Officer Induction Kit

The ROC has created an [Officer Induction Kit](#) to assist new officers. The Kit includes a number of resources that will help an officer to understand their general duties as an officer and their specific duties as an officer in your organisation. The kit should not be printed as it is updated regularly and some of the documents are interactive. The ROC strongly recommends that all new officers, and officers who are seeking more information on their obligations and duties, are given the link to the officer induction kit. Please direct your new officers to the kit which is on the ROC's [fact sheets, templates and webinars page](#), under Officers.

Dear Mr Ferguson,

Notification of changes made to records [AR2018/39]

I acknowledge receipt of Notifications of Change to the office holders of the Australian Hotels Association (AHA).

This information was lodged with the Registered Organisations Commission (the ROC) pursuant to the notification requirements in section 233(2) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

The table below outlines the changes notified and when they were lodged. Our records have been updated accordingly. The document can be viewed on the Website through the [list of Registered Organisations](#).

Date of lodgement	Branch	Change	Within prescribed period (Yes/No). If No, how many days late
30 August 2018	TAS	Div President/Branch Vice President (1)	No, 254 days late
18 September 2018	QLD	Zone General Committee Representatives (14)	Yes

17 October 2018	VIC	President (1) Vice President-Country (1) Executive Member (5)	Yes
29 October 2018	National	National Board Delegate (3)	Yes

Time frames

Regulation 151 of the *Fair Work (Registered Organisations) Regulations 2009* prescribes that a notification of change pursuant to section 233(2) of the RO Act must be lodged within 35 days of

the change occurring. I note that this is a civil penalty provision and non-compliance may leave your organisation open to Federal Court proceedings.

Late notification

The notification regarding the change of the Tasmanian Branch Vice President, received on 30 August 2018, indicates that the change occurred more than 35 days prior to its lodgement.

The late notification identified above follows recent reminders regarding the obligation to lodge notifications of change within 35 days. On 3 August 2018 changes to the Queensland Branch office holders were received 5 days late despite the fact that the ROC was at that time conducting an investigation in relation to alleged contraventions of the RO Act by the AHA. As you are aware the AHA is now the subject of Federal Court proceedings in matter [Registered Organisations Commissioner v Australian Hotels Association](#) [VIC1442/2018] in relation to those alleged contraventions, which encompass the failure of the AHA to lodge notifications of change within statutory timeframes.

The AHA's compliance with section 233(2) will continue to be monitored by the ROC. Contravention of provisions of the RO Act will be met with an appropriate and proportionate regulatory response from the ROC, which may include inquiries, investigations and civil penalty proceedings. Please ensure that future notifications of change are lodged within 35 days of the change occurring.

Officer Induction Kit

The ROC has created an [Officer Induction Kit](#) to assist new officers. The Kit includes a number of resources that will help an officer to understand their general duties as an officer and their specific duties as an officer in your organisation. It also includes tools to guide an officer's understanding of compliance dates and other reporting obligations.

The kit should not be printed as it is updated regularly and some of the documents are interactive. The ROC strongly recommends that all new officers, and officers who are seeking more information on their obligations and duties, are given the link to the officer induction kit. Please direct your new officers to the kit which is on the ROC's [fact sheets, templates and webinars page](#), under Officers.

Mandatory disclosures

Please ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests. Details are contained in the RO Act and are summarised in the ROC's [Disclosures Fact Sheet](#).

Mandatory training

Please also note that Section 293K of the RO Act requires each officer with duties that relate to the financial management to undertake approved training that covers the duties within 6 months after the person begins to hold office. Please ensure that relevant officers are advised of the requirement to undertake approved training. Please also ensure that they undertake the training within the required timeframe.

Thank you for your correspondence.

Yours faithfully,

Michael Moutevelis

Time frames

Regulation 151 of the *Fair Work (Registered Organisations) Regulations 2009* prescribes that a notification of change pursuant to section 233(2) of the RO Act must be lodged within 35 days of the change occurring. I note that this is a civil penalty provision and non-compliance may leave your organisation open to Federal Court proceedings.

Late notification(s)

The notification regarding changes of officeholders of the Queensland Branch, received on 3 August 2018, indicates that changes occurred more than 35 days prior to its lodgement.

I also refer to the ROC's correspondence to you dated 31 July 2018 regarding the office of the Tasmanian Branch Vice President. Annual return AR2017/40 shows Nick Daking as the relevant officeholder, whereas AR2018/39 now shows Colin McGillivray as the relevant officeholder. The ROC has no evidence of a notification of change being lodged in relation to this change. Given that more than 35 days have elapsed since this change was identified in the lodgement of AR2018/39 on 29 March 2018, it is apparent that the lodgement of a notification of change is more than 35 days late. Please ensure that an appropriate declaration is lodged reflecting this change as soon as possible.

Failure to lodge notifications of change and late lodgements are contraventions that may attract a civil penalty.

As you would be aware, the ROC is currently conducting an investigation in relation to alleged contraventions of the RO Act by the AHA.

The ROC will be separately writing to the AHA in relation to the above late and non-notifications.

Please ensure that future notifications of change are lodged within 35 days of the change occurring.

Officer Induction Kit

The ROC has created an [Officer Induction Kit](#) to assist new officers. The Kit includes a number of resources that will help an officer to understand their general duties as an officer and their specific duties as an officer in your organisation. It also includes tools to guide an officer's understanding of compliance dates and other reporting obligations.

The kit should not be printed as it is updated regularly and some of the documents are interactive. The ROC strongly recommends that all new officers, and officers who are seeking more information on their obligations and duties, are given the link to the officer induction kit. Please direct your new officers to the kit which is on the ROC's [fact sheets, templates and webinars page](#), under Officers.

Mandatory disclosures

Please ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests. Details are contained in the RO Act and are summarised in the ROC's [Disclosures Fact Sheet](#).

Mandatory training

Please also note that Section 293K of the RO Act requires each officer with duties that relate to the financial management to undertake approved training that covers the duties within 6 months after the person begins to hold office. Please ensure that relevant officers are advised of the requirement to undertake approved training. Please also ensure that they undertake the training within the required timeframe.

Yours faithfully,

Michael Moutevelis

Mr Colin Waller
National Secretary / Treasurer
Australian Hotels Association
Email: aha@aha.org.au

Dear Mr Waller,

Declaration and information lodged under subsection 233(1) [Annual Return] for 2018 [AR2018/39]

I acknowledge receipt by the Registered Organisations Commission (the ROC) on 29 March 2018 of your organisation's Annual Return which provides information under subsection 233(1) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

Thank you for providing your Annual Return.

The ROC aims to help organisations comply with all the requirements of subsection 233(1) of the RO Act. Accordingly the ROC requested and another declaration was provided by the organisation on 9 August 2018 regarding:

- *The inclusion of all National and NSW Branch office holders.*
- *The inclusion of the name of offices for the Victorian Branch*

The provision of this information is a mandatory part of the Annual Return. While no further action is required in relation to this Annual Return, please ensure this information is included next year. Failure to include this information may result in the ROC reviewing the Australian Hotels Association's compliance with section 233(1). Non-compliance leaves your organisation open to the risk of further compliance action, including the prospect of Federal Court proceedings seeking penalties.

In order to assist organisations to fully comply with the requirements of subsection 233(1) of the RO Act a template Annual Return is available on the [fact-sheets](#) page of our website. Australian Hotels Association is encouraged to use this template.

The Annual Return has now been filed and no further action in relation to this Annual Return is required. Annual returns are publicly available on the website through the [List of Registered Organisations](#).

Notifications of Change

Any changes to these records must be notified to the ROC within 35 days of the change. A template Notification of Change Declaration is available on the [fact-sheets](#) page of our website. Australian Hotels Association is encouraged to use this template if any changes occur.

The ROC will accept notifications of change from the relevant branches or from the national office. If the national office of Australian Hotels Association does NOT intend to file notifications of

change, please ensure that all branches are aware of their continuing obligation to notify changes and the requisite time frames within which that must happen.

If a branch lodges a notification of change with the ROC, the branch should also provide the information to the national body in order to ensure that the organisation is able to comply with its obligations under section 233 of the RO Act.

If you have any queries regarding this correspondence I can be contacted on 1300 341 665 or by email at regorgs@roc.gov.au

Yours faithfully

Michael Moutevelis
Registered Organisations Commission

Dear Mr Ferguson,

**Australian Hotels Association
Annual Return of Information for 2018 [AR2018/39]**

I refer to our letter dated 1 February 2018 reminding you of the obligation to lodge an Annual Return of Information (Annual Return). Please ignore this letter if you have lodged the Annual Return in the last few days.

When must you lodge the Annual Return?

The Annual Return 2018 must be lodged no later than **31 March 2018**.

What must you lodge?

Two signed declarations certifying matters prescribed in the Fair Work (Registered Organisations) Act 2009 (the RO Act) must be lodged along with copies of some of your records. The required declarations and records are set out in the table that follows this letter.

Please refer to our previous correspondence which provides information about maintaining the register of members, a recommendation that private information not be provided and which explains who must sign the declarations.

Consider using the ROC's template

The ROC provides a template Annual Return for an organisation without branches and a template Annual Return for an organisation with branches on our [Factsheets, templates and webinars](#) page. We recommend that you use this template to ensure that you make the correct declarations and include all the required information.

Failure to comply

Failure to comply with these obligations exposes your organisation to financial penalties (up to \$63 000 for a body corporate and \$12 600 for an individual per contravention), under s.305 of the RO Act.

Need more information?

If you require further information about an Annual Return you can refer to the [Annual returns](#) page on our website and, in particular, our Webinar slides. You can also contact the ROC by phone on 1300 341 665 or by e-mail at regorgs@roc.gov.au.

Yours sincerely

Australian Hotels Association

Dear Mr Ferguson,

**Australian Hotels Association
Annual Return of Information for 2018 [AR2018/39]**

This is a courtesy letter to remind you of the obligation to lodge an Annual Return of Information for 2018 in respect of the Australian Hotels Association by **31 March 2018**.

What must be lodged?

A signed and dated declaration certifying matters prescribed in the *Fair Work (Registered Organisations) Act 2009* (the RO Act) must be lodged with the Registered Organisations Commission (the Commission). The matters to be included in the declaration are set out in the attached checklist.

In maintaining the register of members, your attention is drawn to the circumstances where membership ceases to exist (s.230(2)(b) and s.171A of the RO Act).

Once an Annual Return has been lodged, a copy will be posted on our website at List of Registered Organisations. Therefore, to protect the privacy of the relevant office holders listed in the declarations, it is recommended that officers list their official mailing address rather than personal home address.

Who must sign the declaration?

The declaration must be signed by the Secretary, or where applicable, such other elected official who is required under the rules or by resolution of the organisation, to keep the relevant records (other prescribed officer). A declaration signed by a non-elected person does not meet this requirement.

Who lodges the Annual Return of information?

Section 233 places the onus of lodgement on the organisation and not on each individual branch. It is therefore the national body that is obliged to collate and lodge all of the required information. Annual Return templates are available on the Commission website at Registered Organisations fact sheets, one for an organisation with branches and one for an organisation without branches.

What happens if the information changes?

The Secretary, or other prescribed officer, must notify the Commission within 35 days of any changes to such records that may occur throughout the year.

Failure to comply with these obligations is subject to a civil penalty provision (up to \$63,000 for a body corporate and \$12,600 for an individual per contravention), under s.305 of the RO Act.

Please do not hesitate to contact the Commission by phone on 1300 341 665 or by e-mail at regorgs@roc.gov.au if you wish to discuss the requirements outlined in this correspondence.

Yours faithfully,

Sam Gallichio
Adviser
Registered Organisations Commission

A copy of each of the following records must be lodged with the Fair Work Commission (the Commission) between 1 January and 31 March each year. They must be certified by a declaration stating that it is a correct statement of the information contained in that record, signed by the Secretary or such other elected official who is required under the rules, or by resolution of the organisation, to keep the relevant records (**other prescribed officer** see r.150 of the RO Regulations).
