Dear Stephen Ferguson

Notification of changes made to records under s.233(1) RO Act and 2020 Annual Return (AR2020/50)

I acknowledge receipt of a Notification of Change to the office holders of the Australian Hotels Association.

This information was lodged with the Registered Organisations Commission (the ROC) pursuant to the notification requirements in section 233(2) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

The table below outlines the changes notified and when they were lodged. Our records have been updated accordingly. The document can be viewed on the Website through the [list of Registered Organisations](#).

Date of lodgement	Branch	Change	Within prescribed period (Yes/No). If No, how many days late
06/08/2020 (amending the notification originally lodged on 11/03/2020)	Queensland Branch	Southern Zone General Committee State Board Delegate	No – 120 days late

Your organisation's 2020 Annual Return

I note the advice from Phillip Ryan on 5 August 2020 that in addition to the above office, William Cordwell holds the office of Central Division Zone General Committee Representative (as notified on 11 March 2020).

The list of office holders submitted with the organisation's 2020 annual return does not list Mr Cordwell as a Central Division Zone General Committee Representative in the Queensland Branch.

To ensure accuracy of the records lodged, could you please lodge an amended list of office holders that includes Mr Cordwell as holding the office of Central Zone General Committee Representative in the Queensland Branch. The annual return has been filed.

Officer Induction Kit

The ROC has created an [Officer Induction Kit](#) to assist new officers. The Kit includes a number of resources that will help an officer to understand their general duties as an officer and their specific duties as an officer in your organisation. It also includes tools to guide an officer's understanding of compliance dates and other reporting obligations.

The kit should not be printed as it is updated regularly and some of the documents are interactive. The ROC strongly recommends that all new officers, and officers who are seeking more information on their obligations and duties, are given the link to the officer induction kit. Please direct your new officers to the kit which is on the ROC's [fact sheets, templates and webinars page](#), under Officers.

Thank you for your correspondence.

Yours sincerely

Dear Stephen Ferguson,

Declaration and information lodged under subsection 233(1) for 2019 (AR2019/37)

I acknowledge receipt by the Registered Organisations Commission (**the ROC**) on 17 October 2019 of your organisation's amended Annual Return (originally lodged on 28 March 2019) which provides information under subsection 233(1) of the *Fair Work (Registered Organisations) Act 2009 (the RO Act)*.

Thank you for providing the amended Annual Return.

The ROC aims to help organisations comply with all the requirements of subsection 233(1) of the RO Act. Accordingly the ROC requested that further information be provided, and this was provided by the organisation on 17 October 2019 regarding the complete and accurate list of offices/ officers of each branch within your organisations (including vacant offices).

The provision of this information is a mandatory part of the Annual Return. While no further action is required in relation to this Annual Return, please ensure this information is included next year. Failure to include this information may result in the ROC reviewing the Australian Hotels Association's compliance with section 233(1). Non-compliance leaves your organisation open to the risk of further compliance action, including the prospect of Federal Court proceedings seeking penalties.

In order to assist organisations to fully comply with the requirements of subsection 233(1) of the RO Act a template Annual Return is available on the [fact-sheets](#) page of our website. The Australian Hotels Association is encouraged to use this template.

The Annual Return has now been filed and no further action in relation to this Annual Return is required. Annual Returns are publicly available on the website through the [List of Registered Organisations](#).

Notifications of Change

Any changes to these records must be notified to the ROC within 35 days of the change. A template Notification of Change Declaration is available on the [fact-sheets](#) page of our website. The Australian Hotels Association is encouraged to use this template if any changes occur.

As previously discussed with the National Director of Legal and Industrial Affairs of your organisation via email on 4 October 2019 and subsequently via telephone conversation on 15 October 2019, there are outstanding notifications of changes which must be lodged by your organisation as soon as possible.

The ROC will accept notifications of change from the relevant branches or from the national office.

If the national office of Australian Hotels Association does NOT intend to file notifications of change, please ensure that all branches are aware of their continuing obligation to notify changes and the requisite time frames within which that must happen.

If a branch lodges a notification of change with the ROC, the branch should also provide the information to the national body in order to ensure that the organisation is able to comply with its obligations under section 233 of the RO Act.

If you have any queries regarding this correspondence I can be contacted on 1300 341 665 or by email at regorgs@roc.gov.au.

Yours faithfully,

Cheryl Tam

Dear Bradley Woods,

Notification of changes made to records under s.233(1) RO Act - Annual obligation to lodge information (AR2019/37)

I acknowledge receipt of a Notification of Change to the office holders of the Australian Hotels Association.

This information was lodged with the Registered Organisations Commission (the ROC) pursuant to the notification requirements in section 233(2) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

The table below outlines the changes notified and when they were lodged. Our records have been updated accordingly. The document can be viewed on the Website through the [list of Registered Organisations](#).

Date of lodgement	Branch	Change	Within prescribed period (Yes/No). If No, how many days late
4 June 2019	Western Australia	Ric Torchia filled vacant position of Councillor	YES
4 June 2019	Western Australia	St.John Hammond replaced David Bornmann in the position of Councillor	YES
4 June 2019	Western Australia	David Bornmann filled vacant position of Divisional President North Metropolitan and Vice President	YES

Time frames

Regulation 151 of the *Fair Work (Registered Organisations) Regulations 2009* prescribes that a notification of change pursuant to section 233(2) of the RO Act must be lodged within 35 days of the change occurring. I note that this is a civil penalty provision and non-compliance may leave your organisation open to Federal Court proceedings.

Officer Induction Kit

The ROC has created an [Officer Induction Kit](#) to assist new officers. The Kit includes a number of resources that will help an officer to understand their general duties as an officer and their specific duties as an officer in your organisation. It also includes tools to guide an officer's understanding of compliance dates and other reporting obligations.

The kit should not be printed as it is updated regularly and some of the documents are interactive. The ROC strongly recommends that all new officers, and officers who are seeking more information on their obligations and duties, are given the link to the officer induction kit. Please direct your new officers to the kit which is on the ROC's [fact sheets, templates and webinars page](#), under Officers.

Mandatory disclosures

Please ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests. Details are contained in the RO Act and are summarised in the ROC's [Disclosures Fact Sheet](#).

Mandatory training

Please also note that Section 293K of the RO Act requires each officer with duties that relate to the financial management to undertake approved training that covers the duties within 6 months after the person begins to hold office. Please ensure that relevant officers are advised of the requirement to undertake approved training. Please also ensure that they undertake the training within the required timeframe. Further information about training is provided in our [officer financial training fact sheet](#).

Thank you for your correspondence.

Yours faithfully,

Cheryl Tam
