Rules used for the election:

**284V: Incorporates alterations of 3 October 2016 [R2016/164] replaces rulebook dated 9 September 2016 [R2016/102]**

Rules difficult to apply/interpret:

## Roll of Voters

As there were no contested offices, no Roll of Voters was required.

## Irregularities

## Other Matters

---

No rules were difficult to apply, however, it is important to note that over many years of electing these positions there has been very limited interest in this election. This is despite the fact that this election has the provision for a recall election. This year only eight candidates were elected when there are over nine hundred positions available. It may be worth changing the AEU rules so that there are fewer positions. Positions could possibly be attached to the sector rather than the region.

John Cassidy  
Victorian Branch  
Australian Education Union  
Email: melbourne@aeuvic.asn.au

Dear Mr Cassidy,

### **Reminder of actions required when persons elected to office**

The Australian Electoral Commission has provided the Registered Organisations Commission (the ROC) a declaration of results for the election of uncontested offices for [E2016/251]. This letter is a reminder of certain obligations imposed on organisations and on persons elected to office.

### **A notice must be published on the organisation's website**

The organisation or branch must publish on its website a notice that a copy of the report is available from the organisation, branch or the AEC on request. The notice must be kept on the website for a period of at least 3 months (see regulation 141 of the Fair Work (Registered Organisations) Regulations 2009).

### **Holders of office required to undertake approved training**

Section 293K of the *Fair Work (Registered Organisations) Act 2009* (the RO Act) requires each officer with financial management duties to undertake approved training that covers those duties within 6 months after the person begins to hold office. Please ensure that relevant officers undertake approved training within the required timeframe. A list of approved training providers is attached.

Please also ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests, the details of which are provided for in the RO Act.

### **Organisation must notify the Commission of changes**

Also, section 233(2) of the RO Act requires that an organisation must notify the Commission **within 35 days of any changes** to the holders of office in the organisation. **If there are no changes a notification is not required.** If the election has resulted in **any changes** to the holders of office, the Australian Education Union-Victorian Branch must notify the Commission of these changes. In particular, please advise:

1. Person(s) who have ceased to hold office:
  - the name of the office vacated;
  - the date of the change of office holder; and
  - the name of the person vacating the office.
  
2. Person(s) who have commenced to hold office:
  - the name of the office now held;
  - the date of the change of office holder;

Dear John,

My sincerest apologies regarding the conversations we have had in recent days.

Regarding the number of Secondary Sector Delegates, I was using the attached excel spreadsheet which, when using the formula we spoke about, rounds the numbers when Autosummed, equalling 288.44. When I manually wrote out these values and added them, the number came to 289.

As a result, I will continue the processing of the election and once again I am sorry for the inconvenience caused.

Kind Regards

**Subject:** RE: AEU-Vic Branch Conference Delegates Election (E2016/251)

Hi John,

Just letting you know I have to leave the office at 4pm today.

Yes that would appear to be the case, however the wording of paragraph 4(2)(b) to our reading states that it is the total number of the Sector divided by 50 (iii), and then this number is subsequently apportioned to the regions, having regard to the number in the region.

I note that this was also the case regarding the Primary Sector last year, the solution to which appeared to be rounding down the number of Delegates for the Wangaratta Region from 5 Delegates to 4, despite the total membership being 231.

There appears to be some ambiguity in the interpretation of the Rules, however I believe this would be an appropriate solution in line with paragraph 4(2)(b).

Kind Regards

Hi Sam,  
Will ring when I get home.  
If we reduce the Secondary delegates by 1 we are 1 delegate short overall.

Hi John,

I apologise as I was unable to get your phone number from the AEU, however they did give me your email addresses.

I still have concerns about the number of Conference Delegates, namely the total number of the Secondary Sector being 289, when I believe in accordance with the rules it should be 288. This would mean a Delegate would have to be taken off one of the regions in the Sector and an amended Prescribed Information lodged.

All the other information appears correct.

Would you be able to give me a call on the my number below when you get a chance?
