Mr Paul Conway Secretary/Treasurer Victorian Branch The Australasian Meat Industry Employees' Union, <u>amieuvic@ozemail.com.au</u>

CC: McLean Delmo Bentleys Audit Pty Ltd, Attn A Roberts by email info@mcdb.com.au

Dear Mr Conway,

The Australasian Meat Industry Employees' Union, Victorian Branch Financial Report for the year ended 30 June 2015 - [FR2015/282]

I acknowledge receipt of the financial report of The Australasian Meat Industry Employees Union – Victoria Branch. The documents were lodged with the Fair Work Commission (FWC) on 15 December 2015. Further information was received on 12 January 2016.

The financial report has now been filed.

The financial report was filed based on a primary review. This involved confirming that the financial reporting timelines required under s.253, s.265, s.266 and s.268 of the *Fair Work (Registered Organisations) Act 2009* (RO Act) have been satisfied, all documents required under s.268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and Reporting Guidelines have been complied with. A primary review does not examine all disclosure requirements.

Please note that the financial report for the year ending 30 June 2016 may be subject to an advanced compliance review.

I make the following comments to assist you when you next prepare a financial report. You are not required to take any further action in respect of the report lodged. The FWC will confirm these concerns have been addressed prior to filing next year's report.

Designated Officers Certificate

I note that the designated officers certificate did not include the date that the report was provided to members as required by the legislation. Once requested the date was provided promptly and it appears that the report was provided to members before the auditor signed the auditor's report. It is a requirement of the RO Act that the full report, including auditor's report, is provided to members.

Please ensure that next year's designated officer's certificate does contain the date the report was provided to members and the date it was presented to a meeting, and that the full report is provided to members including the signed auditor's report.

Committee of Management Statement

The Committee of Management Statement did not contain the date of the resolution of the Committee of Management. This is required to be filled into the first sentence of the statement.

Please ensure that next year's committee of management statement does contain the date of the resolution that passes the statement.

Related Parties

AASB 124 Related Party Disclosures paragraph 18 states that when an entity has had related party transactions during the reporting period it must disclose the nature of the related party relationship, as well as information about outstanding balances including commitments and doubtful debts.

Please ensure that next year's report contains all of the required information on Related party disclosures.

Reporting Requirements

On the FWC website a number of factsheets in relation to the financial reporting process and associated timelines are available. The most recent copy of the Reporting Guidelines and a model set of financial statements can also be found. The FWC recommends reporting units use this model as it will assist in ensuring compliance with the RO Act, the s.253 Reporting Guidelines and the Australian Accounting Standards. Access to this information may be obtained via this link.

(VICTORIAN BRANCH)

General Purpose Financial Report 2015

OPERATING REPORT

Review of Principal Activities, the results of those activities and any significant changes in the nature of those activities during the year.

Principal Activities

The principal activities consisted of representation, support and training of Union members.

Results of Activities

Service and support for members is provided by full time organisers through regular workplace visits, holding meetings with members and resolving workplace issues as they arise. Representation is also provided in the workplace, at tribunals and by participation in industrial relations and workplace safety policy forums. The Union also keeps members informed through periodical journals, newsletters, emails and topical information on social media, our phone app and website. Since June 2015 the Union has also operated a national call centre to assist non-English speaking temporary workers.

The Victorian Branch is a party to 36 enterprise agreements, 6 of which were negotiated on behalf of members and registered during 2014/15, maintaining members' working conditions and providing annual wage increases.

At the Fair Work Commission 5 applications notifying various workplace disputes under enterprise agreements were settled and 10 applications for unfair dismissal remedy were resolved on behalf of members.

At the Accident Compensation Conciliation Service the Union attended with members at 44 conciliations in Melbourne and regional Victoria, assisting in settling WorkCover disputes. As a representative of the Union Organiser Gwynnyth Evans holds appointments on the WorkCover Advisory Committee, Return to Work Working Group, Compensation Rehabilitation Working Group, OH&S Stakeholder Review Group, Manual Handling Compliance Code Stakeholder Review Group, Manual Handling Stakeholder Review Group and the Institute for Safety Compensation & Recovery Research Return to Work Systematic Review Stakeholders Group.

Change in the Nature of Activities

There were no significant changes in the nature of the activities during the year.

Review of Results

The net result of operations for the twelve months was a profit/(loss) of \$298,584 (2014: \$348,836).

Significant Changes in the State of Financial Affairs

In the opinion of the Committee of Management, there were no significant changes in the entity's state of financial affairs during the financial year.

OPERATING REPORT

Resignation of Members

As per section 174 of the Fair Work (Registered Organisations) Act 2009, a member of an organisation may resign from membership by written notice addressed and delivered to a person designated for the purpose in the rules of the organisation or a branch of the organisation.

Number of Members

COMMITTEE OF MANAGEMENT CERTIFICATE

On 2015, the Committee of Management of the Australasian Meat Industry Employees Union (Victorian Branch) passed the following resolution in relation to the general purpose financial report of the reporting unit for the financial year ended 30 June 2015:

The Committee of Management declares in relation to the general purpose financial report that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements and notes comply with the reporting guidelines of the General Manager of Fair Work Commission (General Manager) and other requirements imposed by Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009 (RO Act);
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable;
- (e) during the financial year to which the general purpose financial report relates and since the end of that year:
 - (i) meetings of the committee of management were held in accordance with the rules of the organisation including the rules of a branch concerned; and
 - (ii) the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of a branch concerned; and
 - (iii) the financial records of the reporting unit have been kept and maintained in accordance with the RO Act; and
 - (iv) where the organisation consists of two or more reporting units, the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner with each of the other reporting units of the organisation; and
 - (v) where information has been sought in any request by a member of the reporting unit or General Manager duly made under section 272 of the RO Act has been provided to the member or General Manager; and
 - (vi) where any order for inspection of financial records has been made by the Fair Work Commission under section 273 of the RO Act, there has been compliance.
- (f) no revenue has been derived from undertaking recovery of wages activity during the reporting period.

This declaration is made in accordance with a resolution of the Committee of Management:

PAUL CONWAY Secretary

Dated this 5 day of 10, 2015.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

NOTE 1: STATEMENT OF ACCOUNTING POLICIES

This financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards, the Reporting Guidelines of the General Manager of Fair Work Commission and any other requirements imposed by Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009. Compliance with Australian Accounting Standards means that the Financial Statements and notes also comply with International Financial Reporting Stardards. For the purpose of preparing the general purpose financial statements, the Australiain Meat Industry Employees Union (Victorian Branch) is a not-for-profit entity.

The following is a summary of the significant accounting policies adopted by the entity in the preparation of the financial report.

Basis of Preparation

Reporting Basis and Conventions

The financial report has been prepared on an accruals basis using historical costs and does not take into account changing money values or, except where stated, current valuations of non current assets. Cost is based on the fair values of the consideration given in exchange for assets. The accounting policies have been consistently applied, unless otherwise stated.

Significant Accounting Judgements and Estimates

No significant accounting judgements or estimates have been applied that would have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period or the amounts recognised in the financial statements.

Accounting Policies

(a) Going Concern

The financial report is prepared on the basis that the entity will continue as a going concern and that assets including property plant and equipment and liabilities would be realised in the normal course of business at their recorded values as at 30 June 2015.

In 2012 the Queensland Branch has provided the AMIEU (Victorian Branch) an interest free advance of \$200,000 to the Victorian Branch. This was an interest free agreement to be repaid within three years with quarterly repayments since October 2012. The loan has been fully repaid during the year.

No financial support was provided to other reporting units by the AMIEU (Victorian Branch).

(b) Revenue

Revenue from subscriptions is accounted for on an accrual basis and is recorded as revenue in the year in which it relates. Interest revenue is recognised on an accruals basis.

Revenue arising from the disposal of non-current assets is recognised when the organisation and the buyer are both committed to a contract.

(c) Income Tax

No provision for income tax is necessary as "Trade Unions" are exempt from income tax under Section 50-15 (3.2) of the Income Tax Assessment Act 1997.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

NOTE 1: STATEMENT OF ACCOUNTING POLICIES continued

(d) Property, Plant & Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment losses.

Property at Fair Value

The Building Strata Title is shown at the fair value (being the amount for which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction), less subsequent depreciation for buildings and accumulated impairment losses. Revaluations are performed with sufficient frequency such that the carrying amount of assets do not differ materially from those that would be determined using fair values as at the reporting date.

Revaluation adjustments are made on a class basis. Any revaluation increment is credited to equity under the heading of asset revaluation reserve except to the extent that it reversed a previous revaluation decrement of the same class that was previously recognised in the surplus/deficit. Revaluation decrements for a class of assets are recognised directly in the profit or loss except to the extent that they reverse a previous revaluation increment for that class. Any accumulated depreciation as at the revaluation date is eliminated against the gross carrying amount of the asset and the asset is restated to the revalued amount.

Plant and equipment

Plant and equipment are measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

Depreciation

The depreciable amount of all fixed assets including property, but excluding artworks, are depreciated on a straight line or diminishing value basis over their useful lives to the entity commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are: Property 2.5%

rioponey	2.0 / 0
Plant & Equipment	10%-50%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

(e) Impairment of Assets

At each reporting date, the entity reviews the carrying values of its assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

Where it is not possible to estimate the recoverable amount of an individual asset, the entity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Software

Software is measured at cost less accumulated amortisation and impairment losses.

Software is amortised on a straight line basis over the useful life to the entity commencing from the time the asset is available for use. The amortisation rate used for software is 10%. The software's fair value and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date. The carrying amount of software is reviewed annually to ensure it is not in excess of the fair value of the asset.

(g) Employee Benefits

Provision is made for benefits accruing to employees in respect of wages and salaries, annual leave, sick leave and long service leave when it is probable that settlement will be required and they are capable of being measured reliably.

Measurement of short-term and long-term employee benefits

Short-term employee benefits are those benefits that are expected to be settled within 12 months, and are measured at their nominal values using the remuneration rate expected to apply at the time of settlement. They include wages and salaries, annual leave, sick leave and long service leave that are expected to be settled within 12 months.

Long-term employee benefits are those benefits that are not expected to be settled within 12 months, and are measured at the present value of the estimated future cash outflows to be made by the entity in respect to services provided by employees up to the reporting date. They include long service leave not expected to be settled within 12 months.

The present value of long-term employee benefits is calculated in accordance with AASB 119: Employee Benefits. Long-term employee benefits are measured at the present value of expected future payments to be made in respect of services provided by employees up to the reporting date. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using interest rates on national Government guaranteed securities with terms to maturity that match, as closely as possible, the estimate future cash outflows.

Classification of employee benefits as current and non-current liabilities

Employee benefit provisions are reported as current liabilities where the entity does not have an unconditional right to defer settlement for at least 12 months. Employee benefit provisions that are reported as non-current liabilities include long term benefits that do not qualify for recognition as a current liability, and are measured at present value.

Superannuation

Contributions are made by the entity to an employee superannuation fund and are charged as expenses when incurred.

(h) Financial Assets

Investments classified as available for sale are measured at fair value. Gains or losses on these investments are recognised directly to equity in a net unrealised gain/loss reserve until the investment is sold or until the investment is determined to be impaired, at which time the cumulative gain or loss previously reported in equity for that asset is included in the Income Statement.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

NOTE 1: STATEMENT OF ACCOUNTING POLICIES continued

(i) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

(j) Affiliation Fees

Affiliation fees were paid during the 2015 and 2014 years to the Victorian Trades Hall Council, C.I.C.D., Bendigo Trades Hall Council, Ballarat Trades & Labour, South West Trades & Labour Council, North East & Border Trades, Goulburn Valley Trades & Labour, Geelong Trades Hall Council, Gippsland Trades & Labour, Australia Asia Workers Links, Victorian Labor Party, Sunraysia T&LC.

(k) **Donations** and Grants

During the 2015 year, there was no donations exceeding \$1,000. During the 2015 year, there was no grants exceeding \$1,000.

(l) Fair Value Measurement

The entity measures financial instruments, such as, financial assets as at fair value through profit and loss, available for sale financial assets, and non-financial assets such as buildings, at fair value at each balance sheet date. Also, fair values of financial instruments measured at amortised cost are disclosed in Note 20.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the entity. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The entity uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

NOTE 1: STATEMENT OF ACCOUNTING POLICIES continued

(I) Fair Value Measurement continued

For assets and liabilities that are recognised in the financial statements on a recurring basis, the entity determines whether transfers have occurred between Levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

External valuers are involved for valuation of significant assets, such as buildings. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. For the purpose of fair value disclosures, the entity has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

(n) New Accounting Standards for Application in Future Periods

The AASB has issued new, revised and amended Standards and Interpretations that have mandatory application dates for future reporting periods and which the company has decided not to early adopt.

The expected impact of these Australian Accounting Standards issued but not yet operative at 30 June 2015 are assessed as having no material impact on this financial report.

(o) Acquisition of assets and/or liabilities

No assets and/or liabilities were acquired as a result of business combination, amalgamation under Part 2 of Chapter 3 of the RO Act, restructure of the branches of the organisation, or determination or revocation by the General Manager under the RO Act.

NOTE 2: INFORMATION TO BE PROVIDED TO MEMBERS OR THE GENERAL MANAGER OF FAIR WORK AUSTRALIA

In accordance with the requirements of the Fair Work (Registered Organisations) Act 2009, the attention of members is drawn to the provisions of sub-sections (1), (2) and (3) of section 272 which reads as follows:

- (1) A member of a reporting unit, or the General Manager of Fair Work Commission, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- (2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- (3) A reporting unit must comply with an application made under subsection (1).

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF AUSTRALASIAN MEAT INDUSTRY EMPLOYEES UNION (VICTORIAN BRANCH)

Report on the financial report

We have audited the accompanying financial report of the Australasian Meat Industry Employees Union (Victorian Branch), which comprises the statement of financial position as at 30 June 2015, the statement of comprehensive income, statement of changes in equity, statement of income and expenditure, statement of cash flows and the statement of receipts and payments for recovery of wages activity for the year then ended, notes comprising a summary of significant accounting policies, other explanatory information and the Committee of Managment Certificate.

Committee of Management's responsibility for the financial report

The Committee of Management are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including Australian Accounting Interpretations), the Reporting Guidelines of the General Manager of the Fair Work Commission and any other requirements imposed by Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009. This responsibility also includes establishing and maintening internal controls relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

Our responsibility is to express and opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In our opinion, under section 257(5) of the Fair Work (Registered Organisations) Act 2009, the general purpose financial report of Australasian Meat Industry Employees Union (Victorian Branch) is presented fairly in accordance with any of the following that apply in relation to the reporting unit:

- (a) the Australian Accounting Standards (including Australian Accounting Interpretations);
- (b) in relation to recovery of wages activity;
 - (i) that the scope of the audit encompassed recovery of wages activity;
 - (ii) that the financial statements and notes and recovery of wages activity financial report properly and fairly report all information required by the reporting guidelines of the General Manager, including:
 - 1. any fees charged to, or reimbursements of expenses claimed from, members and others for recovery of wages activity; and
 - 2. any donations or other contributions deducted from recovered money; and
- (c) any other requirements imposed by these Reporting Guidelines or Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009.
