Please note that section 233(2) of the RO Act requires that a notification of change must be lodged “within the prescribed period”. The prescribed period is set out in Regulation 151 of the Fair Work (Registered Organisations) Regulations 2009 as “the period of 35 days, beginning on the day after the day when the change is made”.

The notifications lodged by the Tasmanian Branch on 18 November and 12 December 2016 and the notification lodged by the South Australian Branch on 27 October 2016 were lodged *before* the date on which the changes occurred. The notifications were therefore not lodged within the prescribed period.

The notification lodged by the Federal Office on 25 October 2015 was lodged more than 35 days after the date on which the change occurred.

Please ensure that future notifications of change are lodged within the prescribed period.

Section 154D(1) of the RO Act requires the rules of organisations (and branches of organisations) to require each officer with financial management duties to undertake approved training that covers those duties within 6 months after the person begins to hold office. Please ensure that relevant officers undertake approved training within the required timeframe.

Please also ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests, the details of which should be in your organisation’s rules.

Thank you for the notifications.

Yours sincerely,

Rebecca Lee

The WA Branch of the Australian Education Union comprises a number of districts which reflect state electorates in Western Australia, and which form the basis of the composition of the AEU WA Branch Council.

Please note that Appendix B does not form part of the WA Branch rules.

Yours sincerely,

Pat Byrne
AEU WA Branch President

Dear Ms Hopgood,

Annual Return of Information for 2016 [AR2016/107]

I acknowledge receipt on 30 March 2016 of your Declaration providing information in accordance with subsection 233(1) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

The documents lodged cover most of the required information for the 2016 Annual Return of Information of the Australian Education Union. However I make the following comment to assist with future lodgements.

Street addresses have been provided in connection with various offices in Annexure B. Subsections 230(1)(c) and 233(1)(b) of the RO Act instead require you to keep and lodge a true statement of, inter alia, "a list of the names, *postal* addresses and occupations of the persons holding the offices;"

The documents have been filed and can be viewed on the Fair Work Commission website through the List of Registered Organisations - <http://www.fwc.gov.au/index.cfm?pagename=regorgslist>

Notifications of Change

Any changes to these records must be notified to the Commission within 35 days of the change. A template Notification of Change Declaration is available on the [fact-sheets](#) page of our website. I encourage the use of this template when changes occur.

The Commission will accept notifications of change from the relevant branches or from the national office. If the national office of the Australian Education Union does not intend to file notifications of change, please ensure that all branches are aware of their continuing obligation and the requisite time frames regarding notifications of change.

If a branch lodges a notification of change with the Commission, the branch should also provide the information to the national body in order to ensure that the organisation is able to comply with its obligations under section 233(1) of the RO Act.

Yours sincerely
