Dear Commissioner Bielecki,

Re: Post-election Report for the Australian Education Union: E2017/55

I refer to your letter dated 13 November 2017 in relation to a post-election report dated 3 November 2017 in respect of an election conducted by the AEC numbered E2017/55.

The Report contained a part dealing with rules that the AEC considered to be “difficult rules” (**Relevant Extracts**). The report is enclosed with this letter and includes the Relevant Extract. The AEU’s response to the report dated 24 November 2017 is also enclosed with this letter.

Steps taken to make the Relevant Extracts and responses available to members

I declare that the AEU will provide the Relevant Extracts and the AEU’s responses to the AEC to members, upon request, free of charge.

I confirm that both the Relevant Extract and the AEU’s response provided to the AEC are set out on the Federal Office’s website: see, <http://www.aeufederal.org.au/about/organisation>

The documents will remain available on the AEU’s website for a period of at least 60 days.

If you consider that additional steps should be taken to make the Relevant Extracts and the AEU’s responses available to members, please let me know.

Yours sincerely,

Dear Chris,

Post-election Report for the Australian Education Union E2017/55

I refer to your post-election report dated 3 November 2017 which was received on 10 November 2017.

I note that in relation to the election for the ACT/TAS/NT Branches Federal Conference Delegate TAFE Division the Returning officer is 'of the view that the organisation's rules do not have election provisions for this position or any position that is combined with other branches'.

Pursuant to section 198(2) of the *Fair Work (Registered Organisations) Rules 2009* (Cth) (**FW(RO) Act**), I wish to inform the AEC that the AEU Federal Conference will be presented with an amendment to the Federal Rules that will incorporate an Election rule that specifically provides for a position that is across more than one branch. The 2019 Federal Conference is the next opportunity due to the time requirements for submitting rules amendments to Federal Conference however this will be before the next election is due for this position.

The AEU will make available this response to members in accordance with section 198(3) of the FW(RO) Act.

Yours sincerely

Dear Federal Secretary

Organisation must respond to the post-election report of the Australian Electoral Commission: E2017/55

On 10/11/2017 the Registered Organisations Commission (the ROC) received a post election report from the Australian Electoral Commission (AEC) for election E2017/55 dated 3/11/2017. The AEC will have also provided the report to the organisation under section 197 of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

The report identifies rules that were difficult to interpret or apply. This letter serves as a reminder of the obligations imposed on the organisation or branch as a consequence of the AEC's report. If a response has already been sent to the AEC and made available to all members please disregard this letter.

A notice must be published on the organisation's website

The organisation or branch must publish on its website a notice that a copy of the report is available from the organisation, branch or the AEC on request. The notice must be kept on the website for a period of at least 3 months (see regs 141(4) and (5)).

A written response must be provided to the AEC

A written response must be provided to the AEC within 30 days of receipt of the report. The organisation's response must include whether the organisation or branch intends to take action and if so what action the organisation or branch intends to take (s198(2)).

Extract of report must be made available to members

The organisation or branch must make the section of the report relating to the difficult rules available to its members (s198(3)). This extract from the report must be made available to the members before or at the same time as the organisation's response is made available to members.

Written response must be made available to members

A copy of the organisation's response to the AEC must be made available to members either:

- within 30 days after the response is given to the AEC, or
- published in the next edition of the organisation or branch journal (s198(5))

Subsection 198(6) and regulation 142 prescribe ways in which the relevant extract and the copy of the response can be made available to members. These do not limit the ways in which they can be made available to members. The organisation will comply if it does all of the following:-

- publish the report extract and the copy of the response in the next edition of the organisation or branch's journal; and
-
- within 30 days of giving the response to the AEC:
 - lodges with the ROC a copy of the relevant extract and response, together with a declaration that a copy will be provided to any member who so requests; and
 - give notice in the next edition of the organisation or branch's journal, or an appropriate newspaper, that a copy of the relevant extract and response are available on request to each member free of charge; and
- publish the relevant extract on the website within 14 days after receiving the report, and publish the response on the website within 14 days of giving the response to the AEC (reg 142(2)).

Penalties may apply

If the organisation or branch does not:

- respond to the AEC within 30 days,
- make the extract of the report relating to the rules available to members no later than the organisation's response is made available to members, or
- make the organisation's response available to members within 30 days or in the next edition of the journal,

the organisation may face penalties under the RO Act. Each requirement listed above is a civil penalty provision that may result in fines for the organisation

As noted above, if the response and report have already been made available to members and the AEC, please disregard this letter. If you have any questions in relation to these obligations please contact the ROC for assistance by email to regorgs@roc.gov.au.

If the organisation or branch decides to alter its rules in response to the AEC's report

If the organisation or branch decides to alter its rules in response to the AEC's report, the ROC is NOT able to provide advice and assistance regarding draft alterations or the processes required to make the alterations. Rule alterations remain a function of the Fair Work Commission.

Yours faithfully

Christine Hibberd

Dear Federal Secretary,

cc: support@aeutas.org.au

Reminder of actions required when persons elected to office

The Australian Electoral Commission has provided the Registered Organisations Commission (the ROC) a declaration of results for the election of uncontested and contested offices for the Tasmanian Branch [E2017/55]. This letter is a reminder of certain obligations imposed on organisations and on persons elected to office.

A notice must be published on the organisation's website

The organisation or branch must publish on its website a notice that a copy of the report is available from the organisation, branch or the AEC on request. The notice must be kept on the website for a period of at least 3 months (see regulation 141 of the Fair Work (Registered Organisations) Regulations 2009).

Holders of office required to undertake approved training

Section 293K of the *Fair Work (Registered Organisations) Act 2009* (the RO Act) requires each officer with financial management duties to undertake approved training that covers those duties within 6 months after the person begins to hold office. Please ensure that relevant officers undertake approved training within the required timeframe. Please also ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests, the details of which are provided for in the RO Act.

Organisation must notify the Commission of changes

Also, section 233(2) of the RO Act requires that an organisation must notify the Commission **within 35 days of any changes** to the holders of office in the organisation. **If there are no changes a notification is not required.** If the election has resulted in **any changes** to the holders of office, the Australian Education Union must notify the Commission of these changes. In particular, please advise:

1. Person(s) who have ceased to hold office:
 - the name of the office vacated;
 - the date of the change of office holder; and
 - the name of the person vacating the office.

2. Person(s) who have commenced to hold office:
 - the name of the office now held;
 - the date of the change of office holder;
 - the name of the person now holding the office;
 - the postal address of the person (generally the postal address of the organisation); and

- the occupation of the person now holding the office.

The notification must include a declaration by the Secretary (or other prescribed officer) that the information is a correct statement of the changes made. A template notification of changes, which may assist you, is attached. If any change does not apply until a date in the future, you do not need to notify until then (e.g. AGM, 1 January, 2nd Monday in March). If you have already lodged this information, please disregard this reminder.

Regards

Christine Hibberd

Dear Federal Secretary,

Reminder of actions required when persons elected to office

The Australian Electoral Commission has provided the Registered Organisations Commission (the ROC) a declaration of results for the election of uncontested and contested offices for Victorian Branch [E2017/55]. This letter is a reminder of certain obligations imposed on organisations and on persons elected to office.

A notice must be published on the organisation's website

The organisation or branch must publish on its website a notice that a copy of the report is available from the organisation, branch or the AEC on request. The notice must be kept on the website for a period of at least 3 months (see regulation 141 of the Fair Work (Registered Organisations) Regulations 2009).

Holders of office required to undertake approved training

Section 293K of the *Fair Work (Registered Organisations) Act 2009* (the RO Act) requires each officer with financial management duties to undertake approved training that covers those duties within 6 months after the person begins to hold office. Please ensure that relevant officers undertake approved training within the required timeframe. Please also ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests, the details of which are provided for in the RO Act.

Organisation must notify the Commission of changes

Also, section 233(2) of the RO Act requires that an organisation must notify the Commission **within 35 days of any changes** to the holders of office in the organisation. **If there are no changes a notification is not required.** If the election has resulted in **any changes** to the holders of office, the Australian Education Union must notify the Commission of these changes. In particular, please advise:

1. Person(s) who have ceased to hold office:
 - the name of the office vacated;
 - the date of the change of office holder; and
 - the name of the person vacating the office.

2. Person(s) who have commenced to hold office:
 - the name of the office now held;
 - the date of the change of office holder;
 - the name of the person now holding the office;
 - the postal address of the person (generally the postal address of the organisation); and

 - the occupation of the person now holding the office.

The notification must include a declaration by the Secretary (or other prescribed officer) that the information is a correct statement of the changes made. A template notification of changes, which may assist you, is attached. If any change does not apply until a date in the future, you do not need to notify until then (e.g. AGM, 1 January, 2nd Monday in March). If you have already lodged this information, please disregard this reminder.

Regards

Christine Hibberd

4. **Voting system and number of positions**

The elections that are required are set out in the table in **Annexure A**. The voting system to be employed in the conduct of the elections for the offices is a direct voting system. In the case of the Aboriginal and Torres Strait Islander delegates the number of Aboriginal and Torres Strait Islander financial members in each branch as at 30 June 2017 will be the determinate.

Your attention is also drawn to the provisions of Rule 24(3A), Rule 25, Rule 47(3), Rule 47A and various Branch Rules concerning the minimum representation of women in connection with any ballots that are necessary for the election of Federal Conference Delegates from the General Division and the National TAFE Council.

5. **Dates and Times**

Federal Rule 30 (2) states:

“Subject to the next sub-rule, the elections shall be conducted in accordance with a timetable which permits the declaration of the election **on or before 31 October** prior to the date on which the Federal Delegates assume office.”

Federal Rule 73, 74, 75 and 76 are the relevant Rules for the election of the Aboriginal and Torres Islander Education Committees (TAFE and General Divisions), National Principals’ Committee and National Early Childhood Committee members. The declaration of these elections must be **on or before 30 November** prior to the date the member takes office.

Federal Branch Rules for the various branches contain respective timetables for the conduct of these elections.

6. **Closure of the Roll of Voters**

Federal Rule 30 (4) states that the roll of voters is to be closed seven days before the day on which nominations open.

Dear Ms O'Neill

Statement: Amended Prescribed Information for Elections: Section 189(1) of the Fair Work (Registered Organisations) Act 2009 and Regulation 138 Fair Work (Registered Organisations) Regulations 2009

I, Susan Hopgood, being the Federal Secretary of the Australian Education Union make the following statement:

1. I am the Federal Secretary of the Australian Education Union and am authorised to sign this prescribed information in relation to elections due to be held in all branches of the Australian Education Union.
2. I confirm that the following information is being lodged under subsection 189(1) of the *Fair Work (Registered Organisations) Act 2009*.
3. This statement is lodged at least 2 months before nominations open for the elections that are required.
4. **Voting system and number of positions**

The elections that are required are set out in the table in **Annexure A**. The voting system to be employed in the conduct of the elections for the offices is a direct voting system. Financial membership numbers for the General Division and TAFE Division as at 30 June 2017 will determine the number of positions for each office for each branch. In the case of the Aboriginal and Torres Strait Islander delegates the number of Aboriginal and Torres Strait Islander financial members in each branch as at 30 June 2017 will be the determinate. I will supply you with the number of financial members as at 30 June 2017 and the number of positions for each office for each branch as soon as they have been collected.

Your attention is also drawn to the provisions of Rule 24(3A), Rule 25, Rule 47(3), Rule 47A and various Branch Rules concerning the minimum representation of women in connection with any ballots that are necessary for the election of Federal Conference Delegates from the General Division and the National TAFE Council.

5. **Dates and Times**

Federal Rule 30 (2) states:

“Subject to the next sub-rule, the elections shall be conducted in accordance with a timetable which permits the declaration of the election **on or before 31 October** prior to the date on which the Federal Delegates assume office.”

Federal Rule 73, 74, 75 and 76 are the relevant Rules for the election of the Aboriginal and Torres Islander Education Committees (TAFE and General Divisions), National Principals’ Committee and National Early Childhood Committee members. The declaration of these elections must be **on or before 30 November** prior to the date the member takes office.

Federal Branch Rules for the various branches contain respective timetables for the conduct of these elections.

6. **Closure of the Roll of Voters**

Federal Rule 30 (4) states that the roll of voters is to be closed seven days before the day on which nominations open.

7. **Branch Secretary Contacts**

The Branch Secretaries to contact for lists of members and other necessary information in relation to these elections are:
