### **Notification of changes – Action required**

Dear David Backhouse,

We acknowledge receipt of a Notification of Change to the office holders of the Australian and International Pilots Association (AR2021/62).

A list of those changes has been summarised in Appendix A at the end of this letter.

#### **What you need to do right now**

- Any person who has been elected or appointed to a new office that has financial management duties (which usually includes all the committee of management) **MUST** do [financial training](#) or [obtain an exemption](#)
- Inform all officers of their [disclosure obligations](#)
- Consider giving your new officers the link to the ROC's [Officer Induction Kit](#)

These next steps are explained below in more detail.

#### **Financial training must be done within 6 months**

Any officer who has been elected or appointed to a new office that has financial management duties must complete [financial training](#) (or obtain an exemption) **within 6 months** after taking office (s.293K of the Fair Work (Registered Organisations) Act 2009 (RO Act)).

The organisation is responsible for this requirement. You should arrange for the relevant officers to have training as soon as possible.

Good governance processes around financial training are highly recommended. These include:

- keeping a list of all offices that have financial management duties
- having a single person or officer responsible for overseeing the process

- collecting records of who has done training or obtained an exemption, including any certificates and exemption letters
- doing refresher courses for officers who have been re-elected to the same office (and are not required to do training under the RO Act)
- extending training to non-officers who are essential to your financial processes

### **Officer financial training audit**

An audit by the ROC into officer training found that organisations frequently misunderstood **which** officers are required to do training.

To help with this we have an [officer training online panel](#) with examples explaining what triggers the need to do training and how to identify the offices that require it.

Further information about training is provided in our [officer financial training fact sheet](#).

### **Help for new officers: Officer Induction Kit**

The ROC has created an [Officer Induction Kit](#) to assist new officers. The Kit has resources that will help an officer to understand their general duties as an officer and their specific duties as an officer in your organisation. It also includes tools to guide an officer's understanding of compliance dates, disclosures and other reporting obligations.

Please direct your officers to the kit which is on the ROC's [officers and disclosures](#) page.

### **Disclosure obligations: what officers must do**

All officers are required to make disclosures regarding remuneration, non-cash benefits and material personal interests. Details are contained in the RO Act and are summarised in the ROC's [Disclosures Fact Sheet](#).

The organisation and officers are both responsible for meeting this obligation.

### **Time frames for notifications of change**

Notifications of change must be lodged within 35 days of the change occurring (r 151 Fair Work (Registered Organisations) Regulations 2009).

### **Resources to help you make your notifications of change**

Notifications of change are vitally important to maintain the transparency of an organisation to its members. They empower members to hold the organisation properly to account for its decisions.

To ensure that organisations get these notifications right we have created resources to help you understand the notification of change requirement and complete it quickly.

These resources include:

- [notification of change template](#)
- a podcast that answers the question – [who is an officer?](#)
- and a [fact sheet on notifications of change](#) that explains the requirement

### **eLearning module – notifications of change**

The ROC has launched an eLearning module to assist organisations in understanding when a notification of change is required.

The [eLearning module](#) is available on our website.

It will take approximately 20 minutes and has a short quiz at the end to help you test your knowledge.

Please contact 1300 341 665 or [regorgs@roc.gov.au](mailto:regorgs@roc.gov.au) if you have any questions or would like to discuss this matter further.

Yours sincerely

**NOTIFICATION OF CHANGES TO RECORDS (Changes to Records in the Annual Return) required to be kept in accordance with section 230 Fair Work (Registered Organisations) Act 2009 and regulation 147 Fair Work (Registered Organisations) Regulations 2009**

I, David John Backhouse, being the Secretary of the Australian and International Pilots Association, declare the following:

1. I am authorised to make this declaration.
2. The following is a correct statement of the changes made to the information contained in the records required to be kept by the organisation in accordance with s.230(1)(b), (c), and (d) of the Fair Work (Registered Organisations) Act 2009:
  - A list of changes to offices and the names, postal addresses and occupations of persons holding those offices is attached to this declaration at Annexure A and forms part of this declaration.
  - I note that when Juan Cameron resigned from the AIPA Committee of Management, the unexpired part of the term of office relating to the vacant position did not exceed three-quarters of the term of the office. Ordinarily, the casual vacancy would be filled pursuant to rule 38(u)(ii)A of the AIPA rules. However, there were no other candidates below those elected from the same ballot except for Mr Cameron. Mr Cameron had previously accepted a casual vacancy, from which he has since resigned.
  - In accordance with rule 38(u)(ii)B of the AIPA rules, the casual vacancy was filled by Andrew Coates, who was the next highest polling candidate below those elected from the alternate ballot in the current electoral cycle who was willing to accept the casual vacancy.

Dear David Backhouse

**The Australian and International Pilots Association's annual return of information (Annual Return) lodged under subsection 233(1) of the RO Act**

Thank you for providing your declarations and information (Annual Return) lodged under subsection 233(1) of the Fair Work (Registered Organisations) Act 2009 (the RO Act).

**Summary of your Annual Return and Review Outcome**

Year 2021  
Matter number AR2021/62  
Lodgement date 22 March 2021  
Review Primary Review  
Result FILED

**Your primary review**

Your Annual Return had a **primary review** which checked whether it was signed by an officer, lodged on time, the required declarations were made, included the list of offices and office holders and whether you met the requirements that the ROC raised with you last year. A primary review does not examine all the requirements of subsection 233(1).

**Your Annual Return satisfied the requirements of the primary review and has been uploaded to the ROC website.**

## **The ROC's risk-based approach**

This year your Annual Return was assessed against a primary review. A primary review does not check all legislative requirements.

Over a five year period the Annual Return of every organisation will be subject to at least one advanced review. An advanced review is a more comprehensive review.

The ROC's [advanced review checklists](#) are published on our website.

## **Do you have questions?**

Information and education materials are available on our [website](#). These materials are regularly updated. We recommend you [subscribe to the ROC's subscription service](#).
