Dear Mr Lampe

## Re: Schedule 1 of the Workplace Relations Act 1996 (Schedule 1) Financial reports for year ended 31 December 2007 – FR2007/644

I acknowledge receipt of the financial reports of the Northern Territory Branch of the Australian Education Union for the year ended 31 December 2007. The documents were lodged in the Industrial Registry on 8 August 2008.

The documents have been filed and no further action is required with respect to the lodged documents.

However, the Branch must make the following improvements to its financial reports in future years to ensure compliance with the Act to allow future financial reports to be filed without delay.

## 1. Auditor's Report

The auditor's report must state whether in the auditor's opinion the *general purpose financial report* is presented fairly in accordance with the applicable accounting standards and requirements of the *Workplace Relations Act 1996* (the Act). A general purpose financial report consists of:

- profit and loss statement;
- balance sheet;
- statement of cash flows;
- notes to the accounts as required by the Australian Accounting Standards and the Act; and
- committee of management statement.

(see s253 of Schedule 1, Reporting Guidelines)

The main problem with the financial documents lodged is that the resolutions contained in the committee of management statement were passed on 27 March 2008 but the statement was signed 4 months later on 8 August 2008, and the auditor's report was signed on 7 April 2008.

From the information provided it is clear that the auditor did not take into account a signed copy of the committee of management statement as part of his auditing obligations under Schedule 1. This is also confirmed by paragraph 1 of the auditor's report which states:

"The financial report is a general purpose report comprising the Statement of Financial Performance, Statement of Financial Position, Statement of Cash Flows and accompanying Notes to the Financial Statements for the Australian Education Union NT Branch ("the Branch") for the year ended 31 December 2007."

The auditor's report goes further to say in paragraph 3 that:

"We have conducted an independent audit of the financial report in order to express an opinion on it to the members of the Branch."

Schedule 1 requires the committee of management statement to be considered also by the auditor in his auditing process. Please ensure in future financial years the committee of management statement is promptly signed after the resolution is passed and the signed statement is forwarded to your auditor along with the other financial statements that make up the general purpose financial report. Failure to comply with this legislative requirement in future years may result in the Industrial Registrar's refusal to file the financial report and require further action by the Branch before the matter is concluded.

## 2. Auditor's Qualifications

The Auditor's Report should provide details of the individual auditor's qualifications to confirm he is an *approved auditor* as defined by s.256 of Schedule 1 and Regulation 4 of the RAO Regulations. Regulation 4 defines an approved auditor as a *person* who is a member of CPA Australia, The Institute of Chartered Accountants in Australia or the National Institute of Accountants **and** holds a current Public Practice Certificate.

Although the auditor's report provides that Mr Hansen is a registered company auditor, the preferred practise is that the qualifications are made explicit **and** the auditor specifies that he holds a current Public Practice Certificate.

A copy of this letter has also been forwarded to your auditor.

## 3. Income and Expenditure Statement

As previously mentioned in our correspondence to the Branch dated 22 February and 14 September 2007 it is a requirement under paragraphs 11(g) and (h) of the Reporting Guidelines that employee benefits to holders of office and employee benefits to employees (other than holders of offices) be given as separate amounts. The operating report discloses that there are 2 full time officers and 2 administrative officers. In the income and expenditure statement there is an entry figure of \$340,804 for '*wages*'. According to the requirements of the Reporting Guidelines this must be broken down into separate figures of wages for the full time officers and wages for the administrative staff. Please ensure this is done for future financial reports.

## 4. Time Frame Requirements

According to Schedule 1, the financial report must be completed and lodged in the Industrial Registry within 6½ months of the end of the financial year. This means the Northern Territory Branch of the Australian Education Union must lodge their financial report 15 July of each year to comply with the legislative requirements.

Should you wish to discuss any of the matters referred to above I can be contacted on (03) 8661 7989 (Wednesday to Friday) or via e-mail at <u>cynthia.lobooth@air.gov.au</u>.

Yours faithfully,

lyel Breel

## AUSTRALIAN EDUCATION UNION NT BRANCH

### Independent audit report To the members of Australian Education Union NT Branch

### Scope

### The financial report and the Branch's responsibility

The financial report is a general purpose report comprising the Statement of Financial Performance, Statement of Financial Position, Statement of Cash Flows and accompanying Notes to the Financial Statements for the Australian Education Union NT Branch ("the Branch") for the year ended 31 December 2007.

The Branch is responsible for preparing a financial report that presents fairly the financial position and performance of the Branch, and that complies with Accounting Standards and other mandatory financial reporting requirement in Australia and relevant provisions of Part 3 of Chapter 8 of Schedule 1 (RAO Schedule) of the Workplace Relations Act 1996. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

### Audit approach

We have conducted an independent audit of the financial report in order to express an opinion on it to the members of the Branch. Our audit was conducted in accordance with Australian Auditing Standards in order to provide reasonable assurance as to whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgment, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with Accounting Standards and other mandatory financial reporting requirements in Australia and relevant provisions of the Workplace Relations Act 1996, a view which is consistent with our understanding of the Branch and its financial position, and of its performance as represented by the results of its operations and cash flows.

We formed our audit opinion on the basis of these procedures, which included:

- examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial reports; and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the committee.

### AUSTRALIAN EDUCATION UNION NT BRANCH

### Independent audit report to the members of the Australian Education Union NT Branch (con't)

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

We performed procedures to assess whether the substance of business transactions was accurately reflected in the financial report. These and our other procedures did not include consideration or judgment of the appropriateness or reasonableness of the business plans or strategies adopted by the Branch or management.

### Independence

We are independent of the Branch, and have met the independence requirements of Australian professional ethical pronouncements.

### Audit Opinion

In our opinion the general purpose financial report of the Australian Education Union NT Branch for the year ended 31 December 2007 is presented fairly, in accordance with applicable Australian Accounting Standards and the requirements imposed by Part 3 of Chapter 8 of Schedule 1 (RAO Schedule) of the Workplace Relations Act 1996.

Australian Education Union N.T. Branch Notes to the Financial Statements

For the year ended 31 December 2007

### Note 1: Statement of Significant Accounting Policies

The financial report is a general purpose financial report that has been prepared in accordance with Accounting Standards, Urgent Issues Group Consensus Views and other authoritative pronouncements of the Australian Accounting Standards Board and the requirements of the Workplace Relations Act 1996 (RAO Schedule).

The financial report covers Australian Education Union N.T. Branch as an individual entity.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

The following is a summary of the material accounting policies adopted by the economic entity in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

### Income tax

The association believes it is exempt from Income Tax.

### Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation.

a) Property

Freehold land and buildings are measured on the fair value basis, being the amount for which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction.

b) Plant and equipment

The carrying amount of plant and equipment is reviewed annually to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected net cash flows have not been discounted to present values in determining the recoverable amounts.

### c) Depreciation

The depreciable amount of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, is depreciated on a straight line basis over their useful lives to Australian Education Union N.T. Branch commencing from the time the asset is held ready for use. Properties held for investment purposes are not subject to a depreciation charge. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable asset are:

Class of Asset	Depreciation Rate %
Plant and equipment	15-40
Motor vehicles	15-18.75

## Australian Education Union N.T. Branch Notes to the Financial Statements

### For the year ended 31 December 2007

### Leases

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not legal ownership, are transferred to Australian Education Union N.T. Branch are classified as finance leases. Finance leases are capitalised recording an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual value.

Leased assets are depreciated on a straight line basis over their estimated useful lives where it is likely that ownership of the asset will be obtained or over the term of the lease. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Lease payments under operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

Lease incentives under operating leases are recognised as a liability. Lease payments received reduce the liability.

### Employee entitlements

Provision is made for the liability for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries, annual leave and sick leave which will be settled after one year, have been measured at their nominal amount. Other employee entitlements payable later than one year have been measured at the present value of the estimated future cash out flows to be made for those entitlements.

Contributions are made by Australian Education Union N.T. Branch to an employee superannuation fund and are charged as expenses when incurred.

### Cash

For the purpose of the statement of cash flows, cash includes cash on hand and in all call deposits with banks or financial institutions, investments in money market instruments maturing within less than two months, net of bank overdrafts.

### **Comparative Figures**

Where required by Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year.

## Information to be provided to members or Registrar

1. A member of a reporting unit, or a Registrar, may apply to the reporting unit for specified prescribed information relation to the reporting unit to be made available to the person making the application.

2. The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.

3. A reporting unit must comply with an application made under sub-section (1).
