporting unit can provide a more limited *concise report*.

The reporting unit can meet its obligation to provide copies of the full or concise report to members by publishing the report in a journal that is available to the members free of charge.

A reporting unit may meet this obligation in whole or in part by publication of the report in a journal published on a web site on the Internet dependent on:

a. the extent of the accessibility of the members of the reporting unit to the Internet; and

b. that the members are notified by the reporting unit in the usual manner in which it communicates with its members that the report has been so published at a specified Internet address.

The report must be provided within 5 or 6 months from the end of the financial year, depending on the internal arrangements of the organisation for the presentation of its financial reports.

The Second Meeting - if it is a General Meeting of Members

After providing the full report to members it must be presented to a general meeting of members. For simplicity this is referred to as the *second meeting*.

Your reporting unit must always allow a minimum of 21 days for members to receive the full report before presenting it to a general meeting of members (s265(5)). The purpose of the interval is to enable the members to have time to consider the report and, if they wish, to attend the second meeting to discuss it.

If the rules of the organisation permit a general meeting to be a series of meetings held at different locations, the full report may be presented to such a series of meetings. In this case the 'date' of the general meeting is taken to be the date of the last meeting in the series (see s266(2)).

The Second Meeting - if it is a Committee of Management Meeting

If the rules of your organisation contain a provision that allows up to 5% of members to demand a general meeting to be held consider the report (see s266(3)), it is permissible to present the report directly to a Committee of Management meeting.

Lodge full report within 14 days of meeting

You must lodge a copy of the full report and any concise report in the Industrial Registry within 14 days of the second meeting. For your convenience you are encouraged to lodge the material electronically (see eFiling Tab at <u>www.airc.gov.au</u>).

The Secretary (or another officer appropriately authorised under the rules of the organisation) must *certify* that the full report is a copy of the one provided to members <u>and</u> presented to the second meeting and provide the date of the meeting (a sample certification for illustrative purposes is at *Attachment D*).

When we receive your return we will check that it includes the information you must provide your members and that you have provided it to them correctly.

Complying with time limits

This letter has outlined some of the steps in preparing and lodging your return. Many of the steps must be completed within fixed time limits.

Failure to complete them in time could make your reporting unit or its officers liable to financial or "civil penalties".

Extensions of Time

We appreciate that sometimes circumstances beyond your reporting unit's control may delay completion of a financial return. If you believe your reporting unit is going to be unable to meet a time limit tell us as soon as you know. We can advise you if the step is one for which you may apply under RAO to the Industrial Registrar for extra time to complete. The maximum extra time allowed can be no more than one month.

Contact the Registry

We encourage you to contact the Registry on (02) 8374 6618 or by e-mail at belinda.penna@air.gov.au as early as possible if you believe preparation or lodgment of your return will be delayed or if you have any queries. We can offer you advice on procedures but we cannot give you legal or accounting advice.

Yours sincerely

Dear Mr Smith

Re: Australasian Meat Industry Employees Union, The-South Australian Branch Outstanding Financial Documents - *Workplace Relations Act 1996*

The Accounts and Audit Part of Schedule 1 of the *Workplace Relations Act 1996* requires, as a general rule, that the audited financial statements of a reporting unit of a registered organisation, be lodged in the Industrial Registry within 6 months and 14 days from the end of its financial year.

To date, the Registry has no record of lodgement of the financial reports of the above named reporting unit for the year ended 30 June, 2007. For details of these provisions and organisations' financial reporting obligations please refer to the Registry's earlier correspondence.

In particular there is no record of lodgement of copies of:

- the general purpose financial report;
- the auditor's report; or
- the operating report.

These three reports are referred to as the "full report".

Section 268 of the RAO Schedule¹ requires that a copy of the full report be lodged in the Registry within 14 days (or such longer period a Registrar allows) after the full report is presented to a general meeting of members (or to a committee of management meeting if the rules make provision consistent with s266(3)).

Section 266 (1) requires that the full report be presented to the meeting within 6 months of the end of the financial year. Therefore, lodgement of the documents in the Registry was required by **14 January, 2008**.

Section 305(2)(ze) of the RAO Schedule is a civil penalty provision. It provides that a failure to meet the requirements of s268 is a contravention of that civil penalty provision. The Federal Court may on application of the Industrial Registrar impose a pecuniary penalty on the person or organisation whose conduct contravened the civil penalty provision.

I also draw your attention to the provisions of Part 1 of Chapter 9 of the RAO Schedule which set out the general duties of officers and employees of organisations and their branches in relation to financial management.

In the absence of lodgement of a copy of the full report, I request you state in writing by **11 February**, **2008**:

- whether the auditor has audited the general purpose financial report and if so, the date on which the auditor signed the audit report
- whether the committee of management has prepared the operating report

¹ Schedule 1 of the Workplace Relations Act 1996

- whether the full report has been provided to members, and if so, when
- whether the full report provided to the members has been presented to a general or committee of management meeting, and if so, when
- when a copy of the full report will be lodged in the Industrial Registry.

The full report when lodged must be accompanied by a certificate of the secretary or other authorised officer that the documents lodged are copies of the documents provided to members and presented to the general or committee of management meeting in accordance with s266.

If you wish to discuss this letter, please contact me on (02) 8374 6618. In reply please quote: **FR2007/243.**

Hi Belinda,

I refer to your letter dated 21st January 2008 in respect to FR2007/243.

The AMIEU SA Branch does the accounting for both SA and WA and therefore WA will also be in the same position.

Our auditor has only just completed the audits of both branches and the accounts are now being presented to the membership.

We apologise for the delay but the auditor has given us no explanation as to why the audits have only just now been completed other than to say to us that she will provide an explanatory letter to the registrar as to why she has taken so long to complete the process.

We should be in a position to finalise the process and file returns very shortly, bearing in mind that we are only this week presenting the accounts to the membership.

Dear Sir,

Re AMIEU SA Branch & AMIEU WA Branch

We contacted your office on 7.12.07 stating that we were aware that we were late with the audits of the above and asking advice on whether we should formally apply for an extension of time. The advice given was that we should write this letter to accompany the lodgement of the financial statements.

We are aware of the statutory time limits for completion of the above audits under the Act. Due to circumstances partly beyond our control and not concerning the above organisations we found it physically impossible.

We request your understanding in this matter and have taken action to complete the audits within the statutory limits in the future.

Yours faithfully,

INDEPENDENT AUDITORS REPORT

Scope

Т

The Financial Report & Branch Council Responsibility

We have audited the accompanying general purpose financial report of the Australasian Meat Industry Employees' Union South Australian Branch for the year ended 30 June 2007 comprising Statement of Balance Sheet, Statement of Cash Flows, Statement of Changes in Equity, Income Statement, and notes to the Financial Statements. The Committee is responsible for the preparation and presentation of the financial report and the information it contains. This includes responsibility for the maintenance of adequate accounting records & internal controls that are designed to prevent & detect fraud and error, and for the accounting policies and estimates inherent in the Financial Report.

Audit Approach

We conducted an Independent audit in order to express an opinion to the members of the Branch. Our audit was conducted in accordance with Australian Auditing Standards, in order to provide reasonable assurance as to whether the Financial Report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgement, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material respects the Financial Report presents fairly, in accordance with the Industrial Relations Act, including compliance with Accounting Standards and other mandatory financial reporting requirements in Australia, a view which is consistent with our understanding of the Branch's financial position, and of it's performance as represented by the results of the operations and cash flows.

We formed our Audit Opinion on the basis of these procedures, which included:

- Examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report; and
- Assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the committee.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements.

Audit Opinion

In our opinion the general purpose financial report of The Australasian Meat Industry Employee's Union, South Australian Branch is in accordance with the Workplace Relations Act 1996, is presented fairly in accordance with applicable Australian Accounting Standards and the requirements imposed by Part 3 of Chapter 8 of the RAO schedule of the Workplace Relations Act 1996
